18 I do solemnly swear:

19 I am a citizen of the United States and owe my allegiance thereto;

20 I will support the Constitution of the United States and the
21 Constitution of the state of Washington;

22 I will maintain the respect due to courts of justice and judicial
23 officers;

24 I will not counsel or maintain any suit or proceeding which shall
25 appear to me to be unjust, nor any defense except such as I believe to
26 be honestly debatable under the law of the land, unless it be in
27 defense of a person charged with a public offense; I will employ for
28 the purpose of maintaining the causes confided to me such means only as
29 are consistent with truth and honor, and will never seek to mislead the
30 judge or jury by any artifice or false statement of fact or law;

31 I will maintain the confidence and preserve inviolate the secrets
32 of my client, and will accept no compensation in connection with his or
33 her business except from him or her or with his or her knowledge and
34 approval;

35 I will abstain from all offensive personality, and advance no fact

1 prejudicial to the honor or reputation of a party or witness, unless
2 required by the justice of the cause with which I am charged;

3 I will never reject, from any consideration personal to myself, the
4 cause of the defenseless or oppressed, or delay any (~~man's~~) person's
5 cause for lucre or malice. So help me God.

6 **Sec. 2.** RCW 6.13.080 and 2008 c 6 s 635 are each amended to read
7 as follows:

8 The homestead exemption is not available against an execution or
9 forced sale in satisfaction of judgments obtained:

10 (1) On debts secured by mechanic's, laborer's, construction,
11 maritime, automobile repair, (~~materialmen's~~) material supplier's, or
12 vendor's liens arising out of and against the particular property
13 claimed as a homestead;

14 (2) On debts secured (a) by security agreements describing as
15 collateral the property that is claimed as a homestead or (b) by
16 mortgages or deeds of trust on the premises that have been executed and
17 acknowledged by both spouses or both domestic partners or by any
18 claimant not married or in a state registered domestic partnership;

19 (3) On one spouse's or one domestic partner's or the community's
20 debts existing at the time of that spouse's or that domestic partner's
21 bankruptcy filing where (a) bankruptcy is filed by both spouses or both
22 domestic partners within a six-month period, other than in a joint case
23 or a case in which their assets are jointly administered, and (b) the
24 other spouse or other domestic partner exempts property from property
25 of the estate under the bankruptcy exemption provisions of 11 U.S.C.
26 Sec. 522(d);

27 (4) On debts arising from a lawful court order or decree or
28 administrative order establishing a child support obligation or
29 obligation to pay maintenance;

30 (5) On debts owing to the state of Washington for recovery of
31 medical assistance correctly paid on behalf of an individual consistent
32 with 42 U.S.C. Sec. 1396p;

33 (6) On debts secured by a condominium's or homeowner association's
34 lien. In order for an association to be exempt under this provision,
35 the association must have provided a homeowner with notice that
36 nonpayment of the association's assessment may result in foreclosure of
37 the association lien and that the homestead protection under this

1 chapter shall not apply. An association has complied with this notice
2 requirement by mailing the notice, by first-class mail, to the address
3 of the owner's lot or unit. The notice required in this subsection
4 shall be given within thirty days from the date the association learns
5 of a new owner, but in all cases the notice must be given prior to the
6 initiation of a foreclosure. The phrase "learns of a new owner" in
7 this subsection means actual knowledge of the identity of a homeowner
8 acquiring title after June 9, 1988, and does not require that an
9 association affirmatively ascertain the identity of a homeowner.
10 Failure to give the notice specified in this subsection affects an
11 association's lien only for debts accrued up to the time an association
12 complies with the notice provisions under this subsection; or

13 (7) On debts owed for taxes collected under chapters 82.08, 82.12,
14 and 82.14 RCW but not remitted to the department of revenue.

15 **Sec. 3.** RCW 8.16.090 and 1909 p 374 s 9 are each amended to read
16 as follows:

17 When ten of the jurors agree upon a verdict, the verdict so agreed
18 upon shall be signed by the ((foreman)) jury foreperson, and the
19 verdict so agreed upon shall be and stand as the verdict of the jury.

20 **Sec. 4.** RCW 9.91.020 and 2000 c 239 s 3 are each amended to read

25 ((signalman)) signal operator, or having charge of stations, starting,
26 regulating, or running trains upon a railway, or being employed as
27 captain, engineer, or other officer of a vessel propelled by steam, or

30 discharge of any such duties, shall be guilty of a gross misdemeanor.

31 **Sec. 5.** RCW 13.34.105 and 2011 c 309 s 26 are each amended to read
32 as follows:

33 (1) Unless otherwise directed by the court, the duties of the
34 guardian ad litem for a child subject to a proceeding under this

1 chapter, including an attorney specifically appointed by the court to
2 serve as a guardian ad litem, include but are not limited to the
3 following:

5 situation, and report to the court factual information regarding the
6 best interests of the child;

8 child's age and developmental status, and report to the court any views
9 or positions expressed by the child on issues pending before the court;

11 court's attention any change in circumstances that may require a
12 modification of the court's order;

13 (d) To report to the court information on the legal status of a
14 child's membership in any Indian tribe or band;

15 (e) Court-appointed special advocates and guardians ad litem may

18 in conjunction with the recommendations of all of the parties;

19 (f) To represent and be an advocate for the best interests of the
20 child;

21 (g) To inform the child, if the child is twelve years old or older,
22 of his or her right to request counsel and to ask the child whether he

24 guardian ad litem shall report to the court that the child was notified
25 of this right and indicate the child's position regarding appointment

37 agency, hospital, school organization, division or department of the
38 state, doctor, nurse, or other health care provider, psychologist,

1 psychiatrist, police department, or mental health clinic shall permit
2 the guardian ad litem to inspect and copy any records relating to the
3 child or children involved in the case, without the consent of the
4 parent or guardian of the child, or of the child if the child is under
5 the age of thirteen years, unless such access is otherwise specifically
6 prohibited by law.

7 (4) A guardian ad litem may release confidential information,
8 records, and reports to the office of the family and children's
9 (~~ombudsman~~) ombuds for the purposes of carrying out its duties under
10 chapter 43.06A RCW.

11 (5) The guardian ad litem shall release case information in
12 accordance with the provisions of RCW 13.50.100.

13 **Sec. 6.** RCW 13.50.010 and 2011 1st sp.s. c 40 s 30 are each

4 RCW that is found by the court to be false or inaccurate shall be
5 corrected or expunged from such records by the agency;

6 (b) An agency shall take reasonable steps to assure the security of
7 its records and prevent tampering with them; and

13 concerning records.

14 (5) Any person who has reasonable cause to believe information
15 concerning that person is included in the records of a juvenile justice
16 or care agency and who has been denied access to those records by the
17 agency may make a motion to the court for an order authorizing that
18 person to inspect the juvenile justice or care agency record concerning
19 that person. The court shall grant the motion to examine records
20 unless it finds that in the interests of justice or in the best
21 interests of the juvenile the records or parts of them should remain
22 confidential.

23 (6) A juvenile, or his or her parents, or any person who has
24 reasonable cause to believe information concerning that person is
25 included in the records of a juvenile justice or care agency may make
26 a motion to the court challenging the accuracy of any information
27 concerning the moving party in the record or challenging the continued
28 possession of the record by the agency. If the court grants the
29 motion, it shall order the record or information to be corrected or
30 destroyed.

31 (7) The person making a motion under subsection (5) or (6) of this
32 section shall give reasonable notice of the motion to all parties to
33 the original action and to any agency whose records will be affected by
34 the motion.

35 (8) The court may permit inspection of records by, or release of
36 information to, any clinic, hospital, or agency which has the subject
37 person under care or treatment. The court may also permit inspection
38 by or release to individuals or agencies, including juvenile justice

1 advisory committees of county law and justice councils, engaged in
2 legitimate research for educational, scientific, or public purposes.
3 The court shall release to the caseload forecast council records needed
4 for its research and data-gathering functions. Access to records or
5 information for research purposes shall be permitted only if the
6 anonymity of all persons mentioned in the records or information will
7 be preserved. Each person granted permission to inspect juvenile
8 justice or care agency records for research purposes shall present a
9 notarized statement to the court stating that the names of juveniles
10 and parents will remain confidential.

11 (9) Juvenile detention facilities shall release records to the
12 caseload forecast council upon request. The commission shall not
13 disclose the names of any juveniles or parents mentioned in the records
14 without the named individual's written permission.

15 (10) Requirements in this chapter relating to the court's authority
16 to compel disclosure shall not apply to the legislative children's
17 oversight committee or the office of the family and children's
18 (~~ombudsman~~) ombuds.

19 (11) For the purpose of research only, the administrative office of
20 the courts shall maintain an electronic research copy of all records in
21 the judicial information system related to juveniles. Access to the
22 research copy is restricted to the Washington state center for court
23 research. The Washington state center for court research shall
24 maintain the confidentiality of all confidential records and shall
25 preserve the anonymity of all persons identified in the research copy.
26 The research copy may not be subject to any records retention schedule
27 and must include records destroyed or removed from the judicial

29 13.50.100(3).

30 (12) The court shall release to the Washington state office of
31 public defense records needed to implement the agency's oversight,
32 technical assistance, and other functions as required by RCW 2.70.020.
33 Access to the records used as a basis for oversight, technical
34 assistance, or other agency functions is restricted to the Washington
35 state office of public defense. The Washington state office of public
36 defense shall maintain the confidentiality of all confidential
37 information included in the records.

1 **Sec. 7.** RCW 13.50.100 and 2003 c 105 s 2 are each amended to read
2 as follows:

3 (1) This section governs records not covered by RCW 13.50.050.

4 (2) Records covered by this section shall be confidential and shall
5 be released only pursuant to this section and RCW 13.50.010.

6 (3) Records retained or produced by any juvenile justice or care
7 agency may be released to other participants in the juvenile justice or
8 care system only when an investigation or case involving the juvenile
9 in question is being pursued by the other participant or when that
10 other participant is assigned the responsibility of supervising the
11 juvenile. Records covered under this section and maintained by the
12 juvenile courts which relate to the official actions of the agency may
13 be entered in the statewide judicial information system. However,
14 truancy records associated with a juvenile who has no other case
15 history, and records of a juvenile's parents who have no other case
16 history, shall be removed from the judicial information system when the
17 juvenile is no longer subject to the compulsory attendance laws in
18 chapter 28A.225 RCW. A county clerk is not liable for unauthorized
19 release of this data by persons or agencies not in his or her employ or
20 otherwise subject to his or her control, nor is the county clerk liable
21 for inaccurate or incomplete information collected from litigants or
22 other persons required to provide identifying data pursuant to this
23 section.

24 (4) Subject to (a) of this subsection, the department of social and
25 health services may release information retained in the course of
26 conducting child protective services investigations to a family or
27 juvenile court hearing a petition for custody under chapter 26.10 RCW.

28 (a) Information that may be released shall be limited to
29 information regarding investigations in which: (i) The juvenile was an
30 alleged victim of abandonment or abuse or neglect; or (ii) the
31 petitioner for custody of the juvenile, or any individual aged sixteen
32 or older residing in the petitioner's household, is the subject of a
33 founded or currently pending child protective services investigation
34 made by the department subsequent to October 1, 1998.

35 (b) Additional information may only be released with the written
36 consent of the subject of the investigation and the juvenile alleged to
37 be the victim of abandonment or abuse and neglect, or the parent,

1 custodian, guardian, or personal representative of the juvenile, or by
2 court order obtained with notice to all interested parties.

3 (5) Any disclosure of records or information by the department of
4 social and health services pursuant to this section shall not be deemed
5 a waiver of any confidentiality or privilege attached to the records or
6 information by operation of any state or federal statute or regulation,
7 and any recipient of such records or information shall maintain it in
8 such a manner as to comply with such state and federal statutes and
9 regulations and to protect against unauthorized disclosure.

10 (6) A contracting agency or service provider of the department of
11 social and health services that provides counseling, psychological,
12 psychiatric, or medical services may release to the office of the
13 family and children's (~~ombudsman~~) ombuds information or records
14 relating to services provided to a juvenile who is dependent under
15 chapter 13.34 RCW without the consent of the parent or guardian of the
16 juvenile, or of the juvenile if the juvenile is under the age of
17 thirteen years, unless such release is otherwise specifically
18 prohibited by law.

19 (7) A juvenile, his or her parents, the juvenile's attorney, and
20 the juvenile's parent's attorney, shall, upon request, be given access
21 to all records and information collected or retained by a juvenile
22 justice or care agency which pertain to the juvenile except:

23 (a) If it is determined by the agency that release of this
24 information is likely to cause severe psychological or physical harm to
25 the juvenile or his or her parents the agency may withhold the
26 information subject to other order of the court: PROVIDED, That if the
27 court determines that limited release of the information is
28 appropriate, the court may specify terms and conditions for the release
29 of the information; or

30 (b) If the information or record has been obtained by a juvenile
31 justice or care agency in connection with the provision of counseling,
32 psychological, psychiatric, or medical services to the juvenile, when
33 the services have been sought voluntarily by the juvenile, and the
34 juvenile has a legal right to receive those services without the
35 consent of any person or agency, then the information or record may not
36 be disclosed to the juvenile's parents without the informed consent of
37 the juvenile unless otherwise authorized by law; or

1 (c) That the department of social and health services may delete
2 the name and identifying information regarding persons or organizations
3 who have reported alleged child abuse or neglect.

4 (8) A juvenile or his or her parent denied access to any records
5 following an agency determination under subsection (7) of this section
6 may file a motion in juvenile court requesting access to the records.
7 The court shall grant the motion unless it finds access may not be
8 permitted according to the standards found in subsection (7)(a) and (b)
9 of this section.

10 (9) The person making a motion under subsection (8) of this section
11 shall give reasonable notice of the motion to all parties to the
12 original action and to any agency whose records will be affected by the
13 motion.

14 (10) Subject to the rules of discovery in civil cases, any party to
15 a proceeding seeking a declaration of dependency or a termination of
16 the parent-child relationship and any party's counsel and the guardian
17 ad litem of any party, shall have access to the records of any natural
18 or adoptive child of the parent, subject to the limitations in
19 subsection (7) of this section. A party denied access to records may
20 request judicial review of the denial. If the party prevails, he or
21 she shall be awarded attorneys' fees, costs, and an amount not less
22 than five dollars and not more than one hundred dollars for each day
23 the records were wrongfully denied.

24 (11) No unfounded allegation of child abuse or neglect as defined
25 in RCW 26.44.020(~~(+12+)~~) (1) may be disclosed to a child-placing
26 agency, private adoption agency, or any other licensed provider.

27 **Sec. 8.** RCW 13.50.140 and 1999 c 390 s 8 are each amended to read
28 as follows:

29 Any communication or advice privileged under RCW 5.60.060 that is
30 disclosed by the office of the attorney general or the department of
31 social and health services to the office of the family and children's
32 (~~(ombudsman)~~) ombuds may not be deemed to be a waiver of the privilege
33 as to others.

34 **Sec. 9.** RCW 18.20.185 and 2001 c 193 s 2 are each amended to read
35 as follows:

1 (1) The department shall establish and maintain a toll-free
2 telephone number for receiving complaints regarding a facility that the
3 department licenses.

4 (2) All facilities that are licensed under this chapter shall post
5 in a place and manner clearly visible to residents and visitors the
6 department's toll-free complaint telephone number and the toll-free
7 number and program description of the long-term care (~~ombudsman~~)
8 ombuds as provided by RCW 43.190.050.

9 (3) The department shall investigate complaints if the subject of
10 the complaint is within its authority unless the department determines
11 that: (a) The complaint is intended to willfully harass a licensee or
12 employee of the licensee; or (b) there is no reasonable basis for
13 investigation; or (c) corrective action has been taken as determined by
14 the (~~ombudsman~~) ombuds or the department.

15 (4) The department shall refer complaints to appropriate state
16 agencies, law enforcement agencies, the attorney general, the long-term
17 care (~~ombudsman~~) ombuds, or other entities if the department lacks
18 authority to investigate or if its investigation reveals that a follow-
19 up referral to one or more of these entities is appropriate.

20 (5) The department shall adopt rules that include the following
21 complaint investigation protocols:

22 (a) Upon receipt of a complaint, the department shall make a
23 preliminary review of the complaint, assess the severity of the
24 complaint, and assign an appropriate response time. Complaints
25 involving imminent danger to the health, safety, or well-being of a
26 resident must be responded to within two days. When appropriate, the
27 department shall make an on-site investigation within a reasonable time
28 after receipt of the complaint or otherwise ensure that complaints are
29 responded to.

30 (b) The complainant must be: Promptly contacted by the department,
31 unless anonymous or unavailable despite several attempts by the
32 department, and informed of the right to discuss alleged violations
33 with the inspector and to provide other information the complainant
34 believes will assist the inspector; informed of the department's course
35 of action; and informed of the right to receive a written copy of the
36 investigation report.

37 (c) In conducting the investigation, the department shall interview
38 the complainant, unless anonymous, and shall use its best efforts to

1 interview the resident or residents allegedly harmed by the violations,
2 and, in addition to facility staff, any available independent sources
3 of relevant information, including if appropriate the family members of
4 the resident.

5 (d) Substantiated complaints involving harm to a resident, if an
6 applicable law or regulation has been violated, shall be subject to one
7 or more of the actions provided in RCW 18.20.190. Whenever
8 appropriate, the department shall also give consultation and technical
9 assistance to the facility.

10 (e) After a department finding of a violation for which a stop
11 placement has been imposed, the department shall make an on-site
12 revisit of the provider within fifteen working days from the request
13 for revisit, to ensure correction of the violation. For violations
14 that are serious or recurring or uncorrected following a previous
15 citation, and create actual or threatened harm to one or more
16 residents' well-being, including violations of residents' rights, the
17 department shall make an on-site revisit as soon as appropriate to
18 ensure correction of the violation. Verification of correction of all
19 other violations may be made by either a department on-site revisit or
20 by written or photographic documentation found by the department to be
21 credible. This subsection does not prevent the department from
22 enforcing license suspensions or revocations. Nothing in this
23 subsection shall interfere with or diminish the department's authority
24 and duty to ensure that the provider adequately cares for residents,
25 including to make departmental on-site revisits as needed to ensure
26 that the provider protects residents, and to enforce compliance with
27 this chapter.

28 (f) Substantiated complaints of neglect, abuse, exploitation, or
29 abandonment of residents, or suspected criminal violations, shall also
30 be referred by the department to the appropriate law enforcement
31 agencies, the attorney general, and appropriate professional
32 disciplining authority.

33 (6) The department may provide the substance of the complaint to
34 the licensee before the completion of the investigation by the
35 department unless such disclosure would reveal the identity of a
36 complainant, witness, or resident who chooses to remain anonymous.
37 Neither the substance of the complaint provided to the licensee or
38 contractor nor any copy of the complaint or related report published,

1 released, or made otherwise available shall disclose, or reasonably
2 lead to the disclosure of, the name, title, or identity of any
3 complainant, or other person mentioned in the complaint, except that
4 the name of the provider and the name or names of any officer,
5 employee, or agent of the department conducting the investigation shall
6 be disclosed after the investigation has been closed and the complaint
7 has been substantiated. The department may disclose the identity of
8 the complainant if such disclosure is requested in writing by the
9 complainant. Nothing in this subsection shall be construed to
10 interfere with the obligation of the long-term care ((ombudsman))
11 ombuds program to monitor the department's licensing, contract, and
12 complaint investigation files for long-term care facilities.

13 (7) The resident has the right to be free of interference,
14 coercion, discrimination, and reprisal from a facility in exercising
15 his or her rights, including the right to voice grievances about
16 treatment furnished or not furnished. A facility licensed under this
17 chapter shall not discriminate or retaliate in any manner against a
18 resident, employee, or any other person on the basis or for the reason
19 that such resident or any other person made a complaint to the
20 department, the attorney general, law enforcement agencies, or the
21 long-term care ((ombudsman)) ombuds, provided information, or otherwise
22 cooperated with the investigation of such a complaint. Any attempt to
23 discharge a resident against the resident's wishes, or any type of
24 retaliatory treatment of a resident by whom or upon whose behalf a
25 complaint substantiated by the department has been made to the
26 department, the attorney general, law enforcement agencies, or the
27 long-term care ((ombudsman)) ombuds, within one year of the filing of
28 the complaint, raises a rebuttable presumption that such action was in
29 retaliation for the filing of the complaint. "Retaliatory treatment"
30 means, but is not limited to, monitoring a resident's phone, mail, or
31 visits; involuntary seclusion or isolation; transferring a resident to
32 a different room unless requested or based upon legitimate management
33 reasons; withholding or threatening to withhold food or treatment
34 unless authorized by a terminally ill resident or his or her
35 representative pursuant to law; or persistently delaying responses to
36 a resident's request for service or assistance. A facility licensed
37 under this chapter shall not willfully interfere with the performance

1 of official duties by a long-term care (~~ombudsman~~) ombuds. The
2 department shall sanction and may impose a civil penalty of not more
3 than three thousand dollars for a violation of this subsection.

4 **Sec. 10.** RCW 18.20.305 and 2011 c 366 s 4 are each amended to read
5 as follows:

6 (1) (~~A boarding home~~) An assisted living facility must provide
7 each nonresident a disclosure statement upon admission and at the time
8 that additional services are requested by a nonresident.

9 (2) The disclosure statement shall notify the nonresident that:

10 (a) The resident rights of chapter 70.129 RCW do not apply to
11 nonresidents;

12 (b) Licensing requirements for boarding homes under this chapter do
13 not apply to nonresident units; and

14 (c) The jurisdiction of the long-term care (~~ombudsman~~) ombuds
15 does not apply to nonresidents and nonresident units.

16 **Sec. 11.** RCW 18.20.390 and 2012 c 10 s 28 are each amended to read
17 as follows:

18 (1) To ensure the proper delivery of services and the maintenance
19 and improvement in quality of care through self-review, any assisted
20 living facility licensed under this chapter may maintain a quality
21 assurance committee that, at a minimum, includes:

22 (a) A licensed registered nurse under chapter 18.79 RCW;

23 (b) The administrator; and

24 (c) Three other members from the staff of the assisted living
25 facility.

26 (2) When established, the quality assurance committee shall meet at
27 least quarterly to identify issues that may adversely affect quality of
28 care and services to residents and to develop and implement plans of
29 action to correct identified quality concerns or deficiencies in the
30 quality of care provided to residents.

31 (3) To promote quality of care through self-review without the fear
32 of reprisal, and to enhance the objectivity of the review process, the
33 department shall not require, and the long-term care (~~ombudsman~~)
34 ombuds program shall not request, disclosure of any quality assurance
35 committee records or reports, unless the disclosure is related to the
36 committee's compliance with this section, if:

1 (a) The records or reports are not maintained pursuant to statutory
2 or regulatory mandate; and

3 (b) The records or reports are created for and collected and
4 maintained by the committee.

5 (4) If the assisted living facility refuses to release records or
6 reports that would otherwise be protected under this section, the
7 department may then request only that information that is necessary to
8 determine whether the assisted living facility has a quality assurance
9 committee and to determine that it is operating in compliance with this
10 section. However, if the assisted living facility offers the
11 department documents generated by, or for, the quality assurance
12 committee as evidence of compliance with assisted living facility
13 requirements, the documents are protected as quality assurance
14 committee documents under subsections (6) and (8) of this section when
15 in the possession of the department. The department is not liable for
16 an inadvertent disclosure, a disclosure related to a required federal
17 or state audit, or disclosure of documents incorrectly marked as
18 quality assurance committee documents by the facility.

19 (5) Good faith attempts by the committee to identify and correct
20 quality deficiencies shall not be used as a basis for sanctions.

21 (6) Information and documents, including the analysis of complaints
22 and incident reports, created specifically for, and collected and
23 maintained by, a quality assurance committee are not subject to
24 discovery or introduction into evidence in any civil action, and no
25 person who was in attendance at a meeting of such committee or who
26 participated in the creation, collection, or maintenance of information
27 or documents specifically for the committee shall be permitted or
28 required to testify as to the content of such proceedings or the
29 documents and information prepared specifically for the committee.
30 This subsection does not preclude:

31 (a) In any civil action, the discovery of the identity of persons
32 involved in the care that is the basis of the civil action whose
33 involvement was independent of any quality improvement committee
34 activity;

35 (b) In any civil action, the testimony of any person concerning the
36 facts which form the basis for the institution of such proceedings of
37 which the person had personal knowledge acquired independently of their
38 participation in the quality assurance committee activities.

1 (7) A quality assurance committee under subsection (1) of this
2 section, RCW 70.41.200, 74.42.640, 4.24.250, or 43.70.510 may share
3 information and documents, including the analysis of complaints and
4 incident reports, created specifically for, and collected and
5 maintained by, the committee, with one or more other quality assurance
6 committees created under subsection (1) of this section, RCW 70.41.200,
7 74.42.640, 4.24.250, or 43.70.510 for the improvement of the quality of
8 care and services rendered to assisted living facility residents.
9 Information and documents disclosed by one quality assurance committee
10 to another quality assurance committee and any information and
11 documents created or maintained as a result of the sharing of
12 information and documents shall not be subject to the discovery process
13 and confidentiality shall be respected as required by subsections (6)
14 and (8) of this section, RCW 43.70.510(4), 70.41.200(3), 4.24.250(1),
15 and 74.42.640 (7) and (9). The privacy protections of chapter 70.02
16 RCW and the federal health insurance portability and accountability act
17 of 1996 and its implementing regulations apply to the sharing of
18 individually identifiable patient information held by a coordinated
19 quality improvement program. Any rules necessary to implement this
20 section shall meet the requirements of applicable federal and state
21 privacy laws.

22 (8) Information and documents, including the analysis of complaints
23 and incident reports, created specifically for, and collected and
24 maintained by, a quality assurance committee are exempt from disclosure
25 under chapter 42.56 RCW.

26 (9) Notwithstanding any records created for the quality assurance
27 committee, the facility shall fully set forth in the resident's
28 records, available to the resident, the department, and others as
29 permitted by law, the facts concerning any incident of injury or loss
30 to the resident, the steps taken by the facility to address the
31 resident's needs, and the resident outcome.

32 **Sec. 12.** RCW 18.20.420 and 2012 c 10 s 31 are each amended to read
33 as follows:

34 (1) If the department determines that the health, safety, or
35 welfare of residents is immediately jeopardized by an assisted living
36 facility's failure or refusal to comply with the requirements of this
37 chapter or the rules adopted under this chapter, and the department

1 summarily suspends the assisted living facility license, the department
2 may appoint a temporary manager of the assisted living facility, or the
3 licensee may, subject to the department's approval, voluntarily
4 participate in the temporary management program.

5 The purposes of the temporary management program are as follows:

6 (a) To mitigate dislocation and transfer trauma of residents while
7 the department and licensee may pursue dispute resolution or appeal of
8 a summary suspension of license;

9 (b) To facilitate the continuity of safe and appropriate resident
10 care and services;

11 (c) To protect the health, safety, and welfare of residents, by
12 providing time for an orderly closure of the assisted living facility,
13 or for the deficiencies that necessitated temporary management to be
14 corrected; and

15 (d) To preserve a residential option that meets a specialized
16 service need or is in a geographical area that has a lack of available
17 providers.

18 (2) The department may recruit, approve, and appoint qualified
19 individuals, partnerships, corporations, and other entities interested
20 in serving as a temporary manager of an assisted living facility.
21 These individuals and entities shall satisfy the criteria established
22 under this chapter or by the department for approving licensees. The
23 department shall not approve or appoint any person, including
24 partnerships and other entities, if that person is affiliated with the
25 assisted living facility subject to the temporary management, or has
26 owned or operated an assisted living facility ordered into temporary
27 management or receivership in any state. When approving or appointing
28 a temporary manager, the department shall consider the temporary
29 manager's past experience in long-term care, the quality of care
30 provided, the temporary manager's availability, and the person's
31 familiarity with applicable state and federal laws. Subject to the
32 provisions of this section and RCW 18.20.430, the department's
33 authority to approve or appoint a temporary manager is discretionary
34 and not subject to the administrative procedure act, chapter 34.05 RCW.

35 (3) When the department appoints a temporary manager, the
36 department shall enter into a contract with the temporary manager and
37 shall order the licensee to cease operating the assisted living
38 facility and immediately turn over to the temporary manager possession

1 and control of the assisted living facility, including but not limited
2 to all resident care records, financial records, and other records
3 necessary for operation of the facility while temporary management is
4 in effect. If the department has not appointed a temporary manager and
5 the licensee elects to participate in the temporary management program,
6 the licensee shall select the temporary manager, subject to the
7 department's approval, and enter into a contract with the temporary
8 manager, consistent with this section. The department has the
9 discretion to approve or revoke any temporary management arrangements
10 made by the licensee.

11 (4) When the department appoints a temporary manager, the costs
12 associated with the temporary management may be paid for through the
13 assisted living facility temporary management account established by
14 RCW 18.20.430, or from other departmental funds, or a combination
15 thereof. All funds must be administered according to department
16 procedures. The department may enter into an agreement with the
17 licensee allowing the licensee to pay for some of the costs associated
18 with a temporary manager appointed by the department. If the
19 department has not appointed a temporary manager and the licensee
20 elects to participate in the temporary management program, the licensee
21 is responsible for all costs related to administering the temporary
22 management program at the assisted living facility and contracting with
23 the temporary manager.

24 (5) The temporary manager shall assume full responsibility for the
25 daily operations of the assisted living facility and is responsible for
26 correcting cited deficiencies and ensuring that all minimum licensing
27 requirements are met. The temporary manager must comply with all state
28 and federal laws and regulations applicable to assisted living
29 facilities. The temporary manager shall protect the health, safety,
30 and welfare of the residents for the duration of the temporary
31 management and shall perform all acts reasonably necessary to ensure
32 residents' needs are met. The temporary management contract shall
33 address the responsibility of the temporary manager to pay past due
34 debts. The temporary manager's specific responsibilities may include,
35 but are not limited to:

36 (a) Receiving and expending in a prudent and business-like manner
37 all current revenues of the assisted living facility, provided that

1 priority is given to debts and expenditures directly related to
2 providing care and meeting residents' needs;

3 (b) Hiring and managing all consultants and employees and firing
4 them for good cause;

5 (c) Making necessary purchases, repairs, and replacements, provided
6 that such expenditures in excess of five thousand dollars by a
7 temporary manager appointed by the department must be approved by the
8 department;

9 (d) Entering into contracts necessary for the operation of the
10 assisted living facility;

11 (e) Preserving resident trust funds and resident records; and

12 (f) Preparing all department-required reports, including a detailed
13 monthly accounting of all expenditures and liabilities, which shall be
14 sent to the department and the licensee.

15 (6) The licensee and department shall provide written notification
16 immediately to all residents, resident representatives, interested
17 family members, and the state long-term care (~~ombudsman~~) ombuds
18 program of the temporary management and the reasons for it. This
19 notification shall include notice that residents may move from the
20 assisted living facility without notifying the licensee or temporary
21 manager in advance, and without incurring any charges, fees, or costs
22 otherwise available for insufficient advance notice, during the
23 temporary management period. The notification shall also inform
24 residents and their families or representatives that the temporary
25 management team will provide residents help with relocation and
26 appropriate discharge planning and coordination if desired. The
27 department shall provide assistance with relocation to residents who
28 are department clients and may provide such assistance to other
29 residents. The temporary manager shall meet regularly with staff,
30 residents, residents' representatives, and families to inform them of
31 the plans for and progress achieved in the correction of deficiencies,
32 and of the plans for facility closure or continued operation.

33 (7) The department shall terminate temporary management:

34 (a) After sixty days unless good cause is shown to continue the
35 temporary management. Good cause for continuing the temporary
36 management exists when returning the assisted living facility to its
37 former licensee would subject residents to a threat to health, safety,
38 or welfare;

1 (b) When all residents are transferred and the assisted living
2 facility is closed;

3 (c) When deficiencies threatening residents' health, safety, or
4 welfare are eliminated and the former licensee agrees to
5 department-specified conditions regarding the continued facility
6 operation; or

7 (d) When a new licensee assumes control of the assisted living
8 facility.

9 Nothing in this section precludes the department from revoking its
10 approval of the temporary management or exercising its licensing
11 enforcement authority under this chapter. The department's decision
12 whether to approve or to revoke a temporary management arrangement is
13 not subject to the administrative procedure act, chapter 34.05 RCW.

14 (8) The department shall indemnify, defend, and hold harmless any
15 temporary manager appointed or approved under this section against
16 claims made against the temporary manager for any actions by the
17 temporary manager or its agents that do not amount to intentional torts
18 or criminal behavior.

19 (9) The department may adopt rules implementing this section. In
20 the development of rules or policies implementing this section, the
21 department shall consult with residents and their representatives,
22 resident advocates, financial professionals, assisted living facility
23 providers, and organizations representing assisted living facilities.

24 the holder a limited right to engage in, conduct, or carry on the
25 business of installing or maintaining wires or equipment to carry
26 electrical current, and installing or maintaining equipment; or
27 installing or maintaining material to fasten or insulate such wires or
28 equipment to be operated by electric current in the state of Washington
29 as expressly allowed by the license.

30 (2) The department may verify the workers' compensation coverage
31 information provided by the applicant under subsection (1)(d) of this
32 section, including but not limited to information regarding the
33 coverage of an individual employee of the applicant. If coverage is
34 provided under the laws of another state, the department may notify the
35 other state that the applicant is employing employees in Washington.

36 (3) The application for an electrical contractor license shall be
37 accompanied by a bond in the sum of four thousand dollars with the
38 state of Washington named as obligee in the bond, with good and

1 sufficient surety, to be approved by the department. The bond shall at
2 all times be kept in full force and effect, and any cancellation or
3 revocation thereof, or withdrawal of the surety therefrom, suspends the
4 license issued to the principal until a new bond has been filed and
5 approved as provided in this section. Upon approval of a bond, the
6 department shall on the next business day deposit the fee accompanying
7 the application in the electrical license fund and shall file the bond
8 in the office. The department shall upon request furnish to any
9 person, firm, partnership, corporation, or other entity a certified
10 copy of the bond upon the payment of a fee that the department shall
11 set by rule. The fee shall cover but not exceed the cost of furnishing
12 the certified copy. The bond shall be conditioned that in any
13 installation or maintenance of wires or equipment to convey electrical
14 current, and equipment to be operated by electrical current, the
15 principal will comply with the provisions of this chapter and with any
16 electrical ordinance, building code, or regulation of a city or town
17 adopted pursuant to RCW 19.28.010(3) that is in effect at the time of
18 entering into a contract. The bond shall be conditioned further that
19 the principal will pay for all labor, including employee benefits, and
20 material furnished or used upon the work, taxes and contributions to
21 the state of Washington, and all damages that may be sustained by any
22 person, firm, partnership, corporation, or other entity due to a
23 failure of the principal to make the installation or maintenance in
24 accordance with this chapter or any applicable ordinance, building
25 code, or regulation of a city or town adopted pursuant to RCW
26 19.28.010(3). In lieu of the surety bond required by this section, the
27 license applicant may file with the department a cash deposit or other
28 negotiable security acceptable to the department. If the license
29 applicant has filed a cash deposit, the department shall deposit the
30 funds in a special trust savings account in a commercial bank, mutual
31 savings bank, or savings and loan association and shall pay annually to
32 the depositor the interest derived from the account.

33 (4) The department shall issue general or specialty electrical
34 contractor licenses to applicants meeting all of the requirements of
35 this chapter. The provisions of this chapter relating to the licensing
36 of any person, firm, partnership, corporation, or other entity
37 including the requirement of a bond with the state of Washington named
38 as obligee therein and the collection of a fee therefor, are exclusive,

1 and no political subdivision of the state of Washington may require or
2 issue any licenses or bonds or charge any fee for the same or a similar
3 purpose. No person, firm, partnership, corporation, or other entity
4 holding more than one specialty contractor license under this chapter
5 may be required to pay an annual fee for more than one such license or
6 to post more than one four thousand dollar bond, equivalent cash
7 deposit, or other negotiable security.

8 (5) To obtain a general or specialty electrical contractor license,
9 the applicant must designate an individual who currently possesses a
10 valid master (~~journeyman~~) journey level electrician's certificate of
11 competency, master specialty electrician's certificate of competency in
12 the specialty for which application has been made, or administrator's
13 certificate as a general electrical contractor administrator or as a
14 specialty electrical contractor administrator in the specialty for
15 which application has been made.

16 (6) Administrator certificate specialties include, but are not
17 limited to: Residential, pump and irrigation or domestic pump, limited
18 energy system, signs, nonresidential maintenance, restricted
19 nonresidential maintenance, appliance repair, and combination
20 specialty. To obtain an administrator's certificate, an individual
21 must pass an examination as set forth in RCW 19.28.051 unless the
22 applicant was a licensed electrical contractor at any time during 1974.
23 Applicants who were electrical contractors licensed by the state of
24 Washington at any time during 1974 are entitled to receive a general
25 electrical contractor administrator's certificate without examination
26 if the applicants apply prior to January 1, 1984. The board of
27 electrical examiners shall certify to the department the names of all
28 persons who are entitled to either a general or specialty electrical
29 contractor administrator's certificate.

30 (7) For a contractor doing domestic water pumping system work as
31 defined by RCW 18.106.010(10)(c), the department shall consider the
32 requirements of subsections (1)(a) through (h), (2), and (3) of this
33 section to have been met to be a pump and irrigation or domestic pump
34 licensed electrical contractor if the contractor has met the contractor
35 registration requirements of chapter 18.27 RCW. The department shall
36 establish a single registration/licensing document for those who
37 qualify for both general contractor registration as defined in chapter

1 18.27 RCW and a pump and irrigation or domestic pump electrical
2 contractor license as defined by this chapter.

14 appliance repair. Until July 1, 2007, the department of labor and
15 industries shall issue a written warning to any specialty pump and
16 irrigation or domestic pump electrician not having a valid electrician
17 certification. The warning will state that the individual must apply
18 for an electrical training certificate or be qualified for and apply
19 for electrician certification under the requirements in RCW
20 19.28.191(1)(g) within thirty calendar days of the warning. Only one
21 warning will be issued to any individual. If the individual fails to
22 comply with this section, the department shall issue a penalty as
23 defined in RCW 19.28.271 to the individual.

24 (2) A person who is indentured in an apprenticeship program
25 approved under chapter 49.04 RCW for the electrical construction trade
26 or who is learning the electrical construction trade may work in the
27 electrical construction trade if supervised by a certified master
28 (~~((journeyman))~~) journey level electrician, (~~((journeyman))~~) journey level
29 electrician, master specialty electrician in that electrician's
30 specialty, or specialty electrician in that electrician's specialty.
31 All apprentices and individuals learning the electrical construction

35 master (~~((journeyman))~~) journey level electrician, (~~((journeyman))~~) journey
36 level electrician, master specialty electrician working in that
37 electrician's specialty, or specialty electrician working in that

1 electrician's specialty. The certificate may include a photograph of
2 the holder. The holder of the electrical training certificate shall
3 renew the certificate biennially. At the time of renewal, the holder
4 shall provide the department with an accurate list of the holder's
5 employers in the electrical construction industry for the previous
6 biennial period and the number of hours worked for each employer. The
7 holder shall also provide proof of sixteen hours of: Approved
8 classroom training covering this chapter, the national electrical code,
9 or electrical theory; or equivalent classroom training taken as part of
10 an approved apprenticeship program under chapter 49.04 RCW or an
11 approved electrical training program under RCW 19.28.191(1)(h). The
12 number of hours of approved classroom training required for certificate
13 renewal shall increase as follows: (a) Beginning on July 1, 2011, the
14 holder of an electrical training certificate shall provide the
15 department with proof of thirty-two hours of approved classroom

20 and the senate labor, commerce and consumer protection committee, or
21 their successor committees, the department of labor and industries
22 shall provide information on the implementation of the new classroom
23 training requirements for electrical trainees to both committees by
24 December 1, 2012. A biennial fee shall be charged for the issuance or
25 renewal of the certificate. The department shall set the fee by rule.
26 The fee shall cover but not exceed the cost of administering and
27 enforcing the trainee certification and supervision requirements of
28 this chapter. Apprentices and individuals learning the electrical
29 construction trade shall have their electrical training certificates in
30 their possession at all times that they are performing electrical work.
31 They shall show their certificates to an authorized representative of
32 the department at the representative's request.

33 (3) Any person who has been issued an electrical training
34 certificate under this chapter may work if that person is under
35 supervision. Supervision shall consist of a person being on the same
36 job site and under the control of either a certified master
37 (~~journeyman~~) journey level electrician, (~~journeyman~~) journey level
38 electrician, master specialty electrician working in that electrician's

1 specialty, or specialty electrician working in that electrician's

3 electrician, ((~~journeyman~~)) journey_level electrician, master specialty
4 electrician working in that electrician's specialty, or specialty
5 electrician working in that electrician's specialty shall be on the
6 same job site as the noncertified individual for a minimum of seventy-
7 five percent of each working day unless otherwise provided in this

21 ((~~journeyman~~)) journey_level electrician, or ((~~journeyman~~)) journey
22 level electrician working as a specialty electrician to no more than
23 four students enrolled in and working as part of an electrical
24 construction program at public community or technical colleges, or not-
25 for-profit nationally accredited trade or technical schools licensed by
26 the workforce training and education coordinating board under chapter
27 28C.10 RCW. In meeting the ratio requirements for students enrolled in
28 an electrical construction program at a trade school, a trade school
29 may receive input and advice from the electrical board; and

30 (b) When working as a ((~~journeyman~~)) journey_level electrician, not
31 more than one noncertified individual for every certified master

16 WAC 296-46B-920(2)(e)), nonresidential maintenance (as specified in WAC
17 296-46B-920(2)(g)), restricted nonresidential maintenance as determined
18 by the department in rule, or other new nonresidential specialties, not
19 including appliance repair, as determined by the department in rule,

22 working in that electrician's specialty, or specialty electrician
23 working in that electrician's specialty must be on the same job site as
24 the noncertified individual for a minimum of seventy-five percent of
25 each working day. Other specialties must meet the requirements
26 specified in RCW 19.28.191(1)(g)(ii). When the ratio of certified
27 electricians to noncertified individuals on a job site is one certified
28 electrician to three or four noncertified individuals, the certified
29 electrician must:

30 (a) Directly supervise and instruct the noncertified individuals
31 and the certified electrician may not directly make or engage in an

12 electrician certificate of competency without examination.

13 (b) Before July 1, 2005, an applicant who possesses a valid
14 specialty electrician certificate of competency, in the specialty
15 applied for, for the previous two years and a valid specialty
16 administrator's certificate, in the specialty applied for, may apply
17 for a master specialty electrician certificate of competency without
18 examination.

19 (c) Before December 1, 2003, the following persons may obtain an
20 equipment repair specialty electrician certificate of competency

36 the initial ninety days, or longer if set by rule by the department.
37 The restricted nonresidential maintenance specialty is limited to a
38 maximum of 277 volts and 20 amperes for lighting branch circuits and/or

1 a maximum of 250 volts and 60 amperes for other circuits, but excludes
2 the replacement or repair of circuit breakers. The initial period must
3 be spent under one hundred percent supervision of a master
4 (~~journeyman~~) journey level electrician, (~~journeyman~~) journey level
5 electrician, master specialty electrician working in that electrician's

23 this section, the individual may take the examination and upon passing
24 the examination, meeting additional training requirements as may still
25 be required for those seeking a pump and irrigation, or a domestic pump
26 specialty certificate as defined by rule, and paying the applicable
27 fees, the individual must be issued the appropriate certificate. The
28 department may include an examination for specialty plumbing
29 certificate defined in RCW 18.106.010(10)(c) with the examination
30 required by this section. The department, by rule and in consultation
31 with the electrical board, may establish additional equivalent ways to
32 gain the experience requirements required by this subsection.
33 Individuals who are able to provide evidence to the department, prior
34 to January 1, 2007, that they have been employed as a pump installer in
35 the pump and irrigation or domestic pump business by an appropriately
36 licensed electrical contractor, registered general contractor defined
37 by chapter 18.27 RCW, or appropriate general specialty contractor
38 defined by chapter 18.27 RCW for not less than eight thousand hours in

1 the most recent six calendar years shall be issued the appropriate
2 certificate by the department upon receiving such documentation and
3 applicable fees. The department shall establish a single document for
4 those who have received both an electrical specialty certification as
5 defined by this subsection and have also met the certification
6 requirements for the specialty plumber as defined by RCW
7 18.106.010(10)(c), showing that the individual has received both
8 certifications. No other experience or training requirements may be
9 imposed.

10 (h) Any applicant for a (~~journeyman~~) journey level electrician
11 certificate of competency who has successfully completed a two-year
12 program in the electrical construction trade at public community or
13 technical colleges, or not-for-profit nationally accredited technical
14 or trade schools licensed by the workforce training and education
15 coordinating board under chapter 28C.10 RCW, may substitute up to two
16 years of the technical or trade school program for two years of work
17 experience under a master (~~journeyman~~) journey level electrician or
18 (~~journeyman~~) journey level electrician. The applicant shall obtain
19 the additional two years of work experience required in industrial or
20 commercial electrical installation prior to the beginning, or after the
21 completion, of the technical school program. Any applicant who has
22 received training in the electrical construction trade in the armed
23 service of the United States may be eligible to apply armed service
24 work experience towards qualification to take the examination for the
25 (~~journeyman~~) journey level electrician certificate of competency.

26 (i) An applicant for a specialty electrician certificate of
27 competency who, after January 1, 2000, has successfully completed a
28 two-year program in the electrical construction trade at a public
29 community or technical college, or a not-for-profit nationally
30 accredited technical or trade school licensed by the workforce training
31 and education coordinating board under chapter 28C.10 RCW, may
32 substitute up to one year of the technical or trade school program for
33 one year of work experience under a master (~~journeyman~~) journey level
34 electrician, (~~journeyman~~) journey level electrician, master specialty
35 electrician working in that electrician's specialty, or specialty
36 electrician working in that electrician's specialty. Any applicant who
37 has received training in the electrical construction trade in the armed

1 services of the United States may be eligible to apply armed service
2 work experience towards qualification to take the examination for an
3 appropriate specialty electrician certificate of competency.

4 (j) The department must determine whether hours of training and
5 experience in the armed services or school program are in the
6 electrical construction trade and appropriate as a substitute for hours
7 of work experience. The department must use the following criteria for
8 evaluating the equivalence of classroom electrical training programs
9 and work in the electrical construction trade:

10 (i) A two-year electrical training program must consist of three
11 thousand or more hours.

12 (ii) In a two-year electrical training program, a minimum of two
13 thousand four hundred hours of student/instructor contact time must be
14 technical electrical instruction directly related to the scope of work
15 of the electrical specialty. Student/instructor contact time includes
16 lecture and in-school lab.

17 (iii) The department may not allow credit for a program that
18 accepts more than one thousand hours transferred from another school's
19 program.

20 (iv) Electrical specialty training school programs of less than two
21 years will have all of the above student/instructor contact time hours
22 proportionately reduced. Such programs may not apply to more than
23 fifty percent of the work experience required to attain certification.

24 (v) Electrical training programs of less than two years may not be
25 credited towards qualification for ((journeyman)) journey_level
26 electrician unless the training program is used to gain qualification
27 for a four thousand hour electrical specialty.

28 (k) No other requirement for eligibility may be imposed.

29 (2) The department shall establish reasonable rules for the
30 examinations to be given applicants for certificates of competency. In
31 establishing the rules, the department shall consult with the board.
32 Upon determination that the applicant is eligible to take the
33 examination, the department shall so notify the applicant, indicating
34 the time and place for taking the examination.

35 (3) No noncertified individual may work unsupervised more than one
36 year beyond the date when the trainee would be eligible to test for a
37 certificate of competency if working on a full-time basis after

1 original application for the trainee certificate. For the purposes of
2 this section, "full-time basis" means two thousand hours.

3 **Sec. 31.** RCW 19.28.201 and 2002 c 249 s 6 are each amended to read
4 as follows:

5 The department, in coordination with the board, shall prepare an
6 examination to be administered to applicants for master (~~journeyman~~)
7 journey level electrician, (~~journeyman~~) journey level electrician,
8 master specialty electrician, and specialty electrician certificates of
9 competency.

10 The department, with the consent of the board, may enter into a
11 contract with a professional testing agency to develop, administer, and
12 score electrician certification examinations. The department may set
13 the examination fee by contract with the professional testing agency.

14 The department must, at least four times annually, administer the
15 examination to persons eligible to take it under RCW 19.28.191. The
16 fee must cover, but not exceed, the costs of preparing and
17 administering the examination.

18 The department must certify the results of the examination upon the
19 terms and after such a period of time as the department, in cooperation
20 with the board, deems necessary and proper.

21 (1)(a) The master electrician's certificates of competency
22 examinations must include questions from the following categories to
23 ensure proper safety and protection for the general public: (i)
24 Safety; (ii) the state electrical code; and (iii) electrical theory.

25 (b) A person may take the master electrician examination as many
26 times as necessary without limit. All applicants must, before taking
27 the examination, pay the required examination fee to the agency
28 administering the examination.

29 (2) The (~~journeyman~~) journey level electrician and specialty
30 electrician examinations shall be constructed to determine:

31 (a) Whether the applicant possesses varied general knowledge of the
32 technical information and practical procedures that are identified with
33 the status of (~~journeyman~~) journey level electrician or specialty
34 electrician; and

35 (b) Whether the applicant is sufficiently familiar with the
36 applicable electrical codes and the rules of the department pertaining
37 to electrical installations and electricians.

1 A person may take the examination as many times as necessary
2 without limit. All applicants must, before taking the examination, pay
3 the required examination fee to the agency administering the
4 examination.

25 electric code, or electrical theory; or equivalent classroom training
26 taken as part of an approved apprenticeship program under chapter 49.04
27 RCW or an approved electrical training program under RCW
28 19.28.191(1)(h).

29 (3) Classroom training taken to qualify for trainee certificate
30 renewal under RCW 19.28.161 qualifies as in-class education under this

3 photograph of the holder. The certificate shall bear the date of
4 issuance, and shall expire on the holder's birthday. The certificate
5 shall be renewed every three years, upon application, on or before the
6 holder's birthdate. A fee shall be assessed for each certificate and
7 for each annual renewal.

8 (2) If the certificate holder demonstrates to the department that
9 he or she has satisfactorily completed an annual eight-hour continuing
10 education course, the certificate may be renewed without examination by
11 appropriate application unless the certificate has been revoked,
12 suspended, or not renewed within ninety days after the expiration date.
13 For pump and irrigation or domestic pump specialty electricians, the
14 continuing education course may combine both electrical and plumbing
15 education provided that there is a minimum of four hours of electrical
16 training in the course.

17 (a) The contents and requirements for satisfactory completion of
18 the continuing education course shall be determined by the director and
19 approved by the board.

20 (b) The department shall accept proof of a certificate holder's
21 satisfactory completion of a continuing education course offered in
22 another state as meeting the requirements for maintaining a current
23 Washington state certificate of competency if the department is
24 satisfied the course is comparable in nature to that required in
25 Washington state for maintaining a current certificate of competency.

26 (3) If the certificate is not renewed before the expiration date,
27 the individual shall pay twice the usual fee. The department shall set
28 the fees by rule for issuance and renewal of a certificate of
29 competency. The fees shall cover but not exceed the costs of issuing
30 the certificates and of administering and enforcing the electrician
31 certification requirements of this chapter.

32 (4) The certificates of competency and temporary permits provided
33 for in this chapter grant the holder the right to work in the
34 electrical construction trade as a master electrician, (~~journeyman~~)
35 journey level electrician, or specialty electrician in accordance with
36 their provisions throughout the state and within any of its political
37 subdivisions without additional proof of competency or any other
38 license, permit, or fee to engage in such work.

1 **Sec. 34.** RCW 19.28.221 and 2001 c 211 s 15 are each amended to
2 read as follows:

3 No examination shall be required of any applicant for a certificate
4 of competency who, on July 16, 1973, was engaged in a bona fide

12 as follows:

13 The department is authorized to grant and issue temporary permits
14 in lieu of certificates of competency whenever an electrician coming
15 into the state of Washington from another state requests the department
16 for a temporary permit to engage in the electrical construction trade
17 as an electrician during the period of time between filing of an
18 application for a certificate as provided in RCW 19.28.181 and the date
19 the results of taking the examination provided for in RCW 19.28.201 are
20 furnished to the applicant. The temporary permit may include a
21 photograph of the holder. The department is authorized to enter into
22 reciprocal agreements with other states providing for the acceptance of
23 such states' ((~~journeyman~~)) journey level and specialty electrician
24 certificate of competency or its equivalent when such states
25 requirements are equal to the standards set by this chapter. No
26 temporary permit shall be issued to:

27 (1) Any person who has failed to pass the examination for a
28 certificate of competency, except that any person who has failed the
29 examination for competency under this section shall be entitled to
30 continue to work under a temporary permit for ninety days if the person
31 is enrolled in a ((~~journeyman~~)) journey level electrician refresher
32 course and shows evidence to the department that he or she has not
33 missed any classes. The person, after completing the ((~~journeyman~~))
34 journey level electrician refresher course, shall be eligible to retake

36 (2) Any applicant under this section who has not furnished the
37 department with such evidence required under RCW 19.28.181.

1 (3) ~~((To))~~ Any ~~((Any))~~ apprentice electrician.

2 **Sec. 36.** RCW 19.28.241 and 2002 c 249 s 8 are each amended to read

4 (1) The department may revoke any certificate of competency upon
5 the following grounds:

6 (a) The certificate was obtained through error or fraud;

8 electrical construction trade as a ~~((journeyman))~~ journey_level
9 electrician or specialty electrician;

10 (c) The holder thereof has violated any of the provisions of RCW
11 19.28.161 through 19.28.271 or any rule adopted under this chapter; or

12 (d) The holder thereof has committed a serious violation of this
13 chapter or any rule adopted under this chapter. A serious violation is
14 a violation that presents imminent danger to the public.

15 (2) The department may deny an application for a certificate of
16 competency for up to two years if the applicant's previous certificate
17 of competency has been revoked.

18 (3) Before any certificate of competency shall be revoked, the
19 holder shall be given written notice of the department's intention to
20 do so, mailed by registered mail, return receipt requested, to the
21 holder's last known address. The notice shall enumerate the
22 allegations against the holder, and shall give the holder the
23 opportunity to request a hearing before the board. At the hearing, the
24 department and the holder may produce witnesses and give testimony.
25 The hearing shall be conducted in accordance with chapter 34.05 RCW.
26 The board shall render its decision based upon the testimony and
27 evidence presented, and shall notify the parties immediately upon
28 reaching its decision. A majority of the board shall be necessary to
29 render a decision.

30 (4) The department shall immediately suspend the license or
31 certificate of a person who has been certified pursuant to RCW
32 74.20A.320 by the department of social and health services as a person
33 who is not in compliance with a support order. If the person has
34 continued to meet all other requirements for reinstatement during the
35 suspension, reissuance of the license or certificate shall be automatic
36 upon the department's receipt of a release issued by the department of

1 social and health services stating that the licensee is in compliance
2 with the order.

3 **Sec. 37.** RCW 19.28.261 and 2007 c 218 s 83 are each amended to
4 read as follows:

5 (1) Nothing in RCW 19.28.161 through 19.28.271 shall be construed
6 to require that a person obtain a license or a certified electrician in
7 order to do electrical work at his or her residence or farm or place of
8 business or on other property owned by him or her unless the electrical
9 work is on the construction of a new building intended for rent, sale,
10 or lease. However, if the construction is of a new residential
11 building with up to four units intended for rent, sale, or lease, the
12 owner may receive an exemption from the requirement to obtain a license
13 or use a certified electrician if he or she provides a signed affidavit
14 to the department stating that he or she will be performing the work
15 and will occupy one of the units as his or her principal residence.
16 The owner shall apply to the department for this exemption and may only
17 receive an exemption once every twenty-four months. It is intended
18 that the owner receiving this exemption shall occupy the unit as his or
19 her principal residence for twenty-four months after completion of the
20 units.

21 (2) Nothing in RCW 19.28.161 through 19.28.271 shall be intended to
22 derogate from or dispense with the requirements of any valid electrical
23 code enacted by a city or town pursuant to RCW 19.28.010(3), except
24 that no code shall require the holder of a certificate of competency to
25 demonstrate any additional proof of competency or obtain any other
26 license or pay any fee in order to engage in the electrical
27 construction trade.

28 (3) RCW 19.28.161 through 19.28.271 shall not apply to common
29 carriers subject to Part I of the Interstate Commerce Act, nor to their
30 officers and employees.

31 (4) Nothing in RCW 19.28.161 through 19.28.271 shall be deemed to
32 apply to the installation or maintenance of telephone, telegraph,
33 radio, or television wires and equipment; nor to any electrical utility
34 or its employees in the installation, repair, and maintenance of
35 electrical wiring, circuits, and equipment by or for the utility, or
36 comprising a part of its plants, lines, or systems.

1 (5) The licensing provisions of RCW 19.28.161 through 19.28.271
2 shall not apply to:

3 (a) Persons making electrical installations on their own property
4 or to regularly employed employees working on the premises of their
5 employer, unless the electrical work is on the construction of a new
6 building intended for rent, sale, or lease;

7 (b) Employees of an employer while the employer is performing
8 utility type work of the nature described in RCW 19.28.091 so long as
9 such employees have registered in the state of Washington with or
10 graduated from a state-approved outside lineworker apprenticeship
11 course that is recognized by the department and that qualifies a person
12 to perform such work;

13 (c) Any work exempted under RCW 19.28.091(6); and

14 (d) Certified plumbers, certified residential plumbers, or plumber
15 trainees meeting the requirements of chapter 18.106 RCW and performing
16 exempt work under RCW 19.28.091(8).

17 (6) Nothing in RCW 19.28.161 through 19.28.271 shall be construed
18 to restrict the right of any householder to assist or receive
19 assistance from a friend, neighbor, relative, or other person when none
20 of the individuals doing the electrical installation hold themselves
21 out as engaged in the trade or business of electrical installations.

22 (7) Nothing precludes any person who is exempt from the licensing
23 requirements of this chapter under this section from obtaining a
24 (~~journeyman~~) journey level or specialty certificate of competency if
25 they otherwise meet the requirements of this chapter.

26 **Sec. 38.** RCW 20.01.030 and 2011 c 336 s 570 are each amended to

6 terminal tracks to securely protect all cars containing commodities
7 while the same are in their possession. They shall prohibit and
8 restrain all unauthorized persons, whether under the guise of sweepers,
9 or under any other pretext whatever, from entering or loitering in or
10 about their railroad yards or tracks and from entering any car of
11 commodities under their control, or removing commodities therefrom, and
12 shall employ and detail such number of (~~watchmen~~) security guards as
13 may be necessary for the purpose of carrying out the provisions of this
14 section.

15 **Sec. 40.** RCW 24.34.010 and 2011 c 336 s 674 are each amended to
16 read as follows:

17 Persons engaged in the production of agricultural products as
18 farmers, planters, (~~ranchmen~~) ranchers, (~~dairymen~~) dairy farmers,
19 nut growers, or fruit growers may act together in associations,
20 corporate or otherwise, with or without capital stock, in collectively
21 processing, preparing for market, handling, and marketing in intrastate
22 commerce, such products of persons so engaged. Such associations may
23 have marketing agencies in common; and such associations and their
24 members may make the necessary contracts and agreements to effect such
25 purposes: PROVIDED, That such associations are operated for the mutual
26 benefit of the members thereof, as such producers, and conform to one
27 or both of the following requirements:

28 First. That no member of the association is allowed more than one
29 vote because of the amount of stock or membership capital he or she may
30 own therein, or,

31 Second. That the association does not pay dividends on stock or
32 membership capital in excess of eight percent per annum.

33 And in any case to the following:

34 Third. That the association shall not deal in the products of
35 nonmembers to an amount greater in value than such as are handled by it
36 for members.

1 For the purposes of this subsection, the following definitions
2 apply:

3 (i) "Official supervisory capacity" means a position, status, or
4 role created, recognized, or designated by any nonprofit or for-profit
5 organization, either for financial gain or without financial gain,
6 whose scope includes, but is not limited to, overseeing, directing, or
7 managing another person who is employed by, contracted by, or
8 volunteers with the nonprofit or for-profit organization.

9 (ii) "Regularly exercises supervisory authority" means to act in
10 his or her official supervisory capacity on an ongoing or continuing
11 basis with regards to a particular person.

12 (c) The reporting requirement also applies to department of
13 corrections personnel who, in the course of their employment, observe
14 offenders or the children with whom the offenders are in contact. If,
15 as a result of observations or information received in the course of
16 his or her employment, any department of corrections personnel has
17 reasonable cause to believe that a child has suffered abuse or neglect,
18 he or she shall report the incident, or cause a report to be made, to
19 the proper law enforcement agency or to the department as provided in
20 RCW 26.44.040.

21 (d) The reporting requirement shall also apply to any adult who has
22 reasonable cause to believe that a child who resides with them, has
23 suffered severe abuse, and is able or capable of making a report. For
24 the purposes of this subsection, "severe abuse" means any of the
25 following: Any single act of abuse that causes physical trauma of
26 sufficient severity that, if left untreated, could cause death; any
27 single act of sexual abuse that causes significant bleeding, deep
28 bruising, or significant external or internal swelling; or more than
29 one act of physical abuse, each of which causes bleeding, deep
30 bruising, significant external or internal swelling, bone fracture, or
31 unconsciousness.

32 (e) The reporting requirement also applies to guardians ad litem,
33 including court-appointed special advocates, appointed under Titles 11,
34 13, and 26 RCW, who in the course of their representation of children
35 in these actions have reasonable cause to believe a child has been
36 abused or neglected.

37 (f) The reporting requirement in (a) of this subsection also
38 applies to administrative and academic or athletic department

1 employees, including student employees, of institutions of higher
2 education, as defined in RCW 28B.10.016, and of private institutions of
3 higher education.

4 (g) The report must be made at the first opportunity, but in no
5 case longer than forty-eight hours after there is reasonable cause to
6 believe that the child has suffered abuse or neglect. The report must
7 include the identity of the accused if known.

8 (2) The reporting requirement of subsection (1) of this section
9 does not apply to the discovery of abuse or neglect that occurred
10 during childhood if it is discovered after the child has become an
11 adult. However, if there is reasonable cause to believe other children
12 are or may be at risk of abuse or neglect by the accused, the reporting
13 requirement of subsection (1) of this section does apply.

14 (3) Any other person who has reasonable cause to believe that a
15 child has suffered abuse or neglect may report such incident to the
16 proper law enforcement agency or to the department of social and health
17 services as provided in RCW 26.44.040.

18 (4) The department, upon receiving a report of an incident of
19 alleged abuse or neglect pursuant to this chapter, involving a child
20 who has died or has had physical injury or injuries inflicted upon him
21 or her other than by accidental means or who has been subjected to
22 alleged sexual abuse, shall report such incident to the proper law
23 enforcement agency. In emergency cases, where the child's welfare is
24 endangered, the department shall notify the proper law enforcement
25 agency within twenty-four hours after a report is received by the
26 department. In all other cases, the department shall notify the law
27 enforcement agency within seventy-two hours after a report is received
28 by the department. If the department makes an oral report, a written
29 report must also be made to the proper law enforcement agency within
30 five days thereafter.

31 (5) Any law enforcement agency receiving a report of an incident of
32 alleged abuse or neglect pursuant to this chapter, involving a child
33 who has died or has had physical injury or injuries inflicted upon him
34 or her other than by accidental means, or who has been subjected to
35 alleged sexual abuse, shall report such incident in writing as provided
36 in RCW 26.44.040 to the proper county prosecutor or city attorney for
37 appropriate action whenever the law enforcement agency's investigation
38 reveals that a crime may have been committed. The law enforcement

1 agency shall also notify the department of all reports received and the
2 law enforcement agency's disposition of them. In emergency cases,
3 where the child's welfare is endangered, the law enforcement agency
4 shall notify the department within twenty-four hours. In all other
5 cases, the law enforcement agency shall notify the department within
6 seventy-two hours after a report is received by the law enforcement
7 agency.

8 (6) Any county prosecutor or city attorney receiving a report under
9 subsection (5) of this section shall notify the victim, any persons the
10 victim requests, and the local office of the department, of the
11 decision to charge or decline to charge a crime, within five days of
12 making the decision.

13 (7) The department may conduct ongoing case planning and
14 consultation with those persons or agencies required to report under
15 this section, with consultants designated by the department, and with
16 designated representatives of Washington Indian tribes if the client
17 information exchanged is pertinent to cases currently receiving child
18 protective services. Upon request, the department shall conduct such
19 planning and consultation with those persons required to report under
20 this section if the department determines it is in the best interests
21 of the child. Information considered privileged by statute and not
22 directly related to reports required by this section must not be
23 divulged without a valid written waiver of the privilege.

24 (8) Any case referred to the department by a physician licensed
25 under chapter 18.57 or 18.71 RCW on the basis of an expert medical
26 opinion that child abuse, neglect, or sexual assault has occurred and
27 that the child's safety will be seriously endangered if returned home,
28 the department shall file a dependency petition unless a second
29 licensed physician of the parents' choice believes that such expert
30 medical opinion is incorrect. If the parents fail to designate a
31 second physician, the department may make the selection. If a
32 physician finds that a child has suffered abuse or neglect but that
33 such abuse or neglect does not constitute imminent danger to the
34 child's health or safety, and the department agrees with the
35 physician's assessment, the child may be left in the parents' home
36 while the department proceeds with reasonable efforts to remedy
37 parenting deficiencies.

1 (9) Persons or agencies exchanging information under subsection (7)
2 of this section shall not further disseminate or release the
3 information except as authorized by state or federal statute.
4 Violation of this subsection is a misdemeanor.

5 (10) Upon receiving a report of alleged abuse or neglect, the
6 department shall make reasonable efforts to learn the name, address,
7 and telephone number of each person making a report of abuse or neglect
8 under this section. The department shall provide assurances of
9 appropriate confidentiality of the identification of persons reporting
10 under this section. If the department is unable to learn the
11 information required under this subsection, the department shall only
12 investigate cases in which:

13 (a) The department believes there is a serious threat of
14 substantial harm to the child;

15 (b) The report indicates conduct involving a criminal offense that
16 has, or is about to occur, in which the child is the victim; or

17 (c) The department has a prior founded report of abuse or neglect
18 with regard to a member of the household that is within three years of
19 receipt of the referral.

20 (11)(a) For reports of alleged abuse or neglect that are accepted
21 for investigation by the department, the investigation shall be
22 conducted within time frames established by the department in rule. In
23 no case shall the investigation extend longer than ninety days from the
24 date the report is received, unless the investigation is being
25 conducted under a written protocol pursuant to RCW 26.44.180 and a law
26 enforcement agency or prosecuting attorney has determined that a longer
27 investigation period is necessary. At the completion of the
28 investigation, the department shall make a finding that the report of
29 child abuse or neglect is founded or unfounded.

30 (b) If a court in a civil or criminal proceeding, considering the
31 same facts or circumstances as are contained in the report being
32 investigated by the department, makes a judicial finding by a
33 preponderance of the evidence or higher that the subject of the pending
34 investigation has abused or neglected the child, the department shall
35 adopt the finding in its investigation.

36 (12) In conducting an investigation of alleged abuse or neglect,
37 the department or law enforcement agency:

1 (a) May interview children. The interviews may be conducted on
2 school premises, at day-care facilities, at the child's home, or at
3 other suitable locations outside of the presence of parents. Parental
4 notification of the interview must occur at the earliest possible point
5 in the investigation that will not jeopardize the safety or protection
6 of the child or the course of the investigation. Prior to commencing
7 the interview the department or law enforcement agency shall determine
8 whether the child wishes a third party to be present for the interview
9 and, if so, shall make reasonable efforts to accommodate the child's
10 wishes. Unless the child objects, the department or law enforcement
11 agency shall make reasonable efforts to include a third party in any
12 interview so long as the presence of the third party will not
13 jeopardize the course of the investigation; and

14 (b) Shall have access to all relevant records of the child in the
15 possession of mandated reporters and their employees.

16 (13) If a report of alleged abuse or neglect is founded and
17 constitutes the third founded report received by the department within
18 the last twelve months involving the same child or family, the
19 department shall promptly notify the office of the family and
20 children's ((ombudsman)) ombuds of the contents of the report. The
21 department shall also notify the ((ombudsman)) ombuds of the
22 disposition of the report.

23 (14) In investigating and responding to allegations of child abuse
24 and neglect, the department may conduct background checks as authorized
25 by state and federal law.

26 (15) The department shall maintain investigation records and
27 conduct timely and periodic reviews of all founded cases of abuse and
28 neglect. The department shall maintain a log of screened-out
29 nonabusive cases.

30 (16) The department shall use a risk assessment process when
31 investigating alleged child abuse and neglect referrals. The
32 department shall present the risk factors at all hearings in which the
33 placement of a dependent child is an issue. Substance abuse must be a
34 risk factor. The department shall, within funds appropriated for this
35 purpose, offer enhanced community-based services to persons who are
36 determined not to require further state intervention.

37 (17) Upon receipt of a report of alleged abuse or neglect the law

1 enforcement agency may arrange to interview the person making the
2 report and any collateral sources to determine if any malice is
3 involved in the reporting.

4 (18) Upon receiving a report of alleged abuse or neglect involving
5 a child under the court's jurisdiction under chapter 13.34 RCW, the
6 department shall promptly notify the child's guardian ad litem of the
7 report's contents. The department shall also notify the guardian ad
8 litem of the disposition of the report. For purposes of this
9 subsection, "guardian ad litem" has the meaning provided in RCW
10 13.34.030.

11 **Sec. 43.** RCW 26.44.030 and 2012 c 259 s 3 and 2012 c 55 s 1 are
12 each reenacted and amended to read as follows:

13 (1)(a) When any practitioner, county coroner or medical examiner,
14 law enforcement officer, professional school personnel, registered or
15 licensed nurse, social service counselor, psychologist, pharmacist,
16 employee of the department of early learning, licensed or certified
17 child care providers or their employees, employee of the department,
18 juvenile probation officer, placement and liaison specialist,
19 responsible living skills program staff, HOPE center staff, or state
20 family and children's (~~ombudsman~~) ombuds or any volunteer in the
21 (~~ombudsman's~~) ombuds's office has reasonable cause to believe that a
22 child has suffered abuse or neglect, he or she shall report such
23 incident, or cause a report to be made, to the proper law enforcement
24 agency or to the department as provided in RCW 26.44.040.

25 (b) When any person, in his or her official supervisory capacity
26 with a nonprofit or for-profit organization, has reasonable cause to
27 believe that a child has suffered abuse or neglect caused by a person
28 over whom he or she regularly exercises supervisory authority, he or
29 she shall report such incident, or cause a report to be made, to the
30 proper law enforcement agency, provided that the person alleged to have
31 caused the abuse or neglect is employed by, contracted by, or
32 volunteers with the organization and coaches, trains, educates, or
33 counsels a child or children or regularly has unsupervised access to a
34 child or children as part of the employment, contract, or voluntary
35 service. No one shall be required to report under this section when he
36 or she obtains the information solely as a result of a privileged
37 communication as provided in RCW 5.60.060.

1 Nothing in this subsection (1)(b) shall limit a person's duty to
2 report under (a) of this subsection.

3 For the purposes of this subsection, the following definitions
4 apply:

5 (i) "Official supervisory capacity" means a position, status, or
6 role created, recognized, or designated by any nonprofit or for-profit
7 organization, either for financial gain or without financial gain,
8 whose scope includes, but is not limited to, overseeing, directing, or
9 managing another person who is employed by, contracted by, or
10 volunteers with the nonprofit or for-profit organization.

11 (ii) "Regularly exercises supervisory authority" means to act in
12 his or her official supervisory capacity on an ongoing or continuing
13 basis with regards to a particular person.

14 (c) The reporting requirement also applies to department of
15 corrections personnel who, in the course of their employment, observe
16 offenders or the children with whom the offenders are in contact. If,
17 as a result of observations or information received in the course of
18 his or her employment, any department of corrections personnel has
19 reasonable cause to believe that a child has suffered abuse or neglect,
20 he or she shall report the incident, or cause a report to be made, to
21 the proper law enforcement agency or to the department as provided in
22 RCW 26.44.040.

23 (d) The reporting requirement shall also apply to any adult who has
24 reasonable cause to believe that a child who resides with them, has
25 suffered severe abuse, and is able or capable of making a report. For
26 the purposes of this subsection, "severe abuse" means any of the
27 following: Any single act of abuse that causes physical trauma of
28 sufficient severity that, if left untreated, could cause death; any
29 single act of sexual abuse that causes significant bleeding, deep
30 bruising, or significant external or internal swelling; or more than
31 one act of physical abuse, each of which causes bleeding, deep
32 bruising, significant external or internal swelling, bone fracture, or
33 unconsciousness.

34 (e) The reporting requirement also applies to guardians ad litem,
35 including court-appointed special advocates, appointed under Titles 11,
36 13, and 26 RCW, who in the course of their representation of children
37 in these actions have reasonable cause to believe a child has been
38 abused or neglected.

1 (f) The reporting requirement in (a) of this subsection also
2 applies to administrative and academic or athletic department
3 employees, including student employees, of institutions of higher
4 education, as defined in RCW 28B.10.016, and of private institutions of
5 higher education.

6 (g) The report must be made at the first opportunity, but in no
7 case longer than forty-eight hours after there is reasonable cause to
8 believe that the child has suffered abuse or neglect. The report must
9 include the identity of the accused if known.

10 (2) The reporting requirement of subsection (1) of this section
11 does not apply to the discovery of abuse or neglect that occurred
12 during childhood if it is discovered after the child has become an
13 adult. However, if there is reasonable cause to believe other children
14 are or may be at risk of abuse or neglect by the accused, the reporting
15 requirement of subsection (1) of this section does apply.

16 (3) Any other person who has reasonable cause to believe that a
17 child has suffered abuse or neglect may report such incident to the
18 proper law enforcement agency or to the department of social and health
19 services as provided in RCW 26.44.040.

20 (4) The department, upon receiving a report of an incident of
21 alleged abuse or neglect pursuant to this chapter, involving a child
22 who has died or has had physical injury or injuries inflicted upon him
23 or her other than by accidental means or who has been subjected to
24 alleged sexual abuse, shall report such incident to the proper law
25 enforcement agency. In emergency cases, where the child's welfare is
26 endangered, the department shall notify the proper law enforcement
27 agency within twenty-four hours after a report is received by the
28 department. In all other cases, the department shall notify the law
29 enforcement agency within seventy-two hours after a report is received
30 by the department. If the department makes an oral report, a written
31 report must also be made to the proper law enforcement agency within
32 five days thereafter.

33 (5) Any law enforcement agency receiving a report of an incident of
34 alleged abuse or neglect pursuant to this chapter, involving a child
35 who has died or has had physical injury or injuries inflicted upon him
36 or her other than by accidental means, or who has been subjected to
37 alleged sexual abuse, shall report such incident in writing as provided
38 in RCW 26.44.040 to the proper county prosecutor or city attorney for

1 appropriate action whenever the law enforcement agency's investigation
2 reveals that a crime may have been committed. The law enforcement
3 agency shall also notify the department of all reports received and the
4 law enforcement agency's disposition of them. In emergency cases,
5 where the child's welfare is endangered, the law enforcement agency
6 shall notify the department within twenty-four hours. In all other
7 cases, the law enforcement agency shall notify the department within
8 seventy-two hours after a report is received by the law enforcement
9 agency.

10 (6) Any county prosecutor or city attorney receiving a report under
11 subsection (5) of this section shall notify the victim, any persons the
12 victim requests, and the local office of the department, of the
13 decision to charge or decline to charge a crime, within five days of
14 making the decision.

15 (7) The department may conduct ongoing case planning and
16 consultation with those persons or agencies required to report under
17 this section, with consultants designated by the department, and with
18 designated representatives of Washington Indian tribes if the client
19 information exchanged is pertinent to cases currently receiving child
20 protective services. Upon request, the department shall conduct such
21 planning and consultation with those persons required to report under
22 this section if the department determines it is in the best interests
23 of the child. Information considered privileged by statute and not
24 directly related to reports required by this section must not be
25 divulged without a valid written waiver of the privilege.

26 (8) Any case referred to the department by a physician licensed
27 under chapter 18.57 or 18.71 RCW on the basis of an expert medical
28 opinion that child abuse, neglect, or sexual assault has occurred and
29 that the child's safety will be seriously endangered if returned home,
30 the department shall file a dependency petition unless a second
31 licensed physician of the parents' choice believes that such expert
32 medical opinion is incorrect. If the parents fail to designate a
33 second physician, the department may make the selection. If a
34 physician finds that a child has suffered abuse or neglect but that
35 such abuse or neglect does not constitute imminent danger to the
36 child's health or safety, and the department agrees with the
37 physician's assessment, the child may be left in the parents' home

1 while the department proceeds with reasonable efforts to remedy
2 parenting deficiencies.

3 (9) Persons or agencies exchanging information under subsection (7)
4 of this section shall not further disseminate or release the
5 information except as authorized by state or federal statute.
6 Violation of this subsection is a misdemeanor.

7 (10) Upon receiving a report of alleged abuse or neglect, the
8 department shall make reasonable efforts to learn the name, address,
9 and telephone number of each person making a report of abuse or neglect
10 under this section. The department shall provide assurances of
11 appropriate confidentiality of the identification of persons reporting
12 under this section. If the department is unable to learn the
13 information required under this subsection, the department shall only
14 investigate cases in which:

15 (a) The department believes there is a serious threat of
16 substantial harm to the child;

17 (b) The report indicates conduct involving a criminal offense that
18 has, or is about to occur, in which the child is the victim; or

19 (c) The department has a prior founded report of abuse or neglect
20 with regard to a member of the household that is within three years of
21 receipt of the referral.

22 (11)(a) Upon receiving a report of alleged abuse or neglect, the
23 department shall use one of the following discrete responses to reports
24 of child abuse or neglect that are screened in and accepted for
25 departmental response:

26 (i) Investigation; or

27 (ii) Family assessment.

28 (b) In making the response in (a) of this subsection the department
29 shall:

30 (i) Use a method by which to assign cases to investigation or
31 family assessment which are based on an array of factors that may
32 include the presence of: Imminent danger, level of risk, number of
33 previous child abuse or neglect reports, or other presenting case
34 characteristics, such as the type of alleged maltreatment and the age
35 of the alleged victim. Age of the alleged victim shall not be used as
36 the sole criterion for determining case assignment;

37 (ii) Allow for a change in response assignment based on new
38 information that alters risk or safety level;

1 (iii) Allow families assigned to family assessment to choose to
2 receive an investigation rather than a family assessment;

3 (iv) Provide a full investigation if a family refuses the initial
4 family assessment;

5 (v) Provide voluntary services to families based on the results of
6 the initial family assessment. If a family refuses voluntary services,
7 and the department cannot identify specific facts related to risk or
8 safety that warrant assignment to investigation under this chapter, and
9 there is not a history of reports of child abuse or neglect related to
10 the family, then the department must close the family assessment
11 response case. However, if at any time the department identifies risk
12 or safety factors that warrant an investigation under this chapter,
13 then the family assessment response case must be reassigned to
14 investigation;

15 (vi) Conduct an investigation, and not a family assessment, in
16 response to an allegation that, the department determines based on the
17 intake assessment:

18 (A) Poses a risk of "imminent harm" consistent with the definition
19 provided in RCW 13.34.050, which includes, but is not limited to,
20 sexual abuse and sexual exploitation as defined in this chapter;

21 (B) Poses a serious threat of substantial harm to a child;

22 (C) Constitutes conduct involving a criminal offense that has, or
23 is about to occur, in which the child is the victim;

24 (D) The child is an abandoned child as defined in RCW 13.34.030;

25 (E) The child is an adjudicated dependent child as defined in RCW
26 13.34.030, or the child is in a facility that is licensed, operated, or
27 certified for care of children by the department under chapter 74.15
28 RCW, or by the department of early learning.

29 (c) The department may not be held civilly liable for the decision
30 to respond to an allegation of child abuse or neglect by using the
31 family assessment response under this section unless the state or its
32 officers, agents, or employees acted with reckless disregard.

33 (12)(a) For reports of alleged abuse or neglect that are accepted
34 for investigation by the department, the investigation shall be
35 conducted within time frames established by the department in rule. In
36 no case shall the investigation extend longer than ninety days from the
37 date the report is received, unless the investigation is being
38 conducted under a written protocol pursuant to RCW 26.44.180 and a law

1 enforcement agency or prosecuting attorney has determined that a longer
2 investigation period is necessary. At the completion of the
3 investigation, the department shall make a finding that the report of
4 child abuse or neglect is founded or unfounded.

5 (b) If a court in a civil or criminal proceeding, considering the
6 same facts or circumstances as are contained in the report being
7 investigated by the department, makes a judicial finding by a
8 preponderance of the evidence or higher that the subject of the pending
9 investigation has abused or neglected the child, the department shall
10 adopt the finding in its investigation.

11 (13) For reports of alleged abuse or neglect that are responded to
12 through family assessment response, the department shall:

13 (a) Provide the family with a written explanation of the procedure
14 for assessment of the child and the family and its purposes;

15 (b) Collaborate with the family to identify family strengths,
16 resources, and service needs, and develop a service plan with the goal
17 of reducing risk of harm to the child and improving or restoring family
18 well-being;

19 (c) Complete the family assessment response within forty-five days
20 of receiving the report; however, upon parental agreement, the family
21 assessment response period may be extended up to ninety days;

22 (d) Offer services to the family in a manner that makes it clear
23 that acceptance of the services is voluntary;

24 (e) Implement the family assessment response in a consistent and
25 cooperative manner;

26 (f) Have the parent or guardian sign an agreement to participate in
27 services before services are initiated that informs the parents of
28 their rights under family assessment response, all of their options,
29 and the options the department has if the parents do not sign the
30 consent form.

31 (14) In conducting an investigation or family assessment of alleged
32 abuse or neglect, the department or law enforcement agency:

33 (a) May interview children. If the department determines that the
34 response to the allegation will be family assessment response, the
35 preferred practice is to request a parent's, guardian's, or custodian's
36 permission to interview the child before conducting the child interview
37 unless doing so would compromise the safety of the child or the
38 integrity of the assessment. The interviews may be conducted on school

1 premises, at day-care facilities, at the child's home, or at other
2 suitable locations outside of the presence of parents. If the
3 allegation is investigated, parental notification of the interview must
4 occur at the earliest possible point in the investigation that will not
5 jeopardize the safety or protection of the child or the course of the
6 investigation. Prior to commencing the interview the department or law
7 enforcement agency shall determine whether the child wishes a third
8 party to be present for the interview and, if so, shall make reasonable
9 efforts to accommodate the child's wishes. Unless the child objects,
10 the department or law enforcement agency shall make reasonable efforts
11 to include a third party in any interview so long as the presence of
12 the third party will not jeopardize the course of the investigation;
13 and

14 (b) Shall have access to all relevant records of the child in the
15 possession of mandated reporters and their employees.

16 (15) If a report of alleged abuse or neglect is founded and
17 constitutes the third founded report received by the department within
18 the last twelve months involving the same child or family, the
19 department shall promptly notify the office of the family and
20 children's ((ombudsman)) ombuds of the contents of the report. The
21 department shall also notify the ((ombudsman)) ombuds of the
22 disposition of the report.

23 (16) In investigating and responding to allegations of child abuse
24 and neglect, the department may conduct background checks as authorized
25 by state and federal law.

26 (17)(a) The department shall maintain investigation records and
27 conduct timely and periodic reviews of all founded cases of abuse and
28 neglect. The department shall maintain a log of screened-out
29 nonabusive cases.

30 (b) In the family assessment response, the department shall not
31 make a finding as to whether child abuse or neglect occurred. No one
32 shall be named as a perpetrator and no investigative finding shall be
33 entered in the department's child abuse or neglect database.

34 (18) The department shall use a risk assessment process when
35 investigating alleged child abuse and neglect referrals. The
36 department shall present the risk factors at all hearings in which the
37 placement of a dependent child is an issue. Substance abuse must be a
38 risk factor.

1 (19) Upon receipt of a report of alleged abuse or neglect the law
2 enforcement agency may arrange to interview the person making the
3 report and any collateral sources to determine if any malice is
4 involved in the reporting.

5 (20) Upon receiving a report of alleged abuse or neglect involving
6 a child under the court's jurisdiction under chapter 13.34 RCW, the
7 department shall promptly notify the child's guardian ad litem of the
8 report's contents. The department shall also notify the guardian ad
9 litem of the disposition of the report. For purposes of this
10 subsection, "guardian ad litem" has the meaning provided in RCW
11 13.34.030.

12 **Sec. 44.** RCW 26.44.220 and 2005 c 345 s 1 are each amended to read
13 as follows:

14 (1) Within existing resources, the department shall develop a
15 curriculum designed to train staff of the department's children's
16 administration who assess or provide services to adolescents on how to
17 screen and respond to referrals to child protective services when those
18 referrals may involve victims of abuse or neglect between the ages of
19 eleven and eighteen. At a minimum, the curriculum developed pursuant
20 to this section shall include:

21 (a) Review of relevant laws and regulations, including the
22 requirement that the department investigate complaints if a parent's or
23 caretaker's actions result in serious physical or emotional harm or
24 present an imminent risk of serious harm to any person under eighteen;

25 (b) Review of policies of the department's children's
26 administration that require assessment and screening of abuse and
27 neglect referrals on the basis of risk and not age;

28 (c) Explanation of safety assessment and risk assessment models;

29 (d) Case studies of situations in which the department has received
30 reports of alleged abuse or neglect of older children and adolescents;

31 (e) Discussion of best practices in screening and responding to
32 referrals involving older children and adolescents; and

33 (f) Discussion of how abuse and neglect referrals related to
34 adolescents are investigated and when law enforcement must be notified.

35 (2) As it develops its curriculum pursuant to this section, the
36 department shall request that the office of the family and children's
37 (~~ombudsman~~) ombuds review and comment on its proposed training

1 materials. The department shall consider the comments and
2 recommendations of the office of the family and children's
3 ((ombudsman)) ombuds as it develops the curriculum required by this
4 section.

5 (3) The department shall complete the curriculum materials required
6 by this section no later than December 31, 2005.

7 (4) Within existing resources, the department shall incorporate
8 training on the curriculum developed pursuant to this section into
9 existing training for child protective services workers who screen
10 intake calls, children's administration staff responsible for assessing
11 or providing services to older children and adolescents, and all new
12 employees of the children's administration responsible for assessing or
13 providing services to older children and adolescents.

14 **Sec. 45.** RCW 27.53.030 and 2011 c 219 s 1 are each reenacted and

20 together, wherever feasible, on the following activities to support
21 school/family/community partnerships engaged in building K-12 dropout
22 prevention, intervention, and reengagement systems:

23 (a) Providing opportunities for coordination and flexibility of
24 program eligibility and funding criteria;

25 (b) Providing joint funding;

26 (c) Developing protocols and templates for model agreements on

32 youth; and

33 (iii) Cultural competence.

34 (5) The building bridges work group shall make recommendations to
35 the governor and the legislature by December 1, 2010, on a state-level
36 and regional infrastructure for coordinating services for vulnerable

2 for all entities working with vulnerable youth that can support
3 coordinated planning and evaluation;

4 (b) The creation of a performance-based management system,
5 including outcomes, indicators, and performance measures relating to
6 vulnerable youth and programs serving them, including accountability

25 **Sec. 47.** RCW 28A.175.140 and 2011 c 288 s 4 are each amended to
26 read as follows:

27 (1) The office of the superintendent of public instruction, in
28 consultation with the state board of education, must:

29 (a) Calculate the annual extended graduation rate for each high
30 school, which is the rate at which a class of students enters high
31 school as (~~freshmen~~) first-year students and graduates with a high
32 school diploma, including students who receive a high school diploma
33 after the year they were expected to graduate. The office may
34 statistically adjust the rate for student demographics in the high
35 school, including the number of students eligible for free and reduced-
36 price meals, special education and English language learner students,

1 students of various racial and ethnic backgrounds, and student
2 mobility;

3 (b) Annually calculate the proportion of students at grade level
4 for each high school, which shall be measured by the number of credits
5 a student has accumulated at the end of each school year compared to
6 the total number required for graduation. For the purposes of this
7 subsection (1)(b), the office shall adopt a standard definition of "at
8 grade level" for each high school grade;

9 (c) Annually calculate the proportion of students in each high
10 school who are suspended or expelled from school, as reported by the
11 high school. In-school suspensions shall not be included in the
12 calculation. Improvement on the indicator under this subsection (1)(c)
13 shall be measured by a reduction in the number of students suspended or
14 expelled from school; and

15 (d) Beginning with the 2012-13 school year, annually measure
16 student attendance in each high school as provided under RCW
17 28A.300.046.

18 (2) The office of the superintendent of public instruction may add
19 dropout prevention indicators to the list of indicators under
20 subsection (1) of this section, such as student grades, state
21 assessment mastery, or student retention.

22 (3) To the maximum extent possible, the office of the
23 superintendent of public instruction shall rely on data collected
24 through the comprehensive education data and research system to
25 calculate the dropout prevention indicators under this section and
26 shall minimize additional data collection from schools and school
27 districts unless necessary to meet the requirements of this section.

28 (4) The office of the superintendent of public instruction shall
29 develop a metric for measuring the performance of each high school on
30 the indicators under subsection (1) of this section that assigns points
31 for each indicator and results in a single numeric dropout prevention
32 score for each high school. The office shall weight the extended
33 graduation rate indicator within the metric so that a high school does
34 not qualify for an award under RCW 28A.175.145 without an increase in
35 its extended graduation rate. The metric used through the 2012-13
36 school year shall include the indicators in subsection (1)(a) through
37 (c) of this section and shall measure improvement against the 2010-11
38 school year as the baseline year. Beginning in the 2013-14 school

1 year, the metric shall also include the indicator in subsection (1)(d)
2 of this section, with improvement in this indicator measured against
3 the 2012-13 school year as the baseline year. The office may establish
4 a minimum level of improvement in a high school's dropout prevention
5 score for the high school to qualify for a PASS program award under RCW
6 28A.175.145.

7 **Sec. 48.** RCW 28A.230.020 and 2006 c 263 s 414 are each amended to
8 read as follows:

9 All common schools shall give instruction in reading,
10 (~~penmanship~~) handwriting, orthography, written and mental arithmetic,
11 geography, the history of the United States, English grammar,
12 physiology and hygiene with special reference to the effects of alcohol
13 and drug abuse on the human system, science with special reference to
14 the environment, and such other studies as may be prescribed by rule of
15 the superintendent of public instruction. All teachers shall stress
16 the importance of the cultivation of manners, the fundamental
17 principles of honesty, honor, industry and economy, the minimum
18 requisites for good health including the beneficial effect of physical
19 exercise and methods to prevent exposure to and transmission of
20 sexually transmitted diseases, and the worth of kindness to all living
21 creatures and the land. The prevention of child abuse may be offered
22 as part of the curriculum in the common schools.

24 amended to read as follows:

25 (1) An educational opportunity gap oversight and accountability
26 committee is created to synthesize the findings and recommendations
27 from the 2008 achievement gap studies into an implementation plan, and
28 to recommend policies and strategies to the superintendent of public
29 instruction, the professional educator standards board, and the state
30 board of education to close the achievement gap.

4 redirected to narrow the gap;

5 (e) Identifying data elements and systems needed to monitor
6 progress in closing the gap;

7 (f) Making closing the achievement gap part of the school and
8 school district improvement process; and

9 (g) Exploring innovative school models that have shown success in
10 closing the achievement gap.

11 (3) Taking a multidisciplinary approach, the committee may seek
12 input and advice from other state and local agencies and organizations
13 with expertise in health, social services, gang and violence
14 prevention, substance abuse prevention, and other issues that
15 disproportionately affect student achievement and student success.

16 (4) The educational opportunity gap oversight and accountability
17 committee shall be composed of the following members:

18 (a) The chairs and ranking minority members of the house and senate
19 education committees, or their designees;

32 African-Americans, Hispanic Americans, Asian Americans, and Pacific
33 Islander Americans.

34 (5) The governor and the tribes are encouraged to designate members
35 who have experience working in and with schools.

36 (6) The committee may convene ad hoc working groups to obtain
37 additional input and participation from community members. Members of

1 ad hoc working groups shall serve without compensation and shall not be
2 reimbursed for travel or other expenses.

3 (7) The chair or cochairs of the committee shall be selected by the
4 members of the committee. Staff support for the committee shall be
5 provided by the center for the improvement of student learning.
6 Members of the committee shall serve without compensation but must be
7 reimbursed as provided in RCW 43.03.050 and 43.03.060. Legislative
8 members of the committee shall be reimbursed for travel expenses in
9 accordance with RCW 44.04.120.

10 (8) The superintendent of public instruction, the state board of
11 education, the professional educator standards board, and the quality
12 education council shall work collaboratively with the educational
13 opportunity gap oversight and accountability committee to close the
14 achievement gap.

15 **Sec. 50.** RCW 28A.300.285 and 2010 c 239 s 2 are each amended to
16 read as follows:

17 (1) By August 1, 2011, each school district shall adopt or amend if
18 necessary a policy and procedure that at a minimum incorporates the
19 revised model policy and procedure provided under subsection (4) of
20 this section that prohibits the harassment, intimidation, or bullying
21 of any student. It is the responsibility of each school district to
22 share this policy with parents or guardians, students, volunteers, and
23 school employees in accordance with rules adopted by the superintendent
24 of public instruction. Each school district shall designate one person
25 in the district as the primary contact regarding the antiharassment,
26 intimidation, or bullying policy. The primary contact shall receive
27 copies of all formal and informal complaints, have responsibility for
28 assuring the implementation of the policy and procedure, and serve as
29 the primary contact on the policy and procedures between the school
30 district, the office of the education (~~ombudsman~~) ombuds, and the
31 office of the superintendent of public instruction.

32 (2) "Harassment, intimidation, or bullying" means any intentional
33 electronic, written, verbal, or physical act, including but not limited
34 to one shown to be motivated by any characteristic in RCW 9A.36.080(3),
35 or other distinguishing characteristics, when the intentional
36 electronic, written, verbal, or physical act:

- 1 (a) Physically harms a student or damages the student's property;
2 or
3 (b) Has the effect of substantially interfering with a student's
4 education; or
5 (c) Is so severe, persistent, or pervasive that it creates an
6 intimidating or threatening educational environment; or
7 (d) Has the effect of substantially disrupting the orderly
8 operation of the school.

9 Nothing in this section requires the affected student to actually
10 possess a characteristic that is a basis for the harassment,
11 intimidation, or bullying.

12 (3) The policy and procedure should be adopted or amended through
13 a process that includes representation of parents or guardians, school
14 employees, volunteers, students, administrators, and community
15 representatives. It is recommended that each such policy emphasize
16 positive character traits and values, including the importance of civil
17 and respectful speech and conduct, and the responsibility of students
18 to comply with the district's policy prohibiting harassment,
19 intimidation, or bullying.

20 (4)(a) By August 1, 2010, the superintendent of public instruction,
21 in consultation with representatives of parents, school personnel, the
22 office of the education (~~(ombudsman)~~) ombuds, the Washington state
23 school directors' association, and other interested parties, shall
24 provide to the education committees of the legislature a revised and
25 updated model harassment, intimidation, and bullying prevention policy
26 and procedure. The superintendent of public instruction shall publish
27 on its web site, with a link to the safety center web page, the revised
28 and updated model harassment, intimidation, and bullying prevention
29 policy and procedure, along with training and instructional materials
30 on the components that shall be included in any district policy and
31 procedure. The superintendent shall adopt rules regarding school
32 districts' communication of the policy and procedure to parents,
33 students, employees, and volunteers.

34 (b) The office of the superintendent of public instruction has the
35 authority to update with new technologies access to this information in
36 the safety center, to the extent resources are made available.

37 (c) Each school district shall by August 15, 2011, provide to the
38 superintendent of public instruction a brief summary of its policies,

1 procedures, programs, partnerships, vendors, and instructional and
2 training materials to be posted on the school safety center web site,
3 and shall also provide the superintendent with a link to the school
4 district's web site for further information. The district's primary
5 contact for bullying and harassment issues shall annually by August
6 15th verify posted information and links and notify the school safety
7 center of any updates or changes.

8 (5) The Washington state school directors' association, with the
9 assistance of the office of the superintendent of public instruction,
10 shall convene an advisory committee to develop a model policy
11 prohibiting acts of harassment, intimidation, or bullying that are
12 conducted via electronic means by a student while on school grounds and
13 during the school day. The policy shall include a requirement that
14 materials meant to educate parents and students about the seriousness
15 of cyberbullying be disseminated to parents or made available on the
16 school district's web site. The school directors' association and the
17 advisory committee shall develop sample materials for school districts
18 to disseminate, which shall also include information on responsible and
19 safe internet use as well as what options are available if a student is
20 being bullied via electronic means((7)) including, but not limited to,
21 reporting threats to local police and when to involve school officials,
22 the internet service provider, or phone service provider. The school
23 directors' association shall submit the model policy and sample
24 materials, along with a recommendation for local adoption, to the
25 governor and the legislature and shall post the model policy and sample
26 materials on its web site by January 1, 2008. Each school district
27 board of directors shall establish its own policy by August 1, 2008.

28 (6) As used in this section, "electronic" or "electronic means"
29 means any communication where there is the transmission of information
30 by wire, radio, optical cable, electromagnetic, or other similar means.

31 **Sec. 51.** RCW 28A.300.2851 and 2011 c 185 s 2 are each amended to

1 learning environments in all public schools in Washington. The
2 superintendent of public instruction or a designee shall serve as the
3 chair of the work group.

4 (2) The work group shall:

8 superintendent of public instruction for collection of such data;

9 (b) Examine possible procedures for anonymous reporting of
10 incidents of bullying and harassment;

11 (c) Identify curriculum and best practices for school districts to
12 improve school climate, create respectful learning environments, and

15 instruction about mental health, youth suicide prevention, and
16 prevention of bullying and harassment;

19 under RCW 28A.300.285 and involving parents in improving school

25 in harassment, intimidation, and bullying prevention and de-escalation
26 and intervention techniques for teachers, educational staff associates,
27 and school administrators;

28 (h) Examine and recommend policies for discipline of students and
29 staff who harass, intimidate, or bully; and

30 (i) In collaboration with the state board for community and
31 technical colleges, examine and recommend policies to protect K-12
32 students attending community and technical colleges from harassment,
33 intimidation, and bullying.

34 (3) The work group must include representatives from the state
35 board of education, the Washington state parent teacher association,
36 the Washington state association of school psychologists, school
37 directors, school administrators, principals, teachers, school

1 counselors, classified school staff, youth, community organizations,
2 and parents.

3 (4) The work group shall submit a biennial progress and status
4 report to the governor and the education committees of the legislature,
5 beginning December 1, 2011, with additional reports by December 1,
6 2013, and December 1, 2015.

7 (5) The work group is terminated effective January 1, 2016.

8 **Sec. 52.** RCW 28B.10.053 and 2012 c 229 s 510 are each amended to
9 read as follows:

10 (1) By December 1, 2011, and by June of each odd-numbered year
11 thereafter, the institutions of higher education shall collaboratively
12 develop a master list of postsecondary courses that can be fulfilled by
13 taking the advanced placement, international baccalaureate, or other
14 recognized college-level proficiency examinations, including but not
15 limited to examinations by a national multidisciplinary science,
16 technology, engineering, and mathematics program, and meeting the
17 qualifying examination score or demonstrated competencies for lower
18 division general education requirements or postsecondary professional
19 technical requirements. The master list of postsecondary courses
20 fulfilled by proficiency examinations or demonstrated competencies are
21 those that fulfill lower division general education requirements or
22 career and technical education requirements and qualify for
23 postsecondary credit. From the master list, each institution shall
24 create and publish a list of its courses that can be satisfied by
25 successful proficiency examination scores or demonstrated competencies
26 for lower division general education requirements or postsecondary
27 professional technical requirements. The qualifying examination scores
28 and demonstrated competencies shall be included in the published list.
29 The requirements to develop a master list under this section do not
30 apply if an institution has a clearly published policy of awarding
31 credit for the advanced placement, international baccalaureate, or
32 other recognized college-level placement exams and does not require
33 those credits to meet specific course requirements but generally
34 applies those credits towards degree requirements.

35 (2) To the maximum extent possible, institutions of higher
36 education shall agree on examination qualifying scores and demonstrated
37 competencies for the credits or courses under subsection (3) of this

1 section, with scores equivalent to qualified or well-qualified.
2 Nothing in this subsection shall prevent an institution of higher
3 education from adopting policies using higher scores for additional
4 purposes.

5 (3) Each institution of higher education, in designing its
6 certificate, technical degree program, two-year academic transfer
7 program, or (~~freshman~~) first-year student and sophomore courses of a
8 baccalaureate program or baccalaureate degree, must recognize the
9 equivalencies of at least one year of course credit and maximize the
10 application of the credits toward lower division general education
11 requirements that can be earned through successfully demonstrating
12 proficiency on examinations, including but not limited to advanced
13 placement and international baccalaureate examinations. The successful
14 completion of the examination and the award of credit shall be noted on
15 the student's college transcript.

16 (4) Each institution of higher education must clearly include in
17 its admissions materials and on its web site the credits or the
18 institution's list of postsecondary courses that can be fulfilled by
19 proficiency examinations or demonstrated competencies and the agreed-
20 upon examination scores and demonstrated competencies that qualify for
21 postsecondary credit. Each institution must provide the information to
22 the student achievement council and state board for community and
23 technical colleges in a form that the superintendent of public
24 instruction is able to distribute to school districts.

25 **Sec. 53.** RCW 28B.15.102 and 2012 c 229 s 526 are each amended to
26 read as follows:

27 (1) Beginning with the 2011-12 academic year, any four-year
28 institution of higher education that increases tuition beyond levels
29 assumed in the omnibus appropriations act is subject to the financial
30 aid requirements included in this section and shall remain subject to
31 these requirements through the 2018-19 academic year.

32 (2) Beginning July 1, 2011, each four-year institution of higher
33 education that raises tuition beyond levels assumed in the omnibus
34 appropriations act shall, in a manner consistent with the goal of
35 enhancing the quality of and access to their institutions, provide
36 financial aid to offset full-time tuition fees for resident
37 undergraduate students as follows:

1 (a) Subtract from the full-time tuition fees an amount that is
2 equal to the maximum amount of a state need grant award that would be
3 given to an eligible student with a family income at or below fifty
4 percent of the state's median family income as determined by the
5 student achievement council; and

6 (b) Offset the remainder as follows:

7 (i) Students with demonstrated need whose family incomes are at or
8 below fifty percent of the state's median family income shall receive
9 financial aid equal to one hundred percent of the remainder if an
10 institution's full-time tuition fees for resident undergraduate
11 students is five percent or greater of the state's median family income
12 for a family of four as provided by the student achievement council;

13 (ii) Students with demonstrated need whose family incomes are
14 greater than fifty percent and no more than seventy percent of the
15 state's median family income shall receive financial aid equal to
16 seventy-five percent of the remainder if an institution's full-time
17 tuition fees for resident undergraduate students is ten percent or
18 greater of the state's median family income for a family of four as
19 provided by the student achievement council;

20 (iii) Students with demonstrated need whose family incomes exceed
21 seventy percent and are less than one hundred percent of the state's
22 median family income shall receive financial aid equal to fifty percent
23 of the remainder if an institution's full-time tuition fees for
24 resident undergraduate students is fifteen percent or greater of the
25 state's median family income for a family of four as provided by the
26 student achievement council; and

27 (iv) Students with demonstrated need whose family incomes are at or
28 exceed one hundred percent and are no more than one hundred twenty-five
29 percent of the state's median family income shall receive financial aid
30 equal to twenty-five percent of the remainder if an institution's
31 full-time tuition fees for resident undergraduate students is twenty
32 percent or greater of the state's median family income for a family of
33 four as provided by the student achievement council.

34 (3) The financial aid required in subsection (2) of this section
35 shall:

36 (a) Be reduced by the amount of other financial aid awards, not
37 including the state need grant;

38 (b) Be prorated based on credit load; and

1 (c) Only be provided to students up to demonstrated need.

2 (4) Financial aid sources and methods may be:

3 (a) Tuition revenue or locally held funds;

4 (b) Tuition waivers created by a four-year institution of higher
5 education for the specific purpose of serving low and middle-income
6 students; or

7 (c) Local financial aid programs.

8 (5) Use of tuition waivers as specified in subsection (4)(b) of
9 this section shall not be included in determining total state tuition
10 waiver authority as defined in RCW 28B.15.910.

11 (6) By August 15, 2012, and August 15th every year thereafter,
12 four-year institutions of higher education shall report to the governor
13 and relevant committees of the legislature on the effectiveness of the
14 various sources and methods of financial aid in mitigating tuition
15 increases. A key purpose of these reports is to provide information
16 regarding the results of the decision to grant tuition-setting
17 authority to the four-year institutions of higher education and whether
18 tuition setting authority should continue to be granted to the
19 institutions or revert back to the legislature after consideration of
20 the impacts on students, including educational access, affordability,
21 and quality. These reports shall include:

22 (a) The amount of additional financial aid provided to middle-
23 income and low-income students with demonstrated need in the aggregate
24 and per student;

25 (b) An itemization of the sources and methods of financial aid
26 provided by the four-year institution of higher education in the
27 aggregate and per student;

28 (c) An analysis of the combined impact of federal tuition tax
29 credits and financial aid provided by the institution of higher
30 education on the net cost to students and their families resulting from
31 tuition increases;

32 (d) In cases where tuition increases are greater than those assumed
33 in the omnibus appropriations act at any four-year institution of
34 higher education, the institution must include an explanation in its
35 report of why this increase was necessary and how the institution will
36 mitigate the effects of the increase. The institution must include in
37 this section of its report a plan and specific timelines; and

1 (e) An analysis of changes in resident student enrollment patterns,
2 participation rates, graduation rates, and debt load, by race and
3 ethnicity, gender, state and county of origin, age, and socioeconomic
4 status, and a plan to mitigate effects of reduced diversity due to
5 tuition increases. This analysis shall include disaggregated data for
6 resident students in the following income brackets:

7 (i) Up to seventy percent of the median family income;

8 (ii) Between seventy-one percent and one hundred twenty-five
9 percent of the median family income; and

10 (iii) Above one hundred twenty-five percent of the median family
11 income.

12 (7) Beginning in the 2012-13 academic year, the University of
13 Washington shall enroll during each academic year at least the same
14 number of resident (~~freshman~~) first-year undergraduate students at
15 the Seattle campus, as defined in RCW 28B.15.012, as enrolled during
16 the 2009-10 academic year. This requirement shall not apply to
17 nonresident undergraduate and graduate and professional students.

18 **Sec. 54.** RCW 28B.45.020 and 2012 c 229 s 532 are each amended to
19 read as follows:

20 (1) The University of Washington is responsible for ensuring the
21 expansion of baccalaureate and graduate educational programs in the
22 central Puget Sound area under rules or guidelines adopted by the
23 student achievement council and in accordance with proportionality
24 agreements emphasizing access for transfer students developed with the
25 state board for community and technical colleges. The University of
26 Washington shall meet that responsibility through the operation of at
27 least two branch campuses. One branch campus shall be located in the
28 Tacoma area. Another branch campus shall be collocated with Cascadia
29 Community College in the Bothell-Woodinville area.

30 (2) At the University of Washington Tacoma, a top priority is
31 expansion of upper division capacity for transfer students and graduate
32 capacity and programs. Beginning in the fall of 2006, the campus may
33 offer lower division courses linked to specific majors in fields not
34 addressed at local community colleges. The campus shall admit lower
35 division students through coadmission or coenrollment agreements with
36 a community college, or through direct transfer for students who have
37 accumulated approximately one year of transferable college credits. In

16 (2) Each transfer associate degree developed under this section
17 must enable a student to complete the lower-division courses or
18 competencies for general education requirements and preparation for the
19 major that a direct-entry student would typically complete in the
20 ((freshman)) first-year student and sophomore years for that academic
21 major.

22 (3) Completion of a transfer associate degree does not guarantee a
23 student admission into an institution of higher education or admission
24 into a major, minor, or professional program at an institution of
25 higher education that has competitive admission standards for the
26 program based on grade point average or other performance criteria.

34 automatically upon transfer.

35 (5) The council, in collaboration with the intercollegiate relations
36 commission, must collect and maintain lists of courses offered by each

1 community and technical college and public four-year institution of
2 higher education that fall within each transfer associate degree.

3 (6) The council must monitor implementation of transfer associate
4 degrees by public four-year institutions to ensure compliance with
5 subsection (2) of this section.

6 (7) Beginning January 10, 2005, the council must submit a progress
7 report on the development of transfer associate degrees to the higher
8 education committees of the house of representatives and the senate.
9 The first progress report must include measurable benchmark indicators
10 to monitor the effectiveness of the initiatives in improving transfer
11 and baseline data for those indicators before the implementation of the
12 initiatives. Subsequent reports must be submitted by January 10th of
13 each odd-numbered year and must monitor progress on the indicators,
14 describe development of additional transfer associate degrees, and
15 provide other data on improvements in transfer efficiency.

20 management of its respective funds may invest, reinvest, manage,

6 action and the court shall retain jurisdiction to others.

7 The judgment shall specify separately the amount of the
8 installments with interest, penalty, and all reasonable administrative
9 costs, including, but not limited to, the title searches, chargeable to
10 each lot, tract, or parcel. The judgment shall have the effect of a
11 separate judgment as to each lot, tract, or parcel described in the
12 judgment, and any appeal shall not invalidate or delay the judgment

15 described sold by the city or town treasurer or by the county sheriff
16 and an order of sale shall issue pursuant thereto for the enforcement
17 of the judgment.

18 In all other respects, the trial, judgment, and appeals to the
19 supreme court or the court of appeals shall be governed by the statutes
20 governing the foreclosure of mortgages on real property.

25 property to determine the record title holders and all persons claiming
26 a mortgage, deed of trust, or mechanic's, laborer's, (~~materialmen's~~)

28 At least thirty days prior to the sale of the property, a copy of
29 the notice of sale shall be mailed by certified and regular mail to all
30 defendants in the foreclosure action as to that parcel, lot, or tract
31 and, if the owner is unknown or the property contains a residential
32 structure having an assessed value of two thousand dollars or more, a
33 copy of the notice of sale shall be mailed by regular and certified
34 mail to any additional record title holders and persons claiming a
35 mortgage, deed of trust, or mechanic's, laborer's, (~~materialmen's~~)
36 material supplier's, or vendor's lien on the property.

37 In all other respects, the procedure for sale shall be conducted in
38 the same manner as property tax sales described in RCW 84.64.080.

28 5 U.S.C. chapter 85) in his or her current benefit year that includes
29 such week, after the cancellation of some or all of his or her wage
30 credits or the total or partial reduction of his or her rights to
31 regular benefits: PROVIDED, That, for the purposes of (a) and (b)
32 (~~(of this subsection))~~ of this subsection, an individual shall be
33 deemed to have received in his or her current benefit year all of the
34 regular benefits that were payable to him or her, or available to him
35 or her, as the case may be, even though:

36 (i) As a result of a pending appeal with respect to wages or
37 employment, or both, that were not included in the original monetary

1 determination with respect to his or her current benefit year, he or
2 she may subsequently be determined to be entitled to more regular
3 benefits; or

4 (ii) By reason of the seasonal provisions of another state law, he
5 or she is not entitled to regular benefits with respect to such week of
6 unemployment (although he or she may be entitled to regular benefits
7 with respect to future weeks of unemployment in the next season, as the
8 case may be, in his or her current benefit year), and he or she is
9 otherwise an exhaustee within the meaning of this section with respect
10 to his or her right to regular benefits under such state law seasonal
11 provisions during the season or off season in which that week of
12 unemployment occurs; or

13 (iii) Having established a benefit year, no regular benefits are
14 payable to him or her during such year because his or her wage credits
15 were canceled or his or her right to regular benefits was totally
16 reduced as the result of the application of a disqualification; or

17 (c) His or her benefit year having ended prior to such week, he or
18 she has insufficient wages or employment, or both, on the basis of
19 which he or she could establish in any state a new benefit year that

21 includes such week, he or she is precluded from receiving regular
22 benefits by reason of the provision in RCW 50.04.030 which meets the

1 **Sec. 104.** RCW 51.04.063 and 2011 1st sp.s. c 37 s 302 are each
2 amended to read as follows:

3 (1) Notwithstanding RCW 51.04.060 or any other provision of this
4 title, beginning on January 1, 2012, an injured worker who is at least
5 fifty-five years of age on or after January 1, 2012, fifty-three years
6 of age on or after January 1, 2015, or fifty years of age on or after
7 January 1, 2016, may choose from the following: (a) To continue to
8 receive all benefits for which they are eligible under this title, (b)
9 to participate in vocational training if eligible, or (c) to initiate
10 and agree to a resolution of their claim with a structured settlement.

11 (2)(a) As provided in this section, the parties to an allowed claim
12 may initiate and agree to resolve a claim with a structured settlement
13 for all benefits other than medical. Parties as defined in (b) of this
14 subsection may only initiate claim resolution structured settlements if
15 at least one hundred eighty days have passed since the claim was
16 received by the department or self-insurer and the order allowing the
17 claim is final and binding. All requirements of this title regarding
18 entitlement to and payment of benefits will apply during this period.
19 All claim resolution structured settlement agreements must be approved
20 by the board of industrial insurance appeals.

21 (b) For purposes of this section, "parties" means:

22 (i) For a state fund claim, the worker, the employer, and the
23 department. The employer will not be a party if the costs of the claim
24 or claims are no longer included in the calculation of the employer's
25 experience factor used to determine premiums, if they cannot be
26 located, are no longer in business, or they fail to respond or decline
27 to participate after timely notice of the claim resolution settlement
28 process provided by the board and the department.

29 (ii) For a self-insured claim, the worker and the employer.

30 (c) The claim resolution structured settlement agreements shall:

31 (i) Bind the parties with regard to all aspects of a claim except
32 medical benefits unless revoked by one of the parties as provided in
33 subsection (6) of this section;

34 (ii) Provide a periodic payment schedule to the worker equal to at
35 least twenty-five percent but not more than one hundred fifty percent
36 of the average monthly wage in the state pursuant to RCW 51.08.018,
37 except for the initial payment which may be up to six times the average
38 monthly wage in the state pursuant to RCW 51.08.018;

1 (iii) Not set aside or reverse an allowance order;

2 (iv) Not subject any employer who is not a signatory to the
3 agreement to any responsibility or burden under any claim; and

4 (v) Not subject any funds covered under this title to any
5 responsibility or burden without prior approval from the director or
6 designee.

7 (d) For state fund claims, the department shall negotiate the claim
8 resolution structured settlement agreement with the worker or their
9 representative and with the employer or employers and their
10 representative or representatives.

11 (e) For self-insured claims, the self-insured employer shall
12 negotiate the agreement with the worker or (~~their~~) his or her
13 representative. Workers of self-insured employers who are
14 unrepresented may request that the office of the (~~ombudsman~~) ombuds
15 for self-insured injured workers provide assistance or be present
16 during negotiations.

17 (f) Terms of the agreement may include the parties' agreement that
18 the claim shall remain open for future necessary medical or surgical
19 treatment related to the injury where there is a reasonable expectation
20 such treatment is necessary. The parties may also agree that specific
21 future treatment shall be provided without the application required in
22 RCW 51.32.160.

23 (g) Any claim resolution structured settlement agreement entered
24 into under this section must be in writing and signed by the parties or
25 their representatives and must clearly state that the parties
26 understand and agree to the terms of the agreement.

27 (h) If a worker is not represented by an attorney at the time of
28 signing a claim resolution structured settlement agreement, the parties
29 must forward a copy of the signed agreement to the board with a request
30 for a conference with an industrial appeals judge. The industrial
31 appeals judge must schedule a conference with all parties within
32 fourteen days for the purpose of (i) reviewing the terms of the
33 proposed settlement agreement by the parties; and (ii) ensuring the
34 worker has an understanding of the benefits generally available under
35 this title and that a claim resolution structured settlement agreement
36 may alter the benefits payable on the claim or claims. The judge may
37 schedule the initial conference for a later date with the consent of
38 the parties.

1 (i) Before approving the agreement, the industrial appeals judge
2 shall ensure the worker has an adequate understanding of the agreement
3 and its consequences to the worker.

4 (j) The industrial appeals judge may approve a claim resolution
5 structured settlement agreement only if the judge finds that the
6 agreement is in the best interest of the worker. When determining
7 whether the agreement is in the best interest of the worker, the
8 industrial appeals judge shall consider the following factors, taken as
9 a whole, with no individual factor being determinative:

10 (i) The nature and extent of the injuries and disabilities of the
11 worker;

12 (ii) The age and life expectancy of the injured worker;

13 (iii) Other benefits the injured worker is receiving or is entitled
14 to receive and the effect a claim resolution structured settlement
15 agreement might have on those benefits; and

16 (iv) The marital or domestic partnership status of the injured
17 worker.

18 (k) Within seven days after the conference, the industrial appeals
19 judge shall issue an order allowing or rejecting the claim resolution
20 structured settlement agreement. There is no appeal from the
21 industrial appeals judge's decision.

22 (l) If the industrial appeals judge issues an order allowing the
23 claim resolution structured settlement agreement, the order must be
24 submitted to the board.

25 (3) Upon receiving the agreement, the board shall approve it within
26 thirty working days of receipt unless it finds that:

27 (a) The parties have not entered into the agreement knowingly and
28 willingly;

29 (b) The agreement does not meet the requirements of a claim
30 resolution structured settlement agreement;

31 (c) The agreement is the result of a material misrepresentation of
32 law or fact;

33 (d) The agreement is the result of harassment or coercion; or

34 (e) The agreement is unreasonable as a matter of law.

35 (4) If a worker is represented by an attorney at the time of
36 signing a claim resolution structured settlement agreement, the parties
37 shall submit the agreement directly to the board without the conference
38 described in this section.

1 (5) If the board approves the agreement, it shall provide notice to
2 all parties. The department shall place the agreement in the
3 applicable claim file or files.

4 (6) A party may revoke consent to the claim resolution structured
5 settlement agreement by providing written notice to the other parties
6 and the board within thirty days after the date the agreement is
7 approved by the board.

8 (7) To the extent the worker is entitled to any benefits while a
9 claim resolution structured settlement agreement is being negotiated or
10 during the revocation period of an agreement, the benefits must be paid
11 pursuant to the requirements of this title until the agreement becomes
12 final.

13 (8) A claim resolution structured settlement agreement that meets
14 the conditions in this section and that has become final and binding as
15 provided in this section is binding on all parties to the agreement as
16 to its terms and the injuries and occupational diseases to which the
17 agreement applies. A claim resolution structured settlement agreement
18 that has become final and binding is not subject to appeal.

19 (9) All payments made to a worker pursuant to a final claim
20 resolution structured settlement agreement must be reported to the
21 department as claims costs pursuant to this title. If a self-insured
22 employer contracts with a third-party administrator for claim services
23 and the payment of benefits under this title, the third-party
24 administrator shall also disburse the structured settlement payments
25 pursuant to the agreement.

26 (10) Claims closed pursuant to a claim resolution structured
27 settlement agreement can be reopened pursuant to RCW 51.32.160 for
28 medical treatment only. Further temporary total, temporary partial,
29 permanent partial, or permanent total benefits are not payable under
30 the same claim or claims for which a claim resolution structured
31 settlement agreement has been approved by the board and has become
32 final.

33 (11) Parties aggrieved by the failure of any other party to comply
34 with the terms of a claim resolution structured settlement agreement
35 have one year from the date of failure to comply to petition to the
36 board. If the board determines that a party has failed to comply with
37 an agreement, (~~they~~) it will order compliance and will impose a
38 penalty payable to the aggrieved party of up to twenty-five percent of

1 the monetary amount unpaid at the time the petition for noncompliance
2 was filed. The board will also decide on any disputes as to attorneys'
3 fees for services related to claim resolution structured settlement
4 agreements.

5 (12) Parties and their representatives may not use settlement
6 offers or the claim resolution structured settlement agreement process
7 to harass or coerce any party. If the department determines that an
8 employer has engaged in a pattern of harassment or coercion, the
9 employer may be subject to penalty or corrective action, and may be
10 removed from the retrospective rating program or be decertified from
11 self-insurance under RCW 51.14.030.

6 read as follows:

7 (1) If at any time during the tenancy, the landlord fails to carry
8 out any of the duties imposed by RCW 59.20.130, and notice of the
9 defect is given to the landlord pursuant to RCW 59.20.200, the tenant
10 may submit to the landlord or the landlord's designated agent by
11 certified mail or in person at least two bids to perform the repairs
12 necessary to correct the defective condition from licensed or
13 registered persons, or if no licensing or registration requirement
14 applies to the type of work to be performed, from responsible persons
15 capable of performing such repairs. Such bids may be submitted to the
16 landlord at the same time as notice is given pursuant to RCW 59.20.200.

17 (2) If the landlord fails to commence repair of the defective
18 condition within a reasonable time after receipt of notice from the
19 tenant, the tenant may contract with the person submitting the lowest
20 bid to make the repair, and upon the completion of the repair and an
21 opportunity for inspection by the landlord or the landlord's designated
22 agent, the tenant may deduct the cost of repair from the rent in an
23 amount not to exceed the sum expressed in dollars representing one
24 month's rental of the tenant's mobile home space in any calendar year.
25 When, however, the landlord is required to begin remedying the
26 defective condition within thirty days under RCW 59.20.200, the tenant
27 cannot contract for repairs for at least fifteen days following receipt
28 of bids by the landlord. The total costs of repairs deducted by the

30 sum expressed in dollars representing one month's rental of the
31 tenant's mobile home space.

32 (3) Two or more tenants shall not collectively initiate remedies
33 under this section. Remedial action under this section shall not be
34 initiated for conditions in the design or construction existing in a
35 mobile home park before June 7, 1984.

36 (4) The provisions of this section shall not:

1 (a) Create a relationship of employer and employee between landlord
2 and tenant; or

3 (b) Create liability under the worker's compensation act; or

4 (c) Constitute the tenant as an agent of the landlord for the
5 purposes of mechanics' and (~~materialmen's~~) material suppliers' liens
6 under chapter 60.04 RCW.

7 (5) Any repair work performed under this section shall comply with
8 the requirements imposed by any applicable code, statute, ordinance, or
9 rule. A landlord whose property is damaged because of repairs
10 performed in a negligent manner may recover the actual damages in an
11 action against the tenant.

12 (6) Nothing in this section shall prevent the tenant from agreeing
13 with the landlord to undertake the repairs in return for cash payment
14 or a reasonable reduction in rent, the agreement to be between the
15 parties, and this agreement does not alter the landlord's obligations
16 under this chapter.

17 **Sec. 118.** RCW 60.13.010 and 2012 c 106 s 1 are each reenacted and
18 amended to read as follows:

19 As used in this chapter, the terms defined in this section have the
20 meanings indicated unless the context clearly requires otherwise.

21 (1) "Agricultural product" means any unprocessed horticultural,
22 vermicultural and its by-products, viticultural, berry, poultry,
23 poultry product, grain, bee, or other agricultural products, and
24 includes mint or mint oil processed by or for the producer thereof and
25 hay and straw baled or prepared for market in any manner or form and
26 livestock. When used in RCW 60.13.020, "agricultural product" means
27 horticultural, viticultural, aquacultural, or berry products, hay and
28 straw, milk and milk products, vegetable seed, or turf and forage seed
29 and applies only when such products are delivered to a processor or
30 conditioner in an unprocessed form.

31 (2) "Commercial (~~fisherman~~) fisher" means a person licensed to
32 fish commercially for or to take food fish or shellfish or steelhead
33 legally caught pursuant to executive order, treaty right, or federal
34 statute.

35 (3) "Conditioner," "consignor," "person," and "producer" have the
36 meanings defined in RCW 20.01.010.

1 (4) "Delivers" means that a producer completes the performance of
2 all contractual obligations with reference to the transfer of actual or
3 constructive possession or control of an agricultural product to a
4 processor or conditioner or preparer, regardless of whether the
5 processor or conditioner or preparer takes physical possession.

6 (5) "Fish" means food fish or shellfish or steelhead legally caught
7 pursuant to executive order, treaty right, or federal statute.

8 (6) "Preparer" means a person engaged in the business of feeding
9 livestock or preparing livestock products for market.

10 (7) "Processor" means any person, firm, company, or other
11 organization that purchases agricultural products except milk and milk
12 products from a consignor and that cans, freezes, dries, dehydrates,
13 cooks, presses, powders, or otherwise processes those crops in any
14 manner whatsoever for eventual resale, or that purchases or markets
15 milk from a dairy producer and is obligated to remit payment to such
16 dairy producer directly.

23 read as follows:

24 Starting on the date a producer delivers any agricultural product
25 to a processor or conditioner, the producer has a first priority
26 statutory lien, referred to as a "processor lien." A commercial
27 ((fisherman)) fisher who delivers fish to a processor also has a first
28 priority statutory "processor lien" starting on the date the
29 ((fisherman)) fisher delivers fish to the processor. This processor
30 lien shall continue until twenty days after payment for the product is
31 due and remains unpaid, without filing any notice of lien, for the
32 contract price, if any, or the fair market value of the products
33 delivered. The processor lien attaches to the agricultural products or
34 fish delivered, to the processor's or conditioner's inventory, and to
35 the processor's or conditioner's accounts receivable. However, no
36 processor lien may attach to agricultural products or fish delivered by
37 a producer or commercial ((fisherman)) fisher, or on the producer's or

1 ((fisherman's)) fisher's behalf, to a processor which is organized and
2 operated on a cooperative basis and of which the producer or
3 ((fisherman)) fisher is a member, nor may such lien attach to such
4 processor's inventory or accounts receivable.

5 **Sec. 120.** RCW 60.13.040 and 2012 c 106 s 3 are each amended to
6 read as follows:

7 (1) A producer or commercial ((fisherman)) fisher claiming a wine
8 producer, processor, or preparer lien may file a statement evidencing
9 the lien with the department of licensing after payment from the wine
10 producer, processor, conditioner, or preparer to the producer or
11 ((fisherman)) fisher is due and remains unpaid. For purposes of this
12 subsection and RCW 60.13.050, payment is due on the date specified in
13 the contract, or if not specified, then within thirty days from time of
14 delivery.

15 (2) The statement shall be in a record, authenticated by the
16 producer or ((fisherman)) fisher, and shall contain in substance the
17 following information:

18 (a) A true statement or a reasonable estimate of the amount
19 demanded after deducting all credits and offsets;

20 (b) The name of the wine producer, processor, conditioner, or
21 preparer who received the agricultural product or fish to be charged
22 with the lien;

23 (c) A description sufficient to identify the agricultural product
24 or fish to be charged with the lien;

25 (d) A statement that the amount claimed is a true and bona fide
26 existing debt as of the date of the filing of the notice evidencing the
27 lien;

28 (e) The date on which payment was due for the agricultural product
29 or fish to be charged with the lien; and

30 (f) The department of licensing may by rule prescribe standard
31 filing forms, fees, and uniform procedures for filing with, and
32 obtaining information from, filing officers.

33 **Sec. 121.** RCW 60.13.050 and 1987 c 148 s 4 are each amended to
34 read as follows:

35 (1)(a) If a statement is filed pursuant to RCW 60.13.040 within
36 twenty days of the date upon which payment from the processor,

1 conditioner, or preparer to the producer or commercial ((fisherman))
2 fisher is due and remains unpaid, the processor or preparer lien
3 evidenced by the statement continues its priority over all other liens
4 or security interests upon agricultural products or fish, inventory,
5 and accounts receivable, except as provided in (b) of this subsection.
6 Such priority is without regard to whether the other liens or security
7 interests attached before or after the date on which the processor or
8 preparer lien attached.

9 (b) The processor or preparer lien shall be subordinate to liens
10 for taxes or labor perfected before filing of the processor or preparer
11 lien.

12 (2) If the statement provided for in RCW 60.13.040 is not filed
13 within twenty days of the date payment is due and remains unpaid, the
14 processor or preparer lien shall thereupon become subordinate to:

15 (a) A lien that has attached to the agricultural product or fish,
16 inventory, or accounts receivable before the date on which the
17 processor or preparer lien attaches; and

18 (b) A perfected security interest in the agricultural product or
19 fish, inventory, or accounts receivable.

20 **Sec. 122.** RCW 60.13.060 and 2012 c 106 s 5 are each amended to
21 read as follows:

22 (1) The wine producer or processor lien shall terminate twelve
23 months after, and the preparer lien shall terminate fifty days after,
24 the later of the date of attachment or filing, unless a suit to
25 foreclose the lien has been filed before that time as provided in RCW
26 60.13.070.

27 (2) If a statement has been filed as provided in RCW 60.13.040 and
28 the producer or commercial ((fisherman)) fisher has received payment
29 for the obligation secured by the lien, the producer or ((fisherman))
30 fisher shall promptly file with the department of licensing a statement
31 declaring that full payment has been received and that the lien is
32 discharged. If, after payment, the producer or ((fisherman)) fisher
33 fails to file such statement of discharge within ten days following a
34 request to do so, the producer or ((fisherman)) fisher shall be liable
35 to the wine producer, processor, conditioner, or preparer in the sum of
36 one hundred dollars plus actual damages caused by the failure.

1 **Sec. 123.** RCW 60.36.030 and 1901 c 75 s 1 are each amended to read
2 as follows:

3 All steamers, vessels, and boats, their tackle, apparel, and
4 furniture shall be held liable at all ports and places within this
5 state or within the jurisdiction of the courts of this state or within
6 the jurisdiction of the courts of the United States in said state for
7 services rendered by stevedores, (~~longshoremen~~) longshore workers, or
8 others engaged in the loading, unloading, stowing, or dunnaging of
9 cargo in or from any steamer, vessel, or boat in any harbor or at any
10 other place within said state, or within the jurisdiction of the courts
11 thereof as above stated, and said steamers, vessels, and boats shall
12 further be liable as per their contracts for all services performed
13 upon wharfs or landing places by stevedores, (~~longshoremen~~) longshore
14 workers, or others: PROVIDED, That such services must have been so
15 performed in and about and be connected with the loading, unloading,
16 dunnaging, or stowing of said cargo.

17 **Sec. 124.** RCW 60.36.040 and 1901 c 75 s 2 are each amended to read
18 as follows:

19 Demands for wages and all sums due under contracts or otherwise for
20 the performance of all or any of the services mentioned in RCW
21 60.36.030 shall constitute liens upon all steamers, vessels, and boats,
22 their tackle, apparel, and furniture, and shall have priority over all
23 other demands save and excepting the demands mentioned in RCW 60.36.010
24 (1), (2), and (3), to which said demands the lien hereby provided shall
25 be subordinate: PROVIDED, That such liens shall only continue in force
26 for the period of three years from the date when such work was done or
27 the last services performed by such stevedores, (~~longshoremen~~)
28 longshore workers, or others.

29 **Sec. 125.** RCW 60.42.040 and 1997 c 315 s 5 are each amended to
30 read as follows:

31 All statutory liens, consensual liens, mortgages, deeds of trust,
32 assignments of rents, and other encumbrances, including all advances or
33 charges made or accruing thereunder, whether voluntary or obligatory,
34 and all modifications, extensions, renewals, and replacements thereof,
35 recorded prior to the recording of a notice of claim of lien against
36 proceeds have priority over a lien created under this chapter. A prior

1 recorded lien includes, without limitation, a valid (~~materialmen's~~)
2 material supplier's or mechanic's lien claim that is recorded after the
3 recording of the broker's notice of claim of lien against proceeds but
4 which relates back to a date prior to the recording date of the
5 broker's notice of claim of lien against proceeds.

6 **Sec. 126.** RCW 62A.2-201 and 1965 ex.s c 157 s 2-201 are each
7 amended to read as follows:

8 (1) Except as otherwise provided in this section, a contract for
9 the sale of goods for the price of five hundred dollars or more is not
10 enforceable by way of action or defense unless there is some writing
11 sufficient to indicate that a contract for sale has been made between
12 the parties and signed by the party against whom enforcement is sought
13 or by his or her authorized agent or broker. A writing is not
14 insufficient because it omits or incorrectly states a term agreed upon
15 but the contract is not enforceable under this paragraph beyond the
16 quantity of goods shown in such writing.

17 (2) Between merchants if within a reasonable time a writing in
18 confirmation of the contract and sufficient against the sender is
19 received and the party receiving it has reason to know its contents, it
20 satisfies the requirements of subsection (1) of this section against
21 such party unless written notice of objection to its contents is given
22 within ten days after it is received.

23 (3) A contract which does not satisfy the requirements of
24 subsection (1) of this section but which is valid in other respects is
25 enforceable:

26 (a) If the goods are to be specially manufactured for the buyer and
27 are not suitable for sale to others in the ordinary course of the
28 seller's business and the seller, before notice of repudiation is
29 received and under circumstances which reasonably indicate that the
30 goods are for the buyer, has made either a substantial beginning of
31 their manufacture or commitments for their procurement; or

32 (b) If the party against whom enforcement is sought admits in his
33 or her pleading, testimony, or otherwise in court that a contract for
34 sale was made, but the contract is not enforceable under this provision
35 beyond the quantity of goods admitted; or

36 (c) With respect to goods for which payment has been made and
37 accepted or which have been received and accepted (RCW 62A.2-606).

1 **Sec. 127.** RCW 62A.2-210 and 2000 c 250 s 9A-804 are each amended
2 to read as follows:

3 (1) A party may perform his or her duty through a delegate unless
4 otherwise agreed or unless the other party has a substantial interest
5 in having his or her original promisor perform or control the acts
6 required by the contract. No delegation of performance relieves the
7 party delegating of any duty to perform or any liability for breach.

8 (2) Except as otherwise provided in RCW 62A.9A-406, unless
9 otherwise agreed, all rights of either seller or buyer can be assigned
10 except where the assignment would materially change the duty of the
11 other party, or increase materially the burden or risk imposed on him
12 or her by his or her contract, or impair materially his or her chance
13 of obtaining return performance. A right to damages for breach of the
14 whole contract or a right arising out of the assignor's due performance
15 of his or her entire obligation can be assigned despite agreement
16 otherwise.

17 (3) The creation, attachment, perfection, or enforcement of a
18 security interest in the seller's interest under a contract is not a
19 transfer that materially changes the duty of or increases materially
20 the burden or risk imposed on the buyer or impairs materially the
21 buyer's chance of obtaining return performance within the purview of
22 subsection (2) of this section unless, and then only to the extent
23 that, enforcement actually results in a delegation of material
24 performance of the seller. Even in that event, the creation,
25 attachment, perfection, and enforcement of the security interest remain
26 effective, but ~~((+i+))~~ (a) the seller is liable to the buyer for
27 damages caused by the delegation to the extent that the damages could
28 not reasonably be prevented by the buyer, and ~~((+i+))~~ (b) a court
29 having jurisdiction may grant other appropriate relief, including
30 cancellation of the contract for sale or an injunction against
31 enforcement of the security interest or consummation of the
32 enforcement.

33 (4) Unless the circumstances indicate the contrary, a prohibition
34 of assignment of "the contract" is to be construed as barring only the
35 delegation to the assignee of the assignor's performance.

36 (5) An assignment of "the contract" or of "all my rights under the
37 contract" or an assignment in similar general terms is an assignment of
38 rights and unless the language or the circumstances (as in an

1 assignment for security) indicate the contrary, it is a delegation of
2 performance of the duties of the assignor and its acceptance by the
3 assignee constitutes a promise by him or her to perform those duties.
4 This promise is enforceable by either the assignor or the other party
5 to the original contract.

6 (6) The other party may treat any assignment which delegates
7 performance as creating reasonable grounds for insecurity and may
8 without prejudice to his or her rights against the assignor demand
9 assurances from the assignee (RCW 62A.2-609).

10 (7) Notwithstanding subsections (2) and (3) of this section, an
11 assignment that would be a breach but for the provisions of RCW
12 62A.9A-406 may create reasonable grounds for insecurity with respect to
13 the due performance of the assignor (RCW 62A.2-609).

14 **Sec. 128.** RCW 62A.2-304 and 1965 ex.s. c 157 s 2-304 are each
15 amended to read as follows:

16 (1) The price can be made payable in money or otherwise. If it is
17 payable in whole or in part in goods each party is a seller of the
18 goods which he or she is to transfer.

19 (2) Even though all or part of the price is payable in an interest
20 in realty the transfer of the goods and the seller's obligations with
21 reference to them are subject to this Article, but not the transfer of
22 the interest in realty or the transferor's obligations in connection
23 therewith.

24 **Sec. 129.** RCW 62A.2-305 and 1965 ex.s. c 157 s 2-305 are each
25 amended to read as follows:

26 (1) The parties if they so intend can conclude a contract for sale
27 even though the price is not settled. In such a case, the price is a
28 reasonable price at the time for delivery if:

29 (a) Nothing is said as to price; or

30 (b) The price is left to be agreed by the parties and they fail to
31 agree; or

32 (c) The price is to be fixed in terms of some agreed market or
33 other standard as set or recorded by a third person or agency and it is
34 not so set or recorded.

35 (2) A price to be fixed by the seller or by the buyer means a price
36 for him or her to fix in good faith.

1 (3) When a price left to be fixed otherwise than by agreement of
2 the parties fails to be fixed through fault of one party the other may
3 at his or her option treat the contract as canceled or himself or
4 herself fix a reasonable price.

5 (4) Where, however, the parties intend not to be bound unless the
6 price be fixed or agreed and it is not fixed or agreed there is no
7 contract. In such a case, the buyer must return any goods already
8 received or if unable so to do must pay their reasonable value at the
9 time of delivery and the seller must return any portion of the price
10 paid on account.

11 **Sec. 130.** RCW 62A.2-308 and 1965 ex.s. c 157 s 2-308 are each
12 amended to read as follows:

13 Unless otherwise agreed:

14 (a) The place for delivery of goods is the seller's place of
15 business or if he or she has none his or her residence; but

16 (b) In a contract for sale of identified goods which to the
17 knowledge of the parties at the time of contracting are in some other
18 place, that place is the place for their delivery; and

19 (c) Documents of title may be delivered through customary banking
20 channels.

21 **Sec. 131.** RCW 62A.2-311 and 1965 ex.s. c 157 s 2-311 are each
22 amended to read as follows:

23 (1) An agreement for sale which is otherwise sufficiently definite
24 (~~((subsection (3) of))~~) RCW 62A.2-204(3) to be a contract is not made
25 invalid by the fact that it leaves particulars of performance to be
26 specified by one of the parties. Any such specification must be made
27 in good faith and within limits set by commercial reasonableness.

28 (2) Unless otherwise agreed, specifications relating to assortment
29 of the goods are at the buyer's option and except as otherwise provided
30 in (~~(subsections (1)(c) and (3) of))~~) RCW 62A.2-319 (1)(c) and (3)
31 specifications or arrangements relating to shipment are at the seller's
32 option.

33 (3) Where such specification would materially affect the other
34 party's performance but is not seasonably made or where one party's
35 cooperation is necessary to the agreed performance of the other but is

1 not seasonably forthcoming, the other party in addition to all other
2 remedies:

3 (a) Is excused for any resulting delay in his or her own
4 performance; and

5 (b) May also either proceed to perform in any reasonable manner or
6 after the time for a material part of his or her own performance treat
7 the failure to specify or to cooperate as a breach by failure to
8 deliver or accept the goods.

9 **Sec. 132.** RCW 62A.2-312 and 1965 ex.s. c 157 s 2-312 are each
10 amended to read as follows:

11 (1) Subject to subsection (2) of this section, there is in a
12 contract for sale a warranty by the seller that:

13 (a) The title conveyed shall be good, and its transfer rightful;
14 and

15 (b) The goods shall be delivered free from any security interest or
16 other lien or encumbrance of which the buyer at the time of contracting
17 has no knowledge.

18 (2) A warranty under subsection (1) of this section will be
19 excluded or modified only by specific language or by circumstances
20 which give the buyer reason to know that the person selling does not
21 claim title in himself or herself or that he or she is purporting to
22 sell only such right or title as he or she or a third person may have.

23 (3) Unless otherwise agreed, a seller who is a merchant regularly
24 dealing in goods of the kind warrants that the goods shall be delivered
25 free of the rightful claim of any third person by way of infringement
26 or the like but a buyer who furnishes specifications to the seller must
27 hold the seller harmless against any such claim which arises out of
28 compliance with the specifications.

29 **Sec. 133.** RCW 62A.2-313 and 1965 ex.s. c 157 s 2-313 are each
30 amended to read as follows:

31 (1) Express warranties by the seller are created as follows:

32 (a) Any affirmation of fact or promise made by the seller to the
33 buyer which relates to the goods and becomes part of the basis of the
34 bargain creates an express warranty that the goods shall conform to the
35 affirmation or promise.

1 (b) Any description of the goods which is made part of the basis of
2 the bargain creates an express warranty that the goods shall conform to
3 the description.

4 (c) Any sample or model which is made part of the basis of the
5 bargain creates an express warranty that the whole of the goods shall
6 conform to the sample or model.

7 (2) It is not necessary to the creation of an express warranty that
8 the seller use formal words such as "warrant" or "guarantee" or that he
9 or she have a specific intention to make a warranty, but an affirmation
10 merely of the value of the goods or a statement purporting to be merely
11 the seller's opinion or commendation of the goods does not create a
12 warranty.

13 **Sec. 134.** RCW 62A.2-316 and 1982 c 199 s 1 are each amended to
14 read as follows:

15 (1) Words or conduct relevant to the creation of an express
16 warranty and words or conduct tending to negate or limit warranty shall
17 be construed wherever reasonable as consistent with each other; but
18 subject to the provisions of this Article on parol or extrinsic
19 evidence (RCW 62A.2-202) negation or limitation is inoperative to the
20 extent that such construction is unreasonable.

21 (2) Subject to subsection (3) of this section, to exclude or modify
22 the implied warranty of merchantability or any part of it the language
23 must mention merchantability and in case of a writing must be
24 conspicuous, and to exclude or modify any implied warranty of fitness
25 the exclusion must be by a writing and conspicuous. Language to
26 exclude all implied warranties of fitness is sufficient if it states,
27 for example, that "There are no warranties which extend beyond the
28 description on the face hereof."

29 (3) Notwithstanding subsection (2) of this section:

30 (a) Unless the circumstances indicate otherwise, all implied
31 warranties are excluded by expressions like "as is," "with all faults,"
32 or other language which in common understanding calls the buyer's
33 attention to the exclusion of warranties and makes plain that there is
34 no implied warranty; and

35 (b) When the buyer before entering into the contract has examined
36 the goods or the sample or model as fully as he or she desired or has

1 refused to examine the goods there is no implied warranty with regard
2 to defects which an examination ought in the circumstances to have
3 revealed to him or her;

4 (c) An implied warranty can also be excluded or modified by course
5 of dealing or course of performance or usage of trade; and

6 (d) In sales of livestock, including but not limited to, horses,
7 mules, cattle, sheep, swine, goats, poultry, and rabbits, there are no
8 implied warranties as defined in this article that the livestock are
9 free from sickness or disease: PROVIDED, That the seller has complied
10 with all state and federal laws and regulations that apply to animal
11 health and disease, and the seller is not guilty of fraud, deceit, or
12 misrepresentation.

13 (4) Notwithstanding the provisions of subsections (2) and (3) of
14 this section and the provisions of RCW 62A.2-719, as now or hereafter
15 amended, in any case where goods are purchased primarily for personal,
16 family, or household use and not for commercial or business use,
17 disclaimers of the warranty of merchantability or fitness for
18 particular purpose shall not be effective to limit the liability of
19 merchant sellers except insofar as the disclaimer sets forth with
20 particularity the qualities and characteristics which are not being
21 warranted. Remedies for breach of warranty can be limited in
22 accordance with the provisions of this Article on liquidation or
23 limitation of damages and on contractual modification of remedy (RCW
24 62A.2-718 and RCW 62A.2-719).

25 **Sec. 135.** RCW 62A.2-318 and 1965 ex.s. c 157 s 2-318 are each
26 amended to read as follows:

27 A seller's warranty whether express or implied extends to any
28 natural person who is in the family or household of his or her buyer or
29 who is a guest in his or her home if it is reasonable to expect that
30 such person may use, consume, or be affected by the goods and who is
31 injured in person by breach of the warranty. A seller may not exclude
32 or limit the operation of this section.

33 **Sec. 136.** RCW 62A.2-319 and 1965 ex.s. c 157 s 2-319 are each
34 amended to read as follows:

35 (1) Unless otherwise agreed, the term F.O.B. (which means "free on

1 board") at a named place, even though used only in connection with the
2 stated price, is a delivery term under which:

3 (a) When the term is F.O.B. the place of shipment, the seller must
4 at that place ship the goods in the manner provided in this Article
5 (RCW 62A.2-504) and bear the expense and risk of putting them into the
6 possession of the carrier; or

7 (b) When the term is F.O.B. the place of destination, the seller
8 must at his or her own expense and risk transport the goods to that
9 place and there tender delivery of them in the manner provided in this
10 Article (RCW 62A.2-503);

11 (c) When under either (a) or (b) of this subsection the term is
12 also F.O.B. vessel, car, or other vehicle, the seller must in addition
13 at his or her own expense and risk load the goods on board. If the
14 term is F.O.B. vessel, the buyer must name the vessel and in an
15 appropriate case the seller must comply with the provisions of this
16 Article on the form of bill of lading (RCW 62A.2-323).

17 (2) Unless otherwise agreed the term F.A.S. vessel (which means
18 "free alongside") at a named port, even though used only in connection
19 with the stated price, is a delivery term under which the seller must:

20 (a) At his or her own expense and risk deliver the goods alongside
21 the vessel in the manner usual in that port or on a dock designated and
22 provided by the buyer; and

23 (b) Obtain and tender a receipt for the goods in exchange for which
24 the carrier is under a duty to issue a bill of lading.

25 (3) Unless otherwise agreed, in any case falling within subsection
26 (1)(a) or (c) or (~~subsection~~) (2) of this section, the buyer must
27 seasonably give any needed instructions for making delivery, including
28 when the term is F.A.S. or F.O.B. the loading berth of the vessel and
29 in an appropriate case its name and sailing date. The seller may treat
30 the failure of needed instructions as a failure of cooperation under
31 this Article (RCW 62A.2-311). He or she may also at his or her option
32 move the goods in any reasonable manner preparatory to delivery or
33 shipment.

34 (4) Under the term F.O.B. vessel or F.A.S., unless otherwise
35 agreed, the buyer must make payment against tender of the required
36 documents and the seller may not tender nor the buyer demand delivery
37 of the goods in substitution for the documents.

1 **Sec. 137.** RCW 62A.2-320 and 1965 ex.s. c 157 s 2-320 are each
2 amended to read as follows:

3 (1) The term C.I.F. means that the price includes in a lump sum the
4 cost of the goods and the insurance and freight to the named
5 destination. The term C.&F. or C.F. means that the price so includes
6 cost and freight to the named destination.

7 (2) Unless otherwise agreed and even though used only in connection
8 with the stated price and destination, the term C.I.F. destination or
9 its equivalent requires the seller at his or her own expense and risk
10 to:

11 (a) Put the goods into the possession of a carrier at the port for
12 shipment and obtain a negotiable bill or bills of lading covering the
13 entire transportation to the named destination; and

14 (b) Load the goods and obtain a receipt from the carrier (which may
15 be contained in the bill of lading) showing that the freight has been
16 paid or provided for; and

17 (c) Obtain a policy or certificate of insurance, including any war
18 risk insurance, of a kind and on terms then current at the port of
19 shipment in the usual amount, in the currency of the contract, shown to
20 cover the same goods covered by the bill of lading and providing for
21 payment of loss to the order of the buyer or for the account of whom it
22 may concern; but the seller may add to the price the amount of the
23 premium for any such war risk insurance; and

24 (d) Prepare an invoice of the goods and procure any other documents
25 required to effect shipment or to comply with the contract; and

26 (e) Forward and tender with commercial promptness all the documents
27 in due form and with any indorsement necessary to perfect the buyer's
28 rights.

29 (3) Unless otherwise agreed, the term C.&F. or its equivalent has
30 the same effect and imposes upon the seller the same obligations and
31 risks as a C.I.F. term except the obligation as to insurance.

32 (4) Under the term C.I.F. or C.&F., unless otherwise agreed, the
33 buyer must make payment against tender of the required documents and
34 the seller may not tender nor the buyer demand delivery of the goods in
35 substitution for the documents.

36 **Sec. 138.** RCW 62A.2-324 and 1965 ex.s. c 157 s 2-324 are each
37 amended to read as follows:

1 Under a term "no arrival, no sale" or terms of like meaning, unless
2 otherwise agreed((τ)):

3 (a) The seller must properly ship conforming goods and if they
4 arrive by any means he or she must tender them on arrival but he or she
5 assumes no obligation that the goods will arrive unless he or she has
6 caused the nonarrival; and

7 (b) Where without fault of the seller the goods are in part lost or
8 have so deteriorated as no longer to conform to the contract or arrive
9 after the contract time, the buyer may proceed as if there had been
10 casualty to identified goods (RCW 62A.2-613).

11 **Sec. 139.** RCW 62A.2-325 and 1965 ex.s. c 157 s 2-325 are each
12 amended to read as follows:

13 (1) Failure of the buyer seasonably to furnish an agreed letter of
14 credit is a breach of the contract for sale.

15 (2) The delivery to seller of a proper letter of credit suspends
16 the buyer's obligation to pay. If the letter of credit is dishonored,
17 the seller may on seasonable notification to the buyer require payment
18 directly from him or her.

19 (3) Unless otherwise agreed, the term "letter of credit" or
20 "banker's credit" in a contract for sale means an irrevocable credit
21 issued by a financing agency of good repute and, where the shipment is
22 overseas, of good international repute. The term "confirmed credit"
23 means that the credit must also carry the direct obligation of such an
24 agency which does business in the seller's financial market.

25 **Sec. 140.** RCW 62A.2-328 and 1965 ex.s. c 157 s 2-328 are each
26 amended to read as follows:

27 (1) In a sale by auction if goods are put up in lots each lot is
28 the subject of a separate sale.

29 (2) A sale by auction is complete when the auctioneer so announces
30 by the fall of the hammer or in other customary manner. Where a bid is
31 made while the hammer is falling in acceptance of a prior bid the
32 auctioneer may in his or her discretion reopen the bidding or declare
33 the goods sold under the bid on which the hammer was falling.

34 (3) Such a sale is with reserve unless the goods are in explicit
35 terms put up without reserve. In an auction with reserve, the
36 auctioneer may withdraw the goods at any time until he or she announces

1 completion of the sale. In an auction without reserve, after the
2 auctioneer calls for bids on an article or lot, that article or lot
3 cannot be withdrawn unless no bid is made within a reasonable time. In
4 either case a bidder may retract his or her bid until the auctioneer's
5 announcement of completion of the sale, but a bidder's retraction does
6 not revive any previous bid.

7 (4) If the auctioneer knowingly receives a bid on the seller's
8 behalf or the seller makes or procures such a bid, and notice has not
9 been given that liberty for such bidding is reserved, the buyer may at
10 his or her option avoid the sale or take the goods at the price of the
11 last good faith bid prior to the completion of the sale. This
12 subsection shall not apply to any bid at a forced sale.

13 **Sec. 141.** RCW 62A.2-402 and 1965 ex.s. c 157 s 2-402 are each
14 amended to read as follows:

15 (1) Except as provided in subsections (2) and (3) of this section,
16 rights of unsecured creditors of the seller with respect to goods which
17 have been identified to a contract for sale are subject to the buyer's
18 rights to recover the goods under this Article (RCW 62A.2-502 and RCW
19 62A.2-716).

20 (2) A creditor of the seller may treat a sale or an identification
21 of goods to a contract for sale as void if as against him or her a
22 retention of possession by the seller is fraudulent under any rule of
23 law of the state where the goods are situated, except that retention of
24 possession in good faith and current course of trade by a merchant-
25 seller for a commercially reasonable time after a sale or
26 identification is not fraudulent.

27 (3) Nothing in this Article shall be deemed to impair the rights of
28 creditors of the seller:

29 (a) Under the provisions of the Article on Secured Transactions
30 (Article 9A); or

31 (b) Where identification to the contract or delivery is made not in
32 current course of trade but in satisfaction of or as security for a
33 preexisting claim for money, security, or the like and is made under
34 circumstances which under any rule of law of the state where the goods
35 are situated would apart from this Article constitute the transaction
36 a fraudulent transfer or voidable preference.

1 **Sec. 142.** RCW 62A.2-501 and 1965 ex.s. c 157 s 2-501 are each
2 amended to read as follows:

3 (1) The buyer obtains a special property and an insurable interest
4 in goods by identification of existing goods as goods to which the
5 contract refers even though the goods so identified are nonconforming
6 and he or she has an option to return or reject them. Such
7 identification can be made at any time and in any manner explicitly
8 agreed to by the parties. In the absence of explicit agreement,
9 identification occurs:

10 (a) When the contract is made if it is for the sale of goods
11 already existing and identified;

12 (b) If the contract is for the sale of future goods other than
13 those described in (~~paragraph~~) (c) of this subsection, when goods are
14 shipped, marked, or otherwise designated by the seller as goods to
15 which the contract refers;

16 (c) When the crops are planted or otherwise become growing crops or
17 the young are conceived if the contract is for the sale of unborn young
18 to be born within twelve months after contracting or for the sale of
19 crops to be harvested within twelve months or the next normal harvest
20 season after contracting whichever is longer.

21 (2) The seller retains an insurable interest in goods so long as
22 title to or any security interest in the goods remains in him or her
23 and where the identification is by the seller alone he or she may until
24 default or insolvency or notification to the buyer that the
25 identification is final substitute other goods for those identified.

26 (3) Nothing in this section impairs any insurable interest
27 recognized under any other statute or rule of law.

28 **Sec. 143.** RCW 62A.2-502 and 2000 c 250 s 9A-806 are each amended
29 to read as follows:

30 (1) Subject to subsections (2) and (3) of this section and even
31 though the goods have not been shipped, a buyer who has paid a part or
32 all of the price of goods in which he or she has a special property
33 under the provisions of the immediately preceding section may on making
34 and keeping good a tender of any unpaid portion of their price recover
35 them from the seller if:

36 (a) In the case of goods bought for personal, family, or household

1 purposes, the seller repudiates or fails to deliver as required by the
2 contract; or

3 (b) In all cases, the seller becomes insolvent within ten days
4 after receipt of the first installment on their price.

5 (2) The buyer's right to recover the goods under subsection (1)(a)
6 of this section vests upon acquisition of a special property, even if
7 the seller had not then repudiated or failed to deliver.

8 (3) If the identification creating his or her special property has
9 been made by the buyer, he or she acquires the right to recover the
10 goods only if they conform to the contract for sale.

11 **Sec. 144.** RCW 62A.2-504 and 1965 ex.s. c 157 s 2-504 are each
12 amended to read as follows:

13 Where the seller is required or authorized to send the goods to the
14 buyer and the contract does not require him or her to deliver them at
15 a particular destination, then unless otherwise agreed he or she must:

16 (a) Put the goods in the possession of such a carrier and make such
17 a contract for their transportation as may be reasonable having regard
18 to the nature of the goods and other circumstances of the case; and

19 (b) Obtain and promptly deliver or tender in due form any document
20 necessary to enable the buyer to obtain possession of the goods or
21 otherwise required by the agreement or by usage of trade; and

22 (c) Promptly notify the buyer of the shipment. Failure to notify
23 the buyer under (~~paragraph (c)~~) this subsection or to make a proper
24 contract under (~~paragraph (a)~~) subsection (a) of this section is a
25 ground for rejection only if material delay or loss ensues.

26 **Sec. 145.** RCW 62A.2-507 and 1965 ex.s. c 157 s 2-507 are each
27 amended to read as follows:

28 (1) Tender of delivery is a condition to the buyer's duty to accept
29 the goods and, unless otherwise agreed, to his or her duty to pay for
30 them. Tender entitles the seller to acceptance of the goods and to
31 payment according to the contract.

32 (2) Where payment is due and demanded on the delivery to the buyer
33 of goods or documents of title, his or her right as against the seller
34 to retain or dispose of them is conditional upon his or her making the
35 payment due.

1 **Sec. 146.** RCW 62A.2-508 and 1965 ex.s. c 157 s 2-508 are each
2 amended to read as follows:

3 (1) Where any tender or delivery by the seller is rejected because
4 nonconforming and the time for performance has not yet expired, the
5 seller may seasonably notify the buyer of his or her intention to cure
6 and may then within the contract time make a conforming delivery.

7 (2) Where the buyer rejects a nonconforming tender which the seller
8 had reasonable grounds to believe would be acceptable with or without
9 money allowance, the seller may if he or she seasonably notifies the
10 buyer have a further reasonable time to substitute a conforming tender.

11 **Sec. 147.** RCW 62A.2-510 and 1965 ex.s. c 157 s 2-510 are each
12 amended to read as follows:

13 (1) Where a tender or delivery of goods so fails to conform to the
14 contract as to give a right of rejection, the risk of their loss
15 remains on the seller until cure or acceptance.

16 (2) Where the buyer rightfully revokes acceptance, he or she may to
17 the extent of any deficiency in his or her effective insurance coverage
18 treat the risk of loss as having rested on the seller from the
19 beginning.

20 (3) Where the buyer as to conforming goods already identified to
21 the contract for sale repudiates or is otherwise in breach before risk
22 of their loss has passed to him or her, the seller may to the extent of
23 any deficiency in his or her effective insurance coverage treat the
24 risk of loss as resting on the buyer for a commercially reasonable
25 time.

26 **Sec. 148.** RCW 62A.2-602 and 1965 ex.s. c 157 s 2-602 are each
27 amended to read as follows:

28 (1) Rejection of goods must be within a reasonable time after their
29 delivery or tender. It is ineffective unless the buyer seasonably
30 notifies the seller.

31 (2) Subject to the provisions of the two following sections on
32 rejected goods (RCW 62A.2-603 and RCW 62A.2-604)((7)):

33 (a) After rejection, any exercise of ownership by the buyer with
34 respect to any commercial unit is wrongful as against the seller; and

35 (b) If the buyer has before rejection taken physical possession of
36 goods in which he or she does not have a security interest under the

1 provisions of this Article (~~((subsection (3) of))~~) RCW 62A.2-711(3)), he
2 or she is under a duty after rejection to hold them with reasonable
3 care at the seller's disposition for a time sufficient to permit the
4 seller to remove them; but

5 (c) The buyer has no further obligations with regard to goods
6 rightfully rejected.

7 (3) The seller's rights with respect to goods wrongfully rejected
8 are governed by the provisions of this Article on seller's remedies in
9 general (RCW 62A.2-703).

10 **Sec. 149.** RCW 62A.2-603 and 1965 ex.s. c 157 s 2-603 are each
11 amended to read as follows:

12 (1) Subject to any security interest in the buyer (~~((subsection (3)
13 of))~~) RCW 62A.2-711(3)), when the seller has no agent or place of
14 business at the market of rejection a merchant buyer is under a duty
15 after rejection of goods in his or her possession or control to follow
16 any reasonable instructions received from the seller with respect to
17 the goods and in the absence of such instructions to make reasonable
18 efforts to sell them for the seller's account if they are perishable or
19 threaten to decline in value speedily. Instructions are not reasonable
20 if on demand indemnity for expenses is not forthcoming.

21 (2) When the buyer sells goods under subsection (1) of this
22 section, he or she is entitled to reimbursement from the seller or out
23 of the proceeds for reasonable expenses of caring for and selling them,
24 and if the expenses include no selling commission then to such
25 commission as is usual in the trade or if there is none to a reasonable
26 sum not exceeding ten per cent on the gross proceeds.

27 (3) In complying with this section, the buyer is held only to good
28 faith and good faith conduct hereunder is neither acceptance nor
29 conversion nor the basis of an action for damages.

30 **Sec. 150.** RCW 62A.2-604 and 1965 ex.s. c 157 s 2-604 are each
31 amended to read as follows:

32 Subject to the provisions of the immediately preceding section on
33 perishables, if the seller gives no instructions within a reasonable
34 time after notification of rejection, the buyer may store the rejected
35 goods for the seller's account or reship them to him or her or resell

1 them for the seller's account with reimbursement as provided in the
2 preceding section. Such action is not acceptance or conversion.

3 **Sec. 151.** RCW 62A.2-606 and 1965 ex.s. c 157 s 2-606 are each
4 amended to read as follows:

5 (1) Acceptance of goods occurs when the buyer:

6 (a) After a reasonable opportunity to inspect the goods signifies
7 to the seller that the goods are conforming or that he or she will take
8 or retain them in spite of their nonconformity; or

9 (b) Fails to make an effective rejection (~~((subsection (1) of))~~) RCW
10 62A.2-602(1)), but such acceptance does not occur until the buyer has
11 had a reasonable opportunity to inspect them; or

12 (c) Does any act inconsistent with the seller's ownership; but if
13 such act is wrongful as against the seller it is an acceptance only if
14 ratified by him or her.

15 (2) Acceptance of a part of any commercial unit is acceptance of
16 that entire unit.

17 **Sec. 152.** RCW 62A.2-607 and 1965 ex.s. c 157 s 2-607 are each
18 amended to read as follows:

19 (1) The buyer must pay at the contract rate for any goods accepted.

20 (2) Acceptance of goods by the buyer precludes rejection of the
21 goods accepted and if made with knowledge of a nonconformity cannot be
22 revoked because of it unless the acceptance was on the reasonable
23 assumption that the nonconformity would be seasonably cured but
24 acceptance does not of itself impair any other remedy provided by this
25 Article for nonconformity.

26 (3) Where a tender has been accepted:

27 (a) The buyer must within a reasonable time after he or she
28 discovers or should have discovered any breach notify the seller of
29 breach or be barred from any remedy; and

30 (b) If the claim is one for infringement or the like (~~((subsection~~
31 ~~(3) of))~~) RCW 62A.2-312(3)) and the buyer is sued as a result of such a
32 breach, he or she must so notify the seller within a reasonable time
33 after he or she receives notice of the litigation or be barred from any
34 remedy over for liability established by the litigation.

35 (4) The burden is on the buyer to establish any breach with respect
36 to the goods accepted.

1 (5) Where the buyer is sued for breach of a warranty or other
2 obligation for which his or her seller is answerable over:

3 (a) He or she may give his or her seller written notice of the
4 litigation. If the notice states that the seller may come in and
5 defend and that if the seller does not do so he or she will be bound in
6 any action against him or her by his or her buyer by any determination
7 of fact common to the two litigations, then unless the seller after
8 reasonable receipt of the notice does come in and defend he or she is
9 so bound.

10 (b) If the claim is one for infringement or the like (~~((subsection~~
11 ~~(3) of))~~ RCW 62A.2-312(3)), the original seller may demand in writing
12 that his or her buyer turn over to him or her control of the litigation
13 including settlement or else be barred from any remedy over and if he
14 or she also agrees to bear all expense and to satisfy any adverse
15 judgment, then unless the buyer after reasonable receipt of the demand
16 does turn over control the buyer is so barred.

17 (6) The provisions of subsections (3), (4), and (5) of this section
18 apply to any obligation of a buyer to hold the seller harmless against
19 infringement or the like (~~((subsection (3) of))~~ RCW 62A.2-312(3)).

20 **Sec. 153.** RCW 62A.2-608 and 1965 ex.s. c 157 s 2-608 are each
21 amended to read as follows:

22 (1) The buyer may revoke his or her acceptance of a lot or
23 commercial unit whose nonconformity substantially impairs its value to
24 him or her if he or she has accepted it:

25 (a) On the reasonable assumption that its nonconformity would be
26 cured and it has not been seasonably cured; or

27 (b) Without discovery of such nonconformity if his or her
28 acceptance was reasonably induced either by the difficulty of discovery
29 before acceptance or by the seller's assurances.

30 (2) Revocation of acceptance must occur within a reasonable time
31 after the buyer discovers or should have discovered the ground for it
32 and before any substantial change in condition of the goods which is
33 not caused by their own defects. It is not effective until the buyer
34 notifies the seller of it.

35 (3) A buyer who so revokes has the same rights and duties with
36 regard to the goods involved as if he or she had rejected them.

1 **Sec. 154.** RCW 62A.2-609 and 1965 ex.s. c 157 s 2-609 are each
2 amended to read as follows:

3 (1) A contract for sale imposes an obligation on each party that
4 the other's expectation of receiving due performance will not be
5 impaired. When reasonable grounds for insecurity arise with respect to
6 the performance of either party the other may in writing demand
7 adequate assurance of due performance and until he or she receives such
8 assurance may if commercially reasonable suspend any performance for
9 which he or she has not already received the agreed return.

10 (2) Between merchants, the reasonableness of grounds for insecurity
11 and the adequacy of any assurance offered shall be determined according
12 to commercial standards.

13 (3) Acceptance of any improper delivery or payment does not
14 prejudice the aggrieved party's right to demand adequate assurance of
15 future performance.

16 (4) After receipt of a justified demand, failure to provide within
17 a reasonable time not exceeding thirty days such assurance of due
18 performance as is adequate under the circumstances of the particular
19 case is a repudiation of the contract.

20 **Sec. 155.** RCW 62A.2-610 and 1965 ex.s. c 157 s 2-610 are each
21 amended to read as follows:

22 When either party repudiates the contract with respect to a
23 performance not yet due the loss of which will substantially impair the
24 value of the contract to the other, the aggrieved party may:

25 (a) For a commercially reasonable time await performance by the
26 repudiating party; or

27 (b) Resort to any remedy for breach (RCW 62A.2-703 or ((RCW))
28 62A.2-711), even though he or she has notified the repudiating party
29 that he or she would await the latter's performance and has urged
30 retraction; and

31 (c) In either case suspend his or her own performance or proceed in
32 accordance with the provisions of this Article on the seller's right to
33 identify goods to the contract notwithstanding breach or to salvage
34 unfinished goods (RCW 62A.2-704).

35 **Sec. 156.** RCW 62A.2-611 and 1965 ex.s. c 157 s 2-611 are each
36 amended to read as follows:

1 (1) Until the repudiating party's next performance is due, he or
2 she can retract his or her repudiation unless the aggrieved party has
3 since the repudiation canceled or materially changed his or her
4 position or otherwise indicated that he or she considers the
5 repudiation final.

6 (2) Retraction may be by any method which clearly indicates to the
7 aggrieved party that the repudiating party intends to perform, but must
8 include any assurance justifiably demanded under the provisions of this
9 Article (RCW 62A.2-609).

10 (3) Retraction reinstates the repudiating party's rights under the
11 contract with due excuse and allowance to the aggrieved party for any
12 delay occasioned by the repudiation.

13 **Sec. 157.** RCW 62A.2-612 and 1965 ex.s. c 157 s 2-612 are each
14 amended to read as follows:

15 (1) An "installment contract" is one which requires or authorizes
16 the delivery of goods in separate lots to be separately accepted, even
17 though the contract contains a clause "each delivery is a separate
18 contract" or its equivalent.

19 (2) The buyer may reject any installment which is nonconforming if
20 the nonconformity substantially impairs the value of that installment
21 and cannot be cured or if the nonconformity is a defect in the required
22 documents; but if the nonconformity does not fall within subsection (3)
23 of this section and the seller gives adequate assurance of its cure,
24 the buyer must accept that installment.

25 (3) Whenever nonconformity or default with respect to one or more
26 installments substantially impairs the value of the whole contract
27 there is a breach of the whole. But the aggrieved party reinstates the
28 contract if he or she accepts a nonconforming installment without
29 seasonably notifying of cancellation or if he or she brings an action
30 with respect only to past installments or demands performance as to
31 future installments.

32 **Sec. 158.** RCW 62A.2-613 and 1965 ex.s. c 157 s 2-613 are each
33 amended to read as follows:

34 Where the contract requires for its performance goods identified
35 when the contract is made, and the goods suffer casualty without fault

1 of either party before the risk of loss passes to the buyer, or in a
2 proper case under a "no arrival, no sale" term (RCW 62A.2-324) then:

- 3 (a) If the loss is total, the contract is avoided; and
- 4 (b) If the loss is partial or the goods have so deteriorated as no
5 longer to conform to the contract, the buyer may nevertheless demand
6 inspection and at his or her option either treat the contract as
7 avoided or accept the goods with due allowance from the contract price
8 for the deterioration or the deficiency in quantity but without further
9 right against the seller.

10 **Sec. 159.** RCW 62A.2-615 and 1965 ex.s. c 157 s 2-615 are each
11 amended to read as follows:

12 Except so far as a seller may have assumed a greater obligation and
13 subject to the preceding section on substituted performance:

14 (a) Delay in delivery or nondelivery in whole or in part by a
15 seller who complies with (~~paragraphs (b) and (c)~~) subsections (b) and
16 (c) of this section is not a breach of his or her duty under a contract
17 for sale if performance as agreed has been made impracticable by the
18 occurrence of a contingency the nonoccurrence of which was a basic
19 assumption on which the contract was made or by compliance in good
20 faith with any applicable foreign or domestic governmental regulation
21 or order whether or not it later proves to be invalid.

22 (b) Where the causes mentioned in (~~paragraph (a)~~) subsection (a)
23 of this section affect only a part of the seller's capacity to perform,
24 he or she must allocate production and deliveries among his or her
25 customers but may at his or her option include regular customers not
26 then under contract as well as his or her own requirements for further
27 manufacture. He or she may so allocate in any manner which is fair and
28 reasonable.

29 (c) The seller must notify the buyer seasonably that there will be
30 delay or nondelivery and, when allocation is required under (~~paragraph~~
31 ~~(b)~~) subsection (b) of this section, of the estimated quota thus made
32 available for the buyer.

33 **Sec. 160.** RCW 62A.2-616 and 1965 ex.s. c 157 s 2-616 are each
34 amended to read as follows:

35 (1) Where the buyer receives notification of a material or
36 indefinite delay or an allocation justified under the preceding

1 section, he or she may by written notification to the seller as to any
2 delivery concerned, and where the prospective deficiency substantially
3 impairs the value of the whole contract under the provisions of this
4 Article relating to breach of installment contracts (RCW 62A.2-612),
5 then also as to the whole((τ)):

6 (a) Terminate and thereby discharge any unexecuted portion of the
7 contract; or

8 (b) Modify the contract by agreeing to take his or her available
9 quota in substitution.

10 (2) If after receipt of such notification from the seller the buyer
11 fails so to modify the contract within a reasonable time not exceeding
12 thirty days, the contract lapses with respect to any deliveries
13 affected.

14 **Sec. 161.** RCW 62A.2-702 and 1981 c 41 s 4 are each amended to read
15 as follows:

16 (1) Where the seller discovers the buyer to be insolvent, he or she
17 may refuse delivery except for cash including payment for all goods
18 theretofore delivered under the contract, and stop delivery under this
19 Article (RCW 62A.2-705).

20 (2) Where the seller discovers that the buyer has received goods on
21 credit while insolvent, he or she may reclaim the goods upon demand
22 made within ten days after the receipt, but if misrepresentation of
23 solvency has been made to the particular seller in writing within three
24 months before delivery the ten-day limitation does not apply. Except
25 as provided in this subsection, the seller may not base a right to
26 reclaim goods on the buyer's fraudulent or innocent misrepresentation
27 of solvency or of intent to pay.

28 (3) The seller's right to reclaim under subsection (2) of this
29 section is subject to the rights of a buyer in ordinary course or other
30 good faith purchaser under this Article (RCW 62A.2-403). Successful
31 reclamation of goods excludes all other remedies with respect to them.

32 **Sec. 162.** RCW 62A.2-704 and 1965 ex.s. c 157 s 2-704 are each
33 amended to read as follows:

34 (1) An aggrieved seller under the preceding section may:

35 (a) Identify to the contract conforming goods not already

1 identified if at the time he or she learned of the breach they are in
2 his or her possession or control;

3 (b) Treat as the subject of resale goods which have demonstrably
4 been intended for the particular contract even though those goods are
5 unfinished.

6 (2) Where the goods are unfinished, an aggrieved seller may in the
7 exercise of reasonable commercial judgment for the purposes of avoiding
8 loss and of effective realization either complete the manufacture and
9 wholly identify the goods to the contract or cease manufacture and
10 resell for scrap or salvage value or proceed in any other reasonable
11 manner.

12 **Sec. 163.** RCW 62A.2-706 and 1967 c 114 s 13 are each amended to
13 read as follows:

14 (1) Under the conditions stated in RCW 62A.2-703 on seller's
15 remedies, the seller may resell the goods concerned or the undelivered
16 balance thereof. Where the resale is made in good faith and in a
17 commercially reasonable manner, the seller may recover the difference
18 between the resale price and the contract price together with any
19 incidental damages allowed under the provisions of this Article (RCW
20 62A.2-710), but less expenses saved in consequence of the buyer's
21 breach.

22 (2) Except as otherwise provided in subsection (3) of this section
23 or unless otherwise agreed, resale may be at public or private sale
24 including sale by way of one or more contracts to sell or of
25 identification to an existing contract of the seller. Sale may be as
26 a unit or in parcels and at any time and place and on any terms but
27 every aspect of the sale including the method, manner, time, place, and
28 terms must be commercially reasonable. The resale must be reasonably
29 identified as referring to the broken contract, but it is not necessary
30 that the goods be in existence or that any or all of them have been
31 identified to the contract before the breach.

32 (3) Where the resale is at private sale, the seller must give the
33 buyer reasonable notification of his or her intention to resell.

34 (4) Where the resale is at public sale:

35 (a) Only identified goods can be sold except where there is a
36 recognized market for a public sale of futures in goods of the kind;
37 and

1 (b) It must be made at a usual place or market for public sale if
2 one is reasonably available and except in the case of goods which are
3 perishable or threaten to decline in value speedily the seller must
4 give the buyer reasonable notice of the time and place of the resale;
5 and

6 (c) If the goods are not to be within the view of those attending
7 the sale the notification of sale must state the place where the goods
8 are located and provide for their reasonable inspection by prospective
9 bidders; and

10 (d) The seller may buy.

11 (5) A purchaser who buys in good faith at a resale takes the goods
12 free of any rights of the original buyer even though the seller fails
13 to comply with one or more of the requirements of this section.

14 (6) The seller is not accountable to the buyer for any profit made
15 on any resale. A person in the position of a seller (RCW 62A.2-707) or
16 a buyer who has rightfully rejected or justifiably revoked acceptance
17 must account for any excess over the amount of his or her security
18 interest, as hereinafter defined (~~((subsection-(3)-of))~~) RCW 62A.2-
19 711(3)).

20 **Sec. 164.** RCW 62A.2-707 and 1965 ex.s. c 157 s 2-707 are each
21 amended to read as follows:

22 (1) A "person in the position of a seller" includes as against a
23 principal an agent who has paid or become responsible for the price of
24 goods on behalf of his or her principal or anyone who otherwise holds
25 a security interest or other right in goods similar to that of a
26 seller.

27 (2) A person in the position of a seller may as provided in this
28 Article withhold or stop delivery (RCW 62A.2-705) and resell (RCW
29 62A.2-706) and recover incidental damages (RCW 62A.2-710).

30 **Sec. 165.** RCW 62A.2-709 and 1965 ex.s. c 157 s 2-709 are each
31 amended to read as follows:

32 (1) When the buyer fails to pay the price as it becomes due, the
33 seller may recover, together with any incidental damages under the next
34 section, the price:

35 (a) Of goods accepted or of conforming goods lost or damaged within

1 a commercially reasonable time after risk of their loss has passed to
2 the buyer; and

3 (b) Of goods identified to the contract if the seller is unable
4 after reasonable effort to resell them at a reasonable price or the
5 circumstances reasonably indicate that such effort will be unavailing.

6 (2) Where the seller sues for the price, he or she must hold for
7 the buyer any goods which have been identified to the contract and are
8 still in his or her control except that if resale becomes possible he
9 or she may resell them at any time prior to the collection of the
10 judgment. The net proceeds of any such resale must be credited to the
11 buyer and payment of the judgment entitles him or her to any goods not
12 resold.

13 (3) After the buyer has wrongfully rejected or revoked acceptance
14 of the goods or has failed to make a payment due or has repudiated (RCW
15 62A.2-610), a seller who is held not entitled to the price under this
16 section shall nevertheless be awarded damages for nonacceptance under
17 the preceding section.

18 **Sec. 166.** RCW 62A.2-711 and 1965 ex.s. c 157 s 2-711 are each
19 amended to read as follows:

20 (1) Where the seller fails to make delivery or repudiates or the
21 buyer rightfully rejects or justifiably revokes acceptance, then with
22 respect to any goods involved, and with respect to the whole if the
23 breach goes to the whole contract (RCW 62A.2-612), the buyer may cancel
24 and whether or not he or she has done so may in addition to recovering
25 so much of the price as has been paid:

26 (a) "Cover" and have damages under the next section as to all the
27 goods affected whether or not they have been identified to the
28 contract; or

29 (b) Recover damages for nondelivery as provided in this Article
30 (RCW 62A.2-713).

31 (2) Where the seller fails to deliver or repudiates, the buyer may
32 also:

33 (a) If the goods have been identified recover them as provided in
34 this Article (RCW 62A.2-502); or

35 (b) In a proper case obtain specific performance or replevy the
36 goods as provided in this Article (RCW 62A.2-716).

1 (3) On rightful rejection or justifiable revocation of acceptance,
2 a buyer has a security interest in goods in his or her possession or
3 control for any payments made on their price and any expenses
4 reasonably incurred in their inspection, receipt, transportation, care,
5 and custody and may hold such goods and resell them in like manner as
6 an aggrieved seller (RCW 62A.2-706).

7 **Sec. 167.** RCW 62A.2-712 and 1965 ex.s. c 157 s 2-712 are each
8 amended to read as follows:

9 (1) After a breach within the preceding section, the buyer may
10 "cover" by making in good faith and without unreasonable delay any
11 reasonable purchase of or contract to purchase goods in substitution
12 for those due from the seller.

13 (2) The buyer may recover from the seller as damages the difference
14 between the cost of cover and the contract price together with any
15 incidental or consequential damages as hereinafter defined (RCW 62A.2-
16 715), but less expenses saved in consequence of the seller's breach.

17 (3) Failure of the buyer to effect cover within this section does
18 not bar him or her from any other remedy.

19 **Sec. 168.** RCW 62A.2-714 and 1965 ex.s. c 157 s 2-714 are each
20 amended to read as follows:

21 (1) Where the buyer has accepted goods and given notification
22 (~~((subsection (3) of))~~) RCW 62A.2-607(3), he or she may recover as
23 damages for any nonconformity of tender the loss resulting in the
24 ordinary course of events from the seller's breach as determined in any
25 manner which is reasonable.

26 (2) The measure of damages for breach of warranty is the difference
27 at the time and place of acceptance between the value of the goods
28 accepted and the value they would have had if they had been as
29 warranted, unless special circumstances show proximate damages of a
30 different amount.

31 (3) In a proper case, any incidental and consequential damages
32 under the next section may also be recovered.

33 **Sec. 169.** RCW 62A.2-716 and 2000 c 250 s 9A-807 are each amended
34 to read as follows:

1 (1) Specific performance may be decreed where the goods are unique
2 or in other proper circumstances.

3 (2) The decree for specific performance may include such terms and
4 conditions as to payment of the price, damages, or other relief as the
5 court may deem just.

6 (3) The buyer has a right of replevin for goods identified to the
7 contract if after reasonable effort he or she is unable to effect cover
8 for such goods or the circumstances reasonably indicate that such
9 effort will be unavailing or if the goods have been shipped under
10 reservation and satisfaction of the security interest in them has been
11 made or tendered. In the case of goods bought for personal, family, or
12 household purposes, the buyer's right of replevin vests upon
13 acquisition of a special property, even if the seller had not then
14 repudiated or failed to deliver.

15 **Sec. 170.** RCW 62A.2-717 and 1965 ex.s. c 157 s 2-717 are each
16 amended to read as follows:

17 The buyer on notifying the seller of his or her intention to do so
18 may deduct all or any part of the damages resulting from any breach of
19 the contract from any part of the price still due under the same
20 contract.

21 **Sec. 171.** RCW 62A.2-718 and 1965 ex.s. c 157 s 2-718 are each
22 amended to read as follows:

23 (1) Damages for breach by either party may be liquidated in the
24 agreement but only at an amount which is reasonable in the light of the
25 anticipated or actual harm caused by the breach, the difficulties of
26 proof of loss, and the inconvenience or nonfeasibility of otherwise
27 obtaining an adequate remedy. A term fixing unreasonably large
28 liquidated damages is void as a penalty.

29 (2) Where the seller justifiably withholds delivery of goods
30 because of the buyer's breach, the buyer is entitled to restitution of
31 any amount by which the sum of his or her payments exceeds:

32 (a) The amount to which the seller is entitled by virtue of terms
33 liquidating the seller's damages in accordance with subsection (1) of
34 this section, or

35 (b) In the absence of such terms, twenty per cent of the value of

1 the total performance for which the buyer is obligated under the
2 contract or five hundred dollars, whichever is smaller.

3 (3) The buyer's right to restitution under subsection (2) of this
4 section is subject to offset to the extent that the seller establishes:

5 (a) A right to recover damages under the provisions of this Article
6 other than subsection (1) of this section, and

7 (b) The amount or value of any benefits received by the buyer
8 directly or indirectly by reason of the contract.

9 (4) Where a seller has received payment in goods, their reasonable
10 value or the proceeds of their resale shall be treated as payments for
11 the purposes of subsection (2) of this section; but if the seller has
12 notice of the buyer's breach before reselling goods received in part
13 performance, his or her resale is subject to the conditions laid down
14 in this Article on resale by an aggrieved seller (RCW 62A.2-706).

15 **Sec. 172.** RCW 62A.2-722 and 1965 ex.s. c 157 s 2-722 are each
16 amended to read as follows:

17 Where a third party so deals with goods which have been identified
18 to a contract for sale as to cause actionable injury to a party to that
19 contract:

20 (a) A right of action against the third party is in either party to
21 the contract for sale who has title to or a security interest or a
22 special property or an insurable interest in the goods; and if the
23 goods have been destroyed or converted a right of action is also in the
24 party who either bore the risk of loss under the contract for sale or
25 has since the injury assumed that risk as against the other;

26 (b) If at the time of the injury the party plaintiff did not bear
27 the risk of loss as against the other party to the contract for sale
28 and there is no arrangement between them for disposition of the
29 recovery, his or her suit or settlement is, subject to his or her own
30 interest, as a fiduciary for the other party to the contract;

31 (c) Either party may with the consent of the other sue for the
32 benefit of whom it may concern.

33 **Sec. 173.** RCW 62A.2-723 and 1965 ex.s. c 157 s 2-723 are each
34 amended to read as follows:

35 (1) If an action based on anticipatory repudiation comes to trial
36 before the time for performance with respect to some or all of the

1 goods, any damages based on market price (RCW 62A.2-708 or ((RCW))
2 62A.2-713) shall be determined according to the price of such goods
3 prevailing at the time when the aggrieved party learned of the
4 repudiation.

5 (2) If evidence of a price prevailing at the times or places
6 described in this Article is not readily available, the price
7 prevailing within any reasonable time before or after the time
8 described or at any other place which in commercial judgment or under
9 usage of trade would serve as a reasonable substitute for the one
10 described may be used, making any proper allowance for the cost of
11 transporting the goods to or from such other place.

12 (3) Evidence of a relevant price prevailing at a time or place
13 other than the one described in this Article offered by one party is
14 not admissible unless and until he or she has given the other party
15 such notice as the court finds sufficient to prevent unfair surprise.

16 **Sec. 174.** RCW 62A.11-109 and 1981 c 41 s 45 are each amended to
17 read as follows:

18 From and after midnight June 30, 1982, upon request of any person,
19 the county auditor shall issue his or her certificate showing whether
20 there is on file with the county auditor's office on the date and hour
21 stated therein, any presently effective financing statement filed with
22 the county auditor's office before midnight June 30, 1982, naming a
23 particular debtor and any statement of assignment thereof and if there
24 is, giving the date and hour of filing of each such statement and the
25 names and addresses of each secured party therein. The uniform fee for
26 such a certificate shall be four dollars. Upon request, the county
27 auditor shall issue his or her certificate and shall furnish a copy of
28 any filed financing statements or statements of assignment for a
29 uniform fee of ten dollars for each particular debtor's statements
30 requested.

31 **Sec. 175.** RCW 64.34.364 and 1990 c 166 s 6 are each amended to
32 read as follows:

33 (1) The association has a lien on a unit for any unpaid assessments
34 levied against a unit from the time the assessment is due.

35 (2) A lien under this section shall be prior to all other liens and
36 encumbrances on a unit except: (a) Liens and encumbrances recorded

1 before the recording of the declaration; (b) a mortgage on the unit
2 recorded before the date on which the assessment sought to be enforced
3 became delinquent; and (c) liens for real property taxes and other
4 governmental assessments or charges against the unit. A lien under
5 this section is not subject to the provisions of chapter 6.13 RCW.

6 (3) Except as provided in subsections (4) and (5) of this section,
7 the lien shall also be prior to the mortgages described in subsection
8 (2)(b) of this section to the extent of assessments for common
9 expenses, excluding any amounts for capital improvements, based on the
10 periodic budget adopted by the association pursuant to RCW 64.34.360(1)
11 which would have become due during the six months immediately preceding
12 the date of a sheriff's sale in an action for judicial foreclosure by
13 either the association or a mortgagee, the date of a trustee's sale in
14 a nonjudicial foreclosure by a mortgagee, or the date of recording of
15 the declaration of forfeiture in a proceeding by the vendor under a
16 real estate contract.

17 (4) The priority of the association's lien against units encumbered
18 by a mortgage held by an eligible mortgagee or by a mortgagee which has
19 given the association a written request for a notice of delinquent
20 assessments shall be reduced by up to three months if and to the extent
21 that the lien priority under subsection (3) of this section includes
22 delinquencies which relate to a period after such holder becomes an
23 eligible mortgagee or has given such notice and before the association
24 gives the holder a written notice of the delinquency. This subsection
25 does not affect the priority of mechanics' or ~~((materialmen's))~~
26 material suppliers' liens, or the priority of liens for other
27 assessments made by the association.

28 (5) If the association forecloses its lien under this section
29 nonjudicially pursuant to chapter 61.24 RCW, as provided by subsection
30 (9) of this section, the association shall not be entitled to the lien
31 priority provided for under subsection (3) of this section.

32 (6) Unless the declaration otherwise provides, if two or more
33 associations have liens for assessments created at any time on the same
34 real estate, those liens have equal priority.

35 (7) Recording of the declaration constitutes record notice and
36 perfection of the lien for assessments. While no further recording of
37 any claim of lien for assessment under this section shall be required
38 to perfect the association's lien, the association may record a notice

1 of claim of lien for assessments under this section in the real
2 property records of any county in which the condominium is located.
3 Such recording shall not constitute the written notice of delinquency
4 to a mortgagee referred to in subsection (2) of this section.

5 (8) A lien for unpaid assessments and the personal liability for
6 payment of assessments is extinguished unless proceedings to enforce
7 the lien or collect the debt are instituted within three years after
8 the amount of the assessments sought to be recovered becomes due.

9 (9) The lien arising under this section may be enforced judicially
10 by the association or its authorized representative in the manner set
11 forth in chapter 61.12 RCW. The lien arising under this section may be
12 enforced nonjudicially in the manner set forth in chapter 61.24 RCW for
13 nonjudicial foreclosure of deeds of trust if the declaration (a)
14 contains a grant of the condominium in trust to a trustee qualified
15 under RCW 61.24.010 to secure the obligations of the unit owners to the
16 association for the payment of assessments, (b) contains a power of
17 sale, (c) provides in its terms that the units are not used principally
18 for agricultural or farming purposes, and (d) provides that the power
19 of sale is operative in the case of a default in the obligation to pay
20 assessments. The association or its authorized representative shall
21 have the power, unless prohibited by the declaration, to purchase the
22 unit at the foreclosure sale and to acquire, hold, lease, mortgage, or
23 convey the same. Upon an express waiver in the complaint of any right
24 to a deficiency judgment in a judicial foreclosure action, the period
25 of redemption shall be eight months. Nothing in this section shall
26 prohibit an association from taking a deed in lieu of foreclosure.

27 (10) From the time of commencement of an action by the association
28 to foreclose a lien for nonpayment of delinquent assessments against a
29 unit that is not occupied by the owner thereof, the association shall
30 be entitled to the appointment of a receiver to collect from the lessee
31 thereof the rent for the unit as and when due. If the rental is not
32 paid, the receiver may obtain possession of the unit, refurbish it for
33 rental up to a reasonable standard for rental units in this type of
34 condominium, rent the unit or permit its rental to others, and apply
35 the rents first to the cost of the receivership and attorneys' fees
36 thereof, then to the cost of refurbishing the unit, then to applicable
37 charges, then to costs, fees, and charges of the foreclosure action,
38 and then to the payment of the delinquent assessments. Only a receiver

1 may take possession and collect rents under this subsection, and a
2 receiver shall not be appointed less than ninety days after the
3 delinquency. The exercise by the association of the foregoing rights
4 shall not affect the priority of preexisting liens on the unit.

5 (11) Except as provided in subsection (3) of this section, the
6 holder of a mortgage or other purchaser of a unit who obtains the right
7 of possession of the unit through foreclosure shall not be liable for
8 assessments or installments thereof that became due prior to such right
9 of possession. Such unpaid assessments shall be deemed to be common
10 expenses collectible from all the unit owners, including such mortgagee
11 or other purchaser of the unit. Foreclosure of a mortgage does not
12 relieve the prior owner of personal liability for assessments accruing
13 against the unit prior to the date of such sale as provided in this
14 subsection.

15 (12) In addition to constituting a lien on the unit, each
16 assessment shall be the joint and several obligation of the owner or
17 owners of the unit to which the same are assessed as of the time the
18 assessment is due. In a voluntary conveyance, the grantee of a unit
19 shall be jointly and severally liable with the grantor for all unpaid
20 assessments against the grantor up to the time of the grantor's
21 conveyance, without prejudice to the grantee's right to recover from
22 the grantor the amounts paid by the grantee therefor. Suit to recover
23 a personal judgment for any delinquent assessment shall be maintainable
24 in any court of competent jurisdiction without foreclosing or waiving
25 the lien securing such sums.

26 (13) The association may from time to time establish reasonable
27 late charges and a rate of interest to be charged on all subsequent
28 delinquent assessments or installments thereof. In the absence of
29 another established nonusurious rate, delinquent assessments shall bear
30 interest from the date of delinquency at the maximum rate permitted
31 under RCW 19.52.020 on the date on which the assessments became
32 delinquent.

33 (14) The association shall be entitled to recover any costs and
34 reasonable attorneys' fees incurred in connection with the collection
35 of delinquent assessments, whether or not such collection activities
36 result in suit being commenced or prosecuted to judgment. In addition,
37 the association shall be entitled to recover costs and reasonable

1 attorneys' fees if it prevails on appeal and in the enforcement of a
2 judgment.

3 (15) The association upon written request shall furnish to a unit
4 owner or a mortgagee a statement signed by an officer or authorized
5 agent of the association setting forth the amount of unpaid assessments
6 against that unit. The statement shall be furnished within fifteen
7 days after receipt of the request and is binding on the association,
8 the board of directors, and every unit owner, unless and to the extent
9 known by the recipient to be false.

10 (16) To the extent not inconsistent with this section, the
11 declaration may provide for such additional remedies for collection of
12 assessments as may be permitted by law.

13 **Sec. 176.** RCW 66.20.120 and 1933 ex.s. c 62 s 22 are each amended
14 to read as follows:

15 Any person in charge of an institution regularly conducted as a
16 hospital or sanatorium for the care of persons in ill health, or as a
17 home devoted exclusively to the care of aged people, may, if he or she
18 holds a special permit under this title for that purpose, administer
19 liquor purchased by him or her under his or her special permit to any
20 patient or inmate of the institution who is in need of the same, either
21 by way of external application or otherwise for medicinal purposes, and
22 may charge for the liquor so administered; but no liquor shall be
23 administered by any person under this section except to bona fide
24 patients or inmates of the institution of which he or she is in charge
25 and in cases of actual need and every person in charge of an
26 institution who administers liquor in evasion or violation of this
27 title shall be guilty of a violation of this title.

28 **Sec. 177.** RCW 67.08.080 and 1999 c 282 s 5 are each amended to
29 read as follows:

30 A boxing event held in this state may not be for more than ten
31 rounds and no one round of any bout shall be scheduled for longer than
32 three minutes and there shall be not less than one minute intermission
33 between each round. In the event of bouts involving state, regional,
34 national, or world championships, the department may grant an extension
35 of no more than two additional rounds to allow total bouts of twelve
36 rounds. A contestant in any boxing event under this chapter may not be

1 permitted to wear gloves weighing less than eight ounces. The director
2 shall adopt rules to assure clean and (~~sportsmanlike~~) sporting
3 conduct on the part of all contestants and officials, and the orderly
4 and proper conduct of the event in all respects, and to otherwise make
5 rules consistent with this chapter, but such rules shall apply only to
6 events held under the provisions of this chapter. The director may
7 adopt rules with respect to round and bout limitations and clean and
8 (~~sportsmanlike~~) sporting conduct for kickboxing, martial arts, or
9 wrestling events.

10 **Sec. 178.** RCW 67.16.200 and 2007 c 100 s 1 are each amended to
11 read as follows:

12 (1) A class 1 racing association licensed by the commission to
13 conduct a race meet may seek approval from the commission to conduct
14 parimutuel wagering at a satellite location or locations within the
15 state of Washington. In order to participate in parimutuel wagering at
16 a satellite location or locations within the state of Washington, the
17 holder of a class 1 racing association license must have conducted at
18 least one full live racing season. All class 1 racing associations
19 must hold a live race meet within each succeeding twelve-month period
20 to maintain eligibility to continue to participate in parimutuel
21 wagering at a satellite location or locations. The sale of parimutuel
22 pools at satellite locations shall be conducted simultaneous to all
23 parimutuel wagering activity conducted at the licensee's live racing
24 facility in the state of Washington. The commission's authority to
25 approve satellite wagering at a particular location is subject to the
26 following limitations:

27 (a) The commission may approve only one satellite location in each
28 county in the state; however, the commission may grant approval for
29 more than one licensee to conduct wagering at each satellite location.
30 A satellite location shall not be operated within twenty driving miles
31 of any class 1 racing facility. For the purposes of this section,
32 "driving miles" means miles measured by the most direct route as
33 determined by the commission; and

34 (b) A licensee shall not conduct satellite wagering at any
35 satellite location within sixty driving miles of any other racing
36 facility conducting a live race meet.

1 (2) Subject to local zoning and other land use ordinances, the
2 commission shall be the sole judge of whether approval to conduct
3 wagering at a satellite location shall be granted.

4 (3) The licensee shall combine the parimutuel pools of the
5 satellite location with those of the racing facility for the purpose of
6 determining odds and computing payoffs. The amount wagered at the
7 satellite location shall be combined with the amount wagered at the
8 racing facility for the application of take out formulas and
9 distribution as provided in RCW 67.16.102, 67.16.105, 67.16.170, and
10 67.16.175. A satellite extension of the licensee's racing facility
11 shall be subject to the same application of the rules of racing as the
12 licensee's racing facility.

13 (4) Upon written application to the commission, a class 1 racing
14 association may be authorized to transmit simulcasts of live horse
15 races conducted at its racetrack to locations outside of the state of
16 Washington approved by the commission and in accordance with the
17 interstate horse racing act of 1978 (15 U.S.C. Sec. 3001 to 3007) or
18 any other applicable laws. The commission may permit parimutuel pools
19 on the simulcast races to be combined in a common pool. A racing
20 association that transmits simulcasts of its races to locations outside
21 this state shall pay at least fifty percent of the fee that it receives
22 for sale of the simulcast signal to the horsemen's or horsewomen's
23 purse account for its live races after first deducting the actual cost
24 of sending the signal out of state.

25 (5) Upon written application to the commission, a class 1 racing
26 association may be authorized to transmit simulcasts of live horse
27 races conducted at its racetrack to licensed racing associations
28 located within the state of Washington and approved by the commission
29 for the receipt of the simulcasts. The commission shall permit
30 parimutuel pools on the simulcast races to be combined in a common
31 pool. The fee for in-state, track-to-track simulcasts shall be five
32 and one-half percent of the gross parimutuel receipts generated at the
33 receiving location and payable to the sending racing association. A
34 racing association that transmits simulcasts of its races to other
35 licensed racing associations shall pay at least fifty percent of the
36 fee that it receives for the simulcast signal to the horsemen's or
37 horsewomen's purse account for its live race meet after first deducting
38 the actual cost of sending the simulcast signal. A racing association

1 that receives races simulcast from class 1 racing associations within
2 the state shall pay at least fifty percent of its share of the
3 parimutuel receipts to the horsemen's or horsewomen's purse account for
4 its live race meet after first deducting the purchase price and the
5 actual direct costs of importing the race.

6 (6) A class 1 racing association may be allowed to import
7 simulcasts of horse races from out-of-state racing facilities. With
8 the prior approval of the commission, the class 1 racing association
9 may participate in a multijurisdictional common pool and may change its
10 commission and breakage rates to achieve a common rate with other
11 participants in the common pool.

12 (a) The class 1 racing association shall make written application
13 with the commission for permission to import simulcast horse races for
14 the purpose of parimutuel wagering. Subject to the terms of this
15 section, the commission is the sole authority in determining whether to
16 grant approval for an imported simulcast race.

17 (b) When open for parimutuel wagering, a class 1 racing association
18 which imports simulcast races shall also conduct simulcast parimutuel
19 wagering within its licensed racing enclosure on all races simulcast
20 from other class 1 racing associations within the state of Washington.

21 (c) On any imported simulcast race, the class 1 racing association
22 shall pay fifty percent of its share of the parimutuel receipts to the
23 horsemen's or horsewomen's purse account for its live race meet after
24 first deducting the purchase price of the imported race and the actual
25 costs of importing and offering the race.

26 (7) A licensed nonprofit racing association may be approved to
27 import one simulcast race of regional or national interest on each live
28 race day.

29 (8) For purposes of this section, a class 1 racing association is
30 defined as a licensee approved by the commission to conduct during each
31 twelve-month period at least forty days of live racing. If a live race
32 day is canceled due to reasons directly attributable to acts of God,
33 labor disruptions affecting live race days but not directly involving
34 the licensee or its employees, or other circumstances that the
35 commission decides are beyond the control of the class 1 racing
36 association, then the canceled day counts toward the forty-day
37 requirement. The commission may by rule increase the number of live

1 racing days required to maintain class 1 racing association status or
2 make other rules necessary to implement this section.

3 (9) This section does not establish a new form of gaming in
4 Washington or allow expanded gaming within the state beyond what has
5 been previously authorized. Simulcast wagering has been allowed in
6 Washington before April 19, 1997. Therefore, this section does not
7 allow gaming of any nature or scope that was prohibited before April
8 19, 1997. This section is necessary to protect the Washington equine
9 breeding and racing industries, and in particular those sectors of
10 these industries that are dependent upon live horse racing. The
11 purpose of this section is to protect these industries from adverse
12 economic impacts and to promote fan attendance at class 1 racing
13 facilities. Therefore, a licensed class 1 racing association may be
14 approved to disseminate imported simulcast race card programs to
15 satellite locations approved under this section, provided that the
16 class 1 racing association has conducted at least forty live racing
17 days with an average on-track handle on the live racing product of a
18 minimum of one hundred fifty thousand dollars per day during the twelve
19 months immediately preceding the application date. However, to promote
20 the development of a new class 1 racing association facility and to
21 meet the best interests of the Washington equine breeding and racing
22 industries, the commission may by rule reduce the required minimum
23 average on-track handle on the live racing product from one hundred
24 fifty thousand dollars per day to thirty thousand dollars per day.

25 (10) A licensee conducting simulcasting under this section shall
26 place signs in the licensee's gambling establishment under RCW
27 9.46.071. The informational signs concerning problem and compulsive
28 gambling must include a toll-free telephone number for problem and
29 pathological gamblers and be developed under RCW 9.46.071.

30 (11) Chapter 10, Laws of 2001 1st sp. sess. does not establish a
31 new form of gaming in Washington or allow expanded gaming within the
32 state beyond what has been previously authorized. Simulcast wagering
33 has been allowed in Washington before August 23, 2001. Therefore, this
34 section does not allow gaming of any nature or scope that was
35 prohibited before August 23, 2001. Chapter 10, Laws of 2001 1st sp.
36 sess. is necessary to protect the Washington equine breeding and racing
37 industries, and in particular those sectors of these industries that
38 are dependent upon live horse racing. The purpose of chapter 10, Laws

1 of 2001 1st sp. sess. is to protect these industries from adverse
2 economic impacts and to promote fan attendance at class 1 racing
3 facilities.

4 **Sec. 179.** RCW 70.97.040 and 2005 c 504 s 406 are each amended to
5 read as follows:

6 (1)(a) Every person who is a resident of an enhanced services
7 facility shall be entitled to all the rights set forth in this chapter,
8 and chapters 71.05 and 70.96A RCW, and shall retain all rights not
9 denied him or her under these chapters.

10 (b) No person shall be presumed incompetent as a consequence of
11 receiving an evaluation or voluntary or involuntary treatment for a
12 mental disorder, chemical dependency disorder, or both, under this
13 chapter, or chapter 71.05 or 70.96A RCW, or any prior laws of this
14 state dealing with mental illness. Competency shall not be determined
15 or withdrawn except under the provisions of chapter 10.77 or 11.88 RCW.

16 (c) At the time of his or her treatment planning meeting, every
17 resident of an enhanced services facility shall be given a written
18 statement setting forth the substance of this section. The department
19 shall by rule develop a statement and process for informing residents
20 of their rights in a manner that is likely to be understood by the
21 resident.

22 (2) Every resident of an enhanced services facility shall have the
23 right to adequate care and individualized treatment.

24 (3) The provisions of this chapter shall not be construed to deny
25 to any person treatment by spiritual means through prayer in accordance
26 with the tenets and practices of a church or religious denomination.

27 (4) Persons receiving evaluation or treatment under this chapter
28 shall be given a reasonable choice of an available physician or other
29 professional person qualified to provide such services.

30 (5) The physician-patient privilege or the psychologist-client
31 privilege shall be deemed waived in proceedings under this chapter
32 relating to the administration of antipsychotic medications. As to
33 other proceedings under chapter 10.77, 70.96A, or 71.05 RCW, the
34 privileges shall be waived when a court of competent jurisdiction in
35 its discretion determines that such waiver is necessary to protect
36 either the detained person or the public.

1 (6) Insofar as danger to the person or others is not created, each
2 resident of an enhanced services facility shall have, in addition to
3 other rights not specifically withheld by law, the following rights, a
4 list of which shall be prominently posted in all facilities,
5 institutions, and hospitals providing such services:

6 (a) To wear his or her own clothes and to keep and use his or her
7 own personal possessions, except when deprivation of same is essential
8 to protect the safety of the resident or other persons;

9 (b) To keep and be allowed to spend a reasonable sum of his or her
10 own money for canteen expenses and small purchases;

11 (c) To have access to individual storage space for his or her
12 private use;

13 (d) To have visitors at reasonable times;

14 (e) To have reasonable access to a telephone, both to make and
15 receive confidential calls, consistent with an effective treatment
16 program;

17 (f) To have ready access to letter writing materials, including
18 stamps, and to send and receive uncensored correspondence through the
19 mails;

20 (g) Not to consent to the administration of antipsychotic
21 medications beyond the hearing conducted pursuant to RCW 71.05.215 or
22 71.05.217, or the performance of electroconvulsant therapy, or surgery,
23 except emergency life-saving surgery, unless ordered by a court under
24 RCW 71.05.217;

25 (h) To discuss and actively participate in treatment plans and
26 decisions with professional persons;

27 (i) Not to have psychosurgery performed on him or her under any
28 circumstances;

29 (j) To dispose of property and sign contracts unless such person
30 has been adjudicated an incompetent in a court proceeding directed to
31 that particular issue; and

32 (k) To complain about rights violations or conditions and request
33 the assistance of a mental health (~~ombudsman~~) ombuds or
34 representative of Washington protection and advocacy. The facility may
35 not prohibit or interfere with a resident's decision to consult with an
36 advocate of his or her choice.

37 (7) Nothing contained in this chapter shall prohibit a resident
38 from petitioning by writ of habeas corpus for release.

1 (8) Nothing in this section permits any person to knowingly violate
2 a no-contact order or a condition of an active judgment and sentence or
3 active supervision by the department of corrections.

4 (9) A person has a right to refuse placement, except where subject
5 to commitment, in an enhanced services facility. No person shall be
6 denied other department services solely on the grounds that he or she
7 has made such a refusal.

8 (10) A person has a right to appeal the decision of the department
9 that he or she is eligible for placement at an enhanced services
10 facility, and shall be given notice of the right to appeal in a format
11 that is accessible to the person with instructions regarding what to do
12 if the person wants to appeal.

13 **Sec. 180.** RCW 70.97.100 and 2005 c 504 s 412 are each amended to
14 read as follows:

15 (1) The department shall establish licensing rules for enhanced
16 services facilities to serve the populations defined in this chapter.

17 (2) No person or public or private agency may operate or maintain
18 an enhanced services facility without a license, which must be renewed
19 annually.

20 (3) A licensee shall have the following readily accessible and
21 available for review by the department, residents, families of
22 residents, and the public:

23 (a) Its license to operate and a copy of the department's most
24 recent inspection report and any recent complaint investigation reports
25 issued by the department;

26 (b) Its written policies and procedures for all treatment, care,
27 and services provided directly or indirectly by the facility; and

28 (c) The department's toll-free complaint number, which shall also
29 be posted in a clearly visible place and manner.

30 (4) Enhanced services facilities shall maintain a grievance
31 procedure that meets the requirements of rules established by the
32 department.

33 (5) No facility shall discriminate or retaliate in any manner
34 against a resident or employee because the resident, employee, or any
35 other person made a complaint or provided information to the
36 department, the long-term care (~~ombudsman~~) ombuds, Washington

1 protection and advocacy system, or a mental health ((ombudsperson))
2 ombuds.

3 (6) Each enhanced services facility will post in a prominent place
4 in a common area a notice by the Washington protection and advocacy
5 system providing contact information.

6 **Sec. 181.** RCW 70.128.150 and 1995 1st sp.s. c 18 s 27 are each
7 amended to read as follows:

8 Whenever possible, adult family homes are encouraged to contact and
9 work with local quality assurance projects such as the volunteer
10 ((ombudsman)) ombuds with the goal of assuring high quality care is
11 provided in the home.

12 An adult family home may not willfully interfere with a
13 representative of the long-term care ((ombudsman)) ombuds program in
14 the performance of official duties. The department shall impose a
15 penalty of not more than one thousand dollars for any such willful
16 interference.

17 **Sec. 182.** RCW 70.128.163 and 2009 c 560 s 6 are each amended to
18 read as follows:

19 (1) When the department has summarily suspended a license, the
20 licensee may, subject to the department's approval, elect to
21 participate in a temporary management program. All provisions of this
22 section shall apply.

23 The purposes of a temporary management program are as follows:

24 (a) To mitigate dislocation and transfer trauma of residents while
25 the department and licensee may pursue dispute resolution or appeal of
26 a summary suspension of license;

27 (b) To facilitate the continuity of safe and appropriate resident
28 care and services;

29 (c) To preserve a residential option that meets a specialized
30 service need and/or is in a geographical area that has a lack of
31 available providers; and

32 (d) To provide residents with the opportunity for orderly
33 discharge.

34 (2) Licensee participation in the temporary management program is
35 voluntary. The department shall have the discretion to approve any

1 temporary manager and the temporary management arrangements. The
2 temporary management shall assume the total responsibility for the
3 daily operations of the home.

4 (3) The temporary management shall contract with the licensee as an
5 independent contractor and is responsible for ensuring that all minimum
6 licensing requirements are met. The temporary management shall protect
7 the health, safety, and well-being of the residents for the duration of
8 the temporary management and shall perform all acts reasonably
9 necessary to ensure that residents' needs are met. The licensee is
10 responsible for all costs related to administering the temporary
11 management program and contracting with the temporary management. The
12 temporary management agreement shall at a minimum address the
13 following:

14 (a) Provision of liability insurance to protect residents and their
15 property;

16 (b) Preservation of resident trust funds;

17 (c) The timely payment of past due or current accounts, operating
18 expenses, including but not limited to staff compensation, and all debt
19 that comes due during the period of the temporary management;

20 (d) The responsibilities for addressing all other financial
21 obligations that would interfere with the ability of the temporary
22 manager to provide adequate care and services to residents; and

23 (e) The authority of the temporary manager to manage the home,
24 including the hiring, managing, and firing of employees for good cause,
25 and to provide adequate care and services to residents.

26 (4) The licensee and department shall provide written notification
27 immediately to all residents, legal representatives, interested family
28 members, and the state long-term care (~~ombudsman~~) ombuds program, of
29 the temporary management and the reasons for it. This notification
30 shall include notice that residents may move from the home without
31 notifying the licensee in advance, and without incurring any charges,
32 fees, or costs otherwise available for insufficient advance notice,
33 during the temporary management period.

34 (5) The temporary management period under this section concludes
35 twenty-eight days after issuance of the formal notification of
36 enforcement action or conclusion of administrative proceedings,
37 whichever date is later. Nothing in this section precludes the
38 department from revoking its approval of the temporary management

1 and/or exercising its licensing enforcement authority under this
2 chapter. The department's decision whether to approve or to revoke a
3 temporary management arrangement is not subject to the administrative
4 procedure act, chapter 34.05 RCW.

5 (6) The department is authorized to adopt rules implementing this
6 section. In implementing this section, the department shall consult
7 with consumers, advocates, and organizations representing adult family
8 homes. The department may recruit and approve qualified, licensed
9 providers interested in serving as temporary managers.

10 **Sec. 183.** RCW 70.128.200 and 1995 1st sp.s. c 18 s 30 are each
11 amended to read as follows:

12 (1) The department shall maintain a toll-free telephone number for
13 receiving complaints regarding adult family homes.

14 (2) An adult family home shall post in a place and manner clearly
15 visible to residents and visitors the department's toll-free complaint
16 telephone number.

17 (3) No adult family home shall discriminate or retaliate in any
18 manner against a resident on the basis or for the reason that such
19 resident or any other person made a complaint to the department or the
20 long-term care (~~ombudsman~~) ombuds or cooperated with the
21 investigation of such a complaint.

22 **Sec. 184.** RCW 70.129.030 and 1998 c 272 s 5 are each amended to
23 read as follows:

24 (1) The facility must inform the resident both orally and in
25 writing in a language that the resident understands of his or her
26 rights and all rules and regulations governing resident conduct and
27 responsibilities during the stay in the facility. The notification
28 must be made prior to or upon admission. Receipt of the information
29 must be acknowledged in writing.

30 (2) The resident or his or her legal representative has the right:

31 (a) Upon an oral or written request, to access all records
32 pertaining to himself or herself including clinical records within
33 twenty-four hours; and

34 (b) After receipt of his or her records for inspection, to purchase
35 at a cost not to exceed the community standard photocopies of the

1 records or portions of them upon request and two working days' advance
2 notice to the facility.

3 (3) The facility shall only admit or retain individuals whose needs
4 it can safely and appropriately serve in the facility with appropriate
5 available staff and through the provision of reasonable accommodations
6 required by state or federal law. Except in cases of genuine
7 emergency, the facility shall not admit an individual before obtaining
8 a thorough assessment of the resident's needs and preferences. The
9 assessment shall contain, unless unavailable despite the best efforts
10 of the facility, the resident applicant, and other interested parties,
11 the following minimum information: Recent medical history; necessary
12 and contraindicated medications; a licensed medical or other health
13 professional's diagnosis, unless the individual objects for religious
14 reasons; significant known behaviors or symptoms that may cause concern
15 or require special care; mental illness, except where protected by
16 confidentiality laws; level of personal care needs; activities and
17 service preferences; and preferences regarding other issues important
18 to the resident applicant, such as food and daily routine.

19 (4) The facility must inform each resident in writing in a language
20 the resident or his or her representative understands before admission,
21 and at least once every twenty-four months thereafter of: (a)
22 Services, items, and activities customarily available in the facility
23 or arranged for by the facility as permitted by the facility's license;
24 (b) charges for those services, items, and activities including charges
25 for services, items, and activities not covered by the facility's per
26 diem rate or applicable public benefit programs; and (c) the rules of
27 facility operations required under RCW 70.129.140(2). Each resident
28 and his or her representative must be informed in writing in advance of
29 changes in the availability or the charges for services, items, or
30 activities, or of changes in the facility's rules. Except in
31 emergencies, thirty days' advance notice must be given prior to the
32 change. However, for facilities licensed for six or fewer residents,
33 if there has been a substantial and continuing change in the resident's
34 condition necessitating substantially greater or lesser services,
35 items, or activities, then the charges for those services, items, or
36 activities may be changed upon fourteen days' advance written notice.

37 (5) The facility must furnish a written description of residents
38 rights that includes:

1 (a) A description of the manner of protecting personal funds, under
2 RCW 70.129.040;

3 (b) A posting of names, addresses, and telephone numbers of the
4 state survey and certification agency, the state licensure office, the
5 state ((~~ombudsmen~~)) ombuds program, and the protection and advocacy
6 systems; and

7 (c) A statement that the resident may file a complaint with the
8 appropriate state licensing agency concerning alleged resident abuse,
9 neglect, and misappropriation of resident property in the facility.

10 (6) Notification of changes.

11 (a) A facility must immediately consult with the resident's
12 physician, and if known, make reasonable efforts to notify the
13 resident's legal representative or an interested family member when
14 there is:

15 (i) An accident involving the resident which requires or has the
16 potential for requiring physician intervention;

17 (ii) A significant change in the resident's physical, mental, or
18 psychosocial status (i.e., a deterioration in health, mental, or
19 psychosocial status in either life-threatening conditions or clinical
20 complications).

21 (b) The facility must promptly notify the resident or the
22 resident's representative shall make reasonable efforts to notify an
23 interested family member, if known, when there is:

24 (i) A change in room or roommate assignment; or

25 (ii) A decision to transfer or discharge the resident from the
26 facility.

27 (c) The facility must record and update the address and phone
28 number of the resident's representative or interested family member,
29 upon receipt of notice from them.

30 **Sec. 185.** RCW 70.129.090 and 1994 c 214 s 10 are each amended to
31 read as follows:

32 (1) The resident has the right and the facility must not interfere
33 with access to any resident by the following:

34 (a) Any representative of the state;

35 (b) The resident's individual physician;

36 (c) The state long-term care ((~~ombudsman~~)) ombuds as established
37 under chapter 43.190 RCW;

1 (d) The agency responsible for the protection and advocacy system
2 for (~~developmentally—disabled~~) individuals with developmental
3 disabilities as established under part C of the developmental
4 disabilities assistance and bill of rights act;

5 (e) The agency responsible for the protection and advocacy system
6 for (~~mentally—ill~~) individuals with mental illness as established
7 under the protection and advocacy for mentally ill individuals act;

8 (f) Subject to reasonable restrictions to protect the rights of
9 others and to the resident's right to deny or withdraw consent at any
10 time, immediate family or other relatives of the resident and others
11 who are visiting with the consent of the resident;

12 (g) The agency responsible for the protection and advocacy system
13 for individuals with disabilities as established under section 509 of
14 the rehabilitation act of 1973, as amended, who are not served under
15 the mandates of existing protection and advocacy systems created under
16 federal law.

17 (2) The facility must provide reasonable access to a resident by
18 his or her representative or an entity or individual that provides
19 health, social, legal, or other services to the resident, subject to
20 the resident's right to deny or withdraw consent at any time.

21 (3) The facility must allow representatives of the state
22 (~~ombudsman~~) ombuds to examine a resident's clinical records with the
23 permission of the resident or the resident's legal representative, and
24 consistent with state and federal law.

25 **Sec. 186.** RCW 70.129.110 and 1997 c 392 s 205 are each amended to
26 read as follows:

27 (1) The facility must permit each resident to remain in the
28 facility, and not transfer or discharge the resident from the facility
29 unless:

30 (a) The transfer or discharge is necessary for the resident's
31 welfare and the resident's needs cannot be met in the facility;

32 (b) The safety of individuals in the facility is endangered;

33 (c) The health of individuals in the facility would otherwise be
34 endangered;

35 (d) The resident has failed to make the required payment for his or
36 her stay; or

37 (e) The facility ceases to operate.

1 (2) All long-term care facilities shall fully disclose to potential
2 residents or their legal representative the service capabilities of the
3 facility prior to admission to the facility. If the care needs of the
4 applicant who is medicaid eligible are in excess of the facility's
5 service capabilities, the department shall identify other care settings
6 or residential care options consistent with federal law.

7 (3) Before a long-term care facility transfers or discharges a
8 resident, the facility must:

9 (a) First attempt through reasonable accommodations to avoid the
10 transfer or discharge, unless agreed to by the resident;

11 (b) Notify the resident and representative and make a reasonable
12 effort to notify, if known, an interested family member of the transfer
13 or discharge and the reasons for the move in writing and in a language
14 and manner they understand;

15 (c) Record the reasons in the resident's record; and

16 (d) Include in the notice the items described in subsection (5) of
17 this section.

18 (4)(a) Except when specified in this subsection, the notice of
19 transfer or discharge required under subsection (3) of this section
20 must be made by the facility at least thirty days before the resident
21 is transferred or discharged.

22 (b) Notice may be made as soon as practicable before transfer or
23 discharge when:

24 (i) The safety of individuals in the facility would be endangered;

25 (ii) The health of individuals in the facility would be endangered;

26 (iii) An immediate transfer or discharge is required by the
27 resident's urgent medical needs; or

28 (iv) A resident has not resided in the facility for thirty days.

29 (5) The written notice specified in subsection (3) of this section
30 must include the following:

31 (a) The reason for transfer or discharge;

32 (b) The effective date of transfer or discharge;

33 (c) The location to which the resident is transferred or
34 discharged;

35 (d) The name, address, and telephone number of the state long-term
36 care (~~ombudsman~~) ombuds;

37 (e) For residents with developmental disabilities, the mailing
38 address and telephone number of the agency responsible for the

1 protection and advocacy of (~~developmentally-disabled~~) individuals
2 with developmental disabilities established under part C of the
3 developmental disabilities assistance and bill of rights act; and

4 (f) For residents (~~who are mentally ill~~) with mental illness, the
5 mailing address and telephone number of the agency responsible for the
6 protection and advocacy of (~~mentally-ill~~) individuals with mental

11 facility.

12 (7) A resident discharged in violation of this section has the
13 right to be readmitted immediately upon the first availability of a
14 gender-appropriate bed in the facility.

15 **Sec. 187.** RCW 70.129.160 and 2012 c 10 s 58 are each amended to
16 read as follows:

17 The long-term care (~~ombudsman~~) ombuds shall monitor
18 implementation of this chapter and determine the degree to which
19 veterans' homes, nursing facilities, adult family homes, and assisted
20 living facilities ensure that residents are able to exercise their

9 (g) A method or methods by which to ensure that the children's
10 administration has sufficiently trained and experienced staff to
11 monitor and manage performance-based contracts;

12 (h) A process by which to expand the capacity of supervising and
13 other private agencies to meet the service needs of children and
14 families in a performance-based contractual arrangement;

15 (i) A method or methods by which supervising and other private
16 agencies can expand services in underserved areas of the state;

17 (j) The appropriate amounts and procedures for the reimbursement of
18 supervising agencies given the proposed services restructuring;

19 (k) A method by which to access and enhance existing data systems
20 to include contract performance information;

21 (l) A financing arrangement for the contracts that examines:

22 (i) The use of case rates or performance-based fee-for-service
23 contracts that include incentive payments or payment schedules that
24 link reimbursement to outcomes; and

25 (ii) Ways to reduce a contractor's financial risk that could
26 jeopardize the solvency of the contractor, including consideration of
27 the use of a risk-reward corridor that limits risk of loss and
28 potential profits or the establishment of a statewide risk pool;

29 (m) A description of how the transition will impact the state's
30 ability to obtain federal funding and examine options to further
31 maximize federal funding opportunities and increased flexibility;

32 (n) A review of whether current administrative staffing levels in
33 the regions should be continued when the majority of child welfare
34 services are being provided by supervising agencies;

35 (o) A description of the costs of the transition, the initial
36 start-up costs and the mechanisms to periodically assess the overall
37 adequacy of funds and the fiscal impact of the changes, and the

1 feasibility of the plan and the impact of the plan on department
2 employees during the transition; and

3 (p) Identification of any statutory and regulatory revisions
4 necessary to accomplish the transition.

5 (4)(a) The committee, with the assistance of the department, shall
6 select two demonstration sites within which to implement chapter 520,
7 Laws of 2009. One site must be located on the eastern side of the
8 state. The other site must be located on the western side of the
9 state. Neither site must be wholly located in any of the department's
10 administrative regions.

11 (b) The committee shall develop two sets of performance outcomes to
12 be included in the performance-based contracts the department enters
13 into with supervising agencies. The first set of outcomes shall be
14 used for those cases transferred to a supervising agency over time.
15 The second set of outcomes shall be used for new entrants to the child
16 welfare system.

17 (c) The committee shall also identify methods for ensuring that
18 comparison of performance between supervising agencies and the existing
19 service delivery system takes into account the variation in the
20 characteristics of the populations being served as well as historical
21 trends in outcomes for those populations.

22 (5) The committee shall determine the appropriate size of the child
23 and family populations to be provided services under performance-based
24 contracts with supervising agencies. The committee shall also identify
25 the time frame within which cases will be transferred to supervising
26 agencies. The performance-based contracts entered into with
27 supervising agencies shall encompass the provision of child welfare
28 services to enough children and families in each demonstration site to
29 allow for the assessment of whether there are meaningful differences,
30 to be defined by the committee, between the outcomes achieved in the
31 demonstration sites and the comparison sites or populations. To ensure
32 adequate statistical power to assess these differences, the populations
33 served shall be large enough to provide a probability greater than
34 seventy percent that meaningful difference will be detected and a
35 ninety-five percent probability that observed differences are not due
36 to chance alone.

37 (6) The committee shall also prepare as part of the plan a

1 recommendation as to how to implement chapter 520, Laws of 2009 so that
2 full implementation of chapter 520, Laws of 2009 is achieved no later
3 than December 30, 2015.

4 (7) The committee shall prepare the plan to manage the delivery of
5 child welfare services in a manner that achieves coordination of the
6 services and programs that deliver primary prevention services.

7 (8) Beginning June 30, 2009, the committee shall report quarterly
8 to the governor and the legislative children's oversight committee
9 established in RCW 44.04.220. From June 30, 2012, until December 30,
10 2015, the committee need only report twice a year. The committee shall
11 report on its progress in meeting its duties under subsections (2) and
12 (3) of this section and on any other matters the committee or the
13 legislative children's oversight committee or the governor deems
14 appropriate. The portion of the plan required in subsection (6) of
15 this section shall be due to the legislative children's oversight
16 committee on or before June 1, 2010. The reports shall be in written
17 form.

18 (9) The committee, by majority vote, may establish advisory
19 committees as it deems necessary.

20 (10) All state executive branch agencies and the agencies with whom
21 the department contracts for child welfare services shall cooperate
22 with the committee and provide timely information as the chair or
23 cochairs may request. Cooperation by the children's administration
24 must include developing and scheduling training for supervising
25 agencies to access data and information necessary to implement and
26 monitor the contracts.

27 (11) It is expected that the administrative costs for the committee
28 will be supported through private funds.

29 (12) The committee is subject to chapters 42.30 (open public
30 meetings act) and 42.52 (ethics in public service) RCW.

31 (13) This section expires July 1, 2016.

32 **Sec. 209.** RCW 74.13.640 and 2011 c 61 s 2 are each amended to read
33 as follows:

34 (1)(a) The department shall conduct a child fatality review in the
35 event of a fatality suspected to be caused by child abuse or neglect of
36 any minor who is in the care of the department or a supervising agency

1 or receiving services described in this chapter or who has been in the
2 care of the department or a supervising agency or received services
3 described in this chapter within one year preceding the minor's death.

4 (b) The department shall consult with the office of the family and
5 children's ((~~ombudsman~~)) ombuds to determine if a child fatality review
6 should be conducted in any case in which it cannot be determined
7 whether the child's death is the result of suspected child abuse or
8 neglect.

9 (c) The department shall ensure that the fatality review team is
10 made up of individuals who had no previous involvement in the case,
11 including individuals whose professional expertise is pertinent to the
12 dynamics of the case.

13 (d) Upon conclusion of a child fatality review required pursuant to
14 this section, the department shall within one hundred eighty days
15 following the fatality issue a report on the results of the review,
16 unless an extension has been granted by the governor. Reports must be
17 distributed to the appropriate committees of the legislature, and the
18 department shall create a public web site where all child fatality
19 review reports required under this section must be posted and
20 maintained. A child fatality review report completed pursuant to this
21 section is subject to public disclosure and must be posted on the
22 public web site, except that confidential information may be redacted
23 by the department consistent with the requirements of RCW 13.50.100,
24 68.50.105, 74.13.500 through 74.13.525, chapter 42.56 RCW, and other
25 applicable state and federal laws.

26 (e) The department shall develop and implement procedures to carry
27 out the requirements of this section.

28 (2) In the event of a near fatality of a child who is in the care
29 of or receiving services described in this chapter from the department
30 or a supervising agency or who has been in the care of or received
31 services described in this chapter from the department or a supervising
32 agency within one year preceding the near fatality, the department
33 shall promptly notify the office of the family and children's
34 ((~~ombudsman~~)) ombuds. The department may conduct a review of the near
35 fatality at its discretion or at the request of the office of the
36 family and children's ((~~ombudsman~~)) ombuds.

37 (3) In any review of a child fatality or near fatality in which the
38 child was placed with or received services from a supervising agency

1 pursuant to a contract with the department, the department and the
2 fatality review team shall have access to all records and files
3 regarding the child or otherwise relevant to the review that have been
4 produced or retained by the supervising agency.

5 (4)(a) A child fatality or near fatality review completed pursuant
6 to this section is subject to discovery in a civil or administrative
7 proceeding, but may not be admitted into evidence or otherwise used in
8 a civil or administrative proceeding except pursuant to this section.

9 (b) A department employee responsible for conducting a child
10 fatality or near fatality review, or member of a child fatality or near
11 fatality review team, may not be examined in a civil or administrative
12 proceeding regarding (i) the work of the child fatality or near
13 fatality review team, (ii) the incident under review, (iii) his or her
14 statements, deliberations, thoughts, analyses, or impressions relating
15 to the work of the child fatality or near fatality review team or the
16 incident under review, or (iv) the statements, deliberations, thoughts,
17 analyses, or impressions of any other member of the child fatality or
18 near fatality review team, or any person who provided information to
19 the child fatality or near fatality review team, relating to the work
20 of the child fatality or near fatality review team or the incident
21 under review.

22 (c) Documents prepared by or for a child fatality or near fatality
23 review team are inadmissible and may not be used in a civil or
24 administrative proceeding, except that any document that exists before
25 its use or consideration in a child fatality or near fatality review,
26 or that is created independently of such review, does not become
27 inadmissible merely because it is reviewed or used by a child fatality
28 or near fatality review team. A person is not unavailable as a witness
29 merely because the person has been interviewed by or has provided a
30 statement for a child fatality or near fatality review, but if called
31 as a witness, a person may not be examined regarding the person's
32 interactions with the child fatality or near fatality review including,
33 without limitation, whether the person was interviewed during such
34 review, the questions that were asked during such review, and the
35 answers that the person provided during such review. This section may
36 not be construed as restricting the person from testifying fully in any
37 proceeding regarding his or her knowledge of the incident under review.

1 (d) The restrictions set forth in this section do not apply in a
2 licensing or disciplinary proceeding arising from an agency's effort to
3 revoke or suspend the license of any licensed professional based in
4 whole or in part upon allegations of wrongdoing in connection with a
5 minor's death or near fatality reviewed by a child fatality or near
6 fatality review team.

20 74.13A.005 through ~~((74.13.145))~~ 74.13A.080, the secretary is
21 authorized to establish maximum payment amounts that are reasonable and
22 allow permanency planning goals related to adoption of children under
23 RCW 13.34.145 to be achieved at the earliest possible date.

24 The amounts paid for the support of a child pursuant to RCW
25 26.33.320 and ~~((74.13.100))~~ 74.13A.005 through ~~((74.13.145))~~ 74.13A.080
26 may vary from family to family and from year to year. Due to changes

29 Payments under RCW 26.33.320 and ~~((74.13.100))~~ 74.13A.005 through
30 ~~((74.13.145))~~ 74.13A.080 may be continued by the secretary subject to
31 review as provided for herein, if such parent or parents having such
32 child in their custody establish their residence in another state or a
33 foreign jurisdiction.

34 In fixing the standards to govern the amount and character of
35 payments to be made for the support of adopted children pursuant to RCW

2 74.13A.080, the secretary shall consider the comments and
3 recommendations of the committee designated by the secretary to advise
4 him or her with respect to child welfare.

5 **Sec. 211.** RCW 74.13A.040 and 2009 c 527 s 1 are each amended to

8 (~~74.13.100~~) 74.13A.005 through (~~74.13.145~~) 74.13A.080 may at any
9 time, in writing, request, for reasons set forth in such request, a
10 review of the amount of any payment or the level of continuing
11 payments. The review shall begin not later than thirty days from the
12 receipt of such request. Any adjustment may be made retroactive to the
13 date such request was received by the secretary. If such request is
14 not acted on within thirty days after it has been received by the
15 secretary, such parent may invoke his or her rights under the hearing
16 provisions set forth in RCW (~~74.13.127~~) 74.13A.055.

17 (2) The secretary may make adjustments in payments at the time of
18 the review, or at other times, if the secretary finds that
19 circumstances have changed and warrant an adjustment in payments.
20 Changes in circumstances may include, but are not limited to,
21 variations in medical opinions, prognosis, and costs. Appropriate
22 adjustments in payments shall be made based upon changes in the needs
23 of the child and/or changes in the adoptive parents' income, resources,
24 and expenses for the care of such child or other members of the family,
25 including medical and/or hospitalization expense not otherwise covered
26 by or subject to reimbursement from insurance or other sources of
27 financial assistance.

7 other relief as he or she may deem advisable against any agency subject
8 to licensing under the provisions of chapter 74.15 RCW and RCW
9 74.13.031 or against any such agency not having a license as heretofore
10 provided in chapter 74.15 RCW and RCW 74.13.031.

21 pertinent to determining his or her ability to support his or her
22 children. Such statement shall be provided upon demand made by the
23 state department of social and health services or attorney general, and
24 if assistance based upon such application is granted on behalf of such
25 child, additional statements shall be filed annually thereafter with
26 the state department of social and health services until such time as
27 the child is no longer receiving such assistance. Failure to comply
28 with this section shall constitute a misdemeanor.

29 **Sec. 215.** RCW 74.20A.040 and 1989 c 360 s 8 are each amended to
30 read as follows:

31 (1) The secretary may issue a notice of a support debt accrued
32 and/or accruing based upon RCW 74.20A.030, assignment of a support debt
33 or a request for support enforcement services under RCW 74.20.040 (2)
34 or (3), to enforce and collect a support debt created by a superior
35 court order or administrative order. The payee under the order shall
36 be informed when a notice of support debt is issued under this section.

1 (2) The notice may be served upon the debtor in the manner
2 prescribed for the service of a summons in a civil action or be mailed
3 to the debtor at his or her last known address by certified mail,
4 return receipt requested, demanding payment within twenty days of the
5 date of receipt.

6 (3) The notice of debt shall include:

7 (a) A statement of the support debt accrued and/or accruing,
8 computable on the amount required to be paid under any superior court
9 order to which the department is subrogated or is authorized to enforce
10 and collect under RCW 74.20A.030, has an assigned interest, or has been
11 authorized to enforce pursuant to RCW 74.20.040 (2) or (3);

12 (b) A statement that the property of the debtor is subject to
13 collection action;

14 (c) A statement that the property is subject to lien and
15 foreclosure, distraint, seizure and sale, or order to withhold and
16 deliver; and

17 (d) A statement that the net proceeds will be applied to the
18 satisfaction of the support debt.

19 (4) Action to collect a support debt by lien and foreclosure, or
20 distraint, seizure and sale, or order to withhold and deliver shall be
21 lawful after twenty days from the date of service upon the debtor or
22 twenty days from the receipt or refusal by the debtor of said notice of
23 debt.

24 (5) The secretary shall not be required to issue or serve such
25 notice of support debt prior to taking collection action under this
26 chapter when a responsible parent's support order:

27 (a) Contains language directing the parent to make support payments
28 to the Washington state support registry; and

29 (b) Includes a statement that income-withholding action under this
30 chapter may be taken without further notice to the responsible parent,
31 as provided in RCW 26.23.050(1).

32 **Sec. 216.** RCW 74.20A.130 and 1987 c 435 s 32 are each amended to
33 read as follows:

34 Whenever a support lien has been filed pursuant to RCW 74.20A.060,
35 the secretary may collect the support debt stated in said lien by the
36 distraint, seizure, and sale of the property subject to said lien. Not
37 less than ten days prior to the date of sale, the secretary shall cause

1 a copy of the notice of sale to be transmitted by regular mail and by
2 any form of mailing requiring a return receipt to the debtor and any
3 person known to have or claim an interest in the property. Said notice
4 shall contain a general description of the property to be sold and the
5 time, date, and place of the sale. The notice of sale shall be posted
6 in at least two public places in the county wherein the distraint has
7 been made. The time of sale shall not be less than ten nor more than
8 twenty days from the date of posting of such notices. Said sale shall
9 be conducted by the secretary, who shall proceed to sell such property
10 by parcel or by lot at a public auction, and who may set a minimum
11 reasonable price to include the expenses of making a levy and of
12 advertising the sale, and if the amount bid for such property at the
13 sale is not equal to the price so fixed, the secretary may declare such
14 property to be purchased by the department for such price, or may
15 conduct another sale of such property pursuant to the provisions of
16 this section. In the event of sale, the debtor's account shall be
17 credited with the amount for which the property has been sold.
18 Property acquired by the department as herein prescribed may be sold by
19 the secretary at public or private sale, and the amount realized shall
20 be placed in the state general fund to the credit of the department of
21 social and health services. In all cases of sale, as aforesaid, the
22 secretary shall issue a bill of sale or a deed to the purchaser and
23 said bill of sale or deed shall be prima facie evidence of the right of
24 the secretary to make such sale and conclusive evidence of the
25 regularity of his or her proceeding in making the sale, and shall
26 transfer to the purchaser all right, title, and interest of the debtor
27 in said property. The proceeds of any such sale, except in those cases
28 wherein the property has been acquired by the department, shall be
29 first applied by the secretary to reimbursement of the costs of
30 distraint and sale, and thereafter in satisfaction of the delinquent
31 account. Any excess which shall thereafter remain in the hands of the
32 secretary shall be refunded to the debtor. Sums so refundable to a
33 debtor may be subject to seizure or distraint by any taxing authority
34 of the state or its political subdivisions or by the secretary for new
35 sums due and owing subsequent to the subject proceeding. Except as
36 specifically provided in this chapter, there shall be exempt from
37 distraint, seizure, and sale under this chapter such property as is
38 exempt therefrom under the laws of this state.

1 **Sec. 217.** RCW 74.20A.150 and 1973 1st ex.s. c 183 s 14 are each
2 amended to read as follows:

3 Any person owning real property, or any interest in real property,
4 against which a support lien has been filed and foreclosure instituted,
5 shall have the right to pay the amount due, together with expenses of
6 the proceedings and reasonable attorneys' fees to the secretary and
7 upon such payment the secretary shall restore said property to him or
8 her and all further proceedings in the said foreclosure action shall
9 cease. Said person shall also have the right within two hundred forty
10 days after sale of property foreclosed under RCW 74.20A.140 to redeem
11 said property by making payment to the purchaser in the amount paid by
12 the purchaser plus interest thereon at the rate of six percent per
13 annum.

14 **Sec. 218.** RCW 74.34.095 and 2000 c 87 s 4 are each amended to read
15 as follows:

16 (1) The following information is confidential and not subject to
17 disclosure, except as provided in this section:

18 (a) A report of abandonment, abuse, financial exploitation, or
19 neglect made under this chapter;

20 (b) The identity of the person making the report; and

21 (c) All files, reports, records, communications, and working papers
22 used or developed in the investigation or provision of protective
23 services.

24 (2) Information considered confidential may be disclosed only for
25 a purpose consistent with this chapter or as authorized by chapter
26 18.20, 18.51, or 74.39A RCW, or as authorized by the long-term care
27 (~~ombudsman~~) ombuds programs under federal law or state law, chapter
28 43.190 RCW.

29 (3) A court or presiding officer in an administrative proceeding
30 may order disclosure of confidential information only if the court, or
31 presiding officer in an administrative proceeding, determines that
32 disclosure is essential to the administration of justice and will not
33 endanger the life or safety of the vulnerable adult or individual who
34 made the report. The court or presiding officer in an administrative
35 hearing may place restrictions on such disclosure as the court or
36 presiding officer deems proper.

1 **Sec. 219.** RCW 74.34.200 and 1999 c 176 s 15 are each amended to
2 read as follows:

3 (1) In addition to other remedies available under the law, a
4 vulnerable adult who has been subjected to abandonment, abuse,
5 financial exploitation, or neglect either while residing in a facility
6 or in the case of a person residing at home who receives care from a
7 home health, hospice, or home care agency, or an individual provider,
8 shall have a cause of action for damages on account of his or her
9 injuries, pain and suffering, and loss of property sustained thereby.
10 This action shall be available where the defendant is or was a
11 corporation, trust, unincorporated association, partnership,
12 administrator, employee, agent, officer, partner, or director of a
13 facility, or of a home health, hospice, or home care agency licensed or
14 required to be licensed under chapter 70.127 RCW, as now or
15 subsequently designated, or an individual provider.

16 (2) It is the intent of the legislature, however, that where there
17 is a dispute about the care or treatment of a vulnerable adult, the
18 parties should use the least formal means available to try to resolve
19 the dispute. Where feasible, parties are encouraged but not mandated
20 to employ direct discussion with the health care provider, use of the
21 long-term care (~~ombudsman~~) ombuds or other intermediaries, and, when
22 necessary, recourse through licensing or other regulatory authorities.

23 (3) In an action brought under this section, a prevailing plaintiff
24 shall be awarded his or her actual damages, together with the costs of
25 the suit, including a reasonable attorneys' fee. The term "costs"
26 includes, but is not limited to, the reasonable fees for a guardian,
27 guardian ad litem, and experts, if any, that may be necessary to the
28 litigation of a claim brought under this section.

29 **Sec. 220.** RCW 76.09.100 and 1975 1st ex.s. c 200 s 7 are each
30 amended to read as follows:

31 If the department of ecology determines that a person has failed to
32 comply with the forest practices regulations relating to water quality
33 protection, and that the department of natural resources has not issued
34 a stop work order or notice to comply, the department of ecology shall
35 inform the department thereof. If the department of natural resources
36 fails to take authorized enforcement action within twenty-four hours
37 under RCW 76.09.080, 76.09.090, 76.09.120, or 76.09.130, the department

1 of ecology may petition to the (~~chairman~~) chair of the appeals board,
2 who shall, within forty-eight hours, either deny the petition or direct
3 the department of natural resources to immediately issue a stop work
4 order or notice to comply, or to impose a penalty. No civil or
5 criminal penalties shall be imposed for past actions or omissions if
6 such actions or omissions were conducted pursuant to an approval or
7 directive of the department of natural resources.

8 **Sec. 221.** RCW 76.36.100 and 1925 ex.s. c 154 s 10 are each amended
9 to read as follows:

14 beaches of this state and any mill, mill yard, mill boom, rafting, or

18 belonging to him or her and to retake any forest products and booming
19 equipment so found by him or her.

20 **Sec. 222.** RCW 74.36.110 and 1971 ex.s. c 169 s 10 are each amended
21 to read as follows:

22 The secretary of the department of social and health services or
23 his or her designee is authorized to allot for such purposes all or a
24 portion of whatever state funds the legislature appropriates or are
25 otherwise made available for the purpose of matching local funds
26 dedicated to community programs and projects for the aging. The
27 purpose of RCW 74.36.110 through 74.36.130 is to stimulate and assist
28 local communities to obtain federal funds made available under the
29 federal older Americans act of 1965 as amended.

30 **Sec. 223.** RCW 74.36.120 and 1971 ex.s. c 169 s 11 are each amended
31 to read as follows:

5 or other nonprofit institutions of higher education, shall be eligible
6 for approval.

7 (3) Any community project applicant whose application for approval
8 is denied will be afforded an opportunity for an informal hearing
9 before the secretary or his or her designee, but the administrative
10 procedure act, chapter 34.05 RCW, shall not apply.

11 **Sec. 224.** RCW 74.36.130 and 1971 ex.s. c 169 s 12 are each amended
12 to read as follows:

13 (1) State funds made available under RCW 74.36.110 through
14 74.36.130 for any project shall not exceed fifty per centum of the
15 nonfederal share of the costs. To the extent that federal law permits,
16 and the secretary or his or her designee deems appropriate, the local
17 community share and/or the state share may be in the form of cash or
18 in-kind resources.

19 (2) Payments made under RCW 74.36.110 through 74.36.130 may be made
20 in advance or by way of reimbursement, and in such installments and on
21 such conditions as the secretary or his or her designee may determine,
22 including provisions for adequate accounting systems, reasonable record

24 **Sec. 225.** RCW 74.38.040 and 1983 c 290 s 14 are each amended to
25 read as follows:

26 The community based services for low-income eligible persons
27 provided by the department or the respective area agencies may include:

28 (1) Access services designed to provide identification of eligible

30 service, and follow-up service where required. These services shall

10 designed to avoid institutionalization; assist in securing admission to
11 medical institutions or other health related facilities when required;
12 and, assist in obtaining health services from public or private
13 agencies or providers of health services. These services shall include
14 health screening and evaluation, in-home services, health education,
15 and such health appliances which will further the independence and
16 well-being of the person;

21 nutritional well-being of these persons;

23 state of adequate repair, insofar as is possible, for their safety and

26 such repair will not attain standards of health and safety, as
27 determined by the department;

32 all long-term care facilities.

33 **Sec. 226.** RCW 74.38.050 and 1983 c 290 s 15 are each amended to
34 read as follows:

35 The services provided in RCW 74.38.040 may be provided to nonlow-
36 income eligible persons: PROVIDED, That the department and the area
37 agencies on aging shall utilize volunteer workers and public assistant

1 recipients to the maximum extent possible to provide the services
2 provided in RCW 74.38.040: PROVIDED, FURTHER, That the department and
3 the area agencies shall utilize the bid procedure pursuant to chapter
4 43.19 RCW for providing such services to low_income and nonlow_income
5 persons whenever the services to be provided are available through
6 private agencies at a cost savings to the department. The department
7 shall establish a fee schedule based on the ability to pay and
8 graduated to full recovery of the cost of the service provided; except,
9 that nutritional services, health screening, services under the long-
10 term care ((ombudsman)) ombuds program under chapter 43.190 RCW, and
11 access services provided in RCW 74.38.040 shall not be based on need
12 and no fee shall be charged; except further, notwithstanding any other
13 provision of this chapter, that well_adult clinic services may be
14 provided in lieu of health screening services if such clinics use the
15 fee schedule established by this section.

16 **Sec. 227.** RCW 74.39A.060 and 2001 c 193 s 1 are each amended to
17 read as follows:

18 (1) The aging and adult services administration of the department
19 shall establish and maintain a toll-free telephone number for receiving
20 complaints regarding a facility that the administration licenses or
21 with which it contracts for long-term care services.

22 (2) All facilities that are licensed by, or that contract with the
23 aging and adult services administration to provide chronic long-term
24 care services shall post in a place and manner clearly visible to
25 residents and visitors the department's toll-free complaint telephone
26 number and the toll-free number and program description of the long-
27 term care ((ombudsman)) ombuds as provided by RCW 43.190.050.

28 (3) The aging and adult services administration shall investigate
29 complaints if the subject of the complaint is within its authority
30 unless the department determines that: (a) The complaint is intended
31 to willfully harass a licensee or employee of the licensee; or (b)
32 there is no reasonable basis for investigation; or (c) corrective
33 action has been taken as determined by the ((ombudsman)) ombuds or the
34 department.

35 (4) The aging and adult services administration shall refer
36 complaints to appropriate state agencies, law enforcement agencies, the
37 attorney general, the long-term care ((ombudsman)) ombuds, or other

1 entities if the department lacks authority to investigate or if its
2 investigation reveals that a follow-up referral to one or more of these
3 entities is appropriate.

4 (5) The department shall adopt rules that include the following
5 complaint investigation protocols:

6 (a) Upon receipt of a complaint, the department shall make a
7 preliminary review of the complaint, assess the severity of the
8 complaint, and assign an appropriate response time. Complaints
9 involving imminent danger to the health, safety, or well-being of a
10 resident must be responded to within two days. When appropriate, the
11 department shall make an on-site investigation within a reasonable time
12 after receipt of the complaint or otherwise ensure that complaints are
13 responded to.

14 (b) The complainant must be: Promptly contacted by the department,
15 unless anonymous or unavailable despite several attempts by the
16 department, and informed of the right to discuss the alleged violations
17 with the inspector and to provide other information the complainant
18 believes will assist the inspector; informed of the department's course
19 of action; and informed of the right to receive a written copy of the
20 investigation report.

21 (c) In conducting the investigation, the department shall interview
22 the complainant, unless anonymous, and shall use its best efforts to
23 interview the vulnerable adult or adults allegedly harmed, and,
24 consistent with the protection of the vulnerable adult shall interview
25 facility staff, any available independent sources of relevant
26 information, including if appropriate the family members of the
27 vulnerable adult.

28 (d) Substantiated complaints involving harm to a resident, if an
29 applicable law or rule has been violated, shall be subject to one or
30 more of the actions provided in RCW 74.39A.080 or 70.128.160. Whenever
31 appropriate, the department shall also give consultation and technical
32 assistance to the provider.

33 (e) After a department finding of a violation for which a stop
34 placement has been imposed, the department shall make an on-site
35 revisit of the provider within fifteen working days from the request
36 for revisit, to ensure correction of the violation. For violations
37 that are serious or recurring or uncorrected following a previous
38 citation, and create actual or threatened harm to one or more

1 residents' well-being, including violations of residents' rights, the
2 department shall make an on-site revisit as soon as appropriate to
3 ensure correction of the violation. Verification of correction of all
4 other violations may be made by either a department on-site revisit or
5 by written or photographic documentation found by the department to be
6 credible. This subsection does not prevent the department from
7 enforcing license or contract suspensions or revocations. Nothing in
8 this subsection shall interfere with or diminish the department's
9 authority and duty to ensure that the provider adequately cares for
10 residents, including to make departmental on-site revisits as needed to
11 ensure that the provider protects residents and to enforce compliance
12 with this chapter.

13 (f) Substantiated complaints of neglect, abuse, exploitation, or
14 abandonment of residents, or suspected criminal violations, shall also
15 be referred by the department to the appropriate law enforcement
16 agencies, the attorney general, and appropriate professional
17 disciplining authority.

18 (6) The department may provide the substance of the complaint to
19 the licensee or contractor before the completion of the investigation
20 by the department unless such disclosure would reveal the identity of
21 a complainant, witness, or resident who chooses to remain anonymous.
22 Neither the substance of the complaint provided to the licensee or
23 contractor nor any copy of the complaint or related report published,
24 released, or made otherwise available shall disclose, or reasonably
25 lead to the disclosure of, the name, title, or identity of any
26 complainant, or other person mentioned in the complaint, except that
27 the name of the provider and the name or names of any officer,
28 employee, or agent of the department conducting the investigation shall
29 be disclosed after the investigation has been closed and the complaint
30 has been substantiated. The department may disclose the identity of
31 the complainant if such disclosure is requested in writing by the
32 complainant. Nothing in this subsection shall be construed to
33 interfere with the obligation of the long-term care ((ombudsman))
34 ombuds program or department staff to monitor the department's
35 licensing, contract, and complaint investigation files for long-term
36 care facilities.

37 (7) The resident has the right to be free of interference,
38 coercion, discrimination, and reprisal from a facility in exercising

1 his or her rights, including the right to voice grievances about
2 treatment furnished or not furnished. A facility that provides long-
3 term care services shall not discriminate or retaliate in any manner
4 against a resident, employee, or any other person on the basis or for
5 the reason that such resident or any other person made a complaint to
6 the department, the attorney general, law enforcement agencies, or the
7 long-term care ((ombudsman)) ombuds, provided information, or otherwise
8 cooperated with the investigation of such a complaint. Any attempt to
9 discharge a resident against the resident's wishes, or any type of
10 retaliatory treatment of a resident by whom or upon whose behalf a
11 complaint substantiated by the department has been made to the
12 department, the attorney general, law enforcement agencies, or the
13 long-term care ((ombudsman)) ombuds, within one year of the filing of
14 the complaint, raises a rebuttable presumption that such action was in
15 retaliation for the filing of the complaint. "Retaliatory treatment"
16 means, but is not limited to, monitoring a resident's phone, mail, or
17 visits; involuntary seclusion or isolation; transferring a resident to
18 a different room unless requested or based upon legitimate management
19 reasons; withholding or threatening to withhold food or treatment
20 unless authorized by a terminally ill resident or his or her
21 representative pursuant to law; or persistently delaying responses to
22 a resident's request for service or assistance. A facility that
23 provides long-term care services shall not willfully interfere with the
24 performance of official duties by a long-term care ((ombudsman))
25 ombuds. The department shall sanction and may impose a civil penalty
26 of not more than three thousand dollars for a violation of this
27 subsection.

28 **Sec. 228.** RCW 74.39A.380 and 2011 1st sp.s. c 3 s 502 are each
29 amended to read as follows:

30 (1) Subject to funding provided for this specific purpose, the
31 department of social and health services shall develop for phased-in
32 implementation a statewide internal quality review and accountability
33 program for residential care services. The program must be designed to
34 enable the department to improve the accountability of staff and the
35 consistent application of investigative activities across all long-term
36 care settings, and must allow the systematic monitoring and evaluation
37 of long-term care licensing and certification. The program must be

1 designed to improve and standardize investigative outcomes for the
2 vulnerable individuals at risk of abuse and neglect, and coordinate
3 outcomes across the department to prevent perpetrators from changing
4 settings and continuing to work with vulnerable adults.

5 (2) The department shall convene a quality assurance panel to
6 review problems in the quality of care in adult family homes and to
7 reduce incidents of abuse, neglect, abandonment, and financial
8 exploitation. The state's long-term care (~~ombudsman~~) ombuds shall
9 chair the panel and identify appropriate stakeholders to participate.
10 The panel must consider inspection, investigation, public complaint,
11 and enforcement issues that relate to adult family homes. The panel
12 must also focus on oversight issues to address de minimis violations,
13 processes for handling unresolved citations, and better ways to oversee
14 new providers. The panel shall meet at least quarterly, and provide a
15 report with recommendations to the governor's office, the senate health
16 and long-term care committee, and the house of representatives health
17 and wellness committee by December 1, 2012.

18 **Sec. 229.** RCW 74.42.450 and 1997 c 392 s 216 are each amended to
19 read as follows:

20 (1) The facility shall admit as residents only those individuals
21 whose needs can be met by:

22 (a) The facility;

23 (b) The facility cooperating with community resources; or

24 (c) The facility cooperating with other providers of care
25 affiliated or under contract with the facility.

26 (2) The facility shall transfer a resident to a hospital or other
27 appropriate facility when a change occurs in the resident's physical or
28 mental condition that requires care or service that the facility cannot
29 provide. The resident, the resident's guardian, if any, the resident's
30 next of kin, the attending physician, and the department shall be
31 consulted at least fifteen days before a transfer or discharge unless
32 the resident is transferred under emergency circumstances. The
33 department shall use casework services or other means to insure that
34 adequate arrangements are made to meet the resident's needs.

35 (3) A resident shall be transferred or discharged only for medical
36 reasons, the resident's welfare or request, the welfare of other

1 residents, or nonpayment. A resident may not be discharged for
2 nonpayment if the discharge would be prohibited by the medicaid
3 program.

4 (4) If a resident chooses to remain in the nursing facility, the
5 department shall respect that choice, provided that if the resident is
6 a medicaid recipient, the resident continues to require a nursing
7 facility level of care.

8 (5) If the department determines that a resident no longer requires
9 a nursing facility level of care, the resident shall not be discharged
10 from the nursing facility until at least thirty days after written
11 notice is given to the resident, the resident's surrogate decision
12 maker and, if appropriate, a family member or the resident's
13 representative. A form for requesting a hearing to appeal the
14 discharge decision shall be attached to the written notice. The
15 written notice shall include at least the following:

- 16 (a) The reason for the discharge;
- 17 (b) A statement that the resident has the right to appeal the
18 discharge; and
- 19 (c) The name, address, and telephone number of the state long-term
20 care (~~ombudsman~~) ombuds.

21 (6) If the resident appeals a department discharge decision, the
22 resident shall not be discharged without the resident's consent until
23 at least thirty days after a final order is entered upholding the
24 decision to discharge the resident.

25 (7) Before the facility transfers or discharges a resident, the
26 facility must first attempt through reasonable accommodations to avoid
27 the transfer or discharge unless the transfer or discharge is agreed to
28 by the resident. The facility shall admit or retain only individuals
29 whose needs it can safely and appropriately serve in the facility with
30 available staff or through the provision of reasonable accommodations
31 required by state or federal law. "Reasonable accommodations" has the
32 meaning given to this term under the federal Americans with
33 disabilities act of 1990, 42 U.S.C. Sec. 12101 et seq. and other
34 applicable federal or state antidiscrimination laws and regulations.

35 **Sec. 230.** RCW 74.42.640 and 2006 c 209 s 13 are each amended to
36 read as follows:

37 (1) To ensure the proper delivery of services and the maintenance

1 and improvement in quality of care through self-review, each facility
2 may maintain a quality assurance committee that, at a minimum,
3 includes:

- 4 (a) The director of nursing services;
- 5 (b) A physician designated by the facility; and
- 6 (c) Three other members from the staff of the facility.

7 (2) When established, the quality assurance committee shall meet at
8 least quarterly to identify issues that may adversely affect quality of
9 care and services to residents and to develop and implement plans of
10 action to correct identified quality concerns or deficiencies in the
11 quality of care provided to residents.

12 (3) To promote quality of care through self-review without the fear
13 of reprisal, and to enhance the objectivity of the review process, the
14 department shall not require, and the long-term care (~~ombudsman~~)
15 ombuds program shall not request, disclosure of any quality assurance
16 committee records or reports, unless the disclosure is related to the
17 committee's compliance with this section, if:

18 (a) The records or reports are not maintained pursuant to statutory
19 or regulatory mandate; and

20 (b) The records or reports are created for and collected and
21 maintained by the committee.

22 (4) The department may request only information related to the
23 quality assurance committee that may be necessary to determine whether
24 a facility has a quality assurance committee and that it is operating
25 in compliance with this section.

26 (5) Good faith attempts by the committee to identify and correct
27 quality deficiencies shall not be used as a basis for imposing
28 sanctions.

29 (6) If the facility offers the department documents generated by,
30 or for, the quality assurance committee as evidence of compliance with
31 nursing facility requirements, the documents are protected as quality
32 assurance committee documents under subsections (7) and (9) of this
33 section when in the possession of the department. The department is
34 not liable for an inadvertent disclosure, a disclosure related to a
35 required federal or state audit, or disclosure of documents incorrectly
36 marked as quality assurance committee documents by the facility.

37 (7) Information and documents, including the analysis of complaints
38 and incident reports, created specifically for, and collected and

1 maintained by, a quality assurance committee are not subject to
2 discovery or introduction into evidence in any civil action, and no
3 person who was in attendance at a meeting of such committee or who
4 participated in the creation, collection, or maintenance of information
5 or documents specifically for the committee shall be permitted or
6 required to testify in any civil action as to the content of such
7 proceedings or the documents and information prepared specifically for
8 the committee. This subsection does not preclude: (a) In any civil
9 action, the discovery of the identity of persons involved in the care
10 that is the basis of the civil action whose involvement was independent
11 of any quality improvement committee activity; and (b) in any civil
12 action, the testimony of any person concerning the facts which form the
13 basis for the institution of such proceedings of which the person had
14 personal knowledge acquired independently of their participation in the
15 quality assurance committee activities.

16 (8) A quality assurance committee under subsection (1) of this
17 section, RCW 18.20.390, 70.41.200, 4.24.250, or 43.70.510 may share
18 information and documents, including the analysis of complaints and
19 incident reports, created specifically for, and collected and
20 maintained by, the committee, with one or more other quality assurance
21 committees created under subsection (1) of this section, RCW 18.20.390,
22 70.41.200, 4.24.250, or 43.70.510 for the improvement of the quality of
23 care and services rendered to nursing facility residents. Information
24 and documents disclosed by one quality assurance committee to another
25 quality assurance committee and any information and documents created
26 or maintained as a result of the sharing of information and documents
27 shall not be subject to the discovery process and confidentiality shall
28 be respected as required by subsections (7) and (9) of this section,
29 RCW 18.20.390 (6) and (8), 43.70.510(4), 70.41.200(3), and 4.24.250(1).
30 The privacy protections of chapter 70.02 RCW and the federal health
31 insurance portability and accountability act of 1996 and its
32 implementing regulations apply to the sharing of individually
33 identifiable patient information held by a coordinated quality
34 improvement program. Any rules necessary to implement this section
35 shall meet the requirements of applicable federal and state privacy
36 laws.

37 (9) Information and documents, including the analysis of complaints

1 and incident reports, created specifically for, and collected and
2 maintained by, a quality assurance committee are exempt from disclosure
3 under chapter 42.56 RCW.

4 (10) Notwithstanding any records created for the quality assurance
5 committee, the facility shall fully set forth in the resident's
6 records, available to the resident, the department, and others as
7 permitted by law, the facts concerning any incident of injury or loss
8 to the resident, the steps taken by the facility to address the
9 resident's needs, and the resident outcome.

10 (11) A facility operated as part of a hospital licensed under
11 chapter 70.41 RCW may maintain a quality assurance committee in
12 accordance with this section which shall be subject to the provisions
13 of subsections (1) through (10) of this section or may conduct quality
14 improvement activities for the facility through a quality improvement
15 committee under RCW 70.41.200 which shall be subject to the provisions
16 of RCW 70.41.200(9).

17 **Sec. 231.** RCW 76.09.320 and 1987 c 95 s 6 are each amended to read
18 as follows:

19 (1) Subject to the availability of appropriated funds, the
20 department shall pay fifty percent of the cost of implementing the
21 hazard-reduction program, except as provided in subsection (2) of this
22 section.

23 (2) In the event department funds described in subsection (1) of
24 this section are not available for all or a portion of a forest
25 landowner's property, the landowner may request application of the
26 hazard-reduction program to the owner's lands, provided the landowner
27 funds one hundred percent of the cost of implementation of the
28 department's recommended actions on his or her property.

29 (3) No cost-sharing funds may be made available for sites where the
30 department determines that the hazardous condition results from a
31 violation of then-prevailing standards as established by statute or
32 rule.

33 **Sec. 232.** RCW 76.14.080 and 1988 c 128 s 43 are each amended to
34 read as follows:

35 The department shall develop fire protection projects within the
36 high hazard forest area and shall determine the boundaries thereof in

1 accordance with the lands benefited thereby and shall assess one-sixth
2 of the cost of such projects equally upon all forest lands within the
3 project on an acreage basis. Such assessment shall not, however,
4 exceed twenty-five cents per acre annually nor more than one dollar and
5 fifty cents per acre in the aggregate and shall constitute a lien upon
6 any forest products harvested therefrom. The landowner may by written
7 notice to the department elect to pay his or her assessment on a
8 deferred basis at a rate of ten cents per thousand board feet and/or
9 one cent per Christmas tree when these products are harvested from the
10 lands for commercial use until the assessment plus two percent interest
11 from the date of completion of each project has been paid for each
12 acre. Payments under the deferred plan shall be credited by forty acre
13 tracts and shall be first applied to payment of the assessment against
14 the forty acre tract from which the funds were derived and secondly to
15 other forty acre tracts held and designated by the payor. In the event
16 total ownership is less than forty acres, then payment shall be applied
17 on an undivided basis to the entire areas as to which the assessment
18 remains unpaid. The landowner who elects to pay on deferred basis may
19 pay any unpaid assessment and interest at any time.

20 **Sec. 233.** RCW 76.14.090 and 1988 c 128 s 44 are each amended to
21 read as follows:

22 Notice of each project, the estimated assessment per acre, and a
23 description of the boundaries thereof shall be given by publication in
24 a local newspaper of general circulation thirty days in advance of
25 commencing work. Any person owning land within the project may within
26 ten days after publication of notice demand a hearing before the

14 **Sec. 266.** RCW 79A.05.105 and 1965 c 8 s 43.51.100 are each amended
15 to read as follows:

30 The Green River Gorge, between the town of Kanasket and the Kummer
31 bridge in King county, is a twelve mile spectacularly winding gorge
32 with steep to overhanging rock walls reaching heights of from one
33 hundred fifty to three hundred feet. The beauty and natural features
34 of the gorge are generally confined within the canyon rim. This twelve
35 mile gorge area contains many examples of unique biological and
36 geological features for educational and recreational interpretation,

1 almost two miles of Eocene sediment rocks and fossils are exposed
2 revealing one of the most complete stratographic sections to be found
3 in the region. The area, a unique recreational attraction with more
4 than one million seven hundred thousand people living within an hour's
5 driving time, is presently used by hikers, geologists, (~~fishermen~~)
6 fishers, kayakers and canoeists, picnickers and swimmers, and those
7 seeking the solitude offered by this unique area. Abutting and
8 adjacent landowners generally have kept the gorge lands in their
9 natural state; however, economic and urbanization pressures for
10 development are rapidly increasing. Local and state outdoor recreation
11 plans show a regional need for resources and facilities which could be
12 developed in this area. A twelve-mile strip incorporating the visual
13 basins of the Green river from the Kummer bridge to Palmer needs to be
14 acquired and developed as a conservation area to preserve this unique
15 area for the recreational needs of the region.

3 any subsequent time, that the railroad company shall install and
4 maintain proper signals, warnings, (~~(flagmen)~~) flaggers, interlocking

22 expense of making such crossing not chargeable to any municipality,

25 devices, or other devices or means to secure the safety of the public
26 and the employees of the railroad company, as the commission may
27 require to be constructed and maintained, shall be apportioned between
28 said railroad companies by the commission in such manner as justice may
29 require, regard being had for all facts relating to the establishment,
30 reason for, and construction of said improvement, unless said companies
31 shall mutually agree upon an apportionment. If it becomes necessary
32 for the commission to make an apportionment between the railroad
33 companies, a hearing for that purpose shall be held, at least ten days'
34 notice of which shall be given.

35 **Sec. 305.** RCW 81.53.261 and 2007 c 234 s 99 are each amended to
36 read as follows:

1 Whenever the secretary of transportation or the governing body of
2 any city, town, or county, or any railroad company whose road is
3 crossed by any highway, shall deem that the public safety requires
4 signals or other warning devices, other than sawbuck signs, at any
5 crossing of a railroad at common grade by any state, city, town, or
6 county highway, road, street, alley, avenue, boulevard, parkway, or
7 other public place actually open and in use or to be opened and used
8 for travel by the public, he or she or it shall file with the utilities
9 and transportation commission a petition in writing, alleging that the
10 public safety requires the installation of specified signals or other
11 warning devices at such crossing or specified changes in the method and
12 manner of existing crossing warning devices. Upon receiving such
13 petition, the commission shall promptly set the matter for hearing,
14 giving at least twenty days notice to the railroad company or companies
15 and the county or municipality affected thereby, or the secretary of
16 transportation in the case of a state highway, of the time and place of
17 such hearing. At the time and place fixed in the notice, all persons
18 and parties interested shall be entitled to be heard and introduce
19 evidence, which shall be reduced to writing and filed by the
20 commission. If the commission shall determine from the evidence that
21 public safety does not require the installation of the signal, other
22 warning device or change in the existing warning device specified in
23 the petition, it shall make determinations to that effect and enter an
24 order denying said petition in toto. If the commission shall determine
25 from the evidence that public safety requires the installation of such
26 signals or other warning devices at such crossing or such change in the
27 existing warning devices at said crossing, it shall make determinations
28 to that effect and enter an order directing the installation of such
29 signals or other warning devices or directing that such changes shall
30 be made in existing warning devices. The commission shall also at said
31 hearing apportion the entire cost of installation and maintenance of
32 such signals or other warning devices, other than sawbuck signs, as
33 provided in RCW 81.53.271: PROVIDED, That upon agreement by all
34 parties to waive hearing, the commission shall forthwith enter its
35 order.

37 warning device until the public body involved has either paid or

1 executed its promise to pay to the railroad its portion of the
2 estimated cost thereof.

3 Nothing in this section shall be deemed to foreclose the right of
4 the interested parties to enter into an agreement, franchise, or permit
5 arrangement providing for the installation of signals or other warning
6 devices at any such crossing or for the apportionment of the cost of
7 installation and maintenance thereof, or compliance with an existing
8 agreement, franchise, or permit arrangement providing for the same.

9 The hearing and determinations authorized by this section may be
10 instituted by the commission on its own motion, and the proceedings,
11 hearing, and consequences thereof shall be the same as for the hearing
12 and determination of any petition authorized by this section.

13 No part of the record, or a copy thereof, of the hearing and
14 determination provided for in this section and no finding, conclusion,
15 or order made pursuant thereto shall be used as evidence in any trial,
16 civil or criminal, arising out of an accident at or in the vicinity of
17 any crossing prior to installation of signals or other warning devices
18 pursuant to an order of the commission as a result of any such
19 investigation.

20 Any order entered by the utilities and transportation commission
21 under this section shall be subject to review, supersedeas, and appeal
22 as provided in chapter 34.05 RCW.

23 Nothing in this section shall be deemed to relieve any railroad
24 from liability on account of failure to provide adequate protective

24 property is employed by such person in the prosecution of business or
25 is in the hands of a trustee, or receiver, or assignee for the benefit
26 of creditors, from the date the taxes were due and payable, until the
27 amount of the lien is paid or the property sold in payment thereof.

28 The lien shall have priority over any lien or encumbrance
29 whatsoever, except the lien of other state taxes having priority by
30 law, and except that such lien shall not be valid as against any bona
31 fide mortgagee, pledgee, judgment creditor, or purchaser whose rights

7 with any penalties and interest subsequently accruing thereon, has been
8 satisfied, and such release may be recorded with the auditor of the
9 county in which the notice of lien has been filed.

10 The department shall furnish to any person applying therefor a
11 certificate showing the amount of all liens for motor vehicle fuel tax,
12 penalties and interest that may be of record in the files of the
13 department against any person under the provisions of this chapter.

20 inflammable petroleum products other than motor vehicle fuel and uses
21 the same in the propulsion of motor vehicles as herein defined, for a
22 use not associated with any governmental function or operation, shall
23 pay to the state the tax herein provided upon the motor vehicle fuel,
24 or other inflammable petroleum products so acquired. It shall be
25 unlawful for any person to use or to conspire with any governmental
26 official, agent, or employee for the use of any requisition, purchase
27 order, or any card or any authority to which he or she is not
28 specifically entitled by government regulations, for the purpose of
29 obtaining any motor vehicle fuel or other inflammable petroleum
30 products upon which the state tax has not been paid.

31 **Sec. 330.** RCW 82.36.310 and 1998 c 176 s 38 and 1998 c 115 s 3 are
32 each reenacted and amended to read as follows:

33 Any person claiming a refund for motor vehicle fuel used or
34 exported as in this chapter provided shall not be entitled to receive
35 such refund until he or she presents to the director a claim upon forms
36 to be provided by the director with such information as the director

1 shall require, which claim to be valid shall in all cases be
2 accompanied by invoices issued to the claimant at the time of the
3 purchases of the motor vehicle fuel, approved as to invoice form by the
4 director. The requirement to provide invoices may be waived for small
5 refund amounts, as determined by the department. Claims for refund of
6 motor vehicle fuel tax must be at least twenty dollars.

7 Any person claiming refund by reason of exportation of motor
8 vehicle fuel shall in addition to the invoices required furnish to the
9 director the export certificate therefor, and the signature on the

24 the fuel supply tanks of motor vehicles for taxable use on Washington
25 highways can be more accurately determined on a mileage basis, the
26 department is authorized to approve and adopt such basis. When a
27 special fuel user imports special fuel into or exports special fuel
28 from the state of Washington in the fuel supply tanks of motor
29 vehicles, the amount of special fuel consumed in such vehicles on
30 Washington highways shall be deemed to be such proportion of the total
31 amount of such special fuel consumed in his or her entire operations
32 within and without this state as the total number of miles traveled on
33 the public highways within this state bears to the total number of
34 miles traveled within and without the state. The department may also
35 adopt such mileage basis for determining the taxable use of special
36 fuel used in motor vehicles which travel regularly over prescribed

1 courses on and off the highways within the state of Washington. In the
2 absence of records showing the number of miles actually operated per
3 gallon of special fuel consumed, fuel consumption shall be calculated
4 at the rate of one gallon for every: (1) Four miles traveled by
5 vehicles over forty thousand pounds gross vehicle weight; (2) seven
6 miles traveled by vehicles twelve thousand one to forty thousand pounds
7 gross vehicle weight; (3) ten miles traveled by vehicles six thousand
8 one to twelve thousand pounds gross vehicle weight; and (4) sixteen
9 miles traveled by vehicles six thousand pounds or less gross vehicle

20 attendance, take evidence, and require the production of any books,
21 papers, correspondence, memoranda, agreements, or other documents or
22 records which the director deems relevant or material to the inquiry.

23 In case of contumacy by or refusal to obey a subpoena issued to,
24 any person, any court of competent jurisdiction upon application by the
25 director, may issue to that person an order requiring him or her to
26 appear before the director, or the officer designated by him or her to
27 produce testimony or other evidence touching the matter under

6 records which the director deems relevant or material to the inquiry.

7 In case of contumacy by or refusal to obey a subpoena issued to any
8 person, any court of competent jurisdiction, upon application by the
9 director, may issue to that person an order requiring him or her to
10 appear before the director, or the officer designated by the director,
11 to produce testimony or other evidence touching the matter under
12 investigation or in question. The failure to obey an order of the
13 court may be punishable by contempt.

25 computed by first multiplying the total amount of that stock of such
26 merchandise, as determined in accordance with RCW 84.40.020, by a
27 percentage determined by dividing the amount of such merchandise
28 brought into this state by the taxpayer during the preceding year for
29 that stock by the total additions to that stock by the taxpayer during
30 that year, and then multiplying the result of the latter computation by
31 a percentage determined by dividing the total out-of-state shipments of
32 such merchandise by the taxpayer during the preceding year from that
33 stock (and regardless of whether or not any such shipments involved a
34 sale of, or a transfer of title to, the merchandise within this state)

8 otherwise provided in this section, shall estop all parties from
9 raising any objections thereto, or to a tax title based thereon, which
10 existed at or before the rendition of such judgment, and could have
11 been presented as a defense to the application for such judgment in the
12 court wherein the same was rendered, and as to all such questions the
13 judgment itself shall be conclusive evidence of its regularity and
14 validity in all collateral proceedings, except in cases where the tax
15 has been paid, or the real property was not liable to the tax.

16 **Sec. 378.** RCW 84.68.110 and 1961 c 15 s 84.68.110 are each amended
17 to read as follows:

18 Whenever a taxpayer believes or has reason to believe that, through
19 error in description, double assessments, or manifest errors in
20 assessment which do not involve a revaluation of the property, he or
21 she has been erroneously assessed or that a tax has been incorrectly
22 extended against him or her upon the tax rolls, and the tax based upon
23 such erroneous assessment or incorrect extension has been paid, such
24 taxpayer may initiate a proceeding for the cancellation or reduction of
25 the assessment of his or her property and the tax based thereon or for
26 correction of the error in extending the tax on the tax rolls, and for
27 the refund of the claimed erroneous tax or excessive portion thereof,
28 by filing a petition therefor with the county assessor of the county in
29 which the property is or was located or taxed, which petition shall
30 legally describe the property, show the assessed valuation and tax
31 placed against the property for the year or years in question and the
32 taxpayer's reasons for believing that there was an error in the
33 assessment within the meaning of RCW 84.68.110 through 84.68.150, or in
34 extending the tax upon the tax rolls and set forth the sum to which the
35 taxpayer desires to have the assessment reduced or the extended tax

1 **Sec. 379.** RCW 84.68.120 and 1975 1st ex.s. c 278 s 208 are each
2 amended to read as follows:

3 Upon the filing of the petition with the county assessor that
4 officer shall proceed forthwith to conduct such investigation as may be
5 necessary to ascertain and determine whether or not the assessment in
6 question was erroneous or whether or not the tax was incorrectly
7 extended upon the tax rolls and if he or she finds there is probable
8 cause to believe that the property was erroneously assessed, and that
9 such erroneous assessment was due to an error in description, double
10 assessment, or manifest error in assessment which does not involve a
11 revaluation of the property, or that the tax was incorrectly extended
12 upon the tax rolls, he or she shall endorse his or her findings upon
13 the petition, and thereupon within ten days after the filing of the
14 petition by the taxpayer forward the same to the county treasurer. If
15 the assessor's findings be in favor of cancellation or reduction or
16 correction he or she shall include therein a statement of the amount to
17 which he or she recommends that the assessment and tax be reduced. It
18 shall be the duty of the county treasurer, upon whom a petition with
19 endorsed findings is served, as in RCW 84.68.110 through 84.68.150
20 provided, to endorse thereon a statement whether or not the tax against
21 which complaint is made has in fact been paid and, if paid, the amount
22 thereof, whereupon the county treasurer shall immediately transmit the
23 petition to the prosecuting attorney and the prosecuting attorney shall
24 make such investigation as he or she deems necessary and, within ten
25 days after receipt of the petition and findings by him or her, transmit
26 the same to the state department of revenue with his or her
27 recommendation in respect to the granting or denial of the petition.

32 84.68.110 through 84.68.150 shall be considered unless filed within
33 three years after the year in which the tax became payable or purported
34 to become payable. The maximum refund under the authority of RCW
35 84.68.110 through 84.68.150 for each year involved in the taxpayer's
36 petition shall be two hundred dollars. Should the amount of excess tax
37 for any such year be in excess of two hundred dollars, a refund of two

1 hundred dollars shall be allowed under RCW 84.68.110 through 84.68.150,
2 without prejudice to the right of the taxpayer to proceed as may be
3 otherwise provided by law to recover the balance of the excess tax paid
4 by him or her.

5 **Sec. 381.** RCW 84.69.090 and 1961 c 15 s 84.69.090 are each amended
6 to read as follows:

12 read as follows:

13 Any person deeming himself or herself aggrieved by the assessment
14 for benefits made against any lot or parcel of land owned by him or
15 her, may appeal therefrom to the superior court for the county in which
16 the diking district is situated; such appeal shall be taken within the
17 time and substantially in the manner prescribed by the laws of this
18 state for appeals from justices' courts and all notices of appeal shall
19 be filed with the said board, and the board of diking commissioners
20 shall at the appellant's expense certify to the superior court so much
21 of the record as appellant may request, and the hearing in said
22 superior court shall be de novo, and the superior court shall have
23 power and authority to reverse or modify the determination of the
24 commissioners and to certify the result of its determination to the
25 county auditor and shall have full power and authority to do anything
26 in the premises necessary to adjust the assessment upon the lots or
27 parcels of land involved in the appeal in accordance with the benefits.

28 **Sec. 383.** RCW 85.05.100 and 1895 c 117 s 10 are each amended to
29 read as follows:

30 In the preparation of the facts and data to be inserted in said
31 petition and filed therewith for the purpose of presenting the matter
32 to the said superior court, the board of commissioners of said diking
33 district may employ one or more good and competent surveyors and
34 (~~draughtsmen~~) drafters to assist them in compiling data required to
35 be presented to the court with said petition as hereinbefore provided,

1 and such legal assistance as may be necessary, with full power to bind
2 said district for the compensation of such assistants or employees
3 employed by them, and such services shall be taxed as costs in the
4 suit.

5 **Sec. 384.** RCW 85.05.120 and 1895 c 117 s 12 are each amended to
6 read as follows:

7 Any or all of said defendants may appear jointly or separately, and
8 admit or deny the allegations of said petition, and plead any
9 affirmative matter in defense thereof, at the time and place appointed
10 for hearing said petition, or to which the same may have been
11 adjourned. If the court or judge thereof shall have satisfactory proof
12 that all of the defendants in said action have been duly served with
13 said summons, as above provided, and shall be further satisfied by
14 competent proof that said improvement is practicable, and conducive to
15 the public health, welfare, and convenience, and will increase the
16 value of said lands for the purpose of public revenue, and that the
17 contemplated use for which the land, real estate, premises, or other
18 property sought to be appropriated is really a public use, and that the
19 land, real estate, premises, or other property sought to be
20 appropriated are required and necessary for the establishment of said
21 improvement, the court or judge thereof shall cause a jury of twelve
22 qualified persons to be impaneled to assess the damages and benefits as
23 herein provided, if in attendance upon his or her court; and if not, he
24 or she may, if satisfied that the public interests require the
25 immediate construction of said improvement, direct the sheriff of his
26 or her county to summon from the citizens of the county in which said
27 petition is filed as many qualified persons as may be necessary in
28 order to form a jury of twelve persons, unless the parties to the
29 proceedings consent to a less number, such number to be not less than
30 three, and such consent shall be entered by the clerk in the minutes of
31 the trial. If necessary to complete the jury in any case, the sheriff,
32 under direction of the court or judge thereof, shall summon as many
33 qualified persons as may be required to complete the jury from the
34 citizens of the county in which the petition is filed. In case a
35 special jury is summoned, the cost thereof shall be taxed as part of
36 the costs in the proceeding, and paid by the district seeking to
37 appropriate said land, the same as other costs in the case; and no

1 person shall be competent as a juror who is a resident of, or landowner
2 in, the district seeking to appropriate said land. The jurors at such
3 trial shall make in each case a separate assessment of damages which
4 shall result to any person, corporation or company, or to the state, by
5 reason of the appropriation and use of such land, real estate,
6 premises, or other property for said improvement, and shall ascertain,
7 determine, and award the amount of damages to be paid to said owner or
8 owners, respectively, and to all tenants, incumbrancers, and others
9 interested, for the taking or injuriously affecting such land, real
10 estate, premises, or other property for the establishment of said
11 improvement; and shall further find the maximum amount of benefits, per
12 acre, to be derived by each of the landowners from the construction of
13 said improvement. And upon a return of the verdict into court, the
14 same shall be recorded as in other cases; whereupon a decree shall be
15 entered in accordance with the verdict so rendered, setting forth all
16 the facts found by the jury, and decreeing that said right-of-way be
17 appropriated, and directing the commissioners of said diking district
18 to draw their warrant on the county treasurer for the amount awarded by
19 the jury to each person, for damages sustained by reason of the
20 establishment of said improvement, payable out of the funds of said
21 diking district.

22 **Sec. 385.** RCW 85.05.130 and 1971 c 81 s 157 are each amended to
23 read as follows:

24 If at any time it shall appear to the board of diking commissioners
25 that any lands within or without said district as originally
26 established are being benefited by the diking system of said district
27 and that said lands are not being assessed for the benefits received,
28 or that any lands within said district are being assessed out of or not
29 in proportion to the benefits which said lands are receiving from the
30 maintenance of the diking system of said district, and said board of
31 diking commissioners shall determine that certain lands, either within
32 or without the boundaries of the district as originally established,
33 should be assessed for the purpose of raising funds for the future
34 maintenance of the diking system of the district, or that the
35 assessments on land already assessed should be equalized by diminishing
36 or increasing the same so that said lands shall be assessed in
37 proportion to the benefits received, said commissioners shall file a

1 petition in the superior court in the original cause, setting forth the
2 facts, describing the lands not previously assessed and the lands the
3 assessments on which should be equalized, stating the estimated amount
4 of benefits per acre being received by each tract of land respectively,
5 giving the name of the owner or reputed owner of each such tract of
6 land, and praying that such original cause be opened for further
7 proceedings for the purpose of subjecting new lands to assessment or
8 equalizing the assessments upon lands already assessed, or both.

9 Upon the filing of such petition, summons shall issue thereon and
10 be served on the owners of all lands affected, in the same manner as
11 summons is issued and served in original proceedings, as near as may
12 be, and if such new lands lie within the boundaries of any other diking
13 district, said summons shall also be served upon the commissioners of
14 such other diking district.

15 In case any of the new lands sought to be assessed in said
16 proceeding lie within the boundaries of any other diking district, and
17 the diking commissioners of such other district believe that the
18 maintenance of the dike or dikes of such other district is benefiting
19 lands within the district instituting the proceedings, said diking
20 commissioners of such other districts shall intervene in such
21 proceedings by petition, setting forth the facts, describing the lands
22 in the district instituting the proceeding which they believe are being
23 benefited by the maintenance of the diking system of their district,
24 and praying that the benefits to such lands may be determined and such
25 lands subjected to assessment for the further maintenance of the diking
26 system of their district, to the end that all questions of benefits to
27 lands in the respective districts may be settled and determined in one
28 proceeding, and such petitioners in intervention shall cause summons to
29 be issued upon such petition in intervention and served upon the
30 commissioners of the diking district instituting the proceeding and
31 upon the owners of all lands sought to be affected by such petition in
32 intervention.

33 In case the owner of any such new lands sought to be assessed in
34 said proceedings shall be maintaining a private dike against salt or
35 freshwater for the benefit of said lands, and shall believe that the
36 maintenance of such private dike is benefiting any lands within or
37 without the district instituting the proceedings, or in case any such
38 new lands sought to be assessed are included within the boundaries of

1 some other diking district and are being assessed for the maintenance
2 of the dikes of such other district, and the owner of such lands
3 believes that the maintenance of the dike or dikes of such other
4 district is benefiting lands included within the district instituting
5 said proceedings, such owner or owners may by answer and cross-petition
6 set forth the facts and pray that at the hearing upon said petition and
7 cross-petition the benefits accruing from the maintenance of the
8 respective dikes may be considered, to the end that a fair and
9 equitable adjustment of the benefits being received by any lands from
10 the maintenance of the various dikes benefiting the same, may be
11 determined for the purpose of fixing the assessments for the future
12 maintenance of such dikes, and may interplead in said proceeding such
13 other diking district in which his or her lands sought to be assessed
14 in said proceeding are being assessed for the maintenance of the dike
15 or dikes of such other district.

16 No answer to any petition or petition in intervention shall be
17 required, unless the party served with summons desires to offset
18 benefits or to ask other affirmative relief, and no default judgment
19 shall be taken for failure to answer any petition or petition in
20 intervention, but the petitioners or petitioners in intervention shall
21 be required to establish the facts alleged by competent evidence.

22 Upon the issues being made up, or upon the lapse of time within
23 which the parties served are required to appear by any summons, the
24 court shall impanel a jury to hear and determine the matters in issue,
25 and the jury shall determine and assess the benefits, if any, which the
26 respective tracts of land are receiving or will receive from the
27 maintenance of the dike or dikes to be maintained, taking into
28 consideration any and all matters relating to the benefits, if any,
29 received or to be received from any dike, structure, or improvement,
30 and to credit, or charge, as the case may be, to each tract so situated
31 as to affect any other tract or tracts, or having improvements or
32 structures thereon or easements granted in connection therewith
33 affecting any other tract or tracts included in such proceedings and
34 shall specify in their verdict the respective amount of benefits per
35 acre, if any, assessed to each particular tract of land, by legal
36 subdivisions. Upon the return of the verdict of the jury, the court
37 shall enter its judgment in accordance therewith, as supplemental to
38 the original decree, or in case a petition in intervention be filed by

1 the diking commissioners of some other district than that instituting
2 the proceeding, such judgment to be supplemental to all such original
3 decrees, and thereafter, all assessments and levies for the future
4 maintenance of any dike or dikes described in said judgment shall be
5 based upon the respective benefits determined and assessed against the
6 respective tracts of land as specified in said judgment. Every person
7 or corporation feeling himself or herself or itself aggrieved by any
8 such judgment may appeal to the supreme court or the court of appeals
9 within thirty days after the entry thereof, and such appeal shall bring
10 before the supreme court or the court of appeals the propriety and
11 justness of the verdicts of the jury in respect to the parties to the
12 appeal. No bonds shall be allowed on such appeals. Nothing in this
13 section contained shall be construed as affecting the right of diking
14 districts to consolidation in any manner provided by law.

15 **Sec. 386.** RCW 85.05.150 and 1895 c 117 s 15 are each amended to
16 read as follows:

17 Any person or corporation claiming to be entitled to any money
18 ordered paid by the court, as provided in this act, may apply to the
19 court therefor, and upon furnishing evidence satisfactory to the court
20 that he or she is entitled to the same, the court shall make an order
21 directing the payment to such claimant of the portion of such money as
22 he or she or it may be found entitled to; but if, upon application, the
23 court or judge thereof shall decide that the title to the land, real
24 estate, or premises specified in the application of such claimant is in
25 such condition as to require that an action be commenced to determine
26 the title of claimants thereto, it shall refuse such order until such
27 action is commenced and the conflicting claims to such land, real
28 estate, or premises be determined according to law.

29 **Sec. 387.** RCW 85.05.160 and 1895 c 117 s 16 are each amended to
30 read as follows:

31 Upon the entry of the judgment upon the verdict of the jury, the
32 clerk of said court shall immediately prepare a transcript, which shall
33 contain a list of the names of all the persons and corporations
34 benefited by said improvement and the amount of benefit derived by
35 each, respectively, and shall duly certify the same, together with a
36 list of the lands benefited by said improvement belonging to each

1 person or corporation, and shall file the same with the auditor of the
2 county, who shall immediately enter the same upon the tax rolls of his
3 or her office, as provided by law for the entry of other taxes, against
4 the land of each of the said persons named in said list, together with
5 the amounts thereof, and the same shall be subject to the same interest
6 and penalties in case of delinquency as in case of general taxes, and
7 shall be collected in the same manner as other taxes and subject to the
8 same right of redemption and the lands sold for the collection of said
9 taxes shall be subject to the same right of redemption as in the sale
10 of lands for general taxes: PROVIDED, That said assessment shall not
11 become due and payable except at such time or times and in such amount
12 as may be designated by the board of commissioners of said dike
13 district, which designation shall be made to the county auditor by said
14 board of commissioners of said diking district, by serving a written
15 notice upon the county auditor designating the time and the amount of
16 the assessment, said assessment to be in proportion to benefits, to
17 become due and payable, which amount shall fall due at the time of the
18 falling due of general taxes, and the amount so designated shall be
19 added by the auditor to the general taxes of said person, persons, or
20 corporations, according to said notice, upon the assessment rolls in
21 his or her said office, and collected therewith: AND PROVIDED FURTHER,
22 That no one call for assessments by said commissioners shall be in an
23 amount to exceed twenty-five percent of the actual amount necessary to
24 pay the costs of the proceedings, and the establishment of said
25 district and system of dikes and the cost of construction of said work.

26 **Sec. 388.** RCW 85.05.180 and 1895 c 117 s 18 are each amended to
27 read as follows:

28 After the filing of said certificate said commissioners of such
29 diking district shall proceed at once in the construction of said
30 improvements, and in carrying on said construction or any extension
31 thereof they shall have full charge and management thereof, and shall
32 have the power to employ such assistance as they may deem necessary,
33 and purchase all material that may be necessary in the construction and
34 carrying on of the work of said improvement, and shall have power to
35 let the whole or any portion of said work to any responsible
36 contractor, and shall in such case enter into all necessary agreements
37 with such contractor that may be necessary in the premises: PROVIDED,

1 That in case the whole or any portion of said improvement is let to any
2 contractor, said commissioners shall require such contractor to give a
3 bond in double the amount of the contract price of the whole or of such
4 portion of said work covered by such contract, with two or more good
5 and sufficient sureties to be approved by the board of commissioners of
6 said diking district and running to said district as obligee therein,
7 conditioned for the faithful and accurate performance of said contract
8 by said contractor, his or her executors, administrators, or assigns,
9 according to the terms and conditions of said agreement, and shall
10 cause said contractor to enter into a further and additional bond in
11 the same amount, with two or more good and sufficient sureties to be
12 approved by said board of commissioners of said diking district in the
13 name of said district as obligee therein, conditioned that said
14 contractor, his or her executors, administrators, or assigns, or
15 subcontractor, his or her executors, administrators, or assigns, shall
16 perform the whole or any portion of said work under contract of said
17 original contractor; shall pay or cause to be paid all just claims of
18 all persons performing labor or rendering services in the construction
19 of said work, or furnishing materials, merchandise, or provisions of
20 any kind or character used by said contractor or subcontractor, or any
21 employee thereof in the construction of said improvement: PROVIDED
22 FURTHER, That no sureties on said last mentioned bond shall be liable
23 thereon unless the persons or corporations performing said labor and
24 furnishing said materials, goods, wares, merchandise, and provisions,
25 shall, within ninety days after the completion of such improvement,
26 file their claim, duly verified, that the amount is just and due and
27 remains unpaid, with the commissioners of said diking district.

28 **Sec. 389.** RCW 85.06.100 and 1895 c 115 s 10 are each amended to
29 read as follows:

30 In the preparation of the facts and data to be inserted in said
31 petition and filed therewith for the purpose of presenting the matter
32 to the superior court, the board of commissioners of said drainage
33 district may employ one or more good and competent surveyors and
34 (~~draughtsmen~~) drafters to assist them in compiling data required to
35 be presented to the court with said petition, as hereinbefore provided,
36 and such legal assistance as may be necessary, with full power to bind

1 said district for the compensation of such assistants or employees
2 employed by them, and such services shall be taxed as costs in the
3 suit.

4 **Sec. 390.** RCW 85.06.120 and 1909 c 143 s 2 are each amended to
5 read as follows:

6 Any or all of said defendants may appear jointly or separately and
7 admit or deny the allegations of said petition and plead any
8 affirmative matter in defense thereof at the time and place appointed
9 for hearing said petition, or to which the same may have been
10 adjourned. If the court or judge thereof shall have satisfactory proof
11 that all of the defendants in said action have been duly served with
12 said summons, as above provided, and shall be further satisfied by
13 competent proof that said improvement is practicable and conducive to
14 the public health, welfare, and convenience, and will increase the
15 value of said lands for the purpose of public revenue, and that the
16 contemplated use for which the land, real estate, premises, or other
17 property sought to be appropriated is really a public use, and that the
18 land, real estate, premises, or other property sought to be
19 appropriated are required and necessary for the establishment of said
20 improvement, and that said improvement has a good and sufficient
21 outlet, the court or judge thereof shall cause a jury of twelve
22 qualified persons to be impaneled to assess the damages and benefits,
23 as herein provided, if in attendance upon his or her court; and if not
24 he or she may, if satisfied that the public interests require the
25 immediate construction of said improvement, direct the sheriff of his
26 or her county to summons from the citizens of the county in which
27 petition is filed as many qualified persons as may be necessary in
28 order to form a jury of twelve persons, unless the parties to the
29 proceedings consent to a less number, such number to be not less than
30 three, and such consent shall be entered by the clerk in the minutes of
31 the trial. If necessary, to complete the jury in any case, the
32 sheriff, under the directions of the court or the judge thereof shall
33 summon as many qualified persons as may be required to complete the
34 jury from the citizens of the county in which the petition is filed.
35 In case a special jury is summoned the cost thereof shall be taxed as
36 part of the cost in the proceedings and paid by the district seeking to
37 appropriate said land, the same as other costs in the case; and no

1 person shall be competent as a juror who is a resident of, or landowner
2 in, the district seeking to appropriate said land. The jurors at such
3 trial shall make in each case a separate assessment of damages which
4 shall result to any person, corporation, or company, or to the state,
5 by reason of the appropriation and use of such land, real estate,
6 premises, or other property for said improvements and shall ascertain,
7 determine and award the amount of damages to be paid to said owner or
8 owners, respectively, and to all tenants, incumbrancers, and others
9 interested, for the taking or injuriously affecting such land, real
10 estate, premises, or other property for the establishment of said
11 improvement; and shall further find a maximum amount of benefits per
12 acre to be derived by each of the landowners, and also the maximum
13 amount of benefits resulting to any municipality, public highway,
14 corporate road, or district from construction of said improvement. And
15 upon a return of the verdict into court the same shall be reported as
16 in other cases; whereupon, a decree shall be entered in accordance with
17 the verdict so rendered setting forth all the facts found by the jury,
18 and decreeing that said right-of-way be appropriated, and directing the
19 commissioners of said drainage district to draw their warrant on the
20 county treasurer for the amount awarded by the jury to each person for
21 damages sustained by reason of the establishment of said improvement,
22 payable out of the funds of said drainage district.

23 **Sec. 391.** RCW 85.06.130 and 1971 c 81 s 159 are each amended to
24 read as follows:

25 If at any time it shall appear to the board of drainage
26 commissioners that any lands within or without said district as
27 originally established are being benefited by the drainage system of
28 said district and that said lands are not being assessed for the
29 benefits received, or if after the construction of any drainage system,
30 it appears that lands embraced therein have in fact received or are
31 receiving benefits different from those found in the original
32 proceedings, and which could not reasonably have been foreseen before
33 the final completion of the improvement, or that any lands within said
34 district are being assessed out of or not in proportion to the benefits
35 which said lands are receiving from the maintenance of the drainage
36 system of said district, and said board of drainage commissioners shall
37 determine that certain lands, either within or without the boundaries

1 of the district as originally established, should be assessed for the
2 purpose of raising funds for the future maintenance of the drainage
3 system of the district, or that the assessments on land already
4 assessed should be equalized by diminishing or increasing the same so
5 that said lands shall be assessed in proportion to the benefits
6 received, said commissioners shall file a petition in the superior
7 court in the original cause, setting forth the facts, describing the
8 lands not previously assessed and the lands the assessment on which
9 should be equalized, stating the estimated amount of benefits per acre
10 being received by each tract of land respectively, giving the name of
11 the owner or reputed owner of each such tract of land and praying that
12 such original cause be opened for further proceedings for the purpose
13 of subjecting new lands to assessments or equalizing the assessments
14 upon lands already assessed, or both. Upon the filing of such
15 petition, summons shall issue thereon and be served on the owners of
16 all lands affected, in the same manner as summons is issued and served
17 in original proceedings, as near as may be, and if such new lands lie
18 within the boundaries of any other drainage district, said summons
19 shall also be served upon the commissioners of such other drainage
20 district. In case any of the new lands sought to be assessed in said
21 proceeding lie within the boundaries of any other drainage district,
22 and the drainage commissioners of such other district believe that the
23 maintenance of the drain or drains of such other district is benefiting
24 lands within the district instituting the proceeding, said drainage
25 commissioners of such other districts shall intervene in such
26 proceedings by petition, setting forth the facts, describing the lands
27 in the district instituting the proceeding which they believe are being
28 benefited by the maintenance of the drainage system of their district,
29 and praying that the benefits to such lands may be determined and such
30 lands subjected to assessment for the further maintenance of the
31 drainage system of their district, to the end that all questions of
32 benefits to lands in the respective districts may be settled and
33 determined in one proceeding, and such petitioners in intervention
34 shall cause summons to be issued upon such petition in intervention and
35 served upon the commissioners of the drainage district instituting the
36 proceeding and upon the owners of all lands sought to be affected by
37 such petition in intervention. In case the owner of any such new lands
38 sought to be assessed in said proceedings shall be maintaining a

1 private drain against salt or freshwater for the benefit of said lands,
2 and shall believe that the maintenance of such private drain is
3 benefiting any lands within or without the district instituting the
4 proceedings, or in case any such new lands sought to be assessed are
5 included within the boundaries of some other drainage district and are
6 being assessed for the maintenance of the drains of such other
7 district, and the owner of such lands believes that the maintenance of
8 the drain or drains of such other district is benefiting lands included
9 within the district instituting said proceedings, such owner or owners
10 may by answer and cross-petition set forth the facts and pray that at
11 the hearing upon said petition and cross-petition the benefits accruing
12 from the maintenance of the respective drains may be considered, to the
13 end that a fair and equitable adjustment of the benefits being received
14 by any lands from the maintenance of the various drains benefiting the
15 same, may be determined for the purpose of fixing the assessments for
16 the future maintenance of such drains, and may interplead in said
17 proceeding such other drainage district in which his or her lands
18 sought to be assessed in said proceeding are being assessed for the
19 maintenance of the drain or drains of such other district. No answer
20 to any petition or petition in intervention shall be required, unless
21 the party served with summons desires to offset benefits or to ask
22 other affirmative relief, and no default judgment shall be taken for
23 failure to answer any petition or petition in intervention, but the
24 petitioners or petitioners in intervention shall be required to
25 establish the facts alleged by competent evidence. Upon the issues
26 being made up, or upon the lapse of time within which the parties
27 served are required to appear by any summons, the court shall impanel
28 a jury to hear and determine the matters in issue, and the jury shall
29 determine and assess the benefits, if any, which the respective tracts
30 of land are receiving or will receive from the maintenance of the drain
31 or drains to be maintained, taking into consideration any and all
32 matters relating to the benefits, if any, received or to be received
33 from any drain, structure or improvement, and to credit or charge, as
34 the case may be, to each tract so situated as to affect any other tract
35 or tracts, or having improvement or structures thereon or easements
36 granted in connection therewith, affecting any other tract or tracts
37 included in such proceedings, and shall specify in their verdict the
38 respective amount of benefits per acre, if any, assessed to each

1 particular tract of land, by legal subdivisions. Upon the return of
2 the verdict of the jury, the court shall enter its judgment in
3 accordance therewith, as supplemental to the original decree, or in
4 case a petition in intervention be filed by the drainage commissioners
5 of some other district than that instituting the proceeding, such
6 judgment to be supplemental to all such original decrees, and
7 thereafter, all assessments and levies for the cost of construction or
8 future maintenance of any drain or drains described in said judgment
9 shall be based upon the respective benefits determined and assessed
10 against the respective tracts of land as specified in said judgment.
11 Every person or corporation feeling himself or_herself or itself
12 aggrieved by any such judgment may appeal to the supreme court or the
13 court of appeals within thirty days after the entry thereof, and such
14 appeal shall bring before the supreme court or the court of appeals the
15 propriety and justness of the verdicts of the jury in respect to the
16 parties to the appeal. No bonds shall be required on such appeals.
17 Nothing in this section contained shall be construed as affecting the
18 right of drainage districts to consolidation in any manner provided by
19 law.

20 **Sec. 392.** RCW 85.06.150 and 1895 c 115 s 15 are each amended to
21 read as follows:

22 Any person or corporation claiming to be entitled to any money
23 ordered paid by the court, as provided in this chapter, may apply to
24 the court therefor, and upon furnishing evidence satisfactory to the
25 court that he or_she is entitled to the same, the court shall make an
26 order directing the payment to such claimant of the portion of such
27 money as he or_she or it may be found entitled to; but if, upon
28 application, the court or judge thereof shall decide that the title to
29 the land, real estate, or premises specified in the application of such
30 claimant is in such condition as to require that an action be commenced
31 to determine the title of claimants thereto, it shall refuse such order
32 until such action is commenced and the conflicting claims to such land,
33 real estate, or premises be determined according to law.

34 **Sec. 393.** RCW 85.06.160 and 1907 c 242 s 1 are each amended to
35 read as follows:

36 Upon the entry of the judgment upon the verdict of the jury, the

1 clerk of said court shall immediately prepare a transcript, which shall
2 contain a list of the names of all the persons and corporations
3 benefited by said improvement and the amount of benefit derived by
4 each, respectively, and shall duly certify the same, together with a
5 list of the lands benefited by said improvement belonging to each
6 person and corporation, and shall file the same with the auditor of the
7 county, who shall immediately enter the same upon the tax rolls of his
8 or her office, as provided by law for the entry of other taxes, against
9 the land of each of the said persons named in said list, together with
10 the amounts thereof, and the same shall be subject to the same interest
11 and penalties in case of delinquency as in case of general taxes, and
12 shall be collected in the same manner as other taxes and subject to the
13 same right of redemption, and the lands sold for the collection of said
14 taxes shall be subject to the same right of redemption as the sale of
15 lands for general taxes: PROVIDED, That said assessments shall not
16 become due and payable except at such time or times and in such amounts
17 as may be designated by the board of commissioners of said drainage
18 district, which designation shall be made to the county auditor by said
19 board of commissioners of said drainage district, by serving written
20 notice upon the county auditor designating the time and the amount of
21 the assessment, said assessment to be in proportion to benefits to
22 become due and payable, which amount shall fall due at the time of the
23 falling due of general taxes, and the amount so designated shall be
24 added by the auditor to the general taxes of said person, persons, or
25 corporation, according to said notice, upon the assessment rolls in his
26 or her said office, and collected therewith; PROVIDED FURTHER, That no
27 one call for assessments by said commissioners shall be in an amount to
28 exceed twenty-five percent of the amount estimated by the board of
29 commissioners to be necessary to pay the costs of the proceedings, and
30 the establishment of said district and drainage system and the cost of
31 construction of said work; PROVIDED FURTHER, That where the amount
32 realized from the original assessment and tax shall not prove
33 sufficient to complete the original plans and specifications of any
34 drainage system, alterations, extensions, or changes therein, for which
35 the said original assessment was made, the board of commissioners of
36 said district shall make such further assessment as may be necessary to
37 complete said system according to the original plans and

1 specifications, which assessment shall be made and collected in the
2 manner provided in this section for the original assessment.

3 **Sec. 394.** RCW 85.06.180 and 1895 c 115 s 18 are each amended to
4 read as follows:

5 After the filing of said certificate said commissioners of such
6 drainage district shall proceed at once in the construction of said
7 improvement, and in carrying on said construction or any extensions
8 thereof they shall have full charge and management thereof, and shall
9 have the power to employ such assistance as they may deem necessary and
10 purchase all material that may be necessary in the construction and
11 carrying on of the work of said improvement, and shall have power to
12 let the whole or any portion of said work to any responsible
13 contractor, and shall in such case enter into all necessary agreements
14 with such contractor that may be necessary in the premises: PROVIDED,
15 That in case the whole or any portion of said improvement is let to any
16 contractor said commissioners shall require said contractor to give a
17 bond in double the amount of the contract price of the whole or of such
18 portion of said work covered by said contract, with two or more
19 sureties to be approved by the board of commissioners of said drainage
20 district and running to said district as obligee therein, conditioned
21 for the faithful and accurate performance of said contract by said
22 contractor, his or her executors, administrators, or assigns, according
23 to the terms and conditions of said agreement, and shall cause said
24 contractor to enter into a further or additional bond in the same
25 amount, with two or more good and sufficient sureties to be approved by
26 said board of commissioners of said drainage district in the name of
27 said district as obligee therein, conditioned that said contractor, his
28 or her executors, administrators, or assigns, or subcontractor, his or
29 her executors, administrators, or assigns, performing the whole or any
30 portion of said work under contract of said original contractor, shall
31 pay or cause to be paid all just claims for all persons performing
32 labor or rendering services in the construction of said work, or
33 furnishing materials, merchandise, or provisions of any kind or
34 character used by said contractor or subcontractor, or any employee
35 thereof in the construction of said improvement: PROVIDED FURTHER,
36 That no sureties on said last mentioned bond shall be liable thereon
37 unless the persons or corporation performing said labor and furnishing

1 said materials, goods, wares, merchandise, and provisions, shall,
2 within ninety days after the completion of said improvement, file their
3 claim, duly verified; that the amount is just and due and remains
4 unpaid, with the board of commissioners of said drainage district.

8 have a right to connect any private drains or ditches for the proper
9 drainage of such land with said system, and in case any persons or
10 corporations shall desire to drain such lands into said system and
11 shall find it necessary, in order to do so, to procure the right-of-way
12 over the land of another, or others, and if consent thereto cannot be
13 procured from such person or persons, then such landowner may present
14 in writing a request to the board of commissioners of said district,
15 setting forth therein the necessity of being able to connect his or her
16 private drainage with said system, and pray therein that said system be
17 extended to such point as he or she may designate in said writing, and
18 immediately thereon said board of commissioners shall cause a petition
19 to be filed in the superior court, for and in the name of said drainage
20 district, requesting in said petition that said system be extended as
21 requested, setting forth therein the necessity thereof and praying that
22 leave be granted by the board to extend the system in accordance with
23 the prayer of said petition, and the proceedings in such case, upon the
24 presentation of such petition and the hearing thereof, shall be, in all
25 matters, the same as in the hearing and presentation of the original
26 petition for the establishment of the original system of drainage in
27 said district, as far as applicable. That the costs in such
28 proceedings shall be paid from the assessment of benefits to be made on
29 the lands of the person or persons benefited by such extension, and the
30 assessment and compensation for the right-of-way, damages and benefits,

37 the provisions already set forth herein for the establishment and

1 construction of said original improvement: PROVIDED, That such
2 petitioner or petitioners shall, at the time of filing such petition by
3 said drainage commissioners, enter into a good and sufficient bond to
4 said drainage district in the full penal sum of five hundred dollars,
5 with two or more sureties, to be approved by the court, conditioned for

31 the county treasurer. And it shall be the duty of such treasurer, from
32 time to time, when he or she has sufficient funds in his or her hands
33 for that purpose, to advertise in the newspaper doing the county

21 remain outstanding and unpaid, and when from any cause no further
22 proceedings are had as provided for in said act approved March 20,
23 1895, within a reasonable time, it shall be the duty of the county
24 commissioners of the county in which such drainage district is located
25 to assess in accordance with the provisions of RCW 85.06.550 through
26 85.06.630, the lands constituting and embraced within such drainage

30 of such registered warrants, orders, vouchers, or other evidences of
31 indebtedness, file a petition in the superior court of the county in

34 for a hearing upon said petition, and for an order directing the board
35 of county commissioners to assess the lands embraced within said
36 drainage district for the purpose of paying such registered warrants,

18 as follows:

19 At the time and place fixed in said order for the hearing of said
20 petition, or at such time to which the court may continue said hearing,
21 the court shall proceed to a hearing upon said petition and upon any
22 objections or exceptions which have been filed thereto. And upon it
23 appearing to the satisfaction of the court from the proofs offered in
24 support thereof that the allegations of said petition are true, the
25 said court shall ascertain the total amount of said registered
26 warrants, orders, vouchers, or other evidences of indebtedness with the
27 accrued interest and the costs of said proceedings, and thereupon the
28 said court shall enter an order directing the board of county
29 commissioners to levy a tax upon all the real estate within said
30 drainage district exclusive of improvements, taking as a basis the last
31 equalized assessment of said real estate for state and county purposes,

10 **Sec. 403.** RCW 85.06.750 and 1988 c 202 s 76 are each amended to
11 read as follows:

12 Upon the return of the verdict of the jury as provided in the
13 preceding section, if it shall appear to the court that the total
14 benefits found by the jury to have accrued to the lands of the district
15 is equal to or exceeds the actual cost of the improvement including the
16 increased cost of completing the same, the court shall enter its
17 judgment in accordance therewith, as supplemental to and in lieu of the
18 original decree fixing the benefits to the respective tracts of land,
19 and thereafter the assessment and levy for the original cost of the
20 construction of the improvement, including the indebtedness incurred
21 for completing the improvement together with interest at the legal rate
22 on the warrants issued therefor, and all assessments and levies if any,
23 for the future maintenance of the drainage system described in the
24 judgment shall be based upon the respective benefits determined and
25 assessed against the respective tracts of land as specified in the
26 judgment. Every person or corporation feeling himself or herself or
27 itself aggrieved by any such judgment may seek appellate review within
28 thirty days after the entry thereof, and such review shall bring before
29 the appellate court the propriety and justness of the verdict of the
30 jury in respect to the parties to the proceeding.

31 **Sec. 404.** RCW 85.07.070 and 1983 c 167 s 190 are each amended to

5 39.46.030. The bonds and any coupon shall be signed by the
6 (~~chairman~~) chair of the board of commissioners of each district and
7 shall be attested by the secretary of said board. The seal, if any, of
8 such district shall be affixed to each bond, but it need not be affixed
9 to any coupon.

10 (2) Notwithstanding subsection (1) of this section, such bonds may
11 be issued and sold in accordance with chapter 39.46 RCW.

12 **Sec. 405.** RCW 85.07.090 and 1935 c 103 s 4 are each amended to
13 read as follows:

14 All outstanding warrants of such district so sought to be redeemed
15 shall become due and payable immediately upon receipt by the county
16 treasurer of the money from the sale of said bonds; and upon a call of
17 such outstanding warrants or obligations issued by him or her, the same
18 shall cease to draw interest at the end of thirty days after the date
19 of the first publication of such call. The call shall be made by the
20 treasurer by publishing notice thereof for two consecutive weeks in the
21 county paper authorized to do the county printing. The notice shall

25 It shall be the duty of the county treasurer of each county in

27 85.07.060 through 85.07.120, whenever he or she has on hand one
28 thousand dollars over and above interest requirements in the special
29 fund for the payment of said bonds and interest, to advertise in the
30 newspaper doing the county printing, for the presentation to him or her
31 for payment of as many of the bonds issued under the provisions of RCW
32 85.07.060 through 85.07.120 as he or she may be able to pay with the
33 funds in his or her hands. The bonds shall be redeemed and paid in
34 their numerical order, beginning with bond No. 1 and continuing until
35 all of said bonds are paid. The treasurer's call for presentation and
36 redemption of such bonds shall state the number of the bond or bonds so

1 called. Thirty days after the first publication of said notice of the
2 treasurer calling any of said bonds by their numbers, such bonds shall
3 cease to bear interest, and the notice of call shall so state. If any
4 bond so called is not presented, the treasurer shall hold in said fund
5 until presentation of such bond is made, the amount of money sufficient
6 to redeem the same with interest thereon to the date interest was
7 terminated by such call.

8 **Sec. 407.** RCW 85.07.140 and 1935 c 102 s 2 are each amended to
9 read as follows:

10 If the court is satisfied that the status of said property has
11 changed so that it is no longer susceptible to benefit from the
12 improvement of such district and should be removed from the assessment
13 roll thereof, and it be established that all benefits assessed against
14 said lands up to the date of trial have been paid, such court may enter
15 a decree striking such land from the assessment roll of said district,
16 and it shall not be subject to future assessment for benefits or
17 maintenance by such district, unless, thereafter, it is again brought
18 into such districts by the proceedings provided by law to extend the
19 district or include benefited property which is not assessed. Nothing
20 herein shall prevent such property from being again brought into said
21 district in the manner provided by law generally for the inclusion of
22 benefited property, if it appear at a future date that said property
23 will receive benefits from the improvement in such district. Upon
24 entry of such decree of the court a certified copy thereof shall be
25 filed in the office of the auditor of such county wherein the property

29 **Sec. 408.** RCW 85.08.340 and 1917 c 130 s 29 are each amended to
30 read as follows:

31 Whenever in the progress of the construction of the system of
32 improvement it shall become necessary to construct a portion of such
33 system across any public or other road or public utility, the board of
34 supervisors, or in case the work is being done by contract the board of
35 county commissioners, shall serve notice in writing upon the public
36 officers, corporation, or person having charge of, or controlling or

1 owning such road or public utility, as the case may be, of the present
2 necessity of such crossing, giving the location, kind, dimensions, and
3 requirement thereof, for the purpose of the system of improvement, and
4 stating a reasonable time, to be fixed by the county engineer, within
5 which plans for such crossing must be filed for approval in case the
6 public officers, corporation, or person controlling or owning such road
7 or public utility desire to construct such crossing. As soon as
8 convenient, within the time fixed in the notice, the public officers,
9 corporation, or person shall, if they desire to construct such
10 crossing, prepare and submit to the county engineer for approval
11 duplicate detailed plans and specifications for such crossing. Upon
12 submission of such plans, the county engineer shall examine and may
13 modify the same to meet the requirements of the system of improvement,
14 and when such plans or modified plans are satisfactory to the county
15 engineer, he or she shall approve the same and return one thereof to
16 the public officers, corporation, or person submitting the same, and
17 file the duplicate in his or her office, and shall notify such public
18 officers, corporation, or person of the time within which said crossing
19 must be constructed. Upon the return of such approved plans, the
20 public officers, corporation, or person controlling such road or public
21 utility shall, within the time fixed by the county engineer, construct
22 such crossing in accordance with the approved plans, and shall
23 thereafter maintain the same. In case such public officers,
24 corporation, or person controlling or owning such road or public
25 utility shall fail to file plans for such crossing within the time
26 prescribed in the notice, the board of supervisors or of county
27 commissioners, as the case may be, shall proceed with the construction
28 of such crossing in such manner as will cause no unnecessary injury to
29 or interference with such road or public utility. The cost of
30 construction and maintenance of only such crossings or such portion of
31 such cost as would not have been necessary but for the construction of
32 the system of improvement shall be a proper charge against the
33 improvement district, and only so much of such cost as the board of
34 county commissioners shall deem reasonable shall be allowed as a charge
35 against the district in the case of crossings constructed by others
36 than the district. The amount of costs of construction allowed as a
37 charge against the district by the board of county commissioners shall

1 be credited on the assessments against the property on which the
2 crossing is constructed, and any excess over such assessment shall be
3 paid out of the funds of the district.

4 **Sec. 409.** RCW 85.08.360 and 1917 c 130 s 30 are each amended to
5 read as follows:

7 engineer, the clerk of the board shall compile and file with the board
8 of county commissioners an itemized statement of the total cost of
9 construction, including engineering and election expenses, the cost of
10 publishing and posting notices, damages, and costs allowed or awarded
11 for property taken or damaged, including compensation of attorneys,
12 including the costs of crossings constructed by the district and the
13 cost of crossings constructed by others and allowed by the board of
14 county commissioners, and including the sum paid or to be paid to the
15 United States, and the discount, if any, on the bonds and warrants sold
16 and including all other costs and expenses, including fees, per diem,
17 and necessary expenses of nonsalaried officers incurred in connection
18 with the improvement, together with interest on such costs and expenses
19 from the time when incurred at the rate of interest borne by the
20 warrants issued for the cost of construction. There shall also be
21 included in said statement, in case the county engineer is a salaried
22 officer, a statement of the services performed by him or her in
23 connection with said improvement at a per diem of five dollars per day
24 and his or her necessary expenses, and a reasonable sum to be fixed by
25 the board of county commissioners on account of the services rendered
26 by the prosecuting attorney. Upon the filing of such statement of
27 costs and expenses the board of county commissioners shall revise and
28 correct the same if necessary and add thereto a reasonable sum which
29 shall be not less than five percent nor more than ten percent of the
30 total thereof in drainage improvement districts, and not less than ten
31 percent nor more than fifteen percent of the total thereof in diking
32 improvement districts, to cover possible errors in the statement or the
33 apportionment hereinafter provided for, and the cost of such
34 apportionment and other subsequent expenses, and interest on the costs
35 of construction from the date of the statement until fifty days after
36 the filing of the assessment roll with the treasurer; and unless the
37 same have been previously appointed, shall appoint a board of

1 appraisers consisting of the county engineer and two other competent
2 persons, to apportion the grand total as contained in said statement as
3 hereinafter provided. Each member of said board of appraisers shall
4 take, subscribe, and file with the board of county commissioners an
5 oath to faithfully and impartially perform his or her duties to the
6 best of his or her ability in making said apportionment, and said board
7 of appraisers shall proceed to carefully examine the system and the
8 public and private property within the district and fairly, justly, and
9 equitably apportion the grand total cost of the improvement against the
10 property and the county or counties, cities, and towns within the
11 district, in proportion to the benefits accruing thereto.

12 **Sec. 410.** RCW 85.08.400 and 1984 c 7 s 377 are each amended to
13 read as follows:

15 legislative authority shall fix the time and place for a hearing
16 thereon, which time shall be not more than sixty days from the date of
17 the filing of the schedule. Notice of the hearing shall be given in
18 the manner provided for giving notice of a hearing in RCW 85.08.150.
19 The notice shall fix the time and place of the hearing on the roll, and
20 shall state that the schedule of apportionment showing the amount of
21 the cost of the improvement apportioned to each county, city, town, and
22 piece of property benefited by the improvement is on file in the office
23 of the county legislative authority and is open to public inspection,
24 and shall notify all persons who may desire to object thereto that they
25 may make their objections in writing and file them with the clerk of
26 the county legislative authority at or before the date fixed for the
27 hearing. The notice shall also state that at the time and place fixed
28 and at such other times and places as the hearing may be continued to,
29 the county legislative authority will sit as a board of equalization
30 for the purpose of considering the schedule and at the hearing or
31 hearings will also consider any objections made thereto, or any part
32 thereof, and will correct, revise, raise, lower, change, or modify the
33 schedule or any part thereof, or set aside the schedule and order that
34 the apportionment be made de novo as to such body shall appear just and
35 equitable, and that at the hearing the board will confirm the schedule
36 as finally approved by them and will levy an assessment against the
37 property described thereon for the amounts as fixed by them. The

1 county legislative authority shall serve by mail, at least ten days
2 before the hearing, upon the commissioner of public lands of the state
3 of Washington a like notice, in duplicate, showing the amount of the
4 cost of the improvements apportioned against all state, school,
5 granted, or other lands owned by the state of Washington in the
6 district. The county legislative authority shall serve a like notice
7 upon the state secretary of transportation showing the amount
8 apportioned against any state primary or secondary highways. Upon
9 receipt of the notice the commissioner of public lands or the secretary
10 of transportation, as the case may be, shall endorse thereon a
11 statement either that he or she elects to accept or that he or she
12 elects to contest the apportionment, and shall return the notice, so
13 endorsed, to the county legislative authority. At or before the

34 engineer or prosecuting attorney, as provided in RCW 85.08.360; and all
35 credits allowed to property owners constructing crossings as provided
36 in RCW 85.08.340. When the board of county commissioners shall have
37 finally determined that the apportionment as filed or as changed and

1 modified by the board is a fair, just and equitable apportionment, and
2 that the proper credits have been entered thereon, the members of the
3 board approving the same shall sign the schedule and cause the clerk of
4 the board to attest their signature under his or her seal, and shall
5 enter an order on the journal approving the final apportionment and all

24 fixing the method of payment of assessments; fifth, the warrant of the
25 auditor authorizing the county treasurer to collect assessments; and

27 shall charge the county treasurer with the total amount of assessment
28 and turn the roll over to the treasurer, for collection in accordance
29 with the resolution of the board of county commissioners fixing the
30 method of payment of assessments. As soon as the assessment roll has
31 been turned over to the treasurer for collection, he or_she shall
32 publish a notice in the official newspaper of the county for once a
33 week for at least two consecutive weeks, that the said roll is in his
34 or_her hands for collection and that any assessment thereon or any

36 date stated in such notice, which date shall be thirty days after the
37 date of the first publication, without interest, and the treasurer

1 shall accept such payment as in said notice provided. Upon the
2 expiration of such thirty-day period the county treasurer shall certify
3 to the county auditor the total amount of assessments so collected by
4 him or her and the total amount of assessments remaining unpaid upon
5 said roll.

6 **Sec. 413.** RCW 85.08.440 and 1988 c 202 s 77 are each amended to
7 read as follows:

8 The decision of the board of county commissioners upon any

16 court of the county in which the greater length of such drainage or
17 diking improvement system lies, within ten days after the order
18 confirming such assessment roll shall have become effective, and such
19 notice shall describe the property and set forth the objections of such
20 appellant to such assessment; and, within ten days from the filing of
21 such notice of appeal with the clerk of the superior court, the

3 court may order the appellant upon application therefor, to execute and
4 file such additional bond or bonds as the necessity of the case may
5 require; within three days after such transcript is filed in the
6 superior court as aforesaid, the appellant shall give written notice to
7 the prosecuting attorney of the county, and to the clerk of the board
8 of county commissioners that such transcript is filed. Said notice
9 shall state a time (not less than three days from the service thereof)
10 when the appellant will call up the said cause for hearing; and the
11 superior court of said county shall, at said time or at such further
12 time as may be fixed by order of the court, hear and determine such

4 treasurer. The petition shall describe the property in question, shall
5 set forth the written objections which were made to the decision, and
6 the date of filing of such objections, and shall be signed by such
7 party or someone in his or her behalf. The court shall forthwith grant
8 such petition if correct as to form and filed in accordance with this
9 chapter.

10 **Sec. 421.** RCW 85.15.110 and 1967 c 184 s 12 are each amended to
11 read as follows:

12 The county clerk shall charge the same filing fees for petitions
13 for review as in civil actions. At the time of the filing of such a
14 petition with the clerk, the appellant shall execute and file a bond in
15 the penal sum of two hundred dollars, with at least two sureties, to be
16 approved by the judge of the court, conditioned upon his or her
17 prosecuting his or her appeal without delay and to guarantee all costs
18 which may be assessed against him or her by reason of such review. The
19 court shall, on motion of either party to the cause, with notice to the
20 other party, set the cause for trial at the earliest time available to
21 the court, fixing a date for hearing and trial without a jury. The
22 cause shall have preference over all civil actions pending in the court
23 except eminent domain and forcible entry and detainer proceedings.

24 **Sec. 422.** RCW 85.15.150 and 1967 c 184 s 16 are each amended to
25 read as follows:

26 The board of any improvement district proceeding under this chapter
27 shall, on or before the first day of September of each year, make an
28 estimate of the costs reasonably anticipated to be required for the
29 effective functioning of the district during the ensuing year and until
30 further revenue therefor can be made available, and shall cause its
31 (~~chairman~~) chair or secretary to file the same with the board of
32 county commissioners of the county containing the district and other
33 benefited area. The board of county commissioners shall, on or before
34 the first Monday in October next ensuing, certify the amount of the
35 district's estimate, or such amount as it shall deem advisable, to the
36 county treasurer. The amount so certified shall be applied by the

1 regular taxing agencies against the benefit valuation of lands,
2 buildings and improvements as shown by the then current complete roll
3 of such properties certified to and filed with such county treasurer by
4 the board of county commissioners. When thus levied, the amount of
5 assessment produced thereby shall be added by the general taxing
6 authorities to the general taxes against said lands and collected
7 therewith as a part thereof. If unpaid, any delinquencies in such
8 assessments shall bear interest at the same rate and in the same manner
9 as general taxes and they shall be included in and be made a part of
10 any general tax foreclosure proceedings, according to the provisions of
11 law with relation to such foreclosures. As assessment collections are
12 made, the county treasurer shall credit the same to the funds of the
13 district.

14 **Sec. 423.** RCW 85.16.130 and 1949 c 26 s 9 are each amended to read
15 as follows:

16 At the hearing upon the report of the appraisers, which may be
17 adjourned from time to time until finally completed, the board shall
18 carefully examine and consider the special benefits and the
19 apportionment of estimated costs determined by the appraisers and
20 reported in the schedule or schedules, and any objections thereto which
21 shall have been made in writing and filed with the board on or prior to
22 ten o'clock a.m. of the date fixed for such hearing. Each objector
23 shall be given reasonable time and opportunity to submit evidence and
24 be heard on the merits of his or her objections. At the conclusion of
25 such hearing, the board shall so correct, revise, raise, lower, change,
26 or modify such schedule or schedules, or any part thereof, or strike
27 therefrom any property not specially benefited, as to said board shall
28 appear equitable and just. The board shall cause the clerk of the
29 board to enter on each such schedule or schedules all such additions,
30 cancellations, changes, and modifications made by it.

31 **Sec. 424.** RCW 85.16.150 and 1949 c 26 s 10 are each amended to
32 read as follows:

33 When the board shall have determined that the schedule or schedules
34 of benefits and/or apportionment of costs as filed or as changed and
35 modified by it are fair, just and equitable and, if estimated costs
36 have been apportioned, that said benefits equal or exceed said costs

1 apportioned, the members of the board approving the same shall sign
2 said schedule or schedules and cause the clerk of the board to attest
3 their signatures under his or her seal, and shall enter an order in the
4 journal approving and confirming the final determination of such
5 benefits and apportionment of costs and all proceedings leading thereto
6 and in connection therewith. If separate schedules be established for
7 maintenance of the diking system and of the drainage system, the board
8 shall by order establish two separate maintenance funds, one for the
9 maintenance of the diking system and one for the maintenance of the
10 drainage system.

11 **Sec. 425.** RCW 85.18.160 and 1951 c 45 s 17 are each amended to
12 read as follows:

13 The board of commissioners of any diking district proceeding under
14 this chapter shall, on or before the first day of November of each
15 year, make an estimate of the costs reasonably anticipated to be
16 required for the effective functioning of such district during the
17 ensuing year and until further revenue therefor can be made available,
18 and cause its (~~chairman~~) chair or secretary to certify the same on or
19 before said date to the county auditor, and the amount so certified
20 shall be levied by the regular taxing agencies against the base
21 benefits to the lands and buildings within such district as shown by
22 the then current complete roll of such properties and the determined
23 benefits thereto as therefore certified to and filed with such county
24 auditor by the commissioners of such district. When thus levied, the
25 amount of assessment produced thereby shall be added by the general
26 taxing authorities to the general taxes against said lands and
27 collected therewith as a part thereof. If unpaid, any delinquencies in
28 such assessments shall bear interest at the same rate and in the same
29 manner as general taxes and they shall be included in and be made a
30 part of any general tax foreclosure proceedings, according to the
31 provisions of law with relation to such foreclosures. As assessment
32 collections are made, the county treasurer shall credit the same to the
33 funds of such district.

34 **Sec. 426.** RCW 85.16.210 and 1988 c 202 s 80 are each amended to
35 read as follows:

36 At such hearing, which may be adjourned from time to time as may be

1 necessary to give all persons interested or affected a reasonable
2 opportunity to be heard, and after consideration of all evidence
3 offered and all factors, situations, and conditions bearing upon or
4 determinative of the benefits accruing and to accrue to such pieces or
5 parcels of property, the board shall correct, revise, raise, lower, or
6 otherwise change or confirm the benefits as theretofore determined, in
7 respect of such pieces or parcels of property, as to it shall seem
8 fair, just, and equitable under the circumstances, and thereafter such
9 proceedings shall be had with respect to the confirmation or
10 determination of the benefits and making and filing of a roll thereof,
11 as are in RCW 85.16.130, 85.16.150, and 85.16.160 provided. Any
12 property owner affected by any change thus made in the determination of
13 benefits accruing to his or her property who shall have appeared at the
14 hearing by the board and made written objections thereto as provided in
15 RCW 85.16.130, may appeal from the action of the board to the superior
16 court and seek appellate review by the supreme court or the court of
17 appeals, within the time, in the manner and upon the conditions, so far
18 as applicable, provided in RCW 85.08.440, with respect to appeals from
19 the order of the board confirming the apportionment of the original
20 cost of construction.

21 **Sec. 427.** RCW 85.16.230 and 1951 c 63 s 3 are each amended to read
22 as follows:

23 Whenever any payer of a diking, drainage, or sewerage improvement
24 district maintenance assessment believes that, through obvious error in
25 name, number, description, amount of benefit valuation, double
26 assessment, or extension, or other obvious error, property on which he
27 or she has paid an assessment has been erroneously assessed, he or she
28 may pay such assessment under protest. If, within thirty days after
29 such payment under protest, he or she files with the board a written
30 verified petition setting out his or her name, address, and legal
31 description of the property, the nature of the obvious error alleged to
32 have been made, and the date and amount of any assessment paid thereon,
33 the board shall cause such claim to be investigated. If upon
34 investigation any assessment is found to be erroneous through obvious
35 error, the board shall order such assessment to be corrected if no bond
36 or long term warrant issue is affected. Where correction is ordered of
37 an erroneous assessment already collected, the auditor, upon receipt of

1 a certified copy of the board's order of correction, shall refund to
2 the person paying the assessment the difference between the correct
3 assessment and the erroneous assessment, plus legal interest on such
4 difference from date of payment, by a warrant drawn on the maintenance
5 fund of the district.

6 **Sec. 428.** RCW 85.18.040 and 1985 c 469 s 76 are each amended to
7 read as follows:

8 The notice of the time and place of hearing shall be given to any
9 owner, or reputed owner, of the property which is listed on the roll as
10 aforesaid, by mailing a copy thereof at least thirty days before the
11 date fixed for the hearing to the owner or owners at his or her or
12 their address as shown on the tax rolls of the county treasurer for the
13 property described. In addition thereto, the notice shall be published
14 at least once a week for three consecutive weeks in a newspaper of
15 general circulation in the district. At least fifteen days must elapse
16 between the last date of publication thereof and the date fixed for the
17 hearing.

18 **Sec. 429.** RCW 85.18.100 and 1951 c 45 s 11 are each amended to
19 read as follows:

20 The decision of the board of commissioners upon any objection made
21 within the time and in the manner prescribed may be reviewed by the
22 superior court of the county wherein the property in question is
23 located, upon appeal thereto taken in the following manner: Any person
24 aggrieved must file his or her petition for writ of review with the
25 clerk of the superior court wherein the property is located within ten
26 days after the roll affecting such aggrieved party was adopted by
27 resolution, and serve a copy thereof upon the commissioners. The
28 petition shall describe the property in question, set forth the written
29 objections which were made to the decision, the date of filing of such
30 objections, and be signed by such party or one in his or her behalf.
31 The court shall forthwith grant such petition if correct as to form and
32 filed in accordance with this chapter.

33 **Sec. 430.** RCW 85.18.120 and 1951 c 45 s 13 are each amended to
34 read as follows:

35 The county clerk shall charge the same filing fees for petitions

1 for review as in civil actions. At the time of the filing of such
2 petition with the clerk, the appellant shall execute and file a bond in
3 the penal sum of two hundred dollars, with at least two sureties, to be
4 approved by the judge of said court, conditioned upon his or her
5 prosecuting his or her appeal without delay and to guarantee all costs
6 which may be assessed against him or her by reason of such review. The
7 court shall, on motion of either party to the cause, with notice to the
8 other party, set said cause for trial at the earliest time available to
9 the court, fixing a date for hearing and trial without a jury. Said
10 cause shall have preference over all civil actions pending in said
11 court except eminent domain and forcible entry and detainer
12 proceedings.

13 **Sec. 431.** RCW 85.24.070 and 1985 c 396 s 53 are each amended to
14 read as follows:

15 A three-member board of commissioners shall be the governing body
16 of an intercounty diking and drainage district. The initial
17 commissioners shall be appointed, and the elected commissioners
18 elected, as provided in chapter 85.38 RCW.

19 The members of such board, before entering upon their duties, shall
20 take and subscribe on oath substantially as follows:

21 State of Washington }
22 } ss.
23 County of

24 I, the undersigned, a member of the board of commissioners of the
25 diking and drainage district No., in and
26 counties, do solemnly swear (or affirm) that I will
27 faithfully discharge my duties as a member of the commission.

28 Upon the taking of such oath and the entering into a bond, as provided
29 in RCW 85.38.080, the county legislative authority shall enter an order
30 upon its records that the three persons named have qualified as the
31 board of commissioners for diking and drainage district No., in
32 and counties, and that those persons and their
33 successors do and shall constitute a board of commissioners for the
34 diking and drainage district. The order when made shall be conclusive
35 of the regularity of the election and qualification of the board of

1 diking and drainage commissioners for the particular district, and the
2 persons named therein shall constitute the board of diking and drainage
3 commissioners.

4 The board of diking and drainage commissioners shall thereupon
5 immediately organize and elect one of their number as ((~~chairman~~))
6 chair and may either appoint a voter of the district or another diking
7 and drainage commissioner to act as secretary. The board shall then
8 proceed to make and cause to be made specifications and details of a
9 system which may be adopted by the board for the improvements to be
10 made, together with an estimate of the total cost thereof; and shall,
11 upon the adoption of the plan of improvement of the district, proceed
12 to acquire the necessary property and property rights for the
13 construction, establishment, and maintenance of the system either by
14 purchase or by power of eminent domain as hereinafter provided. Upon
15 such acquisition being had, the board shall then proceed with the
16 construction of the diking and drainage system and in doing so shall
17 have the power to do the work directly or in its discretion to have all
18 or any part of the work done by contract. In case the board shall
19 decide upon doing the same by contract, it shall advertise for bids for
20 the construction work, or such part thereof as they may determine to
21 have done by contract, and shall have the authority to let a contract
22 to the lowest responsible bidder after advertising for bids.

23 Any contractor doing work hereunder shall be required to furnish a
24 bond as provided by the laws of the state of Washington relating to
25 contractors of public work.

26 The board shall have the right, power, and authority to issue
27 vouchers or warrants in payment or evidence of payment of any and all
28 expenses incurred under this chapter, and shall have the power to issue
29 the same to any contractor as the work progresses, the same to be based
30 upon the partial estimates furnished from time to time by engineers of
31 the district. All warrants issued hereunder shall draw interest at a
32 rate determined by the board.

33 Upon the completion of the construction of the system, and
34 ascertainment of the total cost thereof including all compensation and
35 damages and costs and expenses incident to the acquiring of the
36 necessary property and property right, the board shall then proceed to
37 levy an assessment upon the taxable real property within the district
38 which the board may find to be specially benefited by the proposed

1 improvements; and shall make and levy such assessment upon each piece,
2 lot, parcel, and separate tract of real estate in proportion to the
3 particular and special benefits thereto. Upon determining the amount
4 of the assessment against each particular tract of real estate as
5 aforesaid, the commissioners shall make or cause to be made an
6 assessment roll, in which shall appear the names of the owners of the
7 property assessed, so far as known, and a general description of each
8 lot, block, parcel, or tract of land within the district, and the
9 amount assessed against the same, as separate, special, or particular
10 benefits. The board shall thereupon make an order setting and fixing
11 a day for hearing any objections to the assessment roll by any one
12 affected thereby, which day shall be at least twenty days after the
13 mailing of notices thereof, postage prepaid, as herein provided. The
14 board shall send or cause to be sent by mail to each owner of the
15 premises assessed, whose name and place of residence is known, a
16 notice, substantially in the following form:

17 To: Your property (here describe the property) is
18 assessed \$ A hearing on the assessment roll will be had
19 before the undersigned at the office of the board at on the
20 day of at which time you are notified to be and
21 appear and to make any and all objections which you may have as to the
22 amount of the assessment against your property, or as to whether it
23 should be assessed at all; and to make any and all objections which you
24 may have to the assessment against your lands, or any part or portion
25 thereof.

26 The failure to send or cause to be sent such notice shall not be
27 fatal to the proceedings herein described. The secretary of the board
28 on the mailing of the notices shall certify generally that he or she
29 has mailed such notices to the known address of all owners, and such
30 certificate shall be prima facie evidence of the mailing of all such
31 notices at the date mentioned in the certificate.

32 The board shall cause at least ten days' notice of the hearing to
33 be given by posting notice in at least ten public places within the
34 boundaries of the district, and by publishing the same at least five
35 successive times in a daily newspaper published in each of the counties
36 affected; and for at least two successive weeks in one or more weekly
37 newspapers within the boundaries of the district, in each county if
38 there are such newspapers published therein, and if there is no such

1 newspaper published, then in one or more weekly newspapers, having a
2 circulation in the district, for two successive weeks. The notice
3 shall be signed by the ((~~chairman~~)) chair or secretary of the board of
4 commissioners, and shall state the date and place of hearing of
5 objections to the assessment roll and levy, and of all other
6 objections; and that all interested parties will be heard as to any
7 objection to the assessment roll and the levies as therein made.

8 **Sec. 432.** RCW 85.24.075 and 1909 c 225 s 21 are each amended to
9 read as follows:

10 The ((~~chairman~~)) chair of the board shall preside at all meetings
11 and shall have the right to vote upon all questions the same as other
12 members, and shall perform such duties in addition to those in this
13 chapter prescribed as may be fixed by the board. The secretary of the
14 board shall perform the duties in this chapter prescribed, and such
15 other duties as may be fixed by the board. A majority of the board
16 shall constitute a quorum for the transaction of business, but it shall
17 require a majority of the entire board to authorize any action by the
18 board.

19 **Sec. 433.** RCW 85.24.130 and 1988 c 202 s 82 are each amended to
20 read as follows:

21 Any person interested in any real estate affected by said
22 assessment may, within the time fixed, appear and file objections. As
23 to all parcels, lots, or blocks as to which no objections are filed,
24 within the time as aforesaid, the assessment thereon shall be confirmed
25 and shall be final. On the hearing, each person may offer proof, and
26 proof may also be offered on behalf of the assessment, and the board
27 shall affirm, modify, change, and determine the assessment, in such sum
28 as to the board appears just and right. The commissioners may increase
29 the assessment during such hearing upon any particular tract by mailing
30 notice to the owner at his or her last known address, to be and appear
31 within a time not less than ten days after the date of the notice, to
32 show cause why his or her assessment should not be increased. When the
33 assessment is finally equalized and fixed by the board, the secretary
34 thereof shall certify the same to the county treasurer of each county
35 in which the lands are situated, for collection; or if appeal has been
36 taken from any part thereof, then so much thereof as has not been

1 appealed from shall be certified. In case any owner of property
2 appeals to the superior court in relation to the assessment or other
3 matter when the amount of the assessment is determined by the court
4 finally, either upon determination of the superior court, or review by
5 the supreme court or the court of appeals, then the assessment as
6 finally fixed and determined by the court shall be certified by the
7 clerk of the proper court to the county treasurer of the county in
8 which the lands are situated and shall be spread upon and become a part
9 of the assessment roll hereinbefore referred to.

10 **Sec. 434.** RCW 85.24.140 and 1988 c 202 s 83 are each amended to
11 read as follows:

12 Any person who feels aggrieved by the final assessment made against
13 any lot, block, or parcel of land owned by him or her, may appeal
14 therefrom to the superior court of the county in which the land is
15 situated. Such appeal shall be taken within the time and substantially
16 in the manner prescribed by the laws of this state for appeals from
17 justices' courts. All notice of appeal shall be filed with the said
18 board, and shall be served upon the prosecuting attorney of the county
19 in which the action is brought. The secretary of the board shall, at
20 appellant's expense, certify to the superior court so much of the
21 record as appellant may request, and the cause shall be tried in the
22 superior court de novo.

23 Any person aggrieved by any final order or judgment made by the
24 superior court concerning any assessment authorized by this chapter,
25 may seek appellate review of the order or judgment as in other civil
26 cases.

27 **Sec. 435.** RCW 85.24.150 and 1985 c 469 s 83 are each amended to
28 read as follows:

29 The final assessment shall be a lien paramount to all other liens
30 except liens for taxes and other special assessments upon the property
31 assessed, from the time the assessment roll shall have been finally
32 approved by the board, and placed in the hands of the county treasurers
33 as collectors. After the roll shall have been delivered to the county
34 treasurers for collection, each treasurer shall proceed to collect the
35 amounts due in the manner that other taxes are collected as to all
36 lands situated within the county of which he or she is treasurer. The

1 treasurer shall give at least ten days' notice in one or more
2 newspapers of general circulation in the counties in which the lands
3 are situated for two successive weeks, that the roll has been certified
4 to him or her for collection, and that unless payment be made within
5 thirty days from the date of the notice, that the sum charged against
6 each lot or parcel of land shall be paid in not more than ten equal
7 annual payments, with interest upon the whole sum so charged, at a rate
8 not to exceed seven percent per annum. The interest shall be paid
9 annually. The county treasurer shall proceed to collect the amount due
10 each year upon the publication of notice as hereinafter provided. In
11 such publication notice it shall not be necessary to give a description
12 of each tract, piece or parcel of land, or of the names of the owners
13 thereof.

14 The treasurer shall also mail a copy of the notice to the owner of
15 the property assessed, when the post office address of the owner is
16 known to the treasurer; but the failure to mail the notice shall not be
17 necessary to the validity of the collection of the tax.

18 **Sec. 436.** RCW 85.24.160 and 1986 c 278 s 38 are each amended to
19 read as follows:

20 The owner of any lot or parcel of land charged with any assessment,
21 as hereinbefore provided, may redeem the same from all liability by
22 paying the entire assessment charged against such lot or parcel of
23 land, or part thereof, without interest, within thirty days after
24 notice to him or her of such assessment, as herein provided.

25 **Sec. 437.** RCW 85.24.170 and 1909 c 225 s 22 are each amended to
26 read as follows:

27 The treasurer of each county shall collect the taxes levied and
28 assessed hereunder upon all that portion of the property situated
29 within the county for which the treasurer is acting. The treasurer of
30 the county in which the smaller or minor portion of the taxes are to be
31 collected shall forward the amount collected by him or her quarterly
32 each year on the first Monday in January, April, July, and October, to
33 the treasurer of the county in which the larger or major portion of the
34 taxes are to be collected. The treasurer of the county in which the
35 larger portion of the taxes have been levied and assessed shall be the
36 disbursing officer of such diking and drainage district, and shall pay

1 out the funds of such district upon orders drawn by the ((~~chairman~~))
2 chair and secretary of the board acting under authority of the board,
3 and shall be the treasurer of the fund.

4 **Sec. 438.** RCW 85.24.180 and 1909 c 225 s 23 are each amended to
5 read as follows:

6 If any of the installment of taxes are not paid as herein provided,
7 the county treasurer shall sell all lots or parcels of land on which
8 taxes have been levied and assessed, whether in the name of the
9 designated owner or the name of an unknown owner, to satisfy all
10 delinquent and unpaid assessments, interest, penalties, and costs. The
11 treasurer must commence the sale of property upon which taxes are
12 delinquent within sixty days after the same become delinquent, and
13 continue such sale from day to day thereafter until all the lots and
14 parcels of land upon which taxes have not been paid are sold. Such
15 sales shall take place at the front door of the court house. The
16 proper treasurer shall give notice of such sales by publishing a notice
17 thereof once a week for two successive weeks in two or more newspapers
18 published within the district, or if no such newspaper is published,
19 within the district, then within any two or more newspapers having a
20 general circulation in such district; such notice shall contain a list
21 of all lots and parcels of land upon which such assessments are
22 delinquent, with the amount of interest, penalty, and cost at the date
23 of sale, including costs of advertising had upon each of such lots,
24 pieces, or parcels of land, together with the names of the owners
25 thereof, if known to the treasurer, or the word "unknown" if unknown to
26 the treasurer, and shall specify the time and place of sale, and that
27 the several lots or parcels of land therein described, or so much as
28 may be necessary, will be sold to satisfy the assessment, interest,
29 penalty, and cost due upon each. All such sales shall be made between
30 the hours of ten o'clock a.m. and three o'clock p.m. Such sales shall
31 be made in the manner now prescribed by the general laws of this state
32 for the sale of property for delinquent taxes, and certificates and
33 deeds shall be made to the purchasers and redemptions made as is now
34 prescribed by the general laws of this state in the manner and upon the
35 terms therein specified: PROVIDED, That no tax deeds shall be made
36 until after the expiration of one year after the issuance of the
37 certificate, and during such year any person interested may redeem. A

1 certificate of purchase shall be issued to the district for all lots
2 and parcels of land not sold. Certificates issued to the district
3 shall be delivered to the board of commissioners of the district. The
4 board of commissioners of the district may sell and transfer any such
5 certificate to any person who is willing to pay to the district the
6 amount for which the lot or parcel of land therein described was
7 stricken off to the district, with the interest subsequently accrued
8 thereon. Within ten days after the completion of sale of all lots,
9 pieces, and parcels of land authorized to be sold as aforesaid, the
10 treasurer must make a return to the board of commissioners with a
11 statement of the doings thereon, showing all lots and parcels of land
12 sold by him or her, to whom sold and the sum paid therefor. The
13 purchaser at improvement sales acquires a lien on the lot, piece, or
14 parcel of land sold for the amount paid by him or her at such sales for
15 all delinquent taxes and assessments, and all costs and charges
16 thereon, whether levied previously or subsequently to such sale,
17 subsequently paid by him or her on the lot or parcel of land, and shall
18 be entitled to interest thereon at the rate of ten percent per annum
19 from the date of such payment.

2 the district is the purchaser, the redemptioner shall not be required
3 to pay the amount of any district assessment levied subsequent to the
4 assessment for which said land was sold, but all subsequent and unpaid
5 assessments levied upon said land to the date of such redemption shall
6 remain a lien and be payable and the land be subject to sale and
7 redemption at the times applicable to such subsequent annual district
8 assessment. Redemption must be made in legal tender, as provided for
9 the collection of state and county taxes, and the county treasurer must
10 credit the amount paid to the person named in the certificate and pay
11 it on demand to such person or his or her assignees. No redemption
12 shall be made except to the county treasurer of the county in which the
13 land is situated.

14 **Sec. 466.** RCW 86.09.511 and 1937 c 72 s 171 are each amended to
15 read as follows:

16 Upon completion of redemption, the county treasurer to whom
17 redemption has been made shall enter the word "redeemed", the date of
18 redemption and by whom redeemed on the certificate and on the margin of
19 the assessment book where the entry of the certificate is made. If the
20 property is not redeemed within two years, after the fifteenth day of
21 January of the year in which such property was sold, the county
22 treasurer of the county in which the land sold is situated must
23 thereafter, upon demand of the owner of the certificate of sale, make
24 to the purchaser, or his or her assignees a deed of the property,
25 reciting in the deed substantially the matters contained in the
26 certificate, and that no person redeemed the property during the time
27 allowed by law for its redemption. The treasurer shall receive from
28 the purchaser, for the use of the district, one dollar for making such
29 deed: PROVIDED, If redemption is not made of any lot, parcel, or tract
30 of land not larger than one acre, the fee for a deed shall be twenty-
31 five cents and when any person or district holds a duplicate
32 certificate covering more than one tract of land, the several parcels,
33 or tracts of lands, mentioned in the certificate may be included in one
34 deed.

35 **Sec. 467.** RCW 86.09.556 and 1937 c 72 s 186 are each amended to
36 read as follows:

1 Any claim against the district shall be presented to the district
2 board for allowance or rejection. Upon allowance, the claim shall be
3 attached to a voucher verified by the claimant or his or her agent and
4 approved by the ((~~chairman~~)) chair of the board and countersigned by
5 the secretary and directed to the county auditor of the county in which
6 the office of the district treasurer is located, for the issuance of a
7 warrant against the proper fund of the district in payment of said
8 claim.

9 **Sec. 468.** RCW 86.09.562 and 1986 c 278 s 45 are each amended to
10 read as follows:

11 Said county treasurer shall pay out the moneys received or
12 deposited with him or her or any portion thereof upon warrants issued
13 by the county auditor of the same county of which the district
14 treasurer is an officer against the proper funds of the district except
15 the sums to be paid out of the special funds for interest and principal
16 payments on bonds or notes.

17 **Sec. 469.** RCW 86.09.619 and 1965 c 26 s 12 are each amended to
18 read as follows:

19 It shall be the duty of the board of directors of the district to
20 make adequate provision for the payment of all district bonds in
21 accordance with their terms by levy and collection of assessments or
22 otherwise and upon its failure so to do said levy and collection of
23 assessments shall be made as follows:

24 (1) If the annual assessment roll has not been delivered to the
25 county treasurer on or before the fifteenth day of January, he or she
26 shall notify the secretary by registered mail that the roll must be
27 delivered to him or her forthwith.

28 (2) If the roll is not delivered within ten days from the date of
29 mailing the notice, or if the roll has not been equalized and the levy
30 made, the treasurer shall immediately notify the county commissioners
31 of the county in which the office of the directors is situated, and
32 such commissioners shall cause an assessment roll for the district to
33 be prepared and shall equalize it if necessary, and make the levy in
34 the same manner and with like effect as if it had been made and
35 equalized by the directors, and all expenses incident thereto shall be
36 borne by the district.

1 (3) In case of neglect or refusal of the secretary to perform his
2 or her duties, the district treasurer shall perform them, and shall be
3 accountable therefor, on his or her official bond, as in other cases.

4 **Sec. 470.** RCW 86.09.703 and 1985 c 396 s 86 are each amended to
5 read as follows:

6 If funds are available the county legislative authority shall, at
7 the expense of the county, refer the petition to the county engineer
8 for a preliminary investigation as to the feasibility of the objects
9 sought by the petition. If the investigation discloses that the matter
10 petitioned for is feasible, conducive to the public welfare, consistent
11 with a comprehensive plan of development and in the best interest of
12 the district and will promote the purposes for which the district was
13 organized, the county legislative authority shall so find, approve the
14 petition, enter an order in his or her records declaring the
15 establishment of the new boundaries as petitioned for, or as modified
16 by him or her, and file a certified copy of the order with each county
17 auditor, without filing fee, and with the board.

18 The board shall forthwith cause a review of the classifications and
19 ratio of benefits, in the same manner and with the same effect as for
20 the determination of such matters in the first instance.

21 The lands in the original district shall remain bound for the whole
22 of the original unpaid assessment thereon for the payment of any
23 outstanding warrants or bonds to be paid by such assessments. Until
24 the assessments are collected and all indebtedness of the original
25 district paid, separate funds shall be maintained for the original
26 district and the revised district.

27 **Sec. 471.** RCW 86.13.030 and 1913 c 54 s 3 are each amended to read
28 as follows:

29 When such a contract shall have been entered into it shall be the
30 duty of each of the boards of county commissioners to make for their
31 respective counties, each year, a tax levy at a rate sufficient to meet
32 the requirements of the contract to be performed by the county, or
33 sufficient to provide such lesser amount as the boards of county
34 commissioners shall agree upon for such year, to be evidenced by
35 separate resolution of each board, and when such levy shall be made the
36 same shall be extended upon the tax rolls of the county levying the

1 same as other taxes shall be extended, and shall be collected in the
2 same manner and shall be a lien upon the property as in the case of
3 other taxes. The fund realized in each county by such tax levy shall
4 go into a separate fund in the treasury of the county collecting the
5 same, to be designated intercounty river improvement fund, and the
6 entire fund so collected in the two counties shall be devoted to and be
7 disbursed for the purposes specified in such contract and as in this
8 chapter provided, and for no other purpose, but without regard to the
9 particular county in which the work is performed, material required or
10 expenditure made, it being the intent that the entire fund realized in
11 the two counties shall be devoted to the one common purpose as if the
12 two counties were one county and the two funds one fund. The fund in
13 each county shall be disbursed by the county treasurer of such county
14 upon warrants signed by the county auditor of that county. Such
15 warrants shall be issued by order of the board of county commissioners
16 of such county, or a majority thereof. Each county auditor shall,
17 whenever requested by the county auditor of the other county, furnish
18 the county auditor of the other county a statement of payments into and
19 warrants drawn upon the fund of his or her county from time to time,
20 and in addition thereto, each county auditor shall on the first Monday
21 of January, April, July and October each year during the life of the
22 contract furnish the other a complete statement thereof. Obligations
23 incurred in the prosecution of such improvement and warrants issued
24 shall be payable only out of said special funds, and no general
25 obligation against or debt of either county shall be created thereby or
26 by any contract entered into by virtue of this chapter, but it is not
27 the intent of this chapter to deny to either county the right to have
28 in the courts any proper proceeding to compel compliance with such
29 contract on the part of the other county.

30 **Sec. 472.** RCW 86.13.050 and 1913 c 54 s 5 are each amended to read
31 as follows:

32 When such a contract shall have been entered into and occasion
33 shall arise for the joint action of the two boards of county
34 commissioners whether such joint action is provided for in this chapter
35 or otherwise desired upon any matter having relation to such contract
36 or the prosecution of such improvement, such joint action may be
37 secured by a notice calling a joint meeting signed by two county

1 commissioners, designating the time and place in either county of such
2 meeting, served by one of the two county auditors upon the remaining
3 county commissioners at least seven days (exclusive of the date of
4 service or mailing) prior to the time so designated. If the notice is
5 signed by two county commissioners of the same county the place of
6 meeting shall be at some place in the other county designated in the
7 notice. Such service may be personal or by mail addressed to the
8 member in care of the county auditor of his or her county. The six
9 county commissioners may constitute a legal meeting without notice by
10 being present together for that purpose. The auditor's certificate of
11 such personal service or mailing, attached to a copy of the notice,
12 shall be made a part of the records of the meeting and be competent
13 proof of the fact. Except in the case hereinafter provided for, the
14 presence of four of the county commissioners shall be necessary to
15 constitute a legal meeting. Each meeting shall be presided over by one
16 of those present selected by vote. The county auditor of the county
17 wherein the meeting is held shall be secretary of the meeting, and
18 shall make duplicate record of its proceedings, one of which, with his
19 or her certificate thereon, shall be forwarded to the county auditor of
20 the other county, and such record shall be a part of the record of the
21 board of county commissioners of each county. A majority vote of those
22 present at any legal meeting shall be determinative upon any question
23 properly considered at the meeting, and shall be binding upon each
24 county as if enacted or adopted by its own board of county
25 commissioners separately, but no joint meeting whatsoever shall in any
26 manner continue, extend, change, alter, modify, or abrogate the
27 contract when made or any of the terms and conditions contained
28 therein. Each county commissioner shall be paid out of said fund in
29 his or her own county all disbursements made by him or her for
30 traveling and other expenses incurred in attending any joint meeting or
31 in any way connected with the prosecution of the improvement. Any
32 legal meeting shall have power to adjourn to another time and place.
33 An adjourned meeting shall have all the powers of the meeting of which
34 it is an adjournment, but shall have no power after the end of the
35 thirtieth day following the date of the original meeting of which it is
36 an adjournment. If the three county commissioners of either county
37 shall fail to attend any two meetings consecutively called, the notice
38 for the next succeeding meeting may be also served upon the special

1 commissioner hereinafter provided for, and if he or she and three
2 county commissioners attend pursuant to such notice the four shall
3 constitute a legal meeting, but if he or she does not so attend and
4 three county commissioners do attend, the same shall constitute a legal
5 meeting: PROVIDED, All notices calling a joint meeting shall specify
6 distinctly and separately each question to be considered at said
7 meeting; and it shall be unlawful to consider any question at such
8 meeting or at any adjourned meeting thereof except those which have
9 been distinctly and separately specified, except in cases where all six
10 county commissioners are present or five county commissioners present
11 are unanimous on the question, and in any action which may be taken on
12 any question other than those specified in the notice shall be void and
13 shall not be binding on either county, except in cases where all six
14 county commissioners are present or the action was by unanimous vote of
15 five county commissioners present at such meeting.

16 **Sec. 473.** RCW 86.13.060 and 1913 c 54 s 6 are each amended to read
17 as follows:

18 When such a contract shall have been entered into there shall be
19 designated at the first legal joint meeting, or adjournment thereof,
20 held in each calendar year a special commissioner to serve as such
21 until the first joint meeting held in the ensuing year. If such
22 designation shall not be made at any such first annual meeting, the
23 United States engineer in charge of the district in which such
24 improvement is located shall be such special commissioner until the
25 next succeeding first annual meeting. If a special commissioner shall
26 for any reason fail to serve as such officer, or be removed by
27 unanimous vote of any legal meeting, a successor to him or her may be
28 chosen at any subsequent legal joint meeting during his or her term.
29 Such special commissioner shall have power to attend and vote at any
30 joint meeting in the following cases and none other, to wit: (1) In
31 cases specially so provided in RCW 86.13.050 hereof; (2) in any case
32 where the vote of any such joint meeting shall stand equally divided
33 upon any question arising under this chapter or such contract or in the
34 prosecution of the work of improvement. The special commissioner shall
35 have no voice or vote except upon questions on which the vote of the
36 county commissioners is equally divided. The procedure in cases
37 covered by the foregoing subdivision (2) of this section shall be

1 substantially as follows: It shall be the duty of the secretary of the
2 meeting at which the division shall occur, if the attendance of the
3 special commissioner at that meeting is not secured, to forthwith
4 transmit to the special commissioner written notice of the fact of
5 disagreement and the question involved, and of the time and place to
6 which the meeting shall have been adjourned or at which the question
7 will recur. If there shall be no such adjournment of the meeting, or
8 if the secretary shall not give such notice, any two commissioners may
9 in the manner provided in RCW 86.13.050 call a joint meeting for the
10 consideration of the question in dispute, and in such event either
11 county auditor may give such notice to the special commissioner. No
12 informality in the mode of securing the attendance of the special
13 commissioner shall invalidate the proceedings of or any vote taken at
14 any meeting which he or_she shall attend and which he or_she is
15 empowered to attend by the provisions of this chapter. The special
16 commissioner shall receive, to be paid equally out of the two funds,
17 his or_her traveling and other expenses incurred in attending meetings
18 or otherwise in connection with the work of improvement, and such
19 compensation for his or_her services as shall be fixed by the joint
20 meeting which shall have selected him or_her, or failing to be so
21 fixed, his or_her compensation shall be ten dollars per day of actual
22 service.

23 **Sec. 474.** RCW 86.13.090 and 1913 c 54 s 9 are each amended to read
24 as follows:

25 When such a contract shall have been entered into, it shall be
26 lawful to issue warrants upon said fund though there be at the time of
27 such issuance no money in the fund, but in such cases the aggregate of
28 such warrants so issued in any year shall not exceed one-half the
29 amount of the next annual tax levy required by such contract. Such
30 warrants shall be stamped by the county treasurer when presented to him
31 or_her for payment, to bear interest at a certain rate thereafter until
32 paid, such rate to be the then current rate as determined by the county
33 auditor.

34 **Sec. 475.** RCW 86.13.100 and 1915 c 103 s 1 are each amended to
35 read as follows:

1 pursuant to RCW 86.13.010 through 86.13.090, shall make an improvement
2 in connection with the course, channel, or flow of a river, shall
3 acquire property by statute, purchase, gift, or otherwise, said
4 counties, acting through their boards of county commissioners jointly
5 shall have the power, and are hereby authorized to sell, transfer,
6 trade, lease, or otherwise dispose of said property by public or
7 private, negotiation or sale. The deeds to the property so granted,
8 transferred, leased, or sold shall be executed by the ((~~chairman~~)
9 chair of the meeting of the joint boards of county commissioners, and
10 attested by the secretary of said joint meeting where the sale is
11 authorized. The proceeds of the sale of said property shall be used by
12 said counties for the carrying on, completion or maintenance of said
13 improvement, as directed by the boards of county commissioners of said
14 counties acting jointly.

15 **Sec. 476.** RCW 86.15.060 and 2005 c 127 s 1 are each amended to
16 read as follows:

19 The engineer may appoint such deputies and engage such employees,
20 specialists, and technicians as may be required by the zone and as are
21 authorized by the zone's budget. Subject to the approval of the
22 supervisors, the engineer may organize, or reorganize as required, the
23 zone into such departments, divisions, or other administrative
24 relationships as he or she deems necessary to its efficient operation.

25 (2) In a zone with supervisors elected pursuant to RCW 86.15.050,
26 the supervisors may provide for administration of the affairs of the
27 zone by other than the county engineer, pursuant to the authority
28 established in RCW 86.15.095 to hire employees, staff, and services and
29 to enter into contracts.

36 become available to a zone.

1 The treasurer shall also establish the following accounts within
2 the zone fund:

3 (1) For each flood control improvement financed by a bond issue, an
4 account to which shall be deposited the proceeds of any such bond
5 issue; and

6 (2) An account for each outstanding bond issue to which will be
7 deposited any revenues collected for the retirement of such outstanding

33 irrigation district they shall be treated the same as other lands,
34 except as hereinafter provided. The commissioner of public lands shall

23 as follows:

24 Where any district under contract with the United States has levied
25 any assessment for the collection of money payable to the United States
26 under such contract, and the secretary of the interior has by agreement
27 with the board of directors of said district, authorized the extension
28 or cancellation of any payments due to the United States by the
29 cancellation of assessments already levied therefor but remaining
30 unpaid, the board of directors of such district shall certify to the

5 shall, in those cases where the tract assessed has been sold to the
6 district, and the district is the owner of the certificate of sale,
7 require the district to surrender its certificate of sale and shall
8 thereupon deduct the amount of such cancellation plus the penalties
9 thereon upon the original assessment roll with an endorsement,
10 "Corrected under Certificate of Board of Directors" and he or she shall

18 cancellation shall have the same effect as though the lands had
19 originally not been assessed for the amounts so deducted and shall not
20 operate to bar the district of the right in making subsequent annual
21 assessments to levy and collect against such tracts the amount of any
22 money due the United States, including the amount of any assessments so
23 canceled.

24 **Sec. 502.** RCW 87.03.440 and 1996 c 320 s 18 and 1996 c 214 s 1 are

1 PROVIDED, That in those districts which designate their own treasurer,
2 the treasurer may issue the warrants or any checks when the district is

4 their issuance. The district treasurer shall report, in writing, on
5 the first Monday in each month to the directors, the amount in each
6 fund, the receipts for the month preceding in each fund, and file the
7 report with the secretary of the board. The secretary shall report to
8 the board, in writing, at the regular meeting in each month, the amount

7 existing laws shall be presented to the board as provided in RCW
8 4.96.020 and upon allowance it shall be attached to a voucher and
9 approved by the ((~~chairman~~)) chair and signed by the secretary and
10 directed to the proper official for payment: PROVIDED, That in the
11 event claimant's claim is for crop damage, the claimant in addition to
12 filing his or her claim within the applicable period of limitations
13 within which an action must be commenced and in the manner specified in
14 RCW 4.96.020 must file with the secretary of the district, or in the
15 secretary's absence one of the directors, not less than three days
16 prior to the severance of the crop alleged to be damaged, a written
17 preliminary notice pertaining to the crop alleged to be damaged. Such
18 preliminary notice, so far as claimant is able, shall advise the
19 district; that the claimant has filed a claim or intends to file a
20 claim against the district for alleged crop damage; shall give the name
21 and present residence of the claimant; shall state the cause of the
22 damage to the crop alleged to be damaged and the estimated amount of
23 damage; and shall accurately locate and describe where the crop alleged
24 to be damaged is located. Such preliminary notice may be given by
25 claimant or by anyone acting in his or her behalf and need not be
26 verified. No action may be commenced against an irrigation district
27 for crop damages unless claimant has complied with the provisions of
28 RCW 4.96.020 and also with the preliminary notice requirements of this
29 section.

36 as the board may designate and conditioned for the safekeeping of such
37 funds and the premium thereon shall be paid by the district.

1 Upon depositing any district funds the secretary shall demand and
2 the depositary bank shall furnish a surety bond, to be approved by the
3 board and the attorney, in an amount equal to the maximum deposit,
4 conditioned for the prompt payment of the deposits upon demand, and the
5 bond shall not be canceled during the time for which it was written.

15 notice, or at such other time or times to which the hearing of said
16 petition may be adjourned, shall proceed to hear the petition and all
17 the objections thereto presented in writing by any person showing
18 cause, as aforesaid, why said proposed change of the boundaries of the
19 district should not be made. The failure by any person interested in
20 said district, or in the matter of the proposed change of its
21 boundaries, to show cause in writing, as aforesaid, shall be deemed and
22 taken as an assent on his or her part to a change of the boundaries of
23 the district as prayed for in said petition, or to such a change
24 thereof as will include a part of said lands. And the filing of such
25 petition with said board, as aforesaid, shall be deemed and taken as an
26 assent on the part of each and all of such petitioners to such a change
27 of said boundaries that they may include the whole or any portion of
28 the lands described in said petition.

29 **Sec. 505.** RCW 87.03.610 and 1889-90 p 698 s 58 are each amended to

35 behalf of his or her ward or the estate which he or she represents,
36 upon being thereunto authorized by the proper court, sign and

1 acknowledge the petition in this act mentioned, and may show cause, as
2 in this act mentioned, why the boundaries of the district should not be

8 may be adjourned, shall proceed to hear the petition, and all
9 objections thereto presented in writing, by any person showing cause,
10 as aforesaid, why the prayer of said petition should not be granted.
11 The failure of any person interested in said district or consolidated
12 district to show cause, in writing, why the tract or tracts of land
13 mentioned in said petition should not be excluded from said district,
14 or the former district mentioned should not be excluded from the
15 consolidated district, as the case may be, shall be deemed and taken as
16 an assent by him or her to such exclusion, and the filing of such
17 petition with such board, as aforesaid, shall be deemed and taken as an
18 assent by each and all of such petitioners to such exclusion.

19 **Sec. 507.** RCW 87.03.690 and 1889-90 p 703 s 71 are each amended to
20 read as follows:

21 A guardian, and executor or an administrator of an estate who is
22 appointed as such under the laws of this state, and who, as such
23 guardian, executor or administrator, is entitled to the possession of
24 the lands belonging to the estate which he or she represents, may, on
25 behalf of his or her ward or the estate which he or she represents,
26 upon being thereto properly authorized by the proper court, sign and
27 acknowledge the petition in this act mentioned, and may show cause, as
28 in this act provided, why the boundaries of the district should not be
29 changed.

30 **Sec. 508.** RCW 87.03.760 and 1988 c 202 s 86 are each amended to
31 read as follows:

32 At the conclusion, or final adjournment, of the hearing provided
33 for in RCW 87.03.755, the board of directors of the district shall have
34 the power, by unanimous resolution to adopt the proposed plan, or such
35 modification thereof as may be determined by the board, and reduce the

1 boundaries of the district to such area as, in the judgment of the
2 board, can be furnished with sufficient water for successful irrigation
3 by the irrigation system of the district, and to exclude from the
4 district all lands lying outside of such reduced boundaries, and
5 provide for the repayment to the owners of any such excluded lands,
6 respectively, of any sums paid for assessments levied by the district,
7 and to cancel all unpaid assessments levied by the district against the
8 lands excluded and release such lands from further liability therefor.
9 Any person interested and feeling himself or herself aggrieved by the
10 adoption of such final resolution reducing the boundaries of the
11 district and excluding lands therefrom, shall have a right of appeal
12 from the action of the board to the superior court of the county in
13 which the district is situated, which appeal may be taken in the manner
14 provided by law for appeals from justices' courts, and if upon the
15 hearing of such appeal it shall be determined by the court that the
16 irrigation system of the district will not furnish sufficient water for
17 the successful irrigation of the lands included within the reduced
18 boundaries of the district, or that any lands have been excluded from
19 the district unnecessarily, arbitrarily, capriciously, or fraudulently
20 or without substantial reason for such exclusion, the court shall enter
21 a decree canceling and setting aside the proceedings of the board of
22 directors, otherwise the court shall enter a decree confirming the
23 action of the board. Any party to the proceedings on appeal in the
24 superior court, feeling himself or herself aggrieved by the decree of
25 the superior court confirming the action of the board of directors of
26 the district reducing the boundaries of the district and excluding
27 lands therefrom, may seek appellate review within thirty days after the
28 entry of the decree of the superior court in the manner provided by
29 law. If, at the expiration of thirty days from the entry of the final
30 resolution of the board of directors of the district reducing the
31 boundaries of the district and excluding lands therefrom, no appeal has
32 been taken to the superior court of the county in which the district is
33 situated, or if, after hearing upon appeal the superior court shall
34 confirm the action of the district, and at the expiration of thirty
35 days from the entry of such decree, no appellate review is sought, the
36 boundaries of the district shall thereafter be in accordance with the
37 resolution of the board reducing the boundaries, and all lands excluded
38 from the district by such resolution shall be relieved from all further

1 liability for any indebtedness of the district or any unpaid
2 assessments theretofore levied against such lands, and the owners of
3 excluded lands, upon which assessments have been paid, shall be
4 entitled to warrants of the district for all sums paid by reason of
5 such assessments, payable from a special fund created for that purpose,
6 for which levies shall be made upon the lands remaining in the
7 district, as the board of directors may provide.

8 **Sec. 509.** RCW 87.03.765 and 1988 c 202 s 87 are each amended to
9 read as follows:

10 Whenever it shall appear, to the satisfaction of the director of
11 ecology, that the irrigation system of any irrigation district, to
12 which the department of ecology of the state of Washington under a
13 contract with the district for the purchase of its bonds, has advanced
14 funds for the purpose of constructing an irrigation system for the
15 district, has been found incapable of furnishing sufficient water for
16 the successful irrigation of all of the lands of such district, and
17 that the board of directors of such district has reduced the boundaries
18 thereof and excluded from the district, as provided in RCW 87.03.750
19 through 87.03.760, sufficient lands to render such irrigation system
20 adequate for the successful irrigation of the lands of the district,
21 and that more than thirty days have elapsed since the adoption of the
22 resolution by the board of directors reducing the boundaries of the
23 district and excluding lands therefrom, and no appeal has been taken
24 from the action of the board, or that the action of the board has been
25 confirmed by the superior court of the county in which the district is
26 situated and no appeal has been taken to the supreme court or the court
27 of appeals, or that upon review by the supreme court or the court of
28 appeals the action of the board of directors of the district has been
29 confirmed, the director of ecology shall be and he or she is hereby
30 authorized to cancel and reduce the obligation of the district to the
31 department of ecology, for the repayment of moneys advanced for the
32 construction of an irrigation system for the district, to such amount
33 as, in his or her judgment, the district will be able to pay from
34 revenues derived from assessments upon the remaining lands of the
35 district, and to accept, in payment of the balance of the obligation of
36 the district, the authorized bonds of the district, in numerical order
37 beginning with the lowest number, on the basis of the percentage of the

1 face value thereof fixed in contracts between the district and the
2 department of ecology, in an amount equal to said balance of the
3 obligation of the district, in full and complete satisfaction of all
4 claims of the department of ecology against the district.

5 **Sec. 510.** RCW 87.03.820 and 1973 c 150 s 1 are each amended to
6 read as follows:

8 right-of-way real property held by an irrigation district is to be sold
9 or otherwise disposed of, notice shall be given to the owners of lands
10 adjoining that real property and such owners shall have a right of
11 first refusal to purchase at the appraised price all or any part of the
12 real property to be sold or otherwise disposed of which adjoins or is
13 adjacent to their land.

14 Real property to be sold or otherwise disposed of under this
15 section shall have been first appraised by the county assessor or by a
16 person designated by him or her.

17 Notice under this section shall be sufficient if sent by registered
18 mail to the owner, and at the address, as shown in the tax records of
19 the county in which the land is situated. Notice under this section
20 shall be in addition to any other notice required by law.

21 After sixty days from the date of sending of notice, if no
22 applications for purchase have been received by the irrigation district
23 or other person or entity sending notice, the rights of first refusal
24 of owners of adjoining lands shall be deemed to have been waived, and
25 the real property may be sold or otherwise disposed of.

26 If two or more owners of adjoining lands apply to purchase the same
27 real property, or apply to purchase overlapping parts of the real
28 property, the respective rights of the applicants may be determined in
29 the superior court of the county in which the real property is
30 situated; and the court may divide the real property in question
31 between some or all of the applicants or award the whole to one
32 applicant, as justice may require.

33 Any sale or other disposal of real property pursuant to chapters
34 87.52, 87.53, and 87.56 RCW shall be made in accordance with the
35 requirements of this section.

6 this amendatory act, shall be divided into divisions of as nearly equal
7 area as practical, consistent with being fair and equitable to the
8 electors of the district. The number of divisions shall be the same as
9 the number of directors, which shall be numbered first, second, third,
10 etc. One director, who shall be an elector of the division, shall be
11 elected for each division of the district by the electors of his or her
12 division. A district elector shall be considered an elector of the

22 Washington in and for the specified county to determine the maximum
23 benefits to be received by the lands within the operation of said
24 district from the issuance and disposal of said proposed bond issue,
25 and further to determine the irrigable acreage which will be assessed
26 for the payment of said bonds, shall state that a schedule of the lands
27 involved together with a statement of the amount of maximum benefits
28 received by the amount of irrigable acreage in each respectively, is on
29 file in said proceedings and may be inspected by any interested person,
30 shall state the time and place fixed for the hearing of the petition
31 and shall state that any person interested in such proceedings may on
32 or before the day fixed for said hearing file his or her written

16 complete transcript, to be furnished and certified by the district, of
17 the proceedings relating to the organization and establishment of the
18 district and relating to or affecting the validity of the bond issue

20 the legality of the same. If the attorney general finds that any of
21 the matters submitted in the transcript are not legally sufficient he
22 or she shall so state in his or her opinion to the director of ecology.
23 The district shall then be given an opportunity, if possible, to
24 correct the proceeding or thing complained of to the satisfaction of
25 the attorney general. If the attorney general finds that all the
26 matters submitted in the transcript as originally submitted or as
27 subsequently corrected are legally sufficient said director shall
28 thereupon file his or her report with the secretary of state and
29 forward a copy to the secretary of the district, to be kept among the

13 so joining, and one counterpart shall be filed with the board of county
14 commissioners of each county, and if the person who is such United

22 counties concerned, and as nearly as may be the same number from each
23 county. A counterpart of such resolution shall be recorded in the
24 minutes of the proceedings of the board of each county. The commission
25 shall make as many assessment rolls as there are counties joining and
26 one counterpart roll shall be certified by such ((~~chairman~~)) chair and
27 clerk of the joint board, and by such clerk filed with the board of
28 each of such counties.

29 **Sec. 545.** RCW 88.32.200 and 1907 c 236 s 15 are each amended to
30 read as follows:

31 For purposes of a board of equalization, said boards shall from
32 time to time meet as a joint board as aforesaid, and have a

17 inclusive, as far as relates to real estate in any individual county,
18 shall be as nearly as may be the same as if the local improvement
19 district and bond issue concerned that county only.

20 **Sec. 547.** RCW 89.08.010 and 1973 1st ex.s. c 184 s 2 are each
21 amended to read as follows:

22 It is hereby declared, as a matter of legislative determination:
23 (1) That the lands of the state of Washington are among the basic
24 assets of the state and that the preservation of these lands is
25 necessary to protect and promote the health, safety, and general
26 welfare of its people; that improper land-use practices have caused and
27 have contributed to, and are now causing and contributing to, a
28 progressively more serious erosion of the lands of this state by wind
29 and water; that the breaking of natural grass, plant, and forest cover
30 have interfered with the natural factors of soil stabilization, causing
31 loosening of soil and exhaustion of humus, and developing a soil
32 condition that favors erosion; that the topsoil is being blown and
33 washed off of lands; that there has been an accelerated washing of
34 sloping lands; that these processes of erosion by wind and water speed
35 up with removal of absorptive topsoil, causing exposure of less
36 absorptive and less protective but more erosive subsoil; that failure

1 by any land occupier to conserve the soil and control erosion upon his
2 or her lands may cause a washing and blowing of soil from his or her
3 lands onto other lands and makes the conservation of soil and control
4 of erosion on such other lands difficult or impossible, and that
5 extensive denuding of land for development creates critical erosion
6 areas that are difficult to effectively regenerate and the resulting
7 sediment causes extensive pollution of streams, ponds, lakes, and other
8 waters.

9 (2) That the consequences of such soil erosion in the form of soil
10 blowing and soil washing are the silting and sedimentation of stream
11 channels, reservoirs, dams, ditches, and harbors, and loading the air
12 with soil particles; the loss of fertile soil material in dust storms;
13 the piling up of soil on lower slopes and its deposit over alluvial
14 plains; the reduction in productivity or outright ruin of rich bottom
15 lands by overwash of poor subsoil material, sand, and gravel swept out
16 of the hills; deterioration of soil and its fertility, deterioration of
17 crops grown thereon, and declining acre yields despite development of
18 scientific processes for increasing such yields; loss of soil and water
19 which causes destruction of food and cover for wildlife; a blowing and
20 washing of soil into streams which silts over spawning beds, and
21 destroys water plants, diminishing the food supply of fish; a
22 diminishing of the underground water reserve, which causes water
23 shortages, intensifies periods of drought, and causes crop failures; an
24 increase in the speed and volume of rainfall run-off, causing severe
25 and increasing floods, which bring suffering, disease, and death;
26 impoverishment of families attempting to farm eroding and eroded lands;
27 damage to roads, highways, railways, buildings, and other property from
28 floods and from dust storms; and losses in navigation, hydroelectric
29 power, municipal water supply, irrigation developments, farming, and
30 grazing.

31 (3) That to conserve soil resources and control and prevent soil
32 erosion and prevent flood water and sediment damages, and further
33 agricultural and nonagricultural phases of the conservation,
34 development, utilization, and disposal of water, it is necessary that
35 land-use practices contributing to soil wastage and soil erosion be
36 discouraged and discontinued, and appropriate soil-conserving land-use
37 practices, and works of improvement for flood prevention of
38 agricultural and nonagricultural phases of the conservation,

1 development, utilization, and disposal of water be adopted and carried
2 out; that among the procedures necessary for widespread adoption, are
3 the carrying on of engineering operations such as the construction of
4 terraces, terrace outlets, check-dams, desilting basins, flood water
5 retarding structures, channel floodways, dikes, ponds, ditches, and the
6 like; the utilization of strip cropping, contour cultivating, and
7 contour furrowing; land irrigation; seeding and planting of waste,
8 sloping, abandoned, or eroded lands to water-conserving and erosion-
9 preventing plants, trees, and grasses; forestation and reforestation;
10 rotation of crops; soil stabilizations with trees, grasses, legumes,
11 and other thick-growing, soil-holding crops, retardation of run-off by
12 increasing absorption of rainfall; and retirement from cultivation of
13 steep, highly erosive areas and areas now badly gullied or otherwise
14 eroded.

15 (4) Whereas, there is a pressing need for the conservation of
16 renewable resources in all areas of the state, whether urban, suburban,
17 or rural, and that the benefits of resource practices, programs, and
18 projects, as carried out by the state conservation commission and by
19 the conservation districts, should be available to all such areas;
20 therefore, it is hereby declared to be the policy of the legislature to
21 provide for the conservation of the renewable resources of this state,
22 and for the control and prevention of soil erosion, and for the
23 prevention of flood water and sediment damages, and for furthering
24 agricultural and nonagricultural phases of conservation, development,
25 utilization, and disposal of water, and thereby to preserve natural
26 resources, control floods, prevent impairment of dams and reservoirs,
27 assist in maintaining the navigability of rivers and harbors, preserve
28 wildlife, protect the tax base, protect public lands, and protect and
29 promote the health, safety, and general welfare of the people of this
30 state. To this end all incorporated cities and towns heretofore
31 excluded from the boundaries of a conservation district established
32 pursuant to the provisions of the state conservation district law, as
33 amended, may be approved by the conservation commission as being
34 included in and deemed a part of the district upon receiving a petition
35 for annexation signed by the governing authority of the city or town
36 and the conservation district within the exterior boundaries of which
37 it lies in whole or in part or to which it lies closest.

1 **Sec. 548.** RCW 89.08.170 and 1973 1st ex.s. c 184 s 18 are each
2 amended to read as follows:

3 If the secretary of state finds that the name of the proposed
4 district is such as will not be confused with that of any other
5 district, he or she shall enter the application and statement in his or
6 her records. If he or she finds the name may be confusing, he or she
7 shall certify that fact to the commission, which shall submit a new
8 name free from such objections, and he or she shall enter the
9 application and statement as modified, in his or her records.
10 Thereupon the district shall be considered organized into a body
11 corporate.

12 The secretary of state shall then issue to the supervisors a
13 certificate of organization of the district under the seal of the
14 state, and shall record the certificate in his or her office. Proof of
15 the issuance of the certificate shall be evidence of the establishment
16 of the district, and a certified copy of the certificate shall be
17 admissible as evidence and shall be proof of the filing and contents
18 thereof. The name of a conservation district may be changed upon
19 recommendation by the supervisors of a district and approval by the
20 state conservation commission and the secretary of state. The new name
21 shall be recorded by the secretary of state following the same general
22 procedure as for the previous name.

23 **Sec. 549.** RCW 89.08.180 and 1999 c 305 s 6 are each amended to
24 read as follows:

25 Territory may be added to an existing district upon filing a
26 petition as in the case of formation with the commission by twenty
27 percent of the voters of the affected area to be included. The same
28 procedure shall be followed as for the creation of the district.

29 As an alternate procedure, the commission may upon the petition of
30 a majority of the voters in any one or more districts or in unorganized
31 territory adjoining a conservation district change the boundaries of a
32 district, or districts, if such action will promote the practical and
33 feasible administration of such district or districts.

34 Upon petition of the boards of supervisors of two or more
35 districts, the commission may approve the combining of all or parts of
36 such districts and name the district, or districts, with the approval

1 of the name by the secretary of state. A public hearing and/or a
2 referendum may be held if deemed necessary or desirable by the
3 commission in order to determine the wishes of the voters.

4 When districts are combined, the joint boards of supervisors will
5 first select a (~~chairman~~) chair, secretary, and other necessary
6 officers and select a regular date for meetings. All elected
7 supervisors will continue to serve as members of the board until the
8 expiration of their current term of office, and/or until the election
9 date nearest their expiration date. All appointed supervisors will
10 continue to serve until the expiration of their current term of office,
11 at which time the commission will make the necessary appointments. In
12 the event that more than two districts are combined, a similar
13 procedure will be set up and administered by the commission.

14 When districts are combined or territory is moved from one district
15 to another, the property, records, and accounts of the districts
16 involved shall be distributed to the remaining district or districts as
17 approved by the commission. A new certificate of organization, naming
18 and describing the new district or districts, shall be issued by the
19 secretary of state.

20 **Sec. 550.** RCW 89.08.200 and 1973 1st ex.s. c 184 s 21 are each
21 amended to read as follows:

23 until his or her successor is appointed or elected and qualified,
24 except that the supervisors first appointed shall serve for one and two
25 years respectively from the date of their appointments, as designated
26 in their appointments.

27 In the case of elected supervisors, the term of office of each
28 supervisor shall be three years and until his or her successor is
29 elected and qualified, except that for the first election, the one
30 receiving the largest number of votes shall be elected for three years;
31 the next largest two years; and the third largest one year. Successors
32 shall be elected for three-year terms.

33 Vacancies in the office of appointed supervisors shall be filled by
34 the state conservation commission. Vacancies in the office of elected
35 supervisors shall be filled by appointment made by the remaining
36 supervisors for the unexpired term.

1 A majority of the supervisors shall constitute a quorum and the
2 concurrence of a majority is required for any official action or
3 determination.

4 Supervisors shall serve without compensation, but they shall be
5 entitled to expenses, including traveling expenses, necessarily
6 incurred in discharge of their duties. A supervisor may be removed by
7 the state conservation commission upon notice and hearing, for neglect
8 of duty or malfeasance in office, but for no other reason.

9 The governing board shall designate a ((~~chairman~~)) chair from time
10 to time.

11 **Sec. 551.** RCW 89.08.210 and 2000 c 45 s 1 are each amended to read
12 as follows:

20 duties as it deems proper. The supervisors shall furnish to the
21 commission, upon request, copies of such internal rules, regulations,
22 orders, contracts, forms, and other documents as they shall adopt or

24 commission may require in the performance of its duties under chapter
25 184, Laws of 1973 1st ex. sess. The supervisors shall provide for the
26 execution of surety bonds for officers and all employees who shall be
27 entrusted with funds or property.

28 The supervisors shall provide for the keeping of a full and
29 accurate record of all proceedings, resolutions, regulations, and
30 orders issued or adopted. The supervisors shall provide for an annual
31 audit of the accounts of receipts and disbursements in accordance with
32 procedures prescribed by regulations of the commission.

33 The board may invite the legislative body of any municipality or
34 county near or within the district, to designate a representative to
35 advise and consult with it on all questions of program and policy which
36 may affect the property, water supply, or other interests of such
37 municipality or county. The governing body of a district shall appoint

1 such advisory committees as may be needed to assure the availability of
2 appropriate channels of communication to the board of supervisors, to
3 persons affected by district operations, and to local, regional, state
4 and interstate special-purpose districts and agencies responsible for
5 community planning, zoning, or other resource development activities.
6 The district shall keep such committees informed of its work, and such
7 advisory committees shall submit recommendations from time to time to
8 the board of supervisors.

16 water as he or she may deem just. The bond shall be filed within five
17 days following the service of notice of appeal in an amount to be fixed
18 by the court and with sureties satisfactory to the court, conditioned

36 validity and extent of the right, the court must certify to the
37 pollution control hearings board for review and decision those portions

1 of the department's decision. Review by the pollution control hearings
2 board shall be conducted consistent with chapter 43.21B RCW and the
3 board's implementing regulations, except that the requirements for
4 filing, service, and content of the notice of appeal shall be governed
5 by (a) of this subsection. Any party to an appeal may move the court
6 to certify portions of the appeal to the pollution control hearings
7 board, but the appellant must file a motion for certification no later
8 than ninety days after the appeal is filed under this section.

9 (d) Appeals shall be scheduled to afford all parties full
10 opportunity to participate before the superior court and the pollution
11 control hearings board.

12 (e) Any person wishing to appeal the decision of the board made

2 the department as in this chapter provided. The construction of any
3 ditch, canal or works, or performing any work in connection with said

5 an appropriation of such water nor an act for the purpose of
6 appropriating water unless a permit to make said appropriation has

3 occupied, or controlled by any person, association, or corporation, or

25 When two or more persons, joint owners in an irrigation ditch or
26 reservoir, not incorporated, or their lessees, are unable to agree
27 relative to the division or distribution of water received through
28 their ditch or from their reservoir, and where there is no disagreement
29 as to the ownership of said water, it shall be lawful for any such
30 owner or owners, his or her or their lessee or lessees, or either of
31 them, to apply to the department, in writing, setting forth such fact
32 and giving such information as shall enable the department to estimate
33 the probable expense of such service, asking the department to appoint
34 some suitable person to take charge of such ditch or reservoir for the
35 purpose of making a just division or distribution of the water from the
36 same to the parties entitled to the use thereof. The department shall
37 upon the receipt of such application notify the applicant of the

1 probable expense of such division and upon receipt of certified check
2 for said amount, the department shall appoint a suitable person to make
3 such division. The person so appointed shall take exclusive charge of
4 such ditch or reservoir for the purpose of dividing the water therefrom
5 in accordance with the established rights of the diverters therefrom,
6 and continue the said work until the necessity therefor shall cease to
7 exist. The expense of such investigation and division shall be a
8 charge upon all of the co-owners and the person advancing the payment
9 to the department shall be entitled to recover in any court of
10 competent jurisdiction from his or her co-owners their proportionate
11 share of the expense.

12 **Sec. 600.** RCW 90.03.450 and 1919 c 71 s 5 are each amended to read

18 secure payment of said claim by filing an itemized and sworn statement
19 thereof, setting forth the date of the performance and the nature of
20 the labor so performed, with the county auditor of the county wherein
21 said ditch is situated, and when so filed it shall constitute a valid
22 lien against the interest of such person or persons who shall fail to
23 perform their proportionate share of the work requisite to the proper
24 maintenance of said ditch, which said lien when so taken may be
25 enforced in the same manner as provided by law for the enforcement of
26 mechanics' and builders' liens.

27 **Sec. 601.** RCW 90.08.040 and 1977 c 22 s 1 are each amended to read
28 as follows:

29 Where water rights of a stream have been adjudicated a stream
30 (~~(patrolman)~~) patroller shall be appointed by the director of the
31 department of ecology upon application of water users having
32 adjudicated water rights in each particular water resource making a
33 reasonable showing of the necessity therefor, which application shall
34 have been approved by the district water master if one has been
35 appointed, at such time, for such stream, and for such periods of

1 service as local conditions may indicate to be necessary to provide the
2 most practical supervision and to secure to water users and owners the
3 best protection in their rights.

4 The stream ((~~patrolman~~)) patroller shall have the same powers as a
5 water master appointed under RCW 90.03.060, but his or her district
6 shall be confined to the regulation of waters of a designated stream or
7 streams. Such ((~~patrolman~~)) patroller shall be under the supervision
8 of the director or his or her designated representative. He or she
9 shall also enforce such special rules and regulations as the director

12 as follows:

13 Each stream ((~~patrolman~~)) patroller shall receive a wage per day
14 for each day actually employed in the duties of his or her office, or
15 if employed by the month, he or she shall receive a salary per month,
16 which wage or salary shall be fixed in the manner provided by law for
17 the fixing of the salaries or compensation of other state officers or
18 employees, plus travel expenses in accordance with RCW 43.03.050 and
19 43.03.060 as now existing or hereafter amended, to be paid by the
20 county in which the work is performed. In case the service extends
21 over more than one county, each county shall pay its equitable part of
22 such wage to be apportioned by the director. He or she shall be
23 reimbursed for actual necessary expenses when absent from his or her
24 designated headquarters in the performance of his or her duties, such
25 expense to be paid by the county in which he or she renders the

31 The salary of the stream ((~~patrolman~~)) patroller shall be borne by
32 the water users receiving the benefits and shall be paid to the county
33 or counties in the following manner:

34 The county or counties may assess each water user for his or her
35 proportionate share of the total stream ((~~patrolman~~)) patroller expense
36 in the same ratio that the amount of water diverted by him or her bears

1 to the total amount diverted from the stream during each season, on an
2 annual basis, to recover all such county expenses. The stream
3 (~~patrolman~~) patroller shall keep an accurate record of the amount of
4 water diverted by each water user coming under his or her supervision.
5 On the first of each month the stream (~~patrolman~~) patroller shall
6 present his or her record of water diversion to the county or counties
7 for the preceding month. Where the water users are organized into an
8 irrigation district or water users' association, such organization may
9 enter into an agreement with the county or counties for direct payment
10 to the stream (~~patrolman~~) patroller in order to minimize
11 administrative costs.

12 **Sec. 604.** RCW 90.08.070 and 1977 c 22 s 4 are each amended to read
13 as follows:

14 Upon failure of any water user to pay his or her proportionate
15 share of the expense referred to in RCW 90.08.050 and 90.08.060, the
16 county or counties shall be entitled to sue for and recover any such

28 persons on a form prepared by the department for the total benefits of
29 each person served; provided that a separate claim shall be filed by
30 such company, district, public or private corporation, or the United
31 States for each operating unit of the filing entity providing such
32 water and for each water source. Within thirty days after receipt of
33 a statement of claim the department shall acknowledge the same by a
34 notation on one copy indicating receipt thereof and the date of
35 receipt, together with the wording of the first sentence of RCW
36 90.14.081, and shall return said copy by certified or registered mail

1 to the claimant at the address set forth in the statement of claim. No

13 in at least one newspaper published in each county of the state, at
14 least once each year for five consecutive years.

15 (2) It shall cause a notice substantially the same as a notice in
16 writing to be broadcast by each commercial television station operating
17 in the United States and viewed in the state, and by at least one
18 commercial radio station operating from each county of the state having
19 such a station regularly at six month intervals for five consecutive
20 years.

21 (3) It shall cause a notice in writing to be placed in a prominent
22 and conspicuous location in each county court house in the state.

23 (4) The county treasurer of each county shall enclose with each
24 mailing of one or more statements of taxes due issued in 1972 a copy of
25 a notice in writing and a declaration that it shall be the duty of the
26 recipient of the statement of taxes due to forward the notice to the
27 beneficial owner of the property. A sufficient number of copies of the
28 notice and declaration shall be supplied to each county treasurer by
29 the director of ecology before the fifteenth day of January, 1972. In

36 years 1970, 1971, 1972, 1973, and 1974.

1 The director of the department may also in his or her discretion
2 give notice in any other manner which will carry out the purposes of
3 this section. Where notice in writing is given pursuant to subsections

5 shall be set forth and quoted in full.

6 **Sec. 607.** RCW 90.14.130 and 1987 c 109 s 13 are each amended to
7 read as follows:

8 When it appears to the department of ecology that a person entitled
9 to the use of water has not beneficially used his or her water right or
10 some portion thereof, and it appears that said right has or may have
11 reverted to the state because of such nonuse, as provided by RCW
12 90.14.160, 90.14.170, or 90.14.180, the department of ecology shall
13 notify such person by order: PROVIDED, That where a company,

15 under the provisions of RCW 90.14.060 for the total benefits of those
16 served by it, the notice shall be served on such company, association,
17 district or the United States and not upon any of its individual water
18 users who may not have used the water or some portion thereof which
19 they were entitled to use. The order shall contain: (1) A description
20 of the water right, including the approximate location of the point of
21 diversion, the general description of the lands or places where such
22 waters were used, the water source, the amount involved, the purpose of
23 use, and the apparent authority upon which the right is based; (2) a
24 statement that unless sufficient cause be shown on appeal the water
25 right will be declared relinquished; and (3) a statement that such
26 order may be appealed to the pollution control hearings board. Any
27 person aggrieved by such an order may appeal it to the pollution
28 control hearings board pursuant to RCW 43.21B.310. The order shall be
29 served by registered or certified mail to the last known address of the
30 person and be posted at the point of diversion or withdrawal. The order
31 by itself shall not alter the recipient's right to use water, if any.

32 **Sec. 608.** RCW 90.14.170 and 1967 c 233 s 17 are each amended to
33 read as follows:

34 Any person entitled to divert or withdraw waters of the state by
35 virtue of his or her ownership of land abutting a stream, lake, or
36 watercourse, who abandons the same, or who voluntarily fails, without

1 sufficient cause, to beneficially use all or any part of said right to
2 withdraw or divert said water for any period of five successive years
3 after July 1, 1967, shall relinquish such right or portion thereof, and
4 such right or portion thereof shall revert to the state, and the waters
5 affected by said right shall become available for appropriation in
6 accordance with the provisions of RCW 90.03.250.

7 **Sec. 609.** RCW 90.24.020 and 1939 c 107 s 3 are each amended to

10 surrounding said lake with the number of front feet contained in each
11 tract with the name of the owner thereof and his or her address
12 together with a brief statement of the reasons and necessity for such
13 application; that the level sought to be established will in no wise
14 interfere with the navigability of said lake or in any manner affect or
15 interfere with fish or game fish which may be then contained or may
16 thereafter be deposited in said lake, but that in order to protect fish
17 or game fish in said lake the construction of fish ladders or other
18 devices may be required to conserve and protect such fish or game fish,
19 then in that event the property owners to be benefited by the
20 establishment of said water level in such lake shall be required to pay
21 the cost thereof, in proportion to lineal feet of water front owned by
22 each.

23 **Sec. 610.** RCW 90.24.050 and 1988 c 127 s 82 are each amended to
24 read as follows:

25 In the event the court shall find that to protect fish and game
26 fish in said lake that fish ladders or other devices should be
27 constructed therein or that other construction shall be necessary in
28 order to maintain the determined lake level, the court shall find the
29 proper device to be constructed, the probable cost thereof and by its
30 order and judgment shall apportion the cost thereof among the persons
31 whose property abuts on said lake in proportion to the lineal feet of
32 waterfront owned by each, which sum so found shall constitute a lien
33 against said real property and shall be paid to the county treasurer
34 and by him or her placed in a special fund to be known as "Lake
35 Improvement Fund." The director of ecology shall appoint

1 a suitable person to be compensated by the property owners to regulate

3 **Sec. 611.** RCW 90.44.110 and 1987 c 109 s 114 are each amended to
4 read as follows:

5 No public groundwaters that have been withdrawn shall be wasted
6 without economical beneficial use. The department shall require all
7 wells producing waters which contaminate other waters to be plugged or
8 capped. The department shall also require all flowing wells to be so
9 capped or equipped with valves that the flow of water can be completely
10 stopped when the wells are not in use under the terms of their
11 respective permits or approved declarations of vested rights.
12 Likewise, the department shall also require both flowing and nonflowing
13 wells to be so constructed and maintained as to prevent the waste of
14 public groundwaters through leaky casings, pipes, fittings, valves, or
15 pumps--either above or below the land surface: PROVIDED, HOWEVER, That
16 the withdrawal of reasonable quantities of public groundwater in
17 connection with the construction, development, testing, or repair of a
18 well shall not be construed as waste; also, that the inadvertent loss
19 of such water owing to breakage of a pump, valve, pipe, or fitting
20 shall not be construed as waste if reasonable diligence is shown by the
21 permittee in effecting the necessary repair.

22 In the issuance of an original permit, or of an amendment to an
23 original permit or certificate of vested right to withdraw and
24 appropriate public groundwaters under the provisions of this chapter,
25 the department may, as in his or her judgment is necessary, specify for
26 the proposed well or wells or other works a manner of construction
27 adequate to accomplish the provisions of this section.

28 **Sec. 612.** RCW 90.44.130 and 1987 c 109 s 116 are each amended to
29 read as follows:

30 As between appropriators of public groundwater, the prior
31 appropriator shall as against subsequent appropriators from the same
32 groundwater body be entitled to the preferred use of such groundwater
33 to the extent of his or her appropriation and beneficial use, and shall
34 enjoy the right to have any withdrawals by a subsequent appropriator of
35 groundwater limited to an amount that will maintain and provide a safe
36 sustaining yield in the amount of the prior appropriation. The

1 department shall have jurisdiction over the withdrawals of groundwater
2 and shall administer the groundwater rights under the principle just
3 set forth, and it shall have the jurisdiction to limit withdrawals by
4 appropriators of groundwater so as to enforce the maintenance of a safe
5 sustaining yield from the groundwater body. For this purpose, the
6 department shall have authority and it shall be its duty from time to
7 time, as adequate factual data become available, to designate
8 groundwater areas or subareas, to designate separate depth zones within
9 any such area or subarea, or to modify the boundaries of such existing
10 area, or subarea, or zones to the end that the withdrawals therefrom
11 may be administratively controlled as prescribed in RCW 90.44.180 in
12 order that overdraft of public groundwaters may be prevented so far as
13 is feasible. Each such area or zone shall, as nearly as known facts
14 permit, be so designated as to enclose a single and distinct body of
15 public groundwater. Each such subarea may be so designated as to
16 enclose all or any part of a distinct body of public groundwater, as
17 the department deems will most effectively accomplish the purposes of
18 this chapter.

19 Designation of, or modification of the boundaries of such a
20 groundwater area, subarea, or zone may be proposed by the department on
21 its own motion or by petition to the department signed by at least
22 fifty or one-fourth, whichever is the lesser number, of the users of
23 groundwater in a proposed groundwater area, subarea, or zone. Before
24 any proposed groundwater area, subarea, or zone shall be designated, or
25 before the boundaries or any existing groundwater area, subarea, or
26 zone shall be modified the department shall publish a notice setting
27 forth: (1) In terms of the appropriate legal subdivisions a
28 description of all lands enclosed within the proposed area, subarea, or
29 zone, or within the area, subarea, or zone whose boundaries are
30 proposed to be modified; (2) the object of the proposed designation or
31 modification of boundaries; and (3) the day and hour, and the place
32 where written objections may be submitted and heard. Such notice shall
33 be published in three consecutive weekly issues of a newspaper of
34 general circulation in the county or counties containing all or the
35 greater portion of the lands involved, and the newspaper of publication
36 shall be selected by the department. Publication as just prescribed
37 shall be construed as sufficient notice to the landowners and water
38 users concerned.

1 Objections having been heard as herein provided, the department
2 shall make and file in its office written findings of fact with respect
3 to the proposed designation or modification and, if the findings are in
4 the affirmative, shall also enter a written order designating the
5 groundwater area, or subarea, or zone or modifying the boundaries of
6 the existing area, subarea, or zone. Such findings and order shall
7 also be published substantially in the manner herein prescribed for
8 notice of hearing, and when so published shall be final and conclusive
9 unless an appeal therefrom is taken within the period and in the manner
10 prescribed by RCW 43.21B.310. Publication of such findings and order
11 shall give force and effect to the remaining provisions of this section
12 and to the provisions of RCW 90.44.180, with respect to the particular
13 area, subarea, or zone.

14 Priorities of right to withdraw public groundwater shall be
15 established separately for each groundwater area, subarea, or zone and,
16 as between such rights, the first in time shall be the superior in
17 right. The priority of the right acquired under a certificate of
18 groundwater right shall be the date of filing of the original
19 application for a withdrawal with the department, or the date or
20 approximate date of the earliest beneficial use of water as set forth
21 in a certificate of a vested groundwater right, under the provisions of
22 RCW 90.44.090.

23 Within ninety days after the designation of a groundwater area,
24 subarea, or zone as herein provided, any person, firm, or corporation
25 then claiming to be the owner of artificially stored groundwater within
26 such area, subarea, or zone shall file a certified declaration to that
27 effect with the department on a form prescribed by the department.
28 Such declaration shall cover: (1) The location and description of the
29 works by whose operation such artificial groundwater storage is
30 purported to have been created, and the name or names of the owner or
31 owners thereof; (2) a description of the lands purported to be
32 underlain by such artificially stored groundwater, and the name or
33 names of the owner or owners thereof; (3) the amount of such water
34 claimed; (4) the date or approximate date of the earliest artificial
35 storage; (5) evidence competent to show that the water claimed is in
36 fact water that would have been dissipated naturally except for
37 artificial improvements by the claimant; and (6) such additional
38 factual information as reasonably may be required by the department.

1 If any of the purported artificially stored groundwater has been or
2 then is being withdrawn, the claimant also shall file (1) the
3 declarations which this chapter requires of claimants to a vested right
4 to withdraw public groundwaters, and (2) evidence competent to show
5 that none of the water withdrawn under those declarations is in fact
6 public groundwater from the area, subarea, or zone concerned:
7 PROVIDED, HOWEVER, That in case of failure to file a declaration within
8 the ninety-day period herein provided, the claimant may apply to the
9 department for a reasonable extension of time, which shall not exceed
10 two additional years and which shall be granted only upon a showing of
11 good cause for such failure.

12 Following publication of the declaration and findings--as in the
13 case of an original application, permit, or certificate of right to
14 appropriate public groundwaters--the department shall accept or reject
15 such declaration or declarations with respect to ownership or
16 withdrawal of artificially stored groundwater. Acceptance of such
17 declaration or declarations by the department shall convey to the
18 declarant no right to withdraw public groundwaters from the particular
19 area, subarea, or zone, nor to impair existing or subsequent rights to
20 such public waters.

21 Any person, firm, or corporation hereafter claiming to be the owner
22 of groundwater within a designated groundwater area, subarea, or zone
23 by virtue of its artificial storage subsequent to such designation
24 shall, within three years following the earliest artificial storage
25 file a declaration of claim with the department, as herein prescribed
26 for claims based on artificial storage prior to such designation:
27 PROVIDED, HOWEVER, That in case of such failure the claimant may apply
28 to the department for a reasonable extension of time, which shall not
29 exceed two additional years and which shall be granted upon a showing
30 of good cause for such failure.

31 Any person, firm, or corporation hereafter withdrawing groundwater
32 claimed to be owned by virtue of artificial storage subsequent to
33 designation of the relevant groundwater area, subarea, or zone shall,
34 within ninety days following the earliest such withdrawal, file with
35 the department the declarations required by this chapter with respect
36 to withdrawals of public groundwater.

1 **Sec. 613.** RCW 90.48.095 and 1991 c 200 s 1103 are each amended to
2 read as follows:

3 In carrying out the purposes of this chapter or chapter 90.56 RCW
4 the department shall, in conjunction with either the adoption of rules,
5 consideration of an application for a waste discharge permit or the
6 termination or modification of such permit, or proceedings in
7 adjudicative hearings, have the authority to issue process and subpoena
8 witnesses effective throughout the state on its own behalf or that of
9 an interested party, compel their attendance, administer oaths, take
10 the testimony of any person under oath and, in connection therewith
11 require the production for examination of any books or papers relating
12 to the matter under consideration by the department. In case of
13 disobedience on the part of any person to comply with any subpoena
14 issued by the department, or on the refusal of any witness to testify
15 to any matters regarding which he or she may be lawfully interrogated,
16 it shall be the duty of the superior court of any county, or of the
17 judge thereof, on application of the department, to compel obedience by
18 proceedings for contempt, as in the case of disobedience of the
19 requirements of a subpoena issued from such court or a refusal to
20 testify therein. In connection with the authority granted under this
21 section no witness or other person shall be required to divulge trade
22 secrets or secret processes. Persons responding to a subpoena as
23 provided herein shall be entitled to fees as are witnesses in superior
24 court.

25 **Sec. 614.** RCW 90.58.170 and 1994 c 253 s 1 are each amended to
26 read as follows:

27 A shorelines hearings board sitting as a quasi-judicial body is
28 hereby established within the environmental and land use hearings
29 office under RCW 43.21B.005. The shorelines hearings board shall be
30 made up of six members: Three members shall be members of the
31 pollution control hearings board; two members, one appointed by the
32 association of Washington cities and one appointed by the association
33 of county commissioners, both to serve at the pleasure of the
34 associations; and the commissioner of public lands or his or her
35 designee. The ((~~chairman~~)) chair of the pollution control hearings
36 board shall be the ((~~chairman~~)) chair of the shorelines hearings board.
37 Except as provided in RCW 90.58.185, a decision must be agreed to by at

1 least four members of the board to be final. The members of the
2 shorelines (~~(hearings)~~) hearings board shall receive the
3 compensation, travel, and subsistence expenses as provided in RCW
4 43.03.050 and 43.03.060.

5 **Sec. 615.** RCW 91.08.030 and 1911 c 23 s 3 are each amended to read
6 as follows:

7 The plan of such proposed waterway shall be presented to the board
8 by a written petition of owners of lands which it is represented will
9 be improved by the construction, deepening or widening of such
10 waterway; and such petition shall be signed by the owners of thirty-
11 five percent or more of the area of lands in the district, and shall be
12 verified by one or more of the petitioners to the effect that the
13 signatures attached are the genuine signature of the persons or
14 corporations signing the same. Each petitioner shall add a description
15 of the lands he or she owns. If petitioners are unmarried persons they
16 shall so state. If lands are owned by married persons, husband and
17 wife shall join in the petition. If a petitioner is a corporation, the
18 signature shall be accompanied by a certified copy of a resolution of
19 the board of directors or trustees of the corporation authorizing the
20 person signing the petition for the corporation to execute it. If
21 lands included in the petition are owned by minors, insane persons, or
22 other persons under guardianship in this state, the petition may be
23 signed by the guardians of such persons: PROVIDED, That the signature
24 be accompanied by a certified copy of an order of the superior court
25 having the guardianship of such person in charge, authorizing the
26 guardian to sign the petition. A petition may consist of one or more
27 separate papers or sheets which are identified with the subject matter.

28 The petitioners shall file with the board, with their petition, a
29 map of the lands in the district and a statement showing each separate
30 ownership of lands as shown by the public records of the county, and
31 their location in the county, with the names of the owners as shown by
32 such records, and the location of the proposed waterway if a new
33 waterway is to be constructed. If an existing waterway is to be
34 deepened the map shall show its location, and if it is to be widened
35 the map shall show its location and the extent to which it is to be
36 widened. With the petition there shall also be presented satisfactory
37 evidence from the real property records of the county that the

1 petitioners are severally the owners in fee simple of their respective
2 tracts of land, and that all taxes and assessments due thereon are
3 paid. If it is proposed that any lands in the district shall be filled
4 with the material dug or dredged from such waterway, the petition shall
5 so state, and the map of the district and plan of the improvement shall
6 show the location, depth, and yardage of such fill. The petition may
7 also fix the price per cubic yard at which such fill shall be charged
8 to the land filled, which charge shall be added to the assessment for
9 the improvement to be made upon such lands and be paid as a part
10 thereof. If the price of filling is not fixed by the petition it may
11 be fixed by the board.

12 At any time after the filing of such petition one or more of the
13 petitioners may file and record in the office of the auditor of the
14 county, notice of the pendency of the proceeding, describing the
15 boundaries of the proposed district, and from the time of such filing
16 all persons shall be deemed to have notice of the pendency of the
17 proceeding and be bound thereby. Upon the hearing upon such petition,
18 hereinafter provided, if the same be denied any person interested may
19 file in the office of said county auditor a certified copy of the order
20 denying the same, whereupon the auditor shall enter the discharge of
21 the notice of the pendency of the proceeding on the margin of the
22 record thereof. And the like discharge may be filed whenever the
23 proceeding is terminated for any other reason.

24 **Sec. 616.** RCW 91.08.080 and 1911 c 23 s 6 are each amended to read
25 as follows:

26 At the time and place prescribed in the said notice any owner of
27 land within said proposed improvement district may file with the board
28 his or her written consent to the proposed improvement, and he or she
29 shall then be considered as a petitioner; and if the owners of more
30 than one half of the lands within the district, including the lands
31 represented by the petition, shall assent to the prayer of said
32 petition, the board shall then proceed to hear and consider any
33 objections which may have been filed at that or any previous time, and
34 may adjourn such hearing from day to day. If the board after full
35 hearing on the merits of the proposed waterway shall be satisfied that
36 the same will be of benefit to the public interests, and that private
37 benefit will result to the lands within the district sufficient to

1 equal the cost of the proposed improvement, they may make findings
2 accordingly and declare their intention to establish the waterway
3 district under the name of the ". Waterway District" and make
4 the improvement as prayed for; but if the owners of less than one half
5 of the lands in the district shall assent to the creation thereof and
6 the making of the proposed improvement, the board shall deny the
7 petition and the proceeding shall be dismissed.

8 **Sec. 617.** RCW 91.08.130 and 1911 c 23 s 11 are each amended to
9 read as follows:

10 The board shall file a petition, verified by its (~~chairman~~) chair
11 and signed by the prosecuting attorney, in the superior court of the
12 county, praying that the property described may be taken or damaged for
13 the purpose specified and that compensation therefor be ascertained by
14 a jury or by the court in case a jury be waived. Such petition shall
15 allege the creation of the waterway district and contain a copy of the
16 order directing the proceeding, a reasonably accurate description of
17 the lots or parcels of land or other property which will be taken or
18 damaged, and the names of the owners and occupants of said lands and of
19 said persons having any interest therein so far as known to the said
20 board, or as appears from the records in the office of the county
21 auditor.

22 **Sec. 618.** RCW 91.08.150 and 1911 c 23 s 13 are each amended to
23 read as follows:

24 In case the land or other property sought to be taken or damaged is
25 state land, the summons and copy of petition shall be served upon the
26 commissioner of public lands; if it is county land it shall be served
27 upon the county auditor, and if school land, upon the county auditor
28 and the (~~chairman~~) chair of the board of directors of the school
29 district. Service upon other parties defendant, public or private,
30 shall be made in the same manner as is or shall be provided by law for
31 service of summons in other civil actions. If the state is made a
32 defendant the attorney general shall represent it. If the county is a
33 defendant the court shall appoint an attorney to represent it at all
34 stages of the proceedings, and may allow him or her compensation for
35 his or her services as costs of the proceeding.

1 **Sec. 619.** RCW 91.08.170 and 1911 c 23 s 15 are each amended to
2 read as follows:

3 The jury or court shall also ascertain the just compensation to be
4 paid to any person found to have an interest in any lot or parcel of
5 land or property which may be taken or damaged for such improvement,
6 whether or not such person's name or such lot or parcel of land or
7 other property is mentioned or described in said petition: PROVIDED,
8 That such person shall first be admitted as a party defendant to such
9 suit by such court and shall file a statement of his or her interest
10 in, and a description of, the lot or parcel of land or other property
11 in respect to which he or she claims compensation.

12 **Sec. 620.** RCW 91.08.220 and 1911 c 23 s 20 are each amended to
13 read as follows:

14 The court shall have power at any time, upon proof that any
15 defendant who has not been served with process has ceased to be an
16 owner since the filing of such petition, to substitute the new owner as
17 a defendant, and after due service of the summons and petition upon him
18 or her proceed as though he or she had been a party in the first
19 instance; and the court may upon any finding of the jury, or at any
20 time during the course of the proceedings, enter every such order,
21 rule, judgment, or decree as the nature of the case may require.

22 **Sec. 621.** RCW 91.08.250 and 1988 c 202 s 94 are each amended to
23 read as follows:

24 Any final judgment rendered by said court upon the findings of the
25 court or a jury, shall be the lawful and sufficient condemnation of the
26 land or property to be taken, or of the right to damage the same in the
27 manner proposed, upon the payment of the amount of such findings and
28 all costs which shall be taxed as in other civil cases: PROVIDED, That
29 in case any defendant recovers no award, no costs shall be taxed. Such
30 judgment shall be final and conclusive as to the damages caused by such
31 improvement, unless appellate review is sought, and no review shall
32 delay proceedings under the order of said board if it shall pay into
33 court for the owners and parties interested, as directed by the court,
34 the amount of the judgment and costs; but such board after making such
35 payment into court shall be liable to such owner or owners, or parties
36 interested, for the payment of any further compensation which may at

1 any time be finally awarded to such parties seeking review in said
2 proceeding, and his or her costs, and shall pay the same on the
3 rendition of judgment therefor and abide any rule or order of the court
4 in relation to the matter in controversy. In case of review by the
5 supreme court or the court of appeals of the state, the money so paid
6 into the superior court by the board, as aforesaid, shall remain in the
7 custody of said superior court until the final determination of the
8 proceedings. If the owner of the land, real estate, premises, or other
9 property, accepts the sum awarded by the jury or the court, he or she
10 shall be deemed thereby to have waived conclusively appellate review
11 and final judgment may be rendered in the superior court as in other
12 cases.

13 ***Sec. 622. RCW 91.08.250 and 1988 c 202 s 94 are each amended to**
14 **read as follows:**

15 **Any final judgment rendered by said court upon the findings of the**

17 **land or property to be taken, or of the right to damage the same in the**
18 **manner proposed, upon the payment of the amount of such findings and**
19 **all costs which shall be taxed as in other civil cases: PROVIDED, That**
20 **in case any defendant recovers no award, no costs shall be taxed. Such**

**Sec. 622 was vetoed. See message at end of chapter.*

4 **Sec. 623.** RCW 91.08.280 and 1911 c 23 s 26 are each amended to
5 read as follows:

6 Said commissioners, before entering upon their duties, shall take
7 and subscribe an oath that they will faithfully perform the duties of
8 the office to which they are appointed, and will to the best of their
9 abilities make true and impartial assessments according to the law.
10 Every commissioner shall receive compensation at the rate of five
11 dollars per day for each day actually spent in making the assessment
12 herein provided for, upon his or her filing in the proceeding a
13 verified statement showing the number of days he or she has actually
14 spent therein; and upon the approval of said statement by the judge of
15 the court in which the proceeding is pending, the board shall issue a
16 warrant in the amount so approved, upon the special fund created to pay
17 the awards and costs of said proceeding; and the fees of such
18 commissioners so paid, and all expenses returned by them and allowed by
19 the court shall be included in the cost and expense of such proceeding.

20 **Sec. 624.** RCW 91.08.340 and 1911 c 23 s 32 are each amended to
21 read as follows:

22 Any person interested in any property assessed and desiring to
23 object to the assessment thereon, shall file his or her objections to
24 such report at any time before the day set for hearing said roll, and
25 serve a copy thereof upon the prosecuting attorney. As to all property
26 to the assessment upon which no objections are filed and served, as
27 herein provided, default may be entered and the assessment confirmed by
28 the court. On the hearing of objections the report of the
29 commissioners shall be competent evidence to support the assessment,
30 but either party may introduce such other evidence as may tend to
31 establish the right of the matter. The hearing shall be conducted as
32 in other cases at law tried by the court without a jury; and if it
33 shall appear that the property of the objector is assessed more or less
34 than it will be benefited, or more or less than its proportionate share
35 of the cost of the condemnation and improvement, the court shall so
36 find, and it shall also find the amount in which said property ought to

1 be assessed and correct the assessment accordingly. Judgment shall be
2 entered confirming the assessment roll as originally filed or as
3 corrected, as the case may require.

4 **Sec. 625.** RCW 91.08.370 and 1911 c 23 s 35 are each amended to
5 read as follows:

6 The clerk of the court in which such judgment is rendered shall
7 certify a copy of the assessment roll as confirmed, and of the judgment
8 confirming the same, to the treasurer of the county, or if there has
9 been an appeal taken from any part of such judgment, then he or she
10 shall certify such part of the roll and judgment as is not included in
11 such appeal, and the remainder when final judgment is entered:
12 PROVIDED, That if upon such appeal the judgment of the superior court
13 shall be affirmed, the assessments on such property as to which appeal
14 has been taken shall bear interest at the same rate and from the same
15 date which other assessments not paid within the time hereafter
16 provided shall bear. Such copy of the assessment roll shall be
17 sufficient warrant to the county treasurer to collect the assessments
18 therein specified in the manner hereinafter provided.

19 **Sec. 626.** RCW 91.08.390 and 1911 c 23 s 37 are each amended to
20 read as follows:

21 The owner of any land charged with an assessment under this
22 chapter, may discharge the same from all liability for the cost of such
23 condemnation and improvement by paying the entire assessment charged
24 against his or her land, without interest, within the time fixed by the
25 notice of the county treasurer for the payment thereof; or within said
26 time he or she may pay a part of such assessment and allow the
27 remainder to continue as an assessment upon his or her land to be
28 collected and paid as hereinafter provided; or within said time he or
29 she may pay the entire assessment per square foot upon any part of his
30 or her land, providing that he or she shall when paying such partial
31 assessment give to the treasurer a description of the tract paid for.

32 **Sec. 627.** RCW 91.08.400 and 1911 c 23 s 38 are each amended to
33 read as follows:

34 When any assessment shall be paid either in full or in part only,

1 within the time for payment without interest fixed by his or her
2 notice, the treasurer shall note the fact of such payment opposite the
3 assessment.

4 **Sec. 628.** RCW 91.08.410 and 1981 c 156 s 34 are each amended to
5 read as follows:

6 Immediately after the expiration of the time fixed by his or her
7 notice for payment of assessments without interest, the treasurer shall
8 divide the several assessments which remain unpaid in whole or in part
9 into ten equal amounts or installments, as near as may be, without
10 fractional cents, and enter said installments upon the roll opposite
11 the several assessments, numbering the same from one to ten
12 successively. And thereafter said treasurer shall annually for ten
13 years, before the time fixed by law for the collection of state and

4 NEW SECTION. Sec. 638. Section 42 of this act expires December 1,
5 2013.

6 NEW SECTION. Sec. 639. Section 43 of this act takes effect
7 December 1, 2013.

Passed by the Senate February 8, 2013.

Passed by the House April 9, 2013.

Approved by the Governor April 22, 2013, with the exception of
certain items that were vetoed.

Filed in Office of Secretary of State April 23, 2013.

Note: Governor's explanation of partial veto is as follows:

"I am returning, without my approval as to Sections 371 and 622,
Substitute Senate Bill 5077 entitled:

"AN ACT Relating to technical corrections to gender-based terms."

Section 371 is identical to Section 370. Section 622 is identical to
Section 621.

For these reasons, I have vetoed Sections 371 and 622 of Substitute
Senate Bill 5077.

With the exception of Sections 371 and 622, Substitute Senate
Bill 5077 is approved."
